

TOWN OF LUNENBURG FISCAL YEAR 2027

FINANCE COMMITTEE REPORT & ANNUAL TOWN MEETING WARRANT Annual Town Meeting May 2, 2026- 9:00 A.M. Lunenburg Middle/High School Auditorium

**Annual Town Election
May 16, 2026
T.C. Passios Building
Polls open at 7:00 A.M. and close at 5:00 P.M.**

PLEASE BRING THIS WARRANT WITH YOU TO TOWN MEETING

TOWN OF LUNENBURG
2026 ANNUAL TOWN ELECTION WARRANT

Worcester, ss:

May 16, 2026

To Michael Ray Jeffreys, Constable of the Town of Lunenburg, in the County of Worcester, Greetings:
In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Lunenburg, qualified to vote in elections and town affairs, to meet in the Thomas C. Passios School Building in said Lunenburg on Saturday, the 16th day of May next, at 7:00 o'clock in the forenoon, and then and there to act on the following:

POLLS OPEN AT 7:00 A.M. POLLS SHALL BE CLOSED AT 5:00 P.M.

Shall the Town vote to choose by ballot the following officers?

SELECT BOARD MEMBER	3 YEARS
SELECT BOARD MEMBER	3 YEARS
SEWER COMMISSIONER	3 YEARS
SEWER COMMISSIONER	2 YEARS
SEWER COMMISSIONER	1 YEAR
SEWER COMMISSIONER	1 YEAR
BOARD OF HEALTH MEMBER	3 YEARS
BOARD OF HEALTH MEMBER	3 YEARS
ASSESSOR	3 YEARS
ASSESSOR	2 YEARS
SCHOOL COMMITTEE MEMBER	3 YEARS
SCHOOL COMMITTEE MEMBER	3 YEARS
SCHOOL COMMITTEE MEMBER	2 YEARS
PARK COMMISSIONER	3 YEARS
PARK COMMISSIONER	3 YEARS
PARK COMMISSIONER	2 YEARS
COMMISSIONER OF TRUST FUNDS	3 YEARS
COMMISSIONER OF TRUST FUNDS	2 YEARS
CEMETERY COMMISSIONER	3 YEARS
LIBRARY TRUSTEE	3 YEARS
LIBRARY TRUSTEE	3 YEARS
PLANNING BOARD MEMBER	5 YEARS
PLANNING BOARD MEMBER	4 YEARS
PLANNING BOARD MEMBER	3 YEARS
HOUSING AUTHORITY MEMBER	5 YEARS

QUESTION 1. OVERRIDE

Shall the Town of Lunenburg be allowed to assess an additional \$2,400,000 in real estate and personal property taxes for the purpose of funding the Town and Lunenburg Public School Department for the fiscal year beginning July first two thousand and twenty six?

Yes _____ No _____

QUESTION 2. OVERRIDE

Shall the Town of Lunenburg be allowed to assess an additional \$3,300,000 in real estate and personal property taxes for the purpose of funding the Town and Lunenburg Public School Department for the fiscal year beginning July first two thousand and twenty six?

Yes_____ No_____

And you are directed to serve this Warrant by posting attested copies thereof in four or more public places in the Town, seven (7) days at least before the day appointed for said meeting, one of which places shall be at the Town Hall, one at Whalom Variety Store in the Whalom-Bakerville District, one at Powell's, and one at Jaxx Variety, and by mailing a copy to each dwelling unit in the Town in which a registered voter resides at least seven (7) days prior to such election.

Hereof, fail not and make due return of this Warrant, with your doings thereon, to the Town Clerk at the time and place aforesaid.

Given under our hands, this 7th day of April in the year two thousand and twenty six.

A True copy attest:

Kathryn M. Herrick, Town Clerk

**Caesar Nuzzolo, Chairman
Amanda Moore, Vice-Chairman
Renee Emkey, Clerk
Brian Lehtinen, Member
Glenn McLeod, Member
Select Board, Town of Lunenburg**

FINANCIAL TERMS

CAPITAL IMPROVEMENT PROGRAM- A blueprint for planning a community's capital expenditures that comprises an annual capital budget and a five-year capital program. It coordinates community planning, fiscal capacity and physical development.

CHERRY SHEET/STATE AID – Revenue allocated by the Commonwealth to cities, towns, and regional school districts. Estimates of local aid are transmitted to cities, towns, and districts annually by the “Cherry Sheets”. Most Cherry Sheet aid programs are considered general fund revenues and may be spent for any purpose, subject to appropriation.

DEBT EXCLUSION- An action taken by a community through a referendum vote to raise the funds necessary to pay debt service costs for a particular project from the property tax levy but outside of the limits under Proposition 2 ½. By approving a debt exclusion, a community calculates its annual levy limit under Proposition 2 ½, then adds the excluded debt service cost. The amount is added to the levy limit for the life of the debt only and may increase the levy above the levy ceiling.

EXCESS LEVY CAPACITY- The difference between the levy limit and the amount of real and personal property taxes actually levied in a given year. Annually, the Selectmen must be informed of excess levy capacity at the Tax Rate Hearing and this is submitted to DLS when setting the tax rate.

FREE CASH – Remaining, unrestricted funds from operations of the previous fiscal year including unexpended free cash from the previous year, actual receipts in excess of revenue estimates shown on the tax recapitulation sheet, and unspent amounts in budget line-items. Unpaid property taxes and certain deficits reduce the amount that can be certified as free cash. The calculation of free cash is based on the balance sheet as of June 30, which is submitted by the Town Accountant. Free Cash is not available for appropriation until certified by the Director of Accounts.

LOCAL RECEIPTS- Locally generated revenues, other than real and personal property taxes. Examples include motor vehicle excise, investment income, meals tax, fees, rentals, and charges. Annual estimates of local receipts are shown on the tax rate recapitulation sheet.

OVERLAY – (Allowance for Abatements and Exemptions) An account established annually to fund anticipated property tax abatements, exemptions and uncollected taxes in that year.

RESERVE FUND - This fund is used by the Finance Committee to provide for extraordinary or unforeseen expenditures. The total amount appropriated in any one year may not exceed 5% of the tax levy. No direct drafts against this fund can be made, but transfers from the fund can be authorized by the Finance Committee.

RETAINED EARNINGS- An equity account reflecting the accumulated earnings of an enterprise fund, which may be used to fund capital improvements, reimburse the general fund for prior year subsidies, reduce user charges, or provide for enterprise revenue deficits (operating losses).

STABILIZATION FUND – A fund designed to accumulate amounts for capital and other future spending purposes, although it may be appropriated for any lawful purpose. Communities may establish one or more stabilization funds for different purposes and may appropriate any amounts into them. A two-thirds vote of town meeting is required to establish, amend the purpose of, or appropriate money from a stabilization fund. A majority vote of town meeting is required to appropriate money into a stabilization fund.

DEFINITIONS OF RECOMMENDATIONS UNDER EACH ARTICLE

RECOMMEND APPROVAL: The board voted to recommend passage by Town Meeting.

NOT RECOMMENDED: The board voted to not recommend passage by Town Meeting.

NO RECOMMENDATION: The board voted to make no specific recommendation to Town Meeting.

NO DIRECT FINANCIAL IMPACT: The Finance Committee votes this article does not have a financial impact.

DEFERRED: A recommendation will be announced by this board when the article is considered at Town Meeting.

TOWN OF LUNENBURG

OFFICE OF THE SELECT BOARD

Hello! If you're reading this warrant for the upcoming Annual Town Meeting, then you're at least curious about local government and what's going on in Town. If you're unfamiliar with Town Meeting or haven't participated before, it is the legislative branch of Town governments in New England, responsible for passing our Town budgets and local rules and regulations. Any registered voter in Town has the opportunity to be a legislator for a day (in the case of our Annual Town Meeting in May) or evening (in the case of our Special Town Meeting in November) just by showing up to Town Meeting. I hope you are considering attending the Annual Town Meeting and participating in one of the oldest and most democratic traditions in the country!

However, while participating in Town Meeting is a great way to get involved in the community, it isn't the only way you can get involved in local government. All elected and appointed Boards in Town are fully composed of volunteers. Whether it's helping to preserve Lunenburg's character and history on the Historic Commission, protecting our beautiful community on the Conservation Commission, or digging into our Town's finances on the Finance Committee, there are so many ways you can participate in local government, join a community of caring and dedicated volunteers, and make our Town a better place to live.

If getting involved is something you've been considering or think you'd be interested in, I invite you to take a look at the open vacancies on our elected and appointed Boards:

Agricultural Commission
Architectural Preservation District
Commission
Board of Assessors
Board of Health
Cable Advisory Committee
Conservation Commission
Cultural Council

Green Communities Committee
Historical Commission
Library Board of Trustees
Personnel Committee
Public Access Cable Committee (PACC)
Sewer Commission
Stormwater Task Force
Zoning Board of Appeals

If any of these openings look like a good fit to you, please consider getting involved! The first step is to fill out a Volunteer Form which you can find on the Town's website at lunenburgma.gov. Under the "How Do I..." section of the website, click on "Volunteer For Town Boards/Commissions." If you are interested in running for one of the elected positions, please reach out to Town Clerk Kathy Herrick. If you have any questions, feel free to reach out to me at cnuzzolo@lunenburgma.gov.

I look forward to seeing you at Annual Town Meeting and hope you'll consider volunteering!

Caesar Nuzzolo
Chair, Select Board
cnuzzolo@lunenburgma.gov

OFFICE OF THE TOWN MANAGER

Jennifer Warren-Dyment

17 Main Street * Lunenburg, MA 01462 * (978) 582-4144

jwarren@lunenburgma.gov * www.lunenburgma.gov

Dear Residents of Lunenburg:

The New England Open Town Meeting remains one of the purest forms of democracy. Every registered voter at Town Meeting serves as a legislator, directly shaping Lunenburg's priorities and future. It is one of most meaningful traditions in local government, where neighbors gather to debate, decide, and vote on important community decisions. Preparing for Town Meeting takes significant work, but is always one of my favorite moments as Town Manager. It is democracy in action and a chance for every resident to make their voice heard.

Within the pages of this booklet, you will find summaries of each warrant article, along with anticipated motions where available. In addition to the warrant articles, this booklet contains the FY2027 proposed balanced budget, together with the Tier 1 and Tier 2 override budgets and the report of the Finance Committee.

