LUNENBURG FY15

- Annual Town Report

COVER DESIGN BY JOANN MCLAUGHLIN
TOWN REPORT COMPILED BY ELAINE M. PETERSON

In Memoriam

Marion M. Benson, 83

Marion passed away on December 27, 2015 in Leominster. She was very active in the Town of Lunenburg where she lived for 40 plus years. She was an active volunteer in both church & civic groups, including the School Committee. After her return to Lunenburg in 1981, she began volunteering on the Planning Board, where she quickly became Chairperson. She volunteered for two decades on the Board at which time the position evolved into full-time Planning Director; a position she held until 2014. In May 2015, her many years of service were recognized at Annual Town Meeting by a Ritter Building conference room being named in her honor.

August "Gus" S. Misner, 78

Gus passed away on July 15, 2015 in Togus, Maine following a long battle with cancer. He was born in Fitchburg on December 17, 1936 where he attended school and played football. He served in the U.S. Army from 1955-1964, was stationed in the Arctic and was an aide to President Eisenhower. He later became a police officer in Lunenburg for several years until ill health forced his retirement.

Senator Mary Padula, 89

Mary Louise Padula, nee Harley, passed away on October 29, 2015. Born in Fitchburg and nearly a lifetime resident of Lunenburg, Mary served as Town Clerk, Tax Collector and Treasurer for 30 years. Upon leaving the Town Hall, she represented the Second Worcester and Middlesex District in the Massachusetts Senate for 8 years, and as part of Governor Weld's cabinet, served as Secretary of Housing & Community Development for 5 years. She served as President of the Massachusetts Treasurer and Tax Collector Association and as Assistant Minority Leader in the Senate and on many boards and committees. She was recognized by Fitchburg State College as one of the 100 citizens who made the greatest difference in North Central Massachusetts in the last 100 years.

David M. Shea, 67

David Shea passed away on August 8, 2015 after a courageous battle with cancer. David was an atmospheric scientist with an environmental consulting company for 37 years. He was a longtime resident of Lunenburg. David was an original founder of the Lunenburg Recycling Commission and a member of the Board of Health for 30 years. He was a passionate golfer who enjoyed playing as well as organizing an annual golf tournament. David was a soccer coach and a high school soccer referee for many years. David was known for his great sense of humor and his unending energy. He seemed to know everyone and was referred to many times as the "Mayor of Lunenburg."

AREA- 26.63 SQUARE MILES

ROAD MILES- ABOUT 100

LUNENBURG

Lunenburg was settled in 1718 and incorporated in 1728. It occupies a land area of approximately 26.4 square miles. Lunenburg is located in north central Massachusetts approximately 43 miles from Boston. It is bordered on the west by the Town of Ashby and the City of Fitchburg, on the south by the Town of Lancaster and the City of Leominster, on the east by the Town of Shirley, and on the north by the Town of Townsend.

Local legislative decisions are made by an open town meeting consisting of all registered voters in the town. Subject to the legislative decisions made by town meeting, the affairs of the town are generally administered by a five member Board of Selectmen and a Town Manager. Local school affairs are administered by an elected seven member School Committee while local taxes are assessed by a three member Board of Assessors, all are appointed on an at-large basis for staggered three-year terms.

Lunenburg is a semi-rural community located in northern Worcester County. Three water bodies account for somewhat of a clustered approach to the town's historical development. Lake Whalom and the former Whalom Amusement Park delineated the Whalom District from the remainder of Lunenburg. This district was developed as a housing base for many factory workers working in the mills and factories of Leominster and Fitchburg. In many ways the characteristics of the Whalom District more closely reflect characteristics of these cities than of the rest of Lunenburg. The Hickory Hills area of town, around Hickory Hills Lake, was developed as a private community comprised largely of vacation cottages. The third body of water is Shirley Reservoir, a public water body also developed with mainly vacation cottages that have now been modified to year-round residences. Commercial and industrial development is permitted in several areas of town, primarily along the two major arteries (Routes 2A and 13), and the town's peripheries, due largely to the close proximity of Leominster's and Fitchburg's sewer and water systems. Although many farms and orchards had slowly developed into single family housing, farming continues on in Lunenburg. At the Annual Town Meeting on May 4th, 2013, the Town voted to establish an Agricultural Commission to represent, preserve, and enhance farming in the community and to administer the "Right to Farm" bylaw.

ADMINISTRATION

REPORT OF THE TOWN MANAGER

The Town continued to make important progress in 2015 in many areas, including: School Building; Building Reuse; Increased Public Transportation; and updating the Pavement Management Plan. The MS/HS building is well under construction and set to open in September 2016. Fifty-eight (58%) of the project's eligible costs will be paid through a grant from the MA School Building Authority. As of December 31, 2015, approximately \$30M of the Town's total share had been permanently financed in order to take best advantage of the low interest rates.

The Board of Selectmen (BOS) appointed Building Reuse Committee continued its work throughout 2015. In the summer, the Committee issued a Request for Proposals for a Building Reuse and Space Needs Study. Town's goal for the Project was to assess the existing conditions of four (4) buildings owned by the Town and determine the most cost effective building(s) to accommodate the Town's current and anticipated space needs for Town administrative operations currently housed at Town Hall and remote sites. The building(s) that are determined not to be advantageous to the Town may be deemed as "surplus property" and disposed of in accordance with M.G.L. c. 30B§16. The Assessment and Space Needs study include the following four (4) buildings: Town Hall; Ritter Memorial Building; Thomas C. Passios Elementary; and the Brooks House. In late summer, the Town hired Tappé & Associates, the same firm serving as Architect on the MS/HS School Project, to complete this study. The results of the study were presented to the BOS in 2016.

The BOS worked diligently with the Department of Public Works to update its existing Pavement Management Plan. The updated plan built upon the foundation of the existing plan but included additional evaluation criteria. The original plan was developed in 2009 and funding decisions from that point up until FY16 were based upon that plan. Beginning in FY2017, all funding decisions will be based upon the revised plan which established a PCI, or Pavement Condition Index, for each roadway and a Prioritize List which takes into account both the functional classification of the roadway and the needed repair. The Board further determined that a PCI of 70 would be considered a generally acceptable pavement condition and worked on determining the best funding mechanism for the PMP Program to insure that maintenance needs would be addressed uniformly across all roadway classifications. To that end, the Board agreed to put forth a debt exemption question to the voters, seeking an additional \$4M in tax dollars to complete the large backlog of needed maintenance & repair work. The work would be completed over a period of 3 – 4 years and would be financed over a period of at least twice as long. Thereafter, the Town would endeavor to include additional funding within the Operating Budget to provide for a sufficient level of funding to maintain roads at a PCI of 70.

The Town also continued to work on its largest and most comprehensive roadway project, the redevelopment of Summer Street, a project slated to begin in fall of 2016. In 2014, the Town committed \$230,312 from Chapter 90 Funding to fund the Town's portion of the 75% design. The project is expected to cost about \$7M, all of which will be funded through the Regional Transportation Improvement Plan (TIP), which is a grant of State & Federal funds. The project was approved for TIP funding for FFY2017.

