

ARTICLE 32

NOTICE OF TOWN MEEETING

This article proposes an amendment to the bylaws to change the method by which Town Meeting Warrants are provided to residents.

The Warrant Booklet is currently mailed to every household in Town.
This mailing has a substantial cost (\$15,000 in calendar 2025).

The amendment would allow notice of Town Meeting, in the form of a letter or postcard, to be mailed to each household at a much lower cost.

The printing of the booklet also causes time constraints for Boards, Committees, and staff. The mailer must be to the Post Office 14 days prior to Town Meeting and requires a minimum of 5 business days to print.

WHAT WOULD CHANGE?

NOTICE BY MAIL

A postcard or letter will be mailed to every household in which a registered voter resides at least 14 days before Town Meeting.

LOWER COST. MORE EFFICIENT

This change significantly reducing printing and mailing costs and gives Boards and Committees more time to prepare meaning information.

OPT-IN FOR PRINTED COPY

Residents can choose to receive a printed copy of the warrant by adding their name to an opt-in list at the Select Board's office.