Additional budget materials are available online to provide deeper context and analysis:

- Town Budget Hub: <https://www.lunenburgma.gov/830/2026-Annual-Town-Meeting-FY27-Budget-Hub>
- Lunenburg Public Schools Budget Information: <https://sites.google.com/lunenburgschools.net/budget-sandbox?usp=sharing>

Residents are strongly encouraged to review these materials in advance. The Town will also be providing additional opportunities for residents to engage directly with Town and School officials in the weeks leading up to Town Meeting.

FY2027 Budget Overview

This year, Town Meeting voters will be asked to consider three distinct budget scenarios:

- A balanced (no override) budget, which reflects available revenues under Proposition 2½ and results in service reductions across both municipal and school operations;
- A Tier 1 override budget, which supports a defined level of services (\$2.4M override); and
- A Tier 2 override budget, which supports an additional level of service restoration beyond Tier 1 (\$3.3M override).

This structure is intended to provide transparency and allow voters to evaluate service levels alongside the financial implications of each option.

It is important to be clear about process:

- Town Meeting votes to appropriate a budget, establishing spending authority;
- The ballot election determines whether an override is approved, providing the revenue required to fund that appropriation.

The Annual Town Election is scheduled for May 16, 2026 and any override question must be approved at the ballot in order to take effect.

Each of the three budget scenarios carries a different tax impact for property owners. The balanced budget is developed within the constraints of Proposition 2½ and does not require an override; however, it reflects reductions necessary to align expenditures with available revenue. The Tier 1 and Tier 2 budgets require voter approval of a Proposition 2½ override and would result in an increase to the property tax levy to support the additional services funded at each level. Estimated tax impact information is available on the Town's website and has been provided to assist voters in their evaluation of both the service implications and tax impacts.

How Does a “Tiered” Override Work?

Under Massachusetts law, a community may present multiple override options to voters in a tiered format. Each tier represents a different level of funding.

Operationally:

- Town Meeting may adopt contingent budget appropriations tied to override outcomes;
- At the ballot, voters consider each override question separately;
- If multiple tiers are presented, the outcome is implemented based on the highest level of override approved by voters.

The decisions before the community this year are significant. They involve considerations of service levels, staffing, educational programming, balanced against the tax impact required to support those services. There is no scenario without consequence. The balanced budget reflects the limits of existing revenues. The override options reflect the cost of maintaining, or restoring, services.

This booklet, along with the supplemental materials available online, is intended to provide voters with the information necessary to make decisions both at the Town Meeting and at the ballot box at the Town Election.

Whether this is your first Town Meeting or your thirtieth, **I hope to see you on Saturday, May 2, 2026 and Saturday May 16, 2026**, as residents come together to shape Lunenburg's future.

Respectfully,

Jennifer Warren-Dyment
Town Manager

Lunenburg Finance Committee Annual Report for FY27

On May 2, 2026, members of the public will gather in the Lunenburg Middle/High School and participate in the centuries-long tradition of New England style town government. As part of this tradition, the Finance Committee has reviewed all monied articles, recommended updates, held public hearings, and voted on our official recommendations. Every warrant article is important, and we never know where long discussions may occur, however, this warrant contains two budgetary articles that are worth highlighting:

- **Article 10** - Omnibus Budget article that provides most funds for the operations of town (both municipal and schools). This year's Omnibus Budget, often referred to as the Balanced Budget, will result in significant reductions in School and Town services
- **Article 11** – Override article that contains two tiers. Tier 1, also referred to as “Core Services” results in a cut to some services in town but retains those deemed critical by the Select Board and School Committee. Tier 2, also referred to as “Restorative” build upon the “Core Tier” to restore all services that the Boards believe retain the level of services that the town should expect to have. Recognizing that choices at town meetings and ballot box are important, and that these tax increases are significant, the Select Board placed a two-Tier override in front of the voters.

Town Meeting alone is not sufficient to make your voice heard in the direction of Lunenburg. A proposition 2 ½ override requires a vote at the ballot on May 16. Our elected and appointed Boards and Committees need volunteers. Finally, our Massachusetts representatives must be held accountable for their failures to fund the mandates they put on our town and our neighboring communities.

Tri-Board Process

Starting in the summer of 2025, the Select Board, School Committee and Finance Committee joined together as an ad hoc group referred to as the Tri-Board. The goals of the Tri-Board were to develop a plan for the FY27 budget, a 3-year financial forecast, and to identify and discuss consolidation and efficiencies (and the timeline for the same). A secondary benefit was to increase collaboration and work off the same data. This process was difficult at times, but the Finance Committee wants to thank the other participants for their time and effort through this process. Not all goals were met, but a foundation is in place for future progress.

Town Revenue Projections

Lunenburg's revenue comes from multiple sources, primarily from the Property Tax. This year's budget builds on the FY26 Levy Limit of \$32,910,811. By law, the levy limit increases automatically by 2.5%, resulting in an increase of \$822,770.28. Additionally, the town estimates New Growth of \$400,000, leading to a total increase of 3.72%. Previously approved Excluded Debt of \$2,199,352.52 is then applied, resulting in a Maximum Allowable Levy of 36,332,933.80.

FY2027 Net State Aid is estimated at \$10,335,568, based on the Governor's budget, with potential increases pending State legislators' negotiations. Chapter 70 Governor's budget is set at \$9,349,335 (1.28% increase from FY26), reflecting ongoing challenges with state aid for education. The Chapter 70 program is the primary source of state aid for funding local public elementary and secondary schools. From FY13-FY23 state aid increased at an annual rate of 5.3%, but in the last four years, it has slowed to approximately 1.4%, increasing the financial burden on the town to raise appropriate funds. From a Lunenburg resident's perspective, State Aid is funded through income and sales taxes.

Additional revenue sources include local receipts (Excise Tax, Meals Tax, etc.) and enterprise funds such as Sewer. Notably, Chapter 90 funding for municipal capital improvements has increased over the last couple of years due to a five-year state-level bond bill.

Proposition 2 ½ Override and Operations

Many Town Meeting articles relate to operational budgets. Lunenburg, like most municipalities in the Commonwealth, faces increased health insurance costs (8.8% increase), stagnant state aid, necessary salary increases to remain competitive, and inflation. Last year we reported that the vast majority of department staffing plans have been maintained, placed on hold, or reduced. This year's balanced budget has now put Lunenburg in the position that many services will be cut without an override. The School Committee, Superintendent, Select Board and Town Manager have had difficult conversations and decisions to arrive at a Balanced budget and Tiered override budgets.

The two-tiered override, at the time of this report, are requesting the following amounts (Note: Tier 2 includes Tier 1, it is not additive to Tier 1):

<u>Tier</u>	<u>Town Depts</u>	<u>School Dept</u>	<u>Total</u>
1 (Core)	\$757,651.68	\$1,600,000	\$2,357,651.68
2 (Restorative)	\$1,300,018.83	\$1,948,527	\$3,248,545.83

The results of these overrides on individuals are estimated and summarized in the following table:

	FY26	FY27 Balance Budget		FY27 Tier 1 Override		FY27 Tier 2 Override	
Tax Rate -->	\$14.39 per \$1,000	\$14.73 per \$1,000		\$15.69 per \$1,000		\$16.06 per \$1,000	
Assessed Value	Estimated Bill	Estimated Bill	Estimated Yearly Tax Bill Impact	Estimated Bill	Estimated Yearly Tax Bill Impact	Estimated Bill	Estimated Yearly Tax Bill Impact
\$ 250,000.00	\$ 3,597.50	\$ 3,682.50	\$ 85.00	\$ 3,922.50	\$ 325.00	\$ 4,015.00	\$ 417.50
\$ 350,000.00	\$ 5,036.50	\$ 5,155.50	\$ 119.00	\$ 5,491.50	\$ 455.00	\$ 5,621.00	\$ 584.50

* Average home price in Bold

School Department Operations

A balanced budget will result in catastrophic losses, including a reduction of 1 teacher each in grades 1-4; 1 Certified Occupational Therapist; .2 Music teacher at THES ending 5th grade band; 1 Interventionist at Primary; .5 Athletic Trainer; 1 Custodian through Attrition. In Addition, Athletic and band transportation will be ended; Girl's Lacrosse and Championship Boy's Golf along with the Ski Team will be cut and Athletic Fees will be raised. Finally supply budgets will be diminished and computer services and leasing will be cut back.

- Tier 1 (Core Budget) will result in the addition of 1 Paraprofessional at the Primary; 1 Interventionist at THES; 1 Bridge Program Teacher, 1 Paraprofessional, .4 Music Teacher, and 1 World Language Teacher all at the High School Level; along with 1 English Language Learning Teacher, an Assistant Business Manager and a .5 State Reporting Secretary, An Interventionist at the High School and an Interventionist at THES will not be added
- Tier 2 (Restorative Budget) will result in all the additions of Tier 1 as well as adding an Interventionist at the High School and an Interventionist at THES

Fire Department Operations

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Reduction in Firefighter Per Diem Coverage Salaries - This is a decrease in the planned per diem coverage from 112 hours per week to 70, resulting in staff being supplemented only during the day. Night staff is held at 3 personnel resulting in short staffing if one ambulance is out and another emergency arises. With proper per diem coverage, a fourth staff member is called in during the times when an ambulance or other call draws two staff out.
 - Cost reduction, \$66,070 (\$291,070 to \$225,000)
 - Restored in Tier 1 Override
- Out of Grade Pay – With the addition of the fourth shift, an additional shift officer is needed, resulting in additional out of grade pay requirements. The lesser amount should cover the required need but if it exceeds there is no buffer and the cost would have to be drawn from other line items.
 - Cost reduction, \$2,000 (\$5,000 to \$3,000)
 - Restored in Tier 1 Override
- Outside Training – This covers the cost for staffing coverage during paramedic training. With the fourth shift, it is likely that new hires will have to attend this training. The amount in the balanced budget should handle the coverage of a paramedic student; it leaves inadequate funding for additional staff training.
 - Cost reduction, \$25,473 (\$50,473 to \$25,000)
 - Restored in Tier 1 Override
- Equipment Maintenance/EMS - Cost for consumable supplies and medications for the EMS. This line increased over the last year. Costs have increased, and this line has been overspent in recent years. A cost reduction limits the amount of supplies and maintenance or forces use of other line-item budget to cover requirements.
 - Cost reduction, \$1,000 (\$46,000 to \$45,000)
 - Restored in Tier 1 Override
- Training – These covers hiring outside instructors for training and tuition for paramedic students. With the addition of the fourth shift, this will cover the needs of training new hires for those positions. The reduction in the funding is enough to cover one paramedic tuition with none for outside instructors for EMT or Paramedic Continuing Education.
 - Cost reduction, \$6,000 (\$21,000 to \$15,000)
 - Restored in Tier 1 Override
- Recertification – The reduced levels cover recent years' expenditure but with the addition of 3 new full-time staff the costs will increase.
 - Cost reduction, \$1,150 (\$3,150 to \$2,000)
 - Restored in Tier 1 Override
- Training Supplies – Reduction in training materials for firefighting training.