One of the most exciting projects which continued into 2015 was the implementation of enhanced public transportation within Lunenburg. The Town pays both an annual assessment to the MART and to the MBTA. The assessment to MART pays for local/ regional transportation. The assessment to the MBTA pays for access to the commuter rail system in Fitchburg and Leominster. The Town learned through MART that there is a provision in State Law that would allow the Town to use its MBTA Assessment to purchase additional local transportation, at no additional cost to the taxpayer. Accordingly, the Town undertook a review of residents' transportation needs and began working with MART to provide additional local transportation. The additional services began in spring 2015, though ridership was low. The Town was able to revise its transportation offerings to include limited service along the full length of Route 2A, from the town center to the Shirley line. The Town will continue to monitor ridership and make adjustments as needed to best service the public.

I would be remiss if I did not take this opportunity to thank all of the people in this town who give of their time and many talents to make Lunenburg a better place. Thank you all for your dedicated service.

Lunenburg Board of Assessors

Louis J. Franco, Chairman
Louise Paquette, Admin. Assessor

Richard H. Letarte, Member
Harald Scheid, Regional Assessor

Matthew J. Papini, Sr., Member
Rebecca A. Boucher, Regional Assessor

BOARD OF ASSESSORS

The Board of Assessors saw its first transition in a number of years. Elected to the Board twenty-one years ago, Christopher Comeau chose not to seek re-election. Chris was a reliable and respected member who could be counted on to support the office in its long-standing mission to improve the office, render fair tax assessments, and treat the taxpaying public well. Never shying away from offering opinions over the Town's financial state, he sought to find balance between financial prudence and supporting worthwhile projects.

Replacing Mr. Comeau on the Board is Richard Letarte, a prominent accountant and businessman. Mr. Letarte brings considerable experience and time to work on special assignments.

The Assessors' administrative staff, Louise Paquette and Sheila Craigen, along with the professional assessment staff of Regional Resource Group, Inc. (RRG) led by Harald Scheid round out the office. RRG veteran assessor Rebecca Boucher replaced George Bourgault as Associate Regional Assessor.

The office anticipates a busy 2016 calendar year. An improving economy will see the construction of more homes and apartment dwellings.

TOWN SERVICES

Agricultural Commission

The Agricultural Commission was created in 2013 with the aim of encouraging the continued pursuit of agriculture in Lunenburg, promoting agriculturally-based economic opportunities, providing an opportunity for mediation and negotiation of farming issues, educating the community and advocating for the continued understanding of the importance of locally produced food and farm products.

With this continued understanding and the continued support of the community, we can work toward the preservation of prime agricultural lands, which serve to beautify Lunenburg visually and maintain the rural charm wherein Lunenburg's appeal lies.

The Agricultural Commission has had the opportunity to mediate several issues concerning farming and has tried through education and investigation to help the parties involved reach equitable arrangements within the existing laws and protections.

We have provided information to prospective buyers of agricultural property in town as well as providing guidance to residents preparing to go before town commissions. We are currently adding links to information and services from the Agricultural Commission website. With the strong support of the Board of Selectmen, the Agricultural Commission was able to substantially expand the Lunenburg Community Farmers' Market, offering a wider variety of vendors, products and musical entertainment from the local area.

The Agricultural Commission would like to express heartfelt thanks to the Farmers' Market site management team, to the participating vendors, the entertainers (usually paid in produce!) and especially to the members of the community who have shown a strong and consistent support of the market and the local farmers who depend on community patronage.

The Agricultural Commission is:
Jeffrey L. Mendoza, Chairman,
Garrett Stillman, Vice-Chairman
Maureen Dupuis, Clerk
Douglas MacMillan, Member
Renee Trakimas, Member

The Commission would also like to express tremendous gratitude to our Planning Board liaison, Mr. Matthew Allison for his tireless work in providing maps, regulations, bylaw references and research to the Agricultural Commission.

Thank you to the Town of Lunenburg for your continued support of the Agricultural Commission and its mission toward preserving the agricultural fabric of our town.

Respectfully Submitted,
Jeffrey L. Mendoza, Chairman
Lunenburg Agricultural Commission

BUILDING DEPARTMENT

The Building Department is located on the second floor of the Ritter Memorial Building, 960 Massachusetts Avenue, Lunenburg, MA. Office hours for the Building Department are Monday and Wednesday 8:00 A.M. to 4:00 P.M., Tuesday and Thursday 8:00 A.M. to 6:00 P.M. The Building Department is closed on Fridays. Michael J. Sauvageau serves as the Building Commissioner, John Morreale serves as the Assistant Building Inspector and Lisa Normandin is the department Administrative Assistant.

The Building Department now processes all Wiring, Plumbing and Gas permits, a duty that was formerly done in the Office of the Town Clerk.

Building permits for 2015 decreased slightly from 481 in 2014 to 452 for 2015 but still reflects increased construction activity since the tail end of the economic and housing downturn a couple of years back. Solar permits remain steady as does new single family homes and townhouses. The Emerald Place project should be completed this year. Several large projects are in the reviewing stage or have been approved and are anticipated to begin construction soon. The new high school is progressing well and it appears it will be completed on or before schedule.

The 2009 International Building Code for residential and commercial construction is the current building code and it is anticipated that a new Ninth Edition Code (2015 International Building Code) will be in effect by June of this year.

Residents and developers are reminded that Lunenburg is a “Stretch Code Community” which has specific code requirements in addition to the current energy code requirements.

Carbon monoxide detectors are required by law to be installed in every home regardless of the age of the dwelling. Also, all swimming pools are required to obtain a building permit and an electrical permit. Inflatable pools that do not have code required fencing around them do not meet the building code and should be removed.

Residents should be aware that inflatable swimming pools do not meet code compliance requirements. Please contact our office to determine what steps need to take place for compliance and safety.

Residents should be aware that Massachusetts Law requires that all persons, partnerships and corporations who bid or perform residential contracting (reconstruction, alterations, additions etc.) for work exceeding \$1000.00 be registered with the Commonwealth. This office will enforce this provision, however you should ask your contractor about his/her registration. Please contact this office with any questions about this requirement or call for any information regarding zoning requirements or building code issues.

Michael J. Sauvageau
Building Commissioner & Zoning Official

CEMETERY COMMISSION

The Cemetery Commissioners, Lance May, Lorraine Mendoza, and Stephen Schaff, and Superintendent Todd Holman wish to thank the former Superintendent, now retired Greg Bingham for his long service and commitment to the Town. His final projects included planning the construction of the new Mausoleum at the North Cemetery. We wish to thank the staff of Monty Tech, carpentry teacher, Jim Brooks and his students, and longtime resident “Dickie” Demers and his masonry students for helping to complete this project. We also want to thank Lt. Steven D. Hynes of the Worcester County Sheriff’s Community Service Department for his help during fall clean-up. The Cemetery Department maintains an online mapping system for both cemeteries which is available at <http://www.map.ramaker.com/ecims/>

The following is a list of persons who were buried this year.

