an

important notice. Please read it carefully and thoroughly.

All group health plans for which you are eligible to enroll meet the Medicare definition of Creditable Coverage. That means that your prescription drug coverage through the Town of Lunenburg will be at least as good as the standard Medicare Part D benefit. If you enroll in a Town of Lunenburg health insurance plan, you do not need to enroll in Medicare Part D. If you later decide to enroll in Medicare Part D, you will not be subject to a Medicare penalty. When you enroll in a plan for the first time, you will be given a Creditable Coverage Notice that is specific to your new plan. You may also get a copy of a Creditable Coverage Notice for any plan at any time upon request. If you have any questions, please contact Kimberly Gauvin at (978) 582-4134.