- Cost reduction, \$2,000 (\$7,000 to \$5,000)
- Restored in Tier 1 Override
- Meetings/Schools - The reduction could result in the number of trainings the firefighters can attend. It should be noted that these training courses could cover new topics such as Lithium-Ion batteries, photovoltaic systems, etc. which are forefront in our society today.
 - Cost reduction, \$2,565 (\$6,565 to \$4,000)
 - Restored in Tier 1 Override
- Meetings/Schools (Chief) - Reduction in trainings for the Chief
 - Cost reduction, \$600 (\$1,400 to \$800)
 - Restored in Tier 1 Override
- Capital Protective Equipment – This line item covers personal protective equipment, and a reduction limits the ability to continue a replacement goal of 4 to 5 sets of equipment per year. This also allows personnel to have a spare set of gear for proper decontamination and cleaning after each incident.
 - Cost reduction, \$2,000 (\$20,000 to \$18,000)
 - Restored in Tier 1 Override
- Capital Replacement Equipment – Line item covers wear and obsolescence of equipment such as hose, nozzles, thermal imagers, etc. Levels maintained at FY2026 levels but do not account for expected increases.
 - Cost reduction, \$3,400 (\$15,000 to \$11,600)
 - Restored in Tier 1 Override
- Equipment Maintenance – Line item covers primarily repair and replacement of radio equipment. Base budget represents the line-item coverage for the past 10 years which will not cover recent increases. Maintaining current funding will reduce the ability for the department to replace 1-2 radios a year and maintain the remaining equipment.
 - Cost reduction, \$5,000 (\$15,000 to \$10,000)
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Firefighter Salaries (Per Diem) - Restores the available per diem hours to 112 and proper even hour staffing during emergency calls requiring split attention.
 - Restored to \$291,070 (Attributing \$66,070 to the Tier 1 Override)
- Out of Grade Pay – Restores the buffer in the line item for any overages in covering shift officers.
 - Restored to \$5,000 (Attributing \$2,000 to the Tier 1 Override)
- Outside Training – Restores coverage for proper staffing during paramedic training.
 - Restored to \$50,473 (Attributing \$25,473 to the Tier 1 Override)
- Equipment Maintenance/EMS - Restored to desired amount
 - Restored to \$46,000 (Attributing \$1,000 to the Tier 1 Override)
- Training – Restored levels for cover tuition, continuing education, and outside instructors.
 - Restored to \$21,000 (Attributing \$6,000 to the Tier 1 Override)
- Recertification – Restored to levels required for current and new staff.
 - Restored to \$3,150 (Attributing \$1,150 to the Tier 1 Override)
- Training Supplies – Line item restored to current levels for training textbooks and materials
 - Restored to \$7,000 (Attributing \$2,000 to the Tier 1 Override)

- Meetings/Schools - Levels increased to the desired amount to cover current and new training for the firefighters.
 - Restored to \$6,565 (Attributing \$2,565 to the Tier 1 Override)
- Meetings/Schools (Chief) - Levels increased to the desired amount to cover current and new training.
 - Restored to \$1,400 (Attributing \$600 to the Tier 1 Override)
- Capital Protective Equipment – Restored to a level allowing for increased equipment turnover and backup gear.
 - Restored to \$20,000 (Attributing \$2,000 to the Tier 1 Override)
- Capital Replacement Equipment – Increased to account for expected cost increases in equipment.
 - Restored to \$15,000 (Attributing \$3,400 to the Tier 1 Override)
- Equipment Maintenance – Increase of line item allows the department to properly fund their goal of replacing worn equipment and properly maintaining other equipment.
 - Restored to \$15,000 (Attributing \$5,000 to the Tier 1 Override)

Police Department Operations

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Department Admin/Clerk - Position processes accounts payable for all the police department's receipts and accounts. The loss of this position would result in the Executive Assistant must absorb these duties.
 - Part time position eliminated
 - Cost savings is \$22,485
 - Restored in Tier 2 Override
- Uniform services cost reduction
 - Cost reduction, \$1,550 (\$31,000 to \$29,450)
 - Restored in Tier 1 Override
- Salaries Reserves – This is funding for police staff to man the lobby of the Public Safety Lobby from the hours of 3:00PM to 7:00PM. This time frame sees visits for accident reports, crime reporting, phone call inquiries (non-emergency), prisoner monitoring, etc. Loss of services results in locked door policy after 3:00PM where the public must speak with a dispatcher through the kiosk to enter the lobby and then await an officer to return to the building. All phone calls will be answered through the Nashoba dispatch center.
 - Services eliminated
 - Cost reduction, \$24,922 (\$47,898 to \$22,976)
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Uniform services
 - Restored to \$31,000 (Attributing \$1,550 to the Tier 1 Override)
- Salaries Reserves – Restoration of the services associated with staffing to Public Safety Lobby during the hours of 3:00PM to 7:00PM.
 - Restored to \$47,898 (Attributing \$24,922 to the Tier 1 Override)

The **Tier 2 Override** includes maintaining or an increase to current level of services. These include:

- Department Admin/Clerk - Restoration of the 16 hour per week position
 - Position Restored to current level
 - Restored to \$22,485 (Attributing \$22,485 to the Tier 2 Override)
- Department Sargent Salaries - Restoration of the fourth Sargent position
 - Increased to \$365,028 (Attributing \$91,257 to the Tier 2 Override)
- Patrolmen Salaries - Restoration of the staffing levels to 14 patrolmen from current 12 and retains 2 School Resource Officers (Balanced budget and Tier 1 include 1 SRO)
 - Increased to \$1,034,612 plus (Attributing \$142,725 to the Tier 2 Override)
 - Cited increase does NOT include health insurance increases

DPW Department Operations

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Drainage – Line item for repair, replacement, and new installation of drainage systems. The reduction in funding can result in flooding of roads and property due to unmaintained drainage systems. Deferred maintenance can also cause increased costs for catch up maintenance.
 - Reduced system maintenance
 - Cost reductions, \$17,000 (\$100,000 to \$83,000)
 - Restored in Tier 1 Override
- Stormwater Management – Funds services to support the MS4 requirements of the stormwater compliance and some small stormwater projects. The lesser funding amount pushes the town further out of compliance.
 - Cost reductions, \$10,000 (\$110,000 to \$100,000)
 - Restored in Tier 1 Override
- Supplies – Purchase supplies for various maintenance needs of the roads. Reduction in funds would result in less ability to maintain the Lunenburg roads.
 - Cost reductions, \$10,000 (\$35,000 to \$25,000)
 - Restored in Tier 1 Override
- Pavement Management – The requested amount of \$282,000 aligns with the funding plan of getting the pavement management line item to \$1.2 million when combined with the Chapter 90 apportionment. This year's Ch90 amount is \$718,718. The balanced budget would reduce the operating budget amount to \$50,000 and drop the overall amount for pavement management to \$768,718.
 - Cost reductions, \$232,000 (\$282,000 to \$50,000)
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Drainage – Restored to desired levels to increase maintenance at level or above prior year levels
 - Restored to \$100,000 (Attributing \$17,000 to the Tier 1 Override)
- Stormwater Management – Restored to desired levels to increase services and push the town closer to MS4 compliance
 - Restored to \$110,000 (Attributing \$10,000 to the Tier 1 Override)
- Supplies – Restored to desired levels to maintain roads.

- Restored to \$35,000 (Attributing \$10,000 to the Tier 1 Override)
- Pavement Management – Restored to the level which combined with the Ch90 funds would put the pavement funding at the desired \$1.2million as the pavement plan accounts.
 - Restored to \$282,000 (Attributing \$232,000 to the Tier 1 Override)
- Junior Engineer/Project Manager – Adds engineering staff to the DPW. Position would be responsible for supporting MS4 compliance, inspections, and other support duties.
 - Additional line item of \$86,000 (Attributing \$86,000 to the Tier 1 Override)
- Part-Time Administrative Support – Increases funding for the position
 - Increase of line item to \$24,150 (Attributing \$11,150 to the Tier 1 Override)

Board of Health

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Administrative Assistant – The position of Administrative Assistant is currently a full-time position assigned solely to the Board of Health. In a reorganization, the position will be spread across multiple departments.
 - Cost reductions, \$31,182
- Purchase of Services – Elimination of the purchase of services for the Board of Health results in the need to use funds from other line items should incidental costs occur.
 - Cost reductions, \$75
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Purchase of Services – Restored to current levels.
 - Restored to \$75 (Attributing \$75 to the Tier 1 Override)

Council on Aging

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Assistant Meal Site – A reduction in this line item results in the loss of (2) 9-hour dietary aides that provide operational support to the meal site manager. Elimination of these positions places increased duties on the meal site manager such as dining area sanitation, dish washing, basic food preparation and other duties associated with meal services including coordination of Meals on Wheels program. This increased load on the meal site manager would decrease operational efficiency and may cause a decrease in services by the Council.
 - Elimination of (2) support positions
 - Cost reductions, \$19,825
 - Restored in Tier 1 Override
- Programs – A decrease in funding results in support for programs including wellness, fitness, social, and education activities.
 - Reduction in program related services
 - Cost reductions, \$2,000 (\$8,000 to \$6,000)
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Assistant Meal Site – Maintains current staffing levels for uninterrupted services
 - Restored to \$19,825 (Attributing \$19,825 to the Tier 1 Override)
- Programs – Maintains current service levels for senior programs
 - Restored to \$8,000 (Attributing \$2,000 to the Tier 1 Override)
- Kitchen Supplies – New line item in the budget to cover kitchen supplies for the Meal Program to maintain affordability of the program. It would cover cleaning supplies, utensils, and other kitchen and serving needs.
 - Added at \$1,500 (Attributing \$1,500 to the Tier 1 Override)

Library

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Staff – The staffing reduction eliminates the position of Young Adult Services Librarian, a 30 hour per week position. The loss would decrease staff's availability for absence of coverage to meet operational safety requirements. It would also reduce structured after-school activities, Teen Advisory Board opportunities, and frequency of Summer Reading Program for Young Adults.
 - Elimination of (1) Librarian 30-hour position
 - Reduction in services of the library
 - Cost reductions, \$42,971 (\$269,048 to \$226,077)
 - Restored in Tier 1 Override
- Programs – A reduction in library sponsored programs including Young Adult Programs that may not be immediately apparent.
 - Elimination of approximately (5) events
 - Cost reductions, \$1,500 (\$21,000 to \$19,500)
 - Restored in Tier 1 Override
- Materials – A reduction in library sponsored programs including Young Adult Programs that may not be immediately apparent.
 - Elimination of approximately (5) events
 - Cost reductions, \$10,737 (\$106,937 to \$96,200)
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Staff – Maintains current staffing levels for uninterrupted services
 - Restored to \$269,048 (Attributing \$42,971 to the Tier 1 Override)
- Programs – Maintains desired program levels
 - Restored to \$21,000 (Attributing \$1,500 to the Tier 1 Override)
- Materials – Maintains desired funding for materials
 - Restored to \$106,937 (Attributing \$10,737 to the Tier 1 Override)

Facilities and Recreation Department Operations

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Park Supervisor Salary – Position is responsible for coordinating and managing parks and recreation programming including town beach. Elimination of the position would reduce and/or

eliminate programs and services as much of it would be shifted to the facilities of administrative staff.