Conservation Commission

The Town of Lunenburg Conservation Commission is a seven member board appointed to 3-year terms by the Board of Selectmen, whose duties are codified under the Conservation Commission Act M.G.L. Chapter 40, § 8C. The Commission enforces the Massachusetts Wetland Protection Act M.G.L. Chapter 131, § 40 and Article XXII of the local bylaws for the protection of wetlands.

The year 2015 was one of a very busy and active agenda containing both public hearings and meetings for a wide range of projects from commercial development, subdivisions and small single family upkeep projects. The Conservation Commission worked to spell out goals of preparing to use the year 2016 to revise its regulations to provide consistency with the original by-law and to find those sections that may be out of date and need to be modified.

The Commission held numerous inspections with its agent on weekends prior to meetings to familiarize themselves with the upcoming proposals that would appear on their agenda. The Commission is working with the Town on familiarizing itself with the upcoming storm water mandates from the EPA and working towards compliance both by procedure and with any necessary codification.

The Conservation Commission in cooperation with the Open Space Committee and the Lunenburg Snow Riders Club has closed out a grant that obtained the former Lane property as Open Space and has worked to place an adequate and American Disabilities Act- compliant parking area that would blend in with the trail heads on Holman Street. The Snow Riders continue to obtain grant monies to continue to improve trail access to be enjoyed by all. The Conservation Commission held public recreational walks through its open space parcels and plans to continue to do so.

This year also marked the retirement of Janice Carrier, who worked diligently with the Conservation Commission as the Administrator for the past 10 years. The Commission would like to take this opportunity to thank her for her tremendous efforts and wishes her a healthy and happy retirement! Currently Consulting Agent Matthew S. Marro is manning the office in both capacities taking Janice's place. But no one will ever fill her shoes!

The Commission thanks all the town agencies for a great year and looks forward to many more!

Respectfully Submitted,
Richard Bursch, Chair
Jack Rabbitt, Vice-Chair
Brad Kennedy
Tom Bertram
Carl Luck
Todd Dwyer
Kenneth Jones
Matthew S. Marro, Agent

COUNCIL ON AGING

The mission of the Council on Aging is to advocate for the improved quality of life for all seniors through supportive services, programs and education. Councils on Aging were established under Massachusetts General Law Chapter 40, § 8B, to include setting policy for the administration of elder programs or services and to develop, coordinate and conduct such activities which advocate for elder issues.

The FY15 Council on Aging staff consisted of Doreen C. Noble, Director; Susan Doherty, Administrative Assistant and Transportation; Faith A. Anderson, Outreach Coordinator; Joanne Brazell, Ruth Swiecicki, and Jeanne Tatro, Meal Site Coordinators; Judy Alario and Elsa Watson, Meal Site Assistants; Gerry Beloin and Jim McGuigan, MART Van Drivers.

The Council on Aging Board is an eleven member board appointed by the Lunenburg Board of Selectmen.

The FY15 Council on Aging Board members were; Chairperson Pete Lincoln, Vice-Chairperson Deb Seeley, Betty DiGiacomo, Jacquelyn Dwyer, Sarah Grant, Brian Guenard, Deb Lincoln, Kevin McNally, Cheryl Moisan, Diane Nowd, and Judith Tarbell.

The Town budget alone does not support this senior center. Other sources of funding are the Eagle House Supporters Inc., a non-profit 501(c)3 group, Formula Grant funding from the Commonwealth of Massachusetts, and Montachusett Regional Transit Authority.

We are very lucky to have a large volunteer force at the Eagle House. In FY15 we had 41 volunteers who contributed 2,587.25 hours of their time to help us out by doing things such as driving for the Meals on Wheels Program, program leaders, kitchen helpers, office help, library, and friendly visitors. We greatly appreciate their service.

The Eagle House offered a variety of programs, such as health and wellness, arts and crafts, intergenerational, cards and games, cultural, information and referral, and social events both at the senior center and offsite.

In FY15 the Council on Aging delivered 4898 Meals on Wheels to 50 clients and provided 3,169 rides to 62 clients on our senior van. Our combined events and service statistics totaled 10,060 units with 827 participants.

**LUNENBURG CULTURAL COUNCIL
(Fiscal Year 2015)**

The Lunenburg Cultural Council is part of a network of 329 Local Cultural Councils serving all 351 cities and towns in the Commonwealth. The LCC Program is the largest grassroots cultural funding network in the nation, supporting thousands of community-based projects in the arts, sciences and humanities every year. The state legislature provides an annual appropriation to the Massachusetts Cultural Council, a state agency, which then allocates funds to each community.

The Lunenburg Cultural Council received and will distribute \$4,300 in grants. These funds are granted to qualified individuals and organizations to support cultural projects that benefit the community. These grants can support a variety of artistic projects and activities in Lunenburg including exhibits, festivals, field trips, short-term artist residencies or performances in schools, workshops and lectures.

The LCC met December 3, 2014 at the Lunenburg Public Library to decide grant distribution for this year's cycle (2015). All rejection and acceptance letters were mailed by December 30th.

Applications for FY'2016 were due by October 15, 2015.

More information about the Local Cultural Council Program is available online at http://www.mass-culture.org/lcc_public.aspx.

DEPARTMENT OF PUBLIC WORKS

The Department of Public Works combines the resources of the Highway, Park, Cemetery, Sewer, and Facilities divisions, and Vehicle Maintenance services into one department organizing and scheduling personnel and equipment to best serve the residents of the community through the effective delivery of an extensive scope of services with a high degree of efficiency.

DEPARTMENTAL OBJECTIVES

“Public Works is either working or on call twenty four hours a day three hundred and sixty five days a year to respond to any weather, infrastructure, roadway, or facility related emergency that may arise.”

We strive to enhance the awareness of the value of Public Works provides to our Town, and ensure others are aware of our contribution. This is not for an expectation of praise, but rather to make sure efforts are not forgotten as they merge into the fabric of our everyday service.

Major events over the past years have highlighted the fact that Public Works has a seat at the table and is a major player in emergency management. Town Officials, Police, and Fire acknowledge that Public Works is critical in order to facilitate the required services of others. We must continue to build on this awareness.

This department must also reach out to the public we serve and educate them to the fact that the common services they receive do not just happen, but rather are the efforts of a dedicated staff of individuals, service companies, and vendors. Safe roadways, wastewater control, solid waste collection and recycling operations, tree removal, storm water management facilities and grounds maintenance, winter snow and ice removal, cemeteries and parks are the expected services supporting everyone in the community.

We will work to engage the public in order to set reasonable expectations and gather support for annual budget requests, capital requests, and specific projects.

PAVEMENT MANAGEMENT

The updated Pavement Management Plan, inclusive of an electronic database and a revised Town-wide pavement defect analysis. For a second time, a complete survey of every road was completed. The amount of new paving does not keep up with the seasonal deterioration factor, and as such the backlog in excess of nine million dollars. The program remains underfunded.

