

Public records request — School Committee minutes

Prepared 8 September 2026 by the Lunenburg Budget Project, an independent archive of the town and school budgets at lunenburgbudgetproject.org. Every figure quoted here is traceable to a document published on that site.

To: Records Access Officer, [Town of Lunenburg / Lunenburg Public Schools] **Date:** 8 September 2026

Subject: Minutes of 35 School Committee meetings, 2024–2026

Under the Massachusetts Public Records Law, M.G.L. c.66, §10, I request a copy of the approved minutes of the School Committee meetings listed below.

Each of these meetings was announced by the Town on its AgendaCenter, which carries an agenda for the date. None of them has minutes posted there. Under the Open Meeting Law, M.G.L. c.30A, §22, minutes must be created for every meeting and made available upon request — the law does not require them to be posted online, so I expect that minutes exist for most or all of these dates and simply are not on the website.

Where a meeting on this list was cancelled and no minutes exist, please say so against that date rather than omitting it. That answer is as useful to me as the minutes themselves, and it costs less to give.

Format and fees

Electronic copies, in whatever format you already hold, sent to this email address are entirely acceptable and I would prefer them to paper. If any portion is withheld or redacted, please cite the specific exemption relied upon, as §10(b) requires.

Please contact me before incurring any cost. If the request as written would attract a fee, tell me the estimate and I will narrow it — by year, or to the meetings where the budget was discussed — rather than have you absorb the work or me absorb a charge neither of us intended.

I am happy to take these in batches if that is easier, and to start with whichever year is least work. If another custodian holds these records, I would be grateful if you could forward this or tell me where to send it.

Thank you for your time.