- Reduction in programs and services associated with parks and town beach
 - Cost reductions, \$30,919
 - Restored in Tier 1 Override
 - Increased in Tier 2 Override
- Beach Salary – Reduction in beach personnel funding.
 - Reduction in services including swim lessons and lifeguard coverage
 - Cost reductions, \$10,000 (\$25,000 to \$15,000)
 - Restored in Tier 1 Override
- Programming – Line item covers overages associated with staffing for programs
 - Reduction in recreation programs
 - Cost reductions, \$5,000 (\$5,000 to \$0)
 - Restored in Tier 1 Override
- Purchase of Service – Line item covers maintenance of sports fields
 - Reduction in outside services to maintain the fields
 - Cost reductions, \$10,000 (\$70,000 to \$60,000)
 - Increased in Tier 1 Override
- Department Expenses – Line item covers office supplies and repair materials
 - Cost reductions, \$400 (\$6,400 to \$6,000)
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Park Supervisor Salary – Maintains current staffing levels for uninterrupted services
 - Restored to \$30,919 (Attributing \$30,919 to the Tier 1 Override)
- Beach Salary – Maintains current staffing levels for uninterrupted services
 - Restored to \$25,000 (Attributing \$10,000 to the Tier 1 Override)
- Programs – Maintains current staffing levels for uninterrupted services
 - Restored to \$5,000 (Attributing \$10,000 to the Tier 1 Override)
- Purchase of Service – Increased over the FY2026 level and over the Balanced Budget
 - Increased in Tier 1 Override to \$80,000 (Attributing to \$20,000 to the Tier 1 Override)
- Department Expenses – Line item covers office supplies and repair materials
 - Restored to \$6,400 (Attributing \$400 to the Tier 1 Override)

The **Tier 2 Override** includes maintaining or an increase to current level of services. These include:

- Park Supervisor Salary – Increases staffing level to full time
 - Increased to \$75,000 (Attributing \$44,081 to the Tier 1 Override)
 - Line item does NOT include increase to health insurance costs

Historical

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Various line-item reductions – Several line-item reductions for the department regarding Office Equipment and Supplies expenditures.
 - Cost reductions, \$1,000
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Various line-item reductions – Maintains current funding levels
 - Restored to \$1,000 (Attributing \$1,000 to the Tier 1 Override)

Band

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Concerts – Funds for the town’s summer band concert program.
 - Eliminates the summer concert program
 - Cost reductions, \$6,000
 - Restored in Tier 1 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- Concerts – Maintains current funding levels
 - Restored to \$6,000 (Attributing \$6,000 to the Tier 1 Override)

Other Government Operations

The substantial changes from FY2026 to achieve the **Balanced Budget** are:

- Assistant Town Manager – Creates the position of an Assistant Town Manager, with the current Assistant Town Manager/Human Resources Director being re-titled as Human Resources Director
 - Increased cost of \$120,000 over FY2026 Budget
 - Partially funded by the elimination of the IT/Tech Admin Support (\$59,459)
 - Net increase of \$60,541 to budget
- IT / Tech Admin Support – Funds the position of the IT/Communication Manager
 - Eliminated in the balanced budget
 - Cost reductions, \$59,459 from line, but attributed to Assistant Town Manager funding
 - Partially Restored in Tier 1 Override
 - Restored in Tier 2 Override

The **Tier 1 Override** includes maintaining or an increase to current level of services. These include:

- IT / Tech Admin Support – Maintains current funding levels
 - Partially Restored to \$35,193 (Attributing \$35,193 to the Tier 1 Override)
- Insurance– Attributable to DPW/Jr. Engineer
 - \$25,000

The **Tier 2 Override** includes maintaining or an increase to current level of services. These include:

- IT / Tech Admin Support – Increases current funding levels
 - Increased to \$59,459 (Attributing \$24,266 to the Tier 2 Override)
- Select Board/Committee Clerk – Increases current funding levels
 - Increased to \$12,000 (Attributing \$6,000 to the Tier 2 Override)
- Animal Control – Increases current funding levels to account for future increases in required services
 - Increased to \$80,000 (Attributing \$35,000 to the Tier 2 Override)
- Insurance Line-Item Increase – Increases account for additional staff throughout the Tier 2 Override.
 - Presented as a separate line item instead of with the positions
 - Increase of \$150,000 (Attributing \$150,000 to the Tier 2 Override)

Summary

This year's Town Meeting presents critical budgetary decisions for voters. The Finance Committee acknowledges the financial concerns of residents and appreciates the work done by town boards and commissions to prepare budgets and warrant articles. Ultimately, the decisions rest with those who participate in the Town Meeting.

The Finance Committee extends gratitude to Town Manager **Jennifer Warren-Dyment** and Superintendent **Dr Jodi Fortuna** for their leadership during a difficult financial period. We also thank **Karen Barrett** and **Chris McNamara** for their financial analysis. This team quickly acclimated to the town of Lunenburg and has shown a collaborative spirit that is definitely noticed. A special thank you to Karen Brochu for her willingness to help the town during retirement. We appreciate all Boards, Committees, Commission, department heads, municipal staff, and school employees for their dedication to the town. [000]

Lunenburg Finance Committee

- Christopher Menard, Chair
- Jean Russell, Vice-Chair
- Thomas Gray, Clerk
- Jay Simeone
- Tanya Dall
- Ana Lockwood
- Michael Rupp

GROUND RULES FROM YOUR MODERATOR, TIM MURPHY

Please remove your hats indoors, in the presence of the American flag

- 1) Turn off your noise makers ...cell phones, beepers etc
- 2) This includes verbal noisemakers that are inappropriate for civil debate ...by that I mean no booing, hissing, hooting and hollering
- 3) Those wishing to speak should line up at the microphones. State your name and street address. I will attempt to get to everyone in order, but may take the Selectboard, Fin-Comm etc out of order if it makes sense to do so. If you have a physical limitation, someone can bring the mic to you. The only time someone may stand and address the meeting without going to the microphone is for a "point of order" which means a legal issue or procedural error. **Please stand and say point of order, and wait until I call on you to inquire about your issue. Don't just start explaining.**
- 4) All amendments, questions, discussion are to be addressed to me and I will seek an answer for you from the moving party, Selectboard etc. When speaking please don't refer to specific individuals by name, instead say the moving party, the previous speaker, the member of the Selectboard etc.
- 5) The moving party will speak first and have adequate time to present their article. Speakers thereafter should be brief ...anyone, other than the moving party, wishing to speak a second time must be even briefer ... and I will ask them to step aside to allow others who haven't spoken a turn.
- 6) Proposed amendments to articles, more than a simple word change, need to be in writing. Forms are at the microphones. Amendments must be "within the scope" of the original article. Such that voters were alerted when they received the warrant what was to be voted.
- 7) "moving the question" ...cutting off debate ... must be at a microphone, must be seconded, and it is not debateable ...it takes a 2/3 vote. I will rule it out of order if I feel there are still a number of people who wish to speak.
- 8) Motion for Reconsideration of a previous vote requires a majority, vote ... It must occur close in time to the original vote, and before the attendance of the meeting has changed considerably.
- 9) Lunenburg conducts its business according to MGL and follows the procedures set out in "town meeting time" ...similar to Robert's rules of order. Those who wish to accomplish something and are unsure of the procedure should reach out to the town manager's office or me in advance to facilitate. I will also assist here at the meeting. The procedures we follow are designed to promote fair debate, not to exclude you because you are new to the process. Most meetings we have several citizen petitions on the warrant. The New England Town Meeting form of Government is the purest form of democracy.

**TOWN OF LUNENBURG
ANNUAL TOWN MEETING WARRANT
May 2, 2026**

Worcester, ss:

**To: Michael Ray Jeffreys, Constable of the Town of Lunenburg, in the County of Worcester,
Greetings:**

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Lunenburg, qualified to vote in elections and town affairs, to meet in the Lunenburg Middle/High School Auditorium in said Lunenburg on Saturday, the 2nd day of May next, at 9:00 o'clock in the morning (9:00 A.M.), for the purpose of taking action on the Town Meeting Warrant, and then and there to act on the following articles, viz:

ANNUAL TOWN MEETING ARTICLES

**ARTICLE 1. AUTHORIZATION TO HEAR AND/OR ACCEPT THE REPORTS OF OFFICERS
AND COMMITTEES OF THE TOWN**

(Submitted by the Town Manager)

To see if the Town will vote to hear and/or accept the regular written reports of the Town Officers and Committees; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: No Direct Financial Impact (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article allows Town Meeting to hear and act upon reports submitted in the Annual Town Report and delivered to the Town Meeting body by Boards, Committees, Commissions, and Town Officers.

**ARTICLE 2. AUTHORIZATION TO BORROW IN ANTICIPATION OF REVENUE AND TO
ENTER INTO A COMPENSATING BALANCE AGREEMENT WITH A BANK**

(Submitted by the Town Manager)

To see if the Town will vote to authorize the Town Treasurer/Tax Collector, with the approval of the Select Board, to borrow money from time to time in anticipation of the revenue of the Fiscal Year 2027, the period from July 1, 2026 through June 30, 2027, in conformity with the provisions of the Massachusetts General Laws, Chapter 44, Section 4, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17, and to authorize the Treasurer/Tax Collector to enter into a compensating balance agreement or agreements for Fiscal Year 2027 pursuant to Massachusetts General Laws, Chapter 44, Section 53F; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: 2/3rds

Summary: This article authorizes the Town to borrow funds in anticipation of revenue and to go out to bid for banking services. Revenue anticipation notes (RANs) may be authorized and issued

by the treasurer of the town, with the approval of the Select Board. The total amount of RANs issued cannot exceed the amount reasonably required to ensure sufficient cash-flow to the city, town or district. This article serves as a fail-safe in the unlikely event the Town experiences a cash flow issue.