Road Projects typically extend over two construction seasons and overlap from one fiscal year to the next. During this year the following roads were addressed either totally or in part: Howard St., Reservoir Rd., Goodrich St., and smaller sections of Arbor, Page, and Kilburn Sts.

Documentation provided through a “pot hole” log (a daily record of road work specific to patching and filling of pot holes) proved that one third of all the available work days during the season are dedicated to patching and other temporary repairs to similar roadway failures. As defects are identified we respond to every location in a timely manner. This has proven to be as less than effective method of road repair. New pot holes appear each spring particularly after a severe winter, and often staff addresses the same areas year after year.

The seasonal crack sealing program has been effective in some locations however this application is designed as a temporary solution with an effective life span of around five years. Many streets that have been “sealed” are well beyond that time frame. This process involves the installation of rubberized asphalt under high pressure to cracks or separations in the pavement. The Pavement Management Plan identifies specific areas where this method is the best option. This application does not take the place of curb to curb paving, only postpones it and is not applicable in areas of more serious defects.

The revised Pavement plan, no matter how detailed, is of little value without an identified source of funding. Lack of revenue continues to be the major detriment to improving the overall condition of our

roadways. The primary sources of funding are the Massachusetts Department of Transportation Chapter 90 program and a dedicated line in the DPW budget. The estimated value of our 86 miles of paved streets is, by industry standards, calculated to be 62 million dollars. The General Highway maintenance line within the operational budget has remained virtually unchanged for two decades while the overall omnibus budget has nearly tripled to a value in excess of 30 million dollars. In order to initiate and sustain a road improvement program a substantial infusion of funds is necessary. The conservative estimate remains at approximately 1.2 million dollars per year total or an additional \$800,000.00 to existing allocations. Applying \$400,000-\$500,000 a year to a backlog of work that approaches 10 million dollars dooms the current plan to failure. As an example: many roads are compromised to the degree that only a major reconstruction can bring them to an acceptable quality and less travelled, local roads remain out of reach.

FLEET MAINTENANCE

The DPW is responsible for the repairs and preventative maintenance to all Town vehicles and equipment. High performance police units, First responder Fire and Rescue apparatus, park, cemetery, and school vehicles as well as over 30 pieces of highway related machinery are serviced by department personnel. Outsourcing of highly technical repairs has become more frequent and therefore more costly. Due to the volatile global oil market, the overall cost of fuel and petroleum based products continues to be a moving target and therefore difficult to estimate annually.

The installation of a vehicle maintenance software program has proven to be a valuable tool. Each repair is logged by department and vehicle identification number and memorialized in a data bank. Every vehicle can be tracked for part numbers, required services, as well as frequency and cost of repairs over the life of the equipment.

FACILITIES MANAGEMENT

The following is a list of buildings and properties maintained by the DPW:

DPW Garage 520 Chase Road	Public Safety Complex
Park Bldg. Leominster Rd.	Town Hall
Cemetery Bldg., Holman St.	Eagle House Senior Center
Town Beach	Town Common
Ritter Bldg.	Teen Center
Old Primary School	Veterans Park
All athletic fields/playgrounds excluding school properties	

The ever increasing workload made necessary the addition of a second individual to assist with repairs and maintenance. The increase in staff by only one has significantly lessened the need for outsourcing, specifically preventative maintenance. Staff remains on-call 24 hours a day 365 days per year.

Staff keeps buildings compliant and protects the safe running of the work environment. Any significant interruption of service within Town buildings carries the potential of disrupting or disabling necessary services provided to the community. The facilities support staff are problem solvers and technicians with a wide range of experience encompassing all of the construction trades. They deliver services or oversee those functions provided by specialized subcontractors. Staff manages and forecasts all of the building assets and prioritizes replacement costs. With the use of building maintenance software, requests for service are acknowledged immediately, prioritized, and completed in a timely manner. Those individuals requesting service are contacted upon completion of the tasks a history of the repair is filed electronically.

ENVIRONMENTAL

Storm Water

For yet another year the Environmental Protection Agency has not set the requirements for the next phase of storm water regulation and permits. As we await the potential of what will be an unfunded Federal mandate the Town remains in compliance with current protocol.

The DPW, as a result of limited funding is forced to become reactionary to roadway drainage issues. A capital program in the 1990's earmarked \$20,000.00 annually toward rehabilitation/installation of piping and catch basins. The elimination of this dedicated funding placed the financial burden upon the overall General Highway maintenance allocation effectively reducing drainage repairs. In anticipation of the new regulations the Town Manager has re-established a budget line within the DPW dedicated to storm water, a necessary first step.

As roadways are scheduled for pavement, drainage is surveyed and necessary repairs are addressed. Little or no preventative maintenance, short of public safety issues in the form of flooding or structural failure, street sweeping and catch basin cleaning can be initiated due to a lack of available resources and the absences of a Town wide drainage survey. New storm water regulations will likely force the Town to become more proactive albeit with no identified source of funding. At the conclusion of winter and again in the late fall drainage structures in close proximity to open water are cleaned. Other structures throughout the Town are addressed as time and resources allow on an intermittent schedule.

Waste Water

The DPW continues as the caretaker of the entire sewer system. In an effort to become more efficient the Sewer Commission has outsourced much of the day to day inspections and preventative maintenance of the overall wastewater system inclusive of 10 pump stations. Business management and oversight of the subcontractor remain the responsibility of the DPW.

Tree Removal

While it may seem difficult to believe, the infamous "Ice Storm of '08" continues to detrimentally affect trees in the Town right-of-way. As presented to the Board of Selectman during the initial recovery process, the "heartwood" of a large volume of trees was affected. Previously unnoticed damage together with natural attrition of every species creates a backlog of tree felling and pruning that far exceeds the allotted budget. The department is unable to fulfill each resident request and must prioritize work based upon the calculated degree of danger to residents and property. A more efficient approach would involve a survey of all Town owned trees with a generated list of those requiring attention. Until a plan is in place, the DPW will act in a reactionary mode. All work aside from brush removal, chipping, and the felling of small diameter trees is outsourced due to the necessity of a bucket truck and a licensed professional. Each spring DPW staff initiates the activity of removing and disposing of woody debris within the right-of-way and a Town-wide program of curbside mowing.

Landfill

The "capped" landfill off Young's Rd. remains in compliance with the inspection protocol mandated by the Division of Environmental Protection. The site is monitored regularly for excessive methane gas as well as the possibility of groundwater contamination.

The frequency of the testing was reduced through a special permit acquired as a result of consistently favorable results. The landfill site including the perimeter fencing is inspected on a regular schedule by DPW personnel.

Adjacent to the “cap” is a storage area for catch basin materials and street sweepings both determined by the EPA to be hazardous waste. We are permitted to store these materials through the procurement of a (BUD) Beneficial Use Determination permit. The DEP requires yearly testing of these materials.