ARTICLE 3. AUTHORIZATION TO EXPEND FUNDS IN ANTICIPATION OF REIMBURSEMENT OF STATE HIGHWAY ASSISTANCE AID

(Submitted by the Town Manager)

To see if the Town will vote to accept any and all state highway assistance funds authorized by the state legislature and approved by the Massachusetts Highway Department under the so-called Chapter 90 Highway Assistance Program to be expended for the maintenance, repair and construction of Town roads in anticipation of reimbursement under the direction of the Select Board and the Town Manager for work on roads located on the State Aid Primary System as approved by the Massachusetts Highway Department, and further to authorize the Town Treasurer/Tax Collector, with the approval of the Select Board, to borrow money from time to time during Fiscal Year 2027, for the period from July 1, 2026 through June 30, 2027, in anticipation of reimbursement of said highway assistance in conformity with the provisions of Massachusetts General Laws, Chapter 44, Section 6A; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: 2/3rds

Summary: This article authorizes the Town to accept revenues from the Commonwealth for road repair under Chapter 90. This article also authorizes the Town to borrow, if necessary, in advance of the receipt of said funds. However, any such borrowing cannot exceed the Town's apportionment. The Fiscal Year 2027 Chapter 90 apportionment is \$718,718.29 (contingent upon Legislative approval). In FY 2026 the Town received an initial \$690,660.70 in Chapter 90 funds in advance of a supplement of \$192,511.48.

ARTICLE 4. ECONOMIC DEVELOPMENT COMMITTEE REVOLVING FUND

(Submitted by the Town Manager)

To see if the Town will vote, to

- 1.) Amend the Code of Lunenburg, Chapter 138, entitled "Departmental Revolving Funds," Section 5, entitled "Authorized Revolving Funds," Subsection D, by the creation of an additional revolving fund as follows, to be named the "Economic Development Revolving Fund" and administered as presented:

Revolving Fund	Department, Board, Committee, Agency or Officer Authorized to Spend from the Fund	Fees, Charges or Other Receipts Credited to the Fund	Program or Activity Expenses Payable from Fund	Restrictions or Conditions on Expenses Payable from Fund	Fiscal Years
Economic Development Revolving	Director of Planning and Economic Development or Planning Board	Receipts credited to the fund shall include user fees, ticket sales, vendor fees, booth registration fees, event or program sponsorships, donations, and other receipts derived from or related to the operation of the programs or events.	Funds may be expended for the planning, promotion, and operation of programs and events intended to support local economic development, marketing of the Town and its business community, and other activities designed to support, promote, and strengthen local businesses and commercial districts	None	Fiscal Year 2027 and subsequent years

2.) Set the FY 2027 spending limit for the aforesaid Economic Development Revolving Fund at Ten Thousand Dollars and No Cents (\$10,000.00);

or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article creates a Revolving Fund under Massachusetts General Law Chapter 44, Section 53 E ½ to fund the planning, promotion, and operation of programs and events intended to support local economic development. Revenue for the fund will be derived from user fees, ticket sales, vendor fees, booth registration fees, event or program sponsorships, donations, and other receipts derived from or related to the operation of the program or event. This article also sets the initial spending limit at \$10,000.00.

ARTICLE 5. TECHNOLOGY REVOLVING FUND

(Submitted by the Town Manager)

To see if the Town will vote, to Amend the Code of Lunenburg, Chapter 138, entitled “Departmental Revolving Funds,” Section 138-5, entitled “Authorized Revolving Funds,” Subsection D, by amending the entry for the Technology Revolving Fund, namely the column therefor entitled “Department, Board, Committee, Agency or Officer Authorized to Spend from the Fund,” by replacing the existing text in its entirety with “Town Manager or his or her Designee”; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article amends the spending authority for the Technology Revolving Fund. The current spending authority is the Town Manager, the IT Director, and the Land Use Director. The title for each of the latter two positions has changed since the fund was established. Amending the language to the “Town Manager or his or her Designee” allows the Town Manager to select the employee who will pay allowable expenditures from this fund on behalf of the Town (typically invoices associated with the OpenGov online permitting software).

ARTICLE 6. REVOLVING FUNDS

(Submitted by the Town Manager)

To see if the Town will vote to authorize revolving funds for various departments, boards, committees, agencies or officers pursuant to Massachusetts General Law Chapter 44, Section 53E½, for the fiscal year beginning July 1, 2026, to be expended in accordance with Chapter 138 of the Town’s General Bylaws; or take any other action relative thereto.

<i>Revolving Fund</i>	<i>FY 2027 Spending Limit</i>
Ambulance Billing	\$100,000
Timber Rights	\$10,000
School Custodial Special Details	\$13,000
Green Thumb	\$5,000
Library Revolving	\$12,000
Council on Aging/MART Revolving	\$60,000
Stormwater Task Force	\$5,000
Electrical, Gas, Plumbing Inspector Revolving	\$75,000
Technology Revolving	\$30,000
Local Wetlands Protection Bylaw Fees	\$50,000
CoA Meal Site	\$20,000
Parks Programming	\$77,000

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article sets the annual spending limits of each of the Town's revolving funds. Massachusetts General Law Chapter 44, Section 53 E½ requires Towns to set the spending limit of such funds annually. The Electrical, Gas, Plumbing Inspector Revolving Fund limit has been increased by \$20,000 over the FY2026 limit.

ARTICLE 7. AUTHORIZATION TO PAY EXPENSES FROM A PRIOR FISCAL YEAR

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money for payment of prior year expenses; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Deferred.

SELECT BOARD RECOMMENDATION: Deferred.

VOTE REQUIRED: 4/5ths

Summary: For a variety of reasons, expenses from a prior Fiscal Year are not paid during that Fiscal Year and are not encumbered. There are two outstanding invoices owed to Arrow Septic in the amounts of \$1,317.50 and \$577.50.

ARTICLE 8. FISCAL YEAR 2026 BUDGET ADJUSTMENTS

(Submitted by the Town Manager)

To see if the Town will vote to transfer from available funds, all sums of money necessary to amend the amounts voted for the Town's FY 2026 Budget, under Article 10 of the May 3, 2025 Annual Town Meeting and Article 2 of the November 18, 2025 Special Town Meeting; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Deferred.

SELECT BOARD RECOMMENDATION: Deferred.

VOTE REQUIRED: Majority

Summary: This is the annual authorization to transfer money within FY 2026 accounts to cover deficiencies in some accounts with the excess balances in other accounts. None known at the time of print.

ARTICLE 9. FISCAL YEAR 2026 CLOSEOUTS

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money to cover FY 2026 and prior year operating deficits; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Deferred.

SELECT BOARD RECOMMENDATION: Deferred.

VOTE REQUIRED: Majority

Summary: Despite the flexibility provided for in the omnibus appropriation certain expenses cannot be absorbed across the budget. State statute allows municipalities to deficit spend the snow

and ice budget. At the time of print, the snow and ice deficit is \$691,000.00. While some of this deficit can be covered by transferring from other unexpended budget lines, a transfer of Free Cash at Town Meeting will likely be necessary to fully close the deficit.

ARTICLE 10. FISCAL YEAR 2027 OMNIBUS BUDGET

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money to defray the charges and expenses of the Town for FY 2027 and to fix the salaries and compensation of all elected officials of the Town and any other items included in the budget of the Town Manager; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (4-1-1).

SELECT BOARD RECOMMENDATION: Recommend Approval (4-0-0).

VOTE REQUIRED: Majority

Summary: The proposed draft of the Fiscal Year 2027 Omnibus Budget, together with the drafts of the Tier 1 and Tier 2 budgets, are included in this book, following the warrant. Please also refer to the Town and School budget sites as well as the Finance Committee Report (page 7) for additional details.

The budget considered under this article reflects a funding plan that operates within the limits of available revenues under Proposition 2 ½ and does not require the approval of an override.

The planned motion under this article funds the \$49,963,990.19 FY 2027 Omnibus Budget in the following manner:

- **Raise and Appropriate: \$49,557,907.80**
- **Transfer from the Sewer Enterprise Fund: \$288,966.09**
- **Transfer from the Artificial Turf Revolving Fund: \$37,306.80**
- **Transfer from the PEG Access and Cable Related Enterprise Fund: \$20,972.00**
- **Transfer from Water Betterment Revenue: \$58,837.50**

The Town Manager will provide an overall presentation on the omnibus budget to Town Meeting. Detailed questions may be directed to Department Heads.

ARTICLE 11. FY2027 PROPOSITION 2 ½ OVERRIDE

(Submitted by the Select Board and Town Manager)

To see if the Town will vote to raise and appropriate such sums as may be necessary to supplement the general operating budgets of the Town and the Lunenburg Public Schools for Fiscal Year 2027; provided, however, that such appropriation shall be expressly contingent upon approval by the voters of a Proposition 2½ override question, so-called, in accordance with G.L. c. 59 § 21C(g), as follows:

- **\$2,400,000 (Tier 1 Override)**
- **\$3,300,000 (Tier 2 Override)**

with the understanding that each amount shall be presented to the voters as a separate ballot question, and that if more than one question is approved, only the highest approved amount shall be implemented; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION TIER 1: Recommend Approval (4-2-0).

FINANCE COMMITTEE RECOMMENDATION TIER 2: Recommend Approval (4-2-0).

SELECT BOARD RECOMMENDATION TIER 1: Recommend Approval (3-1-0).

SELECT BOARD RECOMMENDATION TIER 2: Recommend Approval (3-1-0).

VOTE REQUIRED: Majority

Summary: The proposed draft of the Fiscal Year 2027 Omnibus Budget, together with the drafts of the Tier 1 and Tier 2 budgets, are included in this book, following the warrant. Please also refer to the Town and School budget sites as well as the Finance Committee Report (page 7) for additional details.

This article asks the Town to consider a general override of the levy limit under Proposition 2½ to support the Fiscal Year 2027 operating budgets of both the Town and the Lunenburg Public Schools.

The Town has developed three budget scenarios for Fiscal Year 2027:

- **Balanced Budget (No Override): \$ 49,963,990.19**
- **Tier 1 Override Budget: \$52,321,641.88**
- **Tier 2 Override Budget: \$53,212,536.03**

This article provides the additional appropriation for the Tier 1 and Tier 2 budgets (\$2,357,651.68 and 3,248,545.83 respectively). The tiered structure provides voters with more than one funding option. Town Meeting will be asked to consider each Tier as separate motions at Town Meeting. The Town Meeting vote alone does not authorize or approve an override.

Each tier will be voted on separately at the Town Election. The Election Warrant will contain two separate questions.

- **Tier 1 Override: \$2,400,000**
- **Tier 2 Override: \$3,300,000**

Voters may approve one, both, or neither option at the Annual Town Election on May 16, 2026. If both options are approved, only the higher amount (Tier 2) will be implemented (the amounts do not combine or “stack”). If neither question is approved, the Town will operate under a balanced budget within the existing levy limit. If only Tier 1 is approved, the Tier 1 budget will be implemented. If only Tier 2 is approved, the Tier 2 budget will be implemented. If both are approved, the Tier 2 budget will be implemented.

The override, if approved, would increase the Town’s levy limit on an ongoing basis and fund general municipal and school operating expenses. For more information, please visit the Town and School budget websites.

ARTICLE 12. FISCAL YEAR 2026 CAPITAL PROGRAM FUNDING REAUTHORIZATION

(Submitted by the Town Manager)

To see if the Town will vote to:

1) amend the vote taken under Article 8 of the May 3, 2025 Annual Town Meeting to fund the FY 2026 Program of Capital Projects Option 2 by rescinding the authorization to transfer from Article 6 of the May 7, 2022 Annual Town Meeting the sum of \$325,000;

2) rescind the vote taken under Article 11 of the November 14, 2023 Special Town Meeting to fund the repair of the roof at the TC Passios Building; and

3) reauthorize the transfer from Article 6 of the May 7, 2022 Annual Town Meeting to be included in the funding of the \$1,225,000 FY26 Capital Plan, Option 2, as appearing in the May 3, 2025 Annual Town Meeting Warrant Booklet;

or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This is a housekeeping article to rescind several prior Town Meeting votes and re-authorize on of the funding sources for the FY26 Capital Plan. At the May 7, 2022 Annual Town Meeting funds were appropriated in the FY23 Capital Plan for the hazardous material abatement for the Old Primary School. These funds were not utilized for this purpose and were re-appropriated at the November 14, 2023 Special Town Meeting to fund the repair of the roof at the TC Passios Building (this project did not proceed). Due to an accounting error, these same funds were also re-appropriated at the 2025 Annual Town Meeting to fund the FY26 Capital Program. No funds have yet been expended.

This article corrects and clarifies the Town Meeting funding action related to the FY2026 Capital Plan. At the 2025 Annual Town Meeting, \$325,000 from unexpended funds originally appropriated under the FY2023 Capital Plan (Article 6, May 7, 2022) were transferred to support the FY2026 Capital Plan. However, a portion of those funds, \$300,000, had already been committed at the November 14, 2023 Special Town Meeting to fund roof repairs at the TC Passios Building. The unexpended project from the FY2023 Capital Plan from which there was the reappropriation of funds was the Hazardous Materials Abatement for the Old Primary School.

To address this overlap, this article rescinds the prior transfers and reauthorizes the appropriate transfer from the FY2023 Capital Plan funds so that the funding for the FY2026 Capital Plan (Option 2) is properly aligned with Town Meeting's intent. The article does not increase the total amount previously appropriated to the FY2026 Capital Plan.

ARTICLE 13. FISCAL YEAR 2027 CAPITAL PROGRAM

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate, and/or transfer from available funds, a sum of money to purchase or lease/purchase and equip the FY 2027 Program of Capital Projects, as illustrated in the chart below, including all costs incidental or related thereto, and, as needed, to authorize lease/purchase agreements for periods of up to or in excess of three years for such purposes; or take any other action relative thereto.

CPC Rank	Department	Project	Project Cost	Cumulative Cost	Free Cash/ Taxation	Vehicle/ Equip. Stab. Fund
1	DPW	Flat Hill Rd Bridge Completion (Engineering and Construction)	350,000	350,000	350,000	
2	Police	Patrol Cruiser (replacement)	68,627	418,627	68,627	
3	Fire	Engine 2 - 4x4 Brush Truck (replacement)	335,000	753,627		335,000
4	Schools	Primary School Entry and Driveway Expansion (Design)	25,000	778,627	25,000	
5	Schools	Primary School Playground (Design)	30,000	808,627	30,000	
6	Police	Supervisor Cruiser (replacement)	68,627	877,254	68,627	
7	Facilities	Public Safety Building Roof Repair	494,500	1,371,754	494,500	
8	Facilities	Public Safety Building Boiler Upgrades	115,000	1,486,754	115,000	
9	Schools	School Door Security Intercoms at Turkey Hill and Primary (replacement)	29,044	1,515,798	29,044	
10	Facilities	Public Safety Controls Upgrade	35,000	1,550,798	35,000	
11	DPW	Front End Loader with Snow Plow (replacement, retain spare)	259,000	1,809,798		259,000
12	IT	Adult Activity Center Network Upgrade	20,405	1,830,203	20,405	

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article funds the \$1,830,203 FY 2027 Program of Capital Projects. The Capital Planning Committee (CPC) met over the Fall and through Town Meeting to consider capital requests. The Capital Planning Committee ranked the projects. Based upon these rankings, and available funds, the Town Manager formulated the FY 2027 Program of Capital Projects.

The planned funding sources for this article are as follows:

- Transfer \$991,627 from Certified Free Cash
- Transfer \$594,000 from the Special Purpose Vehicle/Equipment Stabilization Fund
- Raise and appropriate \$244,576

**ARTICLE 14. PUBLIC EDUCATIONAL GOVERNMENT (PEG) ACCESS ENTERPRISE
FUND- OPERATING BUDGET**

(Submitted by the PAC Committee)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to fund the FY 2027 Public Educational Government (PEG) Access Enterprise operating budget; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (4-0-0).

VOTE REQUIRED: Majority

Summary: This is the annual appropriation of expected PEG revenues and available funds to support PEG Access operations in FY 2027. The PEG Fund is separate from the Town's general operating budget and must be self-supporting, meaning cable-related revenues and available funds must cover PEG Access expenses each year. The planned motion is to appropriate \$177,000 from PEG Access and cable-related revenues and to transfer \$40,847.55 from retained earnings, for a total FY 2027 PEG operating budget of \$217,847.55.

**ARTICLE 15. PUBLIC EDUCATIONAL GOVERNMENT (PEG) ACCESS ENTERPRISE
FUND- CAPITAL BUDGET**

(Submitted by the PAC Committee)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to fund the FY 2026 Public Educational Government (PEG) Access Enterprise capital budget; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (4-0-0).

VOTE REQUIRED: Majority

Summary: The PEG Fund is separate from the Town's general operating budget and must be self-supporting, meaning cable-related revenues and available funds must cover PEG Access expenses each year. This article funds the purchase of a replacement CASTUS system (software and server used to broadcast PAC programming). The current system is at end of life, and the estimated replacement cost is \$77,000.00. A transfer from retained earnings will be requested at Town

Meeting to fund this purchase. The vendor has advised that, due to tariffs, pricing is expected to increase by 15-20% as of July 1, 2026; therefore, this article seeks to authorize the purchase in FY 2026.

ARTICLE 16. SOLID WASTE DISPOSAL PROGRAM ENTERPRISE FUND

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to operate the Solid Waste Disposal Program Enterprise Fund for FY 2027; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This is the annual appropriation of expected solid waste program revenues and available funds (pay-as-you-throw program) to offset the costs of collecting and disposing of solid waste in FY 2027. This fund does not cover the costs of the recycling program. The planned motion under this article is to appropriate \$500,000 from Solid Waste Disposal Enterprise Revenues to operate the Solid Waste Disposal Program Enterprise Fund for FY 2027.

ARTICLE 17. WATER ENTERPRISE FUND

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to operate the Water Enterprise Fund for FY 2027; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (4-0-0).

VOTE REQUIRED: Majority

Summary: The planned motion under this article is to appropriate \$120,000 from Water Enterprise Revenues to operate the Water Enterprise Fund for FY 2027.

ARTICLE 18. TRANSFER OF FUNDS TO THE OPEB SEWER TRUST FUND

(Submitted by the Town Manager)

To see if the Town will vote to transfer from available funds the sum of \$1,600 into the OPEB Sewer Trust Fund; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: OPEB stands for "Other Post Employment Benefits". These are benefits, other than pensions, offered to employees after they leave employment (retiree medical, dental, vision and life

insurance). All Towns that offer retiree benefits have always had OPEB liability. However, the amount of liability was largely unknown until the Government Accountability Standards Board (GASB) directed all municipalities to quantify their liabilities in 2001. Initial estimates of these liabilities were first released in 2014. The Town is under no obligation to fund its OPEB liability.

The OPEB Sewer Trust Fund provides for post-employment benefits, other than pensions, offered to employees whose jobs are funded in any part by the sewer enterprise.

ARTICLE 19. FY 2027 SEWER ENTERPRISE

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to operate the Sewer Enterprise Fund for FY 2027; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (4-0-0).

VOTE REQUIRED: Majority

Summary: This is the annual appropriation of expected sewer revenues and available sewer funds to offset the costs of running the sewer system and related costs in FY 2027. The Sewer Enterprise Fund is separate from the Town's annual operating budget, and it must be a self-funding account in which sewer billing revenues and available funds must cover all expenses associated with sewer operations each year. Total Budget \$1,981,993.06, Estimated Revenues \$2,008,047.00.

ARTICLE 20. SALARY ADMINISTRATIVE PLAN (SAP) ADJUSTMENTS FOR FY 2027

(Submitted by the Assistant Town Manager/Human Resources Director)

To see if the Town will vote to replace the current Salary Schedule in the Code of Lunenburg, Chapter 70, entitled "Salary Administration Plan," Section 70-8, entitled "Salary Schedule," Subsection A, and specifically Schedule A as referenced therein, as amended, with a FY 2027 Salary Schedule, which authorizes wage increases for Fiscal Year 2027, for permanent employees not covered by a collective bargaining unit agreement or individual contract; and, further, to transfer a sum of money from available funds to fund the wage increase for FY2027; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article provides a 3% cost of living adjustment for SAP employees for FY 2027.

ARTICLE 21. FUND THE FIRST YEAR OF THE PROFESSIONAL FIREFIGHTERS UNION COLLECTIVE BARGAINING AGREEMENT

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to fund the first year of the Collective Bargaining Agreement dated July 1, 2026 – June 30, 2029 with PFFM Local 4358A, Professional Firefighters Union; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Deferred.

SELECT BOARD RECOMMENDATION: Deferred.