On weekends during the fall and springtime months DPW personnel oversee and manage the annual composting of brush, leaves and other organic debris providing a valuable service to our residents and add a valuable component to our recycling program. There has to date been no dedicated funding toward the organization or long range remediation of this location. Once again, dollars will be taken from the General Highway line to maintain this location while keeping it environmentally safe. Next year, a proposal to dispose of accumulated brush and trees will be submitted to the Capital Planning Committee for consideration in order to maintain the required space for resident disposal. The accumulation of leaves is formed into long manageable rows that are turned regularly and will over time revert to compost.

Solid Waste

Public works monitors, orders, stores, and distributes trash bags in order to facilitate the curbside collection of trash and recyclables by our current vendor, Casella Inc.

Lake Shirley Dam

In the early 1990’s, with the structure in need of repair/rebuilding The Lake Shirley Association turned over ownership of the dam to the Town. After completion of a total reconstruction, responsibilities for maintenance, monitoring, and record keeping was completed solely by a small number of volunteers from the Lake Association. In 2004-2005 custodianship of the dam, compliance with State dam regulations, the establishment of an operations manual as well as an emergency action plan was placed under the umbrella of the Department of Public Works. As with the storm water program and other EPA / DEP mandates compliance with current and future regulations is critical. We rely on the expertise and support of a professional consultant to assist with predetermined mandates. The most recent inspection resulted in a positive report.

Winter Operations

Snow and ice present a major challenge to our Town. The safety of the general public depends on the ability of the DPW to maintain our roadways in a safe condition despite the severity or the duration of snow and ice events. To that end we develop a winter operations procedure based upon a detailed plan that must be flexible due to the unpredictability of each storm. A consistently high level of service is expected and must be delivered to every part of Town in a timely manner.

Departmental preparedness begins with successful implementation of the capital plan. Financial support is necessary to provide effective fleet rotation insuring minimal interruption of services due to breakdowns and repairs. Many of the front line vehicles are well beyond the optimum time for replacement. In the fall, salt and sand are delivered to the Chase Rd. facility. Lunenburg is in a consortium with 14 other communities in an effort to procure the lowest possible price for salt. Individually the Town also solicits bids for road sand. From late summer to early fall vehicle maintenance staff inspects and prepares the trucks, sanders and plows for winter operations. During the construction season road crews address right-of-way issues, overhanging branches, and pavement defects in order to eliminate obstacles to plowing. Each division within the DPW is involved in winter operations. Typically DPW staff combines with 18-20 subcontractors to provide service.

Generally it is not the amount of snow but the duration of the event that determines the overall cost. For example, a fast moving snow storm of 6-8 inches will cost significantly less than a long duration freezing rain event even though the accumulation is much less. Historically, the department operates in a deficit due to a yearly allocation that is below the cost of an average winter.

PARKS

In conjunction with the three elected Park Commissioners, DPW staff oversees and maintains all parks and grounds exclusive of school property. A full-time Park employee was replaced with seasonal workers. Much of the Town-wide landscape maintenance is outsourced, resulting in a significant savings. The multi-use track complex is in dire need of repair. Funding, as well as any organized effort between the Commissioners and all users of the facility is sadly lacking. I am hopeful as I continue the effort toward sustainability of the field and track

CEMETERY

One Cemetery Division Superintendent, a DPW employee, handles the duties of the North and South cemeteries, maintaining the grounds, coordinating burials, and meeting regularly with the three members of the Cemetery Commission. The DPW supplies equipment and support staff for, on average, forty burials a year.

WITH RESPECT

As always, I am deeply appreciative of the continued patience and support of our residents and fellow Town employees as we persevere through these difficult times.

“As caretakers of the Town’s infrastructure our goal is to preserve and enhance the resources of the Town of Lunenburg for future generations. To that end we strive to meet or exceed all expectations associated with the challenges of each of the divisions under the umbrella of public works.”

Jack Rodriquenz
DPW Director

Green Community Grant Progress and Financial Quarterly Report

Brief Project Summary:

Variable Speed Drives – Turkey Hill Middle School (Complete) Unitil rebate for this project was paid to the installing contractor, Control Technologies, Inc \$7339.50 (Complete).

Air Compressor Replacement- Turkey Hill Middle School (Complete) Unitil did not award a rebate for this project as they determined that it did not qualify (Complete).

Exterior Pole LED Conversion- Public Library and Exterior Lighting Upgrade- Public Safety Building- Unitil rebate for this project was paid to the installing contractor, Di-Rock Electric Inc., with the following breakdown: Public Safety Building \$2225.00 and Public Library \$1500.00 (Complete).

Repair to Time Clocks- Lunenburg Public Library- (Complete)

Exterior Lights to LED Eagle House (Complete)

Interior Lights to LED- Eagle House. Conversion to LEDs is 85% complete with \$3,235.34 expended for lighting supplies from Bulbs.com. Lunenburg DPW personnel are installing the lamps. Remaining work includes conversion of T12 up lights in the main dining room and conversion of decorative lighting in the lobby to LEDs.

Turkey Hill Middle School- Envelope Tightening- A thermal scan of the Turkey Hill Middle School was performed to identify areas that needed to be addressed. Holes were found in the masonry in Room 205, Room 109, Room 106, Library, Cafeteria and Art Room which were sealed. A 100% visual check of unit ventilator dampers was performed and adjustments or repairs made to all unit ventilators that were not sealing during non-occupied hours. Purchase orders were open with W.W. Grainger (\$500) and Home Depot (\$300) to purchase backer rod, caulk, weather stripping, and door sweeps. Door sweeps and other supplies will be purchased for a number of doors and will be installed by school maintenance personnel in January 2016. This project is expected to be complete by the end of January 2016.

Grant Amount: \$157,225.00

Grant Funds Expended to Date: \$23,957.82

Grant Funds Committed but not Expended: \$800.00

Invoices pending: None

Pending projects:

We have been working with the Library Board of Trustees to have the present systems in place utilized properly and on a proposal to update interior lights to LED.

Public Safety Building - Awaiting list from Town DPW of interior lighting so that grant can be submitted for LED upgrade.

Name and Title of Person Submitting Quarterly Report: John Londa

Date: Dec 29, 2015

Information Technology Director

The primary mission of the Information Technology Department is to increase efficiency through the use of technology. The IT Department enables all other town departments and schools to communicate and collaborate, manage daily tasks, organize, store, and share information, and generally conduct Town business more effectively. We also provide the necessary infrastructure, equipment, software, and expertise to comply with current regulations and methodology when interacting with outside agencies and organizations.

We have almost an entirely new staff this year, with only the director remaining constant from the previous year.

Steve Malandrinos – Information Technology Director

- Hired in December, 2012
- Previously an engineer at Cisco Systems, IT Director for the Town of Belchertown, MA and Belchertown Public Schools

Daniel Nadareski – Network Administrator

- Retired police officer from the Albany, NY police force with over 24 years on the job
- Prior experience includes computer crime and forensics, network administration, video security system administration, and IP phone system administration

Jordan Pochini – Tech Support Specialist

- Recently graduated from Fitchburg State University with a degree in Computer Science
- Prior experience includes both individual contributor and management roles in retail environments

Along with serving as helpdesk for all users' daily technology issues and the usual maintenance and scheduled replacement of the town's and schools' technology assets, the IT Department has been involved with several high impact projects throughout the past fiscal year. The following examples are among the more noteworthy improvements that IT has implemented.