VOTE REQUIRED: Majority

Summary: This article binds the FY27-29 Collective Bargaining Agreement between the Town and the PFFM Local 4358A, Professional Firefighters Union by transferring funds from the Salary Reserve line to fund the first year of the contract.

ARTICLE 22. FUND THE FIRST YEAR OF THE MUNICIPAL EMPLOYEES' UNION COLLECTIVE BARGAINING AGREEMENT

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to fund the first year of the Collective Bargaining Agreement dated July 1, 2026 – June 30, 2029 with AFSCME, Council 93, Municipal Employees Union; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Deferred.

SELECT BOARD RECOMMENDATION: Deferred.

VOTE REQUIRED: Majority

Summary: This article binds the FY27-29 Collective Bargaining Agreement between the Town and the AFSCME, Council 93, Municipal Employees Union by transferring funds from the Salary Reserve line to fund the first year of the contract.

ARTICLE 23. FUND THE FIRST YEAR OF THE TEAMSTERS UNION LOCAL 170 (DPW) COLLECTIVE BARGAINING AGREEMENT

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to fund the first year of the Collective Bargaining Agreement dated July 1, 2025 – June 30, 2028 with Teamsters Union Local 170, DPW; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Deferred.

SELECT BOARD RECOMMENDATION: Deferred.

VOTE REQUIRED: Majority

Summary: This article binds the FY26-28 Collective Bargaining Agreement between the Town and the Teamsters Union Local 170, DPW by transferring funds from the Salary Reserve line to fund the first year of the contract.

ARTICLE 24. SPECIAL APPROPRIATIONS

(Submitted by the Town Manager)

To see if the Town will vote to transfer from available funds, a sum of money to fund the following:

TC Passios Operating Costs and Certain Decommissioning Expenses	\$121,800
Special Assistant to the Assessor	\$27,500

Or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article shifts the funding for TC Passios operating costs, as well as some decommissioning expenses, and funding for the Special Assistant to the Assessor from the operating budget to one-time funding sources to relieve pressure on the operating budget.

The TC Passios building is in a deteriorated condition and is in the process of being phased out of service. A portion of the building was decommissioned last Fall; however, anticipated operating savings have not been realized since that time. In additions, there has been significant roof leaks this Spring. As the building is expected to be vacated prior to the end of FY2027, these costs are being shifted outside of the budget as they will be non-recurring.

This article also provides funding for a Special Assistant to the Assessor. This is a temporary contracted position which is expected to terminate no later the end of FY28. This position is to support compliance with directives from the Department of Revenue which must be completed prior to the next revaluation. These funds will allow the Assessors to accomplish several of these directives, namely the neighborhood codes. Progress on the completion of directives is ongoing, and this funding is intended to advance completion of required tasks.

ARTICLE 25. APPROPRIATE FREE CASH TO THE OPEB TRUST FUND

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money into the OPEB Trust Fund that was created at the November 10, 2010 Special Town Meeting; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: OPEB stands for "Other Post Employment Benefits". These are benefits, other than pensions, offered to employees after they leave employment (retiree medical, dental, vision and life insurance). All Towns that offer retiree benefits have always had OPEB liability. However, the amount of liability was largely unknown until the Government Accountability Standards Board (GASB) directed all municipalities to quantify their liabilities in 2001. Initial estimates of these liabilities were first released in 2014. The Town is under no obligation to fund its OPEB liability.

However, funding OPEB liability is one of the elements considered by agencies when determining a Town's bond rating. Lunenburg's OPEB Liability as of June 30, 2024 is \$52,294,353 and we are 2.69% funded. Lunenburg's Financial Policies call for a transfer of 10%, or \$335,437, of Certified Free Cash into the OPEB Trust Fund.

ARTICLE 26. APPROPRIATION TO THE COMPENSATED ABSENCES RESERVE FUND

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of \$10,000 to the Compensated Absences Reserve Fund that was created at the May 3, 2025 Annual Town Meeting; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: The planned motion under this article transfers \$10,000 from Certified Free Cash to the Compensated Absences Reserve Fund. Upon separation from service, some employees are compensated for a portion of their unused sick leave, and all employees are entitled to payment of accrued vacation leave. The Fund allows the Town to manage the liability so that an unanticipated payment does not unduly impact the operating budget of any department during the year. This Fund was created at the May 2025 Annual Town Meeting and received an initial transfer of Free Cash in the amount of \$10,000.

ARTICLE 27. APPROPRIATION TO THE 300th ANNIVERSARY COMMITTEE

(Submitted by the Select Board)

To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of \$15,000 to the 300th Anniversary Committee for the activities, programs, events, and celebrations planned by the Committee and associated with the 300th Anniversary of the incorporation of the Town of Lunenburg, with such appropriation to expire June 30, 2029; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (5-1-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: At the May 7, 2022 Annual Town Meeting, Town Meeting created the 300th Anniversary Committee and appropriated \$5,000 to cover initial expenses of the Committee. Those funds were not spent and have since been closed out to Free Cash. The planned motion under this article transfers \$15,000 in Certified Free Cash to the 300th Anniversary Committee.

ARTICLE 28. APPROPRIATE FREE CASH TO THE STABILIZATION FUND

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to the Stabilization Fund; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: The Stabilization Fund, also known as the “rainy day” fund, allows the Town to accumulate savings to provide emergency funds for use in a major or significant event, such as a natural disaster, an uninsured loss, damage to a capital asset, or prolonged decrease in revenue. Withdrawals from the Fund require a two-thirds vote at Town Meeting. Lunenburg’s Financial Policies state that the general stabilization fund should maintain a balance equal to 5% of the current omnibus budget. Presently the balance of the general stabilization fund is \$3,147,178.96 which is 6.3% the proposed FY27 omnibus budget. The planned motion under this article is to transfer \$250,000 from Certified Free Cash to the Stabilization Fund.

ARTICLE 29. APPROPRIATE FREE CASH TO THE HEALTH INSURANCE SPECIAL PURPOSE STABILIZATION FUND

(Submitted by the Town Manager)

To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to the Special Purpose Stabilization Fund; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (5-1-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article transfers \$250,000 from Free Cash to the Town’s Health Insurance Special Purpose Stabilization Fund (current balance \$11,026.88).

The Town maintains several special purpose stabilization funds to set aside resources for defined uses, including vehicle and equipment replacement, health insurance, zoning incentives, reserve capacity, and sewer inflow and infiltration.

The Town has experienced significant health insurance increases in recent years. This transfer is intended to strengthen the Town’s ability to plan for and absorb the impact of future increases, providing a reserve that can be used to offset unusually high cost growth.

ARTICLE 30. VACATION SYSTEM TRANSITION- LIABILITY REDUCTION

(Submitted by the Town Manager)

To see if the Town will vote to transfer from available funds, a sum of money for the purpose of funding a buyout of accrued vacation time for Town employees in connection with the transition to an accrual-based vacation system adopted at the November 25, 2025 Special Town Meeting and similar provisions adopted through collective bargaining agreements; said funds to be used to compensate eligible employees for a portion of their accrued vacation balances as of June 30, 2026 in order to reduce the Town’s long-term vacation leave liability associated with the transition to the accrual-based system; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0)

VOTE REQUIRED: Majority

Summary: This article funds, with Free Cash, a buy down of a portion of accrued employee vacation balances prior to the July 1, 2026 transition to an accrual-based vacation system. Town Meeting previously approved changes to the Salary Administration Plan converting the Town's vacation benefit to a monthly accrual system. Under that change, existing vacation balances as of June 30, 2026 will convert to a separate "Vacation Bank," with employees required to use the banked time over several fiscal years. Similar transitions are occurring in several collective bargaining agreements. This article provides funding authority for the Town Manager to buy out all, or a portion of, accrued vacation balances to reduce the Town's outstanding leave liability as the new system is implemented.

The planned motion under this article is to transfer \$270,000 in Free Cash to buy off 100% of the outstanding vacation liability owed to employees. However, the Town is obligated to buy down all accrued vacation time over three weeks. In the case that motion to transfer \$270,000 in Free Cash to buy off 100% of the liability fails, there will be a second motion to transfer \$51,000 in Free Cash to buy of the minimum obligation of the Town.

ARTICLE 31. AMENDMENTS TO THE SALARY ADMINISTRATIVE PLAN (SAP)
POSITION TITLES/GRADES

(Submitted by the Assistant Town Manager/Human Resources Director)

To see if the Town will vote to amend the Code of Lunenburg, Chapter 70, entitled "Salary Administration Plan," Schedule A, entitled "Classification and Salary Schedule," as follows: that the position of "Assistant Town Manager" be added and assigned to Grade 17; and that the title of "Assistant Town Manager/HR Director" be amended to "HR Director"; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (4-2-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (4-1-0)

VOTE REQUIRED: Majority

Summary: This article places the position of Assistant Town Manager on the Classification and Salary Schedule and changes the title of Assistant Town Manager/HR Director to HR Director.

ARTICLE 32. NOTICE OF TOWN MEETING

(Submitted by the Town Manager and Select Board)

To see if the Town will vote to amend the Code of Lunenburg, Chapter 81, entitled "Town Meetings," Subsection 1, entitled "Warrants," by making certain deletions (in strikethrough) and additions (in bold italic) as follows:

§81-1 Warrants

A. Warrants for all Town Meetings shall be served by posting attested copies thereof in four or more public places in the Town, 14 days, at least, before the day appointed for said meeting, one in each Precinct:

- (1) Precinct A: Town Hall, 17 Main Street.
- (2) Precinct B: Whalom Variety Store, 423 Electric Avenue in the Whalom-Bakerville District.
- (3) Precinct C: Powell Stone & Gravel Co. Inc., 225 Leominster-Shirley Road.
- (4) Precinct D: JAXX Country Variety, 1383 Massachusetts Avenue.

B. The warrant for any Town Meeting, with report and recommendation of the Finance Committee (required by Chapter 12, Article I, § 12-2, of these bylaws), ***together with the warrant for the Annual Town Election, shall be posted to the Town website and copies will be made available to members of the public at Town Hall and other Town buildings, mailed by the Select Board to each dwelling unit in the Town in which a registered voter resides, at least 14 days prior to such meeting. The warrant for the Annual Town Election shall be included in the mailing for the Annual Town Meeting. The Select Board shall cause a notification of the date of Town Meeting and availability of the Warrant to be mailed to each dwelling in the Town in which a registered voter resides at least 14 days prior to such meeting. The notification shall include sufficient information to reasonably direct residents to the full text of the Warrant. In addition to this notification, the Select Board's office shall maintain a list of residents who opt-in to receive a physical copy of the Warrant and shall mail copies of the Warrant to those residents at least 14 days prior to such meeting.***

Or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (4-2-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0)

VOTE REQUIRED: Majority

Summary: The Town currently mails the warrant booklet to every household in which a registered voters reside. This mailing has a substantial cost for both the printing of the booklets and the mailing itself. This amendment would allow notice of a Town Meeting, in the form of a letter or postcard, to be mailed to each household at a much lower cost. The printing of the booklet also causes time constraints for staff and Boards and Committees.