An enterprise-style Wi-Fi solution has been deployed at Town Hall, the Public Library and Ritter Memorial Building. Replacing older, consumer grade equipment has given us universal coverage within the buildings. The system also offers an open guest network enabling visitors to access the internet, while simultaneously providing a secure connection to internal networks and services for Town employees.

A large portion of the Technology department's time this year has been dedicated to preparation for the opening of our new middle/high school. We have had many meetings, discussions, planning sessions, and product demonstrations to make sure we deliver the absolute best experience for our students, teachers and administration while providing the highest value per tax dollar spent.

We continue to strive to leverage limited resources to improve efficiency wherever possible. I am very happy to continue in this role, and I couldn't be more pleased with the level of skill, hard work and dedication of my staff, Daniel and Jordan. I know that because of them we will continue to improve the technology landscape in Lunenburg while maintaining the positive reputation we've strived for over the past several years.

LUNENBURG PUBLIC ACCESS (PAC)

FY15

Mission: Develop, modernize, establish and operate the Town of Lunenburg's Public and Government (P&G) Access Channels to reflect what matters to Lunenburg

Public Access Cable Committee (PACC)

Steve Walker, Chair

Jeff Bajko, Secretary

Faith Beall, Member

The Lunenburg Public Access Cable Committee (PACC) is responsible for the long-term plan to manage the Public Access Channels available to the Lunenburg community through Comcast, the town's only cable-service provider.

The overall strategy includes providing and improving equipment to acquire, record, broadcast and re-broadcast programming from both town functions and meetings, as well as programming from publically available sources.

Programming

Public Access Cable (PAC) produced 80% of the local programming on Ch9 in FY15. This included local high school sports, band concerts and Talkin' Baseball just to name a few. The remaining 20% of programming was obtained through other media sources and online downloads.

All content on the Government Channel (Ch8) is locally produced. In addition to several live weekly municipal meetings and re-broadcasts, other examples include committee/department PSAs and the Kinder Morgan Pipeline Hearings.

Town departments are encouraged to take advantage of PAC to improve town government to community information flow.

A third channel for education is being considered for FY17, as we move forward with the Comcast contract negotiations in 2017. This channel would bring educational content to the community provided by local schools and other educational sources.

Studio and Equipment Upgrades

PAC has had studio space in the TC Passios school since 2013.

We have assisted members of the community to produce a number of shows in FY15 and continue to encourage the public to take advantage of the facilities offered.

The strategy for the PAC studio in the upcoming Fiscal years includes acquiring new studio space to provide a better environment for producing programming. Part of the plan is to purchase more cameras and

equipment for loan to increase public participation in creating content. In FY15 cameras were loaned out to parents looking to videotape sports. We would like to increase visibility to the public to encourage more loaning of equipment, studio usage and submitting of videos from the public.

The Town Hall, which houses the video server/playback system, and acts as a control room for live meeting broadcasts, received a much needed upgrade of equipment in FY15. New HD cameras were added to the Town Hall Bilotta meeting room, as well as new camera controllers and a switcher. This upgrade allowed PAC to provide higher quality broadcasts and help to prepare the station for HD broadcasts when Comcast makes it available. Elimination of old equipment in the control room has also reduced energy and space requirements.

This equipment upgrade accounted for 25% of the FY15 expenses.

A new video server is being considered for FY16/FY17 to continue the necessary upgrades.

Staff, Producers and Volunteers

In FY15, there was one full-time Program Coordinator employee and 4 part timers, classified as vendors. The Program Coordinator managed the day to day operation of the organization, including all production and programming schedules, equipment and services procurement, studio and inventory administration, advertising, and social media. Vendors provide video recording of committee meetings and additional video assignments as needed.

Of the 80% of locally produced shows on Ch9, several were produced by members of the community. Our Producers created Talkin' Baseball, Fitness with Wayne, Yoga with Linda, Art for Life and the LaTabella cooking show.

There were also PSAs created by the Sewer Commission and the Lunenburg Fire Department.

A videographer, classified as a consultant, mainly recorded LHS sports and events, as well as doing studio production. Sports produced by the videographer accounted for over 30% of Channel 9 programming.

There were no volunteer assignments in FY15, although there is an ongoing campaign to obtain volunteers to help with production.

Manpower (salaries, vendors and consultant) accounted for 45% of the FY15 expenses.

Financials

PAC received all of its income from Comcast in quarterly payments (August, November, February and May). The overall payments received for FY15 were \$94,735.78. These payments were used for the operating budget and for some capital costs.

The starting balance for PAC in FY15 was \$266,081.17, and was used within the following line items:

FY15 LINE ITEM EXPENSES

Line Item	Amount
Salaries	\$28,987.72
Vendors (Purch of Svcs)	\$5,042.50
Consultant	\$8,480.00
Lease	\$6,000.00
Advertising	\$1,475.00
Equip/Maint	\$15,696.70
Insurance	\$5,302.92
New Equip	\$23,862.00
TOTAL	\$94,846.84

FY15 EXPENSES BY PERCENTAGES

The total Revenue collected from Comcast and other sources in FY15 was \$94,735.78. Total Expenses came to \$94,846.84.

FY15 REVENUE vs EXPENSES

Starting Balance	\$266,081.17
Revenue	\$94,735.78
Subtotal	\$360,816.95
Expenses	\$94,846.84
Ending Balance	\$265,970.11

Lunenburg Public Library

The Lunenburg Library is alive and well. Since last May we have seen lots of changes. Karen Kemp, Children's Librarian for 29 years, retired. She is currently enjoying her new life which gives her more time for her art (she is a painter) and travel. Kate McCarron who served in this role for more than 24 years retired in March. She is enjoying her time with her new grandson. We were able to hire a new Young Adult Librarian, Nicole Piermarini. Nicole has a Master's Degree in Information Science and lots of experience in the Young Adult realm. She herself is a Dr. Who fan and is an avid gamer. Debra Laffond joined us in September to become our new Children's Librarian. Debra filled this role in Pelham for almost 10 years. She was named Children's Librarian of the Year in New Hampshire in 2013 for her exceptional work. The staff and Library Trustees are thrilled to have Nicole and Debra here at the LPL. Sandy Altucher, our first ever Digital Services Librarian, left in late fall. Sandy's very personable style and technical expertise is sorely missed. We also hired two new pages, Sage Scorse and Robin Morris, they have become trusted assets in the Library.

The Board of Trustees said goodbye to Jeanne Raboin and Joanne McQuaid. We thank them for their time and energy in helping us. Kiirja Paananen, Donna Saiia and Susan Visser were welcomed to the Board.

The Library building celebrated its 10th anniversary in December. Lots of folks that were intimately involved with the fundraising and the building of this Library returned to help us celebrate – even the architect, J. Robert Stewart stopped by. It was a wonderful heartfelt gathering.

Changes to the building this year included a new burner (which the staff really enjoyed this winter) and the migration of exterior lighting to LED, a more environmentally efficient option. Our thanks to the Lunenburg's Green Community Task Force for the funding and the help in getting this done. We are hoping to receive a grant to allow us to migrate the interior lights to LED as well. We also painted the café area and the Teen Room. We feel very lucky that we have the Friends organization, the Board of Trustees and the DPW who really take a lot of pride in how the Library looks and operates.

In terms of technology we have upgraded our Wi-Fi network and added a general Facebook page for a total of three Facebook pages. We have also added three new EReaders and tablets that can be borrowed. The Library now has a "real" telescope that can also be borrowed, as well as a volleyball kit that has everything in it if you would like to play.

One thing we have focused on this year is more community outreach. We know that in order for the Library to maintain its position in Lunenburg we have to provide relevant resources to the community – whether that be programs or library materials. We are trying hard to connect with the different community organizations and assist them in whatever way we can. A couple of examples are the Lunenburg Historical Society, who is now having their meetings here at the Library with the Library helping them to advertise; we also have reached out to area preschools and they are now coming to the Library on a weekly basis; and our YA Librarian and Brianna Lively at the High School have joined forces and resources to share an Anime Club.

We have really increased our programs this year – in all areas. We certainly spanned a broad range of interests from a Quidditch match in the main room of the Library to Ukulele lessons to an exhibition of hundreds of fossils and so much more.

The staff and Trustees of the Lunenburg Library would like to thank all of our hard working volunteers, they are part of the fabric of the Library and they make so many things possible: Bea Adams, Sandy Flanagan, Barbara Fleming, Doug Fleming, Ruth Hamilton, Carol Gaudet, Karen Godin, and Ann Smith.

Thoughts from *Nicole Piermarini, Young Adult (YA) Librarian:*

A new chapter started in the teen room this year, beginning with the retirement of Kate McCarron after 24 years of service. And while she will be dearly missed, we are very excited to start this new chapter and add to what Kate began.

Upon entering the teen room, you will notice some changes and a new layout. The computers all have new adjustable chairs, suited for the high counters. There is a graffiti bulletin board in the corner hangout area, complete with chalk markers. Also, there is a new gaming center right as you walk into the room. We purchased a Wii U console and games to create a kit that teens can borrow at the main desk and play in house on the new television. The new layout has attracted new teens to the Library and it is now one of *THE* places to be after school.

The space isn't the only part of the room to get a face lift. We are slowly examining the collection, removing damaged books, updating and replacing them as necessary in an effort to ensure we have the most up-to-date and responsive collection possible. The manga collection has undergone a massive overhaul in an effort to create space and to make it more current. Series are being completed and new popular ones are being added. In the fiction collection, we are relabeling our series to include order number in an effort to make them easier to find. As each section is completed, it has been given new signage to draw attention and interest.

2015 was a year in transition and we will continue to examine, update, and strive to make the teen room the best, most responsive space it can be.

Thoughts from *Debra Laffond, Children's Librarian*

The year 2015 saw the end of an era in the Lunenburg Public Library- beloved Children's Librarian Karen Kemp retired after 29 years. While she will be missed, we were very excited to make some changes to enhance what Karen had built up over the years.

As you enter the Children's Area, you will notice that we have lots of new toys and manipulatives to support the children's development of reading and social skills. We are striving to make each visit to the library a fun filled, stimulating experience. We are examining the collection to weed outdated, damaged items and to assess areas of need to ensure that we are providing our patrons with the best, most current information that we can. We are rearranging certain areas of the collection to make it easier for patrons to find what they are looking for, to focus attention on some of the exciting new series and other items that we have added, and to generate excitement about our beautiful Children's Area! We have created some tools with the goal of making it easier for families to choose materials for their children. We have increased labeling and signage to point to certain new items, we have totally overhauled our children board book collection and have added many new titles, we have created "book bundles" that are designed for grab and go for busy patrons.

We will continue to examine and revamp as we strive to keep the LPL viable and exciting in the lives of Lunenburg residents for many years to come! As Alan Watts said, "*The only way to make sense out of change is to plunge into it, move with it, and join the dance.*"

Respectfully submitted,
Martha Moore, Director

SENIOR PROPERTY TAX WORK-OFF PROGRAM
Est. 1998
CALANDAR YEAR JANUARY 1, 2015 – NOVEMBER 1, 2015

“A unique approach to balance the social & financial needs of senior homeowners and local governments of Massachusetts” *Archhana Prakash, Post Doctoral Fellow of Population Studies at the Center of University of Michigan*

The Property Tax Work-Off Committee is a 5 member committee appointed by the Lunenburg Board of Selectmen.

The Lunenburg Property Tax Work-Off Program offers income eligible senior citizens who are age 60 plus an opportunity to receive up to \$1,000 off their property tax bill in the calendar year rather than the fiscal year. Participants worked in various town departments to earn the tax abatement doing general office duties, custodial, library shelving, and kitchen assistance.

For each hour worked a person received \$10 and worked up to 100 hours between January 1, 2015 and November 1, 2015 to receive the abatement. Any hours worked beyond that were considered volunteer hours.

There were nine Lunenburg residents who participated between January 1, 2015 and November 1, 2015. These individuals as a whole accumulated 865.5 hours towards their abatements.

Eligibility Requirements:

- Applicants must be 60 years of age or older
- Own and occupy a home in Lunenburg as their primary residence for at least one year
- Receive a property tax bill in their name or their spouse's name who is also 60 years of age or older
- Meet the income guidelines of :
One person household - \$40,000 / Two person household - \$60,000
- All new applicants are required to have a CORI background check and must re- apply and be accepted annually for participation in the program.

Earnings are exempt from state taxes only. Earnings are subject to federal and FICA tax withholdings and are also subject to OBRA if participants are not receiving a pension from either Worcester Regional Retirement or Massachusetts State Teachers Retirement.

Departments who participated between January 1, 2015 – November 1, 2015:

Lunenburg Board of Health

Lunenburg Building Department

Lunenburg Council on Aging

Lunenburg DPW/Sewer Departments

Lunenburg Police Dept.

Lunenburg Public Library

Lunenburg School Department

SEWER COMMISSION

The five member Sewer Commission was originally established at the Special Town Meeting on May 6, 2006. At the first Sewer Commission meeting after the May 2014 Town election, when the Commission elects the officers for the next year, Carl Luck was elected to remain as Chairman, Dave MacDonald to serve as Vice-Chair and Mike Nault to serve as Clerk. Other members on the Commission were Butch Bilotta and Troy Daniels, who was elected to the Sewer Commission in the May 2014 Town Election as a write-in candidate to fill the vacancy left by Jay Simeone who did not run for re-election. The Sewer Commission bears the responsibility of overseeing the Town's sewer system, planning for the future, and developing and implementing rules, regulations and policies. The Department of Public Works manages and maintains the operational side of the system. Under the Town's Charter, responsibility for the day-to-day operation, care and maintenance of the sanitary sewers are under the supervision of the Town Manager. The Town of Lunenburg does not operate a sewer treatment plant. Approximately 81% of Lunenburg sewer is discharged to the City of Leominster, and the other 19% is discharged to the City of Fitchburg.