ARTICLE 33. TRANSFER THE CARE, CUSTODY, AND CONTROL OF KIDS KINGDOM AND THE LAND IT IS ON FROM THE SCHOOL COMMITTEE TO THE SELECT BOARD

(Submitted by the Select Board and School Committee)

To see if the Town will vote to transfer the care, custody, and control of a portion of the land with the building thereon, known as Kids Kingdom, located at 1079 Massachusetts Avenue, more specifically identified in the Assessor's records as Map 60, Parcel 55, and as shown on a plan of land entitled "Approximate Parcel Configurations: Passios Building and Brooks House," dated April 15, 2016 and on file with the office of the Town Clerk, from the School Committee, presently held for school purposes, to the Select Board, for general municipal purposes; or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: No Direct Financial Impact (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

SCHOOL COMMITTEE RECOMMENDATION: Recommend Approval (4-0-0).

VOTE REQUIRED: 2/3rds

Summary: The Connor Lourens Memorial Playground, or Kids Kingdom, has been a special part of the community for nearly twenty years, built as a memorial to Lunenburg resident Connor Lourens who tragically passed at age seven. The playground continues to hold deep sentimental value for many families and has been enjoyed by many generations of Lunenburg children.

At the 2016 Annual Town Meeting, voters transferred the TC Passios Elementary School and the Brooks House from the School Committee to the Select Board, while the School Committee retained care, custody, and control of the Kids Kingdom parcel.

In 2025, Town Meeting authorized funding for the design of additional parking to support the Adult Activity Center. While the Town has not yet engaged a designer, it has been suggested that the new parking configuration may need to expand into the area where Kids Kingdom currently sits.

This article is jointly sponsored by the Select Board and School Committee and does not represent a decision to definitively relocate Kids Kingdom and that decision will only be made after substantial opportunity for public input. This is an administrative step that enables the Town to continue studying how best to meet both the needs of our senior population and the community's desire to preserve the legacy and purpose of Kids Kingdom in a thoughtful and respectful manner.

ARTICLE 34. OPEN SPACE COMMITTEE

(Submitted by the Open Space Committee)

To see if the Town will vote, to Amend the Code of Lunenburg, Chapter 12, entitled "Boards, Commissions and Committees," by inserting a new Article IX thereto, entitled "Open Space Committee," as follows:

Article IX Open Space Committee

§ 12-24. Membership and Appointment

- A. There shall be established an Open Space Committee consisting of seven (7) voting members who reside in Lunenburg who shall be sworn to the faithful performance of their duties. Membership shall include:
 - One member or designee of the Planning Board
 - One member or designee of the Conservation Commission
 - One member or designee of the Parks Commission
 - One member or designee of the Agricultural Commission
 - Three at-large community members.
- B. The Open Space Committee at-large members shall be appointed by the Select Board. The four Board/Commission members shall be appointed by their relevant Board/Commission. Committee members shall serve two (2) year staggered terms, with the majority of the first members appointed for a two (2) year term and the remaining initial members appointed to a one (1) year term. Thereafter, each member shall serve for two (2) years or until a successor has been appointed. The positions will not be term-limited.

- C. The membership shall consist of individuals with experience, training, or a dedicated interest in open space preservation, land planning, conservation, real estate acquisition, mapping, fundraising, communications, and such other professions as could be helpful to the Committee's work.

§ 12-25. Duties

The Open Space Committee shall have the following responsibilities and duties:

- A. Assist and advise other Town boards/committees and departments as they may request such assistance with regard to the review of applications for land development permits with the goal of securing open space areas for the community.
- B. Serve as an information source and advocate for the acquisition of land for conservation, open space, agricultural, recreation, and related purposes and make recommendations for its purchase to the Select Board.
- C. Update and implement Lunenburg's Open Space Plan and Recreation Plan pursuant to Massachusetts Department of Conservation and Recreation guidelines.
- D. Maintain a publicly-owned open space inventory.
- E. Work with Lunenburg residents, Town Departments, Town Boards and Committees, state and federal officials and agencies, and private non-profit land conservation organizations to further the preservation of Lunenburg's open space resources.
- F. Encourage philanthropy and private efforts to preserve open space.
- G. Develop community education programs and communication tools regarding the value and use of open space areas.

§ 12-26. Officers

The Open Space Committee shall choose its own officers and may adopt rules of procedure regarding its functioning and operation in compliance with Massachusetts Open Meeting Law.

§ 12-27. Guiding Principles

In performing its work, the Open Space Committee shall be guided by the Lunenburg Master Plan and the Lunenburg Open Space and Recreation Plan.

Or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: The Open Space Committee is currently an ad hoc (as needed) committee of the Planning Board. The Open Space Committee seeks, through this Article, to become a Standing

Committee of the Town. The Committee, which is advisory, and not regulatory would include one member (each) of the of the Planning Board, Conservation Commission, Parks Commission, Agricultural Commission, and three at-large Community Members. The primary duties of the Committee are to produce and update Lunenburg’s Open Space Plan and Recreation Plan, assist and advise other Town boards/committees regarding the use/acquisition of open space areas for the community, review Chapter 61 conversions and make recommendations to the Select Board, and to maintain the inventory of open space in Lunenburg.

ARTICLE 35. AMENDMENT TO THE SEWER BYLAWS

(Submitted by the Sewer Commission)

To see if the Town will vote to amend the Code of Lunenburg, Chapter 200, entitled “Sewers,” Section 200-18, entitled “Waivers,” by making certain deletions (in strikethrough) and additions (in bold italic) as follows:

§200-18 Waivers

A. Except as otherwise stated herein, the Sewer Commission reserves the right to waive, in its sole discretion, any provision(s) of this bylaw and/or the rules and regulations adopted hereunder in situations that meet all the following criteria:

1. ~~Emergency circumstances threaten the safe and continued use of a property that a waiver may resolve;~~ ***Unusual or extraordinary circumstances threaten the safe and continued use of a property that a waiver may resolve;***

2. Alternatives to the waiver present an undue hardship to any person or entity affected thereby;

3. The Commission deems it to be in the best interest of the Town of Lunenburg and not otherwise inconsistent with the purpose and objectives hereof;

Or take any other action relative thereto.

FINANCE COMMITTEE RECOMMENDATION: No Direct Financial Impact (6-0-0).

SELECT BOARD RECOMMENDATION: Recommend Approval (5-0-0).

VOTE REQUIRED: Majority

Summary: This article amends Section 200-18 of the Sewer Bylaw (Waivers) by replacing the term “emergency circumstances” with “unusual or extraordinary circumstances”. All other waiver provisions remain unchanged. The Sewer Commission determined that the term "emergency circumstances" is too restrictive as there may be non-emergency circumstances that qualify for a waiver. In December 2025, the Sewer Commission adopted a new Regulation for accessory dwelling units that include the waiver language in the bylaw but replaced the term “emergency circumstances” with “unusual or extraordinary circumstances”. The purpose of this Article is to have consistent waiver language in the regulations and the bylaws.

And you are directed to serve this Warrant by posting attested copies thereof in four or more public places in the Town, seven (7) days at least before the day appointed for said meeting, one of which places shall be the Town Hall, one at Baker's Whalom Variety in the Whalom-Bakerville District, one at Powell's and one at Jaxx Country Variety, and by mailing a copy to each dwelling unit in the Town in which a registered voter resides at least seven (7) days prior to such meeting. Hereof, fail not and make due return of this Warrant, with your doings thereon, to the Town Clerk at the time and place aforesaid.

Given under our hands this 7TH day of April in the year Two Thousand and Twenty-Six.

A true copy, Attest:

LUNENBURG SELECT BOARD

Kathryn M. Herrick, Town Clerk

Caesar Nuzzolo, Chairman
Amanda Moore, Vice Chair
Renee Emkey, Clerk
Brian Lehtinen, Member
Glenn McLeod, Member

Employees hired between January 1st and June 30th are not eligible for a step increase until the following calendar year on July 1.

Employees receive a step increase each year until they reach the 8th step.

the

Walk Test

Walk across your lawn and look back. If you can see your footprints after a few minutes, your grass needs water.

THE Greenscapes Guide TO LAWN CARE

Early Spring (April)

- ✓ Test your soil
- ✓ If tests indicates, add compost, lime and other soil amendments.
- ✓ Start new compost bin/pile.
- ✓ Remove leaves and add to compost bin.
- ✓ Apply corn gluten for crabgrass control. Do not apply at same time as seeding.

Late Spring (May-June)

- ✓ Rake to remove thatch build-up
- ✓ Re-seed bare patches and top-dress with 1/2" compost
- ✓ Sharpen mower blade if needed and reset height to 3 inches
- ✓ Leave clippings on the lawn
- ✓ Apply compost tea
- ✓ Pull weeds by hand or treat with white vinegar

- ✓ Plant native, drought-tolerant plants
- ✓ Mulch gardens
- ✓ Top-dress lawn with 1/2" compost
- Aerate and water compost pile
- Before Memorial Day, no need to water in average years
- After Memorial Day, conduct Walk Test and water if thirsty

Your Lawn at Dawn

Watering at daybreak is by far the most effective and helps to prevent the growth of fungus.

Summer (July - August)

- ✓ Allow grass to go dormant during dry summer days
- ✓ Aerate and water compost pile
- ✓ If grubs, treat with beneficial nematodes
- ✓ Routinely conduct Walk Test and water if thirsty (but obey watering bans)
- ✓ Continue to pull weeds of treat with white vinegar

Fall (September - October)

- ✓ Sharpen mower blades and keep height to 3 inches
- ✓ Leave clippings on the lawn
- ✓ Apply corn gluten to control next year's crabgrass (do not apply at same time as seeding)
- ✓ Overseed with drought-tolerant grass seed (includes mostly tall fescue seeds)
- ✓ Do last mowing of the season at 2" height

Fall is the best time to start or renovate a lawn!

- ✓ Top-dress lawn with 1/2" compost
- ✓ Aerate compacted areas
- ✓ Rake leaves; use as mulch and/or add to compost
- Until Labor Day, conduct Walk Test and water if thirsty (obey watering bans)
- After Labor Day, no need to water in average years