There are currently 764 properties connected to the Lunenburg system and another 378 that have access to Town Sewer but are not yet connected. During FY15, 36 new accounts connected to Town Sewer. The Commission billed out \$715,400 in quarterly sewer bills, and had \$41,759 of prior year delinquencies added to the owners' property tax bills for non-payment. Nine properties with access to sewer were assessed privilege fees that had not originally been assessed betterments. Privilege fees help to pay down the debt owed by the Town on the original sewer project.

In FY15, it was required by the State Department of Revenue that the Sewer Enterprise and the Sewer Betterment Funds be combined for a consolidated statement, and for the first time, the Commission had to project the year-to-year income over expense as pertains to betterment income versus debt service. With these revisions to the budget, it was necessary to request a transfer from Retained Earnings for \$77,401.80 (Article 17, May 2015 Town Meeting) to cover both general expenses and debt service for the next fiscal year. The goal of the Sewer Commission is to maintain a balanced budget going forward and to build up the Retained Earnings so that it may be used for major capital projects to maintain and improve the operating efficiency of the system.

In August 2013, the Sewer Commission began contracting with Small Water Systems Services of Littleton (SWSS) for the Operations and Management of the 10 pumping stations and sewer infrastructure. The Sewer Commission has been very satisfied with the personnel, the work and the arrangement with SWSS, renewing the contract again for FY15. Since the start of the contract, additional responsibilities have been added to the SWSS contract, including installing and monitoring the SCADA system at the Leominster Road station in March 2015 and taking on the maintenance of the 10 generators housed in our pumping stations.

The Sewer Commission continued work on preparing for the major sewer project in the Pratt Street/Lakeview Ave sections of town, using the State Revolving Fund (SRF) program throughout FY15, to connect 80 plus homes in areas of need as determined by the Comprehensive Wastewater Management Plan to public sewer. Forty-two of these homes were in close proximity to Whalom Lake and were of concern to the homeowners, Board of Health and environmentalists. The proposed sewer extensions had attained a satisfactory rating by the State to be assured of an SRF loan and the Commission presented the project at the spring Town Meeting in May 2014, obtaining approval to move the project forward. The Commission worked continuously with the engineering firm, Wright Pierce, throughout the year on design and engineering. In the spring of 2015, the Commission put the project out to bid and in May 2015 awarded the construction bid to CJP Construction out of Millis, MA, with construction to commence in the summer of 2015.

Also in the spring of 2015, the Commission, working with Weston & Sampson Engineering, continued their work to find sources of I/I (Inflow/Infiltration) by performing 171 house-to-house inspections in the Mass Ave./Leominster Rd. areas in the spring of 2015. These efforts were funded by the Sewer Bank Fee, established in 2013 as required by the Inter-Municipal Agreement with the City of Leominster, collecting \$220. per bedroom on new connections. Weston & Sampson worked to ensure proper connections from these 171

locations to the public sewer and advising those property owners when an illegal connection was discovered, whether it is from a sump pump in the cellar or roof drain. These sources only increase the town's expenses as they are sent via public sewer pipes to the wastewater treatment plants in either Leominster or Fitchburg, increasing their flows and capacities unnecessarily.

The Commission has continued to work hard to enforce the Grease Trap Regulation for all Food Service Establishments that have or should have a grease trap or grease interceptor. Annual permit fees were assessed in July 2015 based on the establishment's level of compliance, and the reporting requirements clearly communicated. Lunenburg has 19 grease trap establishments. This regulation will continue to be strongly enforced as fats, oils and grease (FOG) can negatively affect the smooth operation and maintenance costs of the sewer system. While the Grease Trap Regulation focuses on commercial and public disposal, individual home owners can also contribute a significant amount of grease into the system which increases everyone's costs. The Commission understands that education is an important aspect of their role and will continue to provide information to their customers to keep the sewer system running economically and efficiently by reducing the disposal of fats, oil and grease into the system to avoid blockages. Whether on sewer or septic, grease should not be put down the drain. Another enemy of the sewer system is "disposable wipes" which do not biodegrade and bring our pumps to a halt. Nothing but organic waste and toilet paper should be put into the sewer system.

During FY15 and into FY16, the Commission continued working on several projects, with Commissioners serving as Project Champions. They are:

- **Lakeview/Pratt extension**
- **I/I reduction project**
- **Grease trap compliance**
- **Flow Rate/Metering**
- **Privately Funded Extension Policy update**
- **Business Systems and Process Improvement**

The Commission would like to thank Dave MacDonald and Butch Bilotta, who both stepped off the Commission in May 2015, for all their hard work and years of dedication and service. In the town election of May 2015, the Commission was happy to welcome Sue Bunish to the Commission, and John Reynolds who was appointed to the Commission in July 2015. Troy Daniels stepped off the Commission in January 2016. Bob Ebersole continues to serve as the Board of Selectmen liaison and the Commission is grateful for his knowledge and counsel. Jay Simeone, past member of the Sewer Commission, serves as the Finance Committee liaison to blend his experience on the Commission with its financial planning and we thank him for his participation. The Commission would also like to thank Jack Rodriquez, DPW Director, for the seamless and smooth operation of the Sewer division of the DPW and also Jim Breault (DPW-Facilities) who whenever called upon, provides his expertise and service to the Sewer Department.

Carl Luck, Chair
Mike Nault, Vice Chair
Sue Bunish, Member
John Reynolds, Member

***PROTECTION OF

PROPERTY***

BOARD OF HEALTH

The Board of Health office is located in the Ritter Library Building on the corner of Mass. Ave and Leominster Road. Our office is on the upper level at the end of the hall on the right. We can be reached at 978-345-4146, extension 430.

The Board of Health with the assistance of its agent, the Nashoba Associated Boards of Health, continued its mission to maintain its focus on public health and safety issues during 2015, by reviewing Title V inspection reports, building permits, septic and well permits, nuisance investigations, housing inspections, complaints and general public health related issues.

This past year has seen the reinstatement of the Septic System Repair Program which helps low to moderate income families replace failed septic systems or connect to public sewer. Anyone interested in finding out more about this program can contact the Board of Health office.

Homeland Security planning is ongoing. Meetings continue between our agents, other Town Departments and regional entities to develop a plan for not only Lunenburg but also with our partner towns in our region.

This year we processed applications for septic permit lot tests, permits for new construction, new wells, repairs or upgrades to septic systems and well permits. The Board continues its vigilance with regard to septic systems, wells, food service inspections, housing and nuisance complaints and its general mandate to protect the environment and groundwaters of the Commonwealth. The Board of Health is also represented on the recently created Stormwater Task Force.

The Board of Health provides numerous other services in cooperation with our health agents, the Nashoba Associated Boards of Health. In addition to our environmental services, numerous clinics are provided throughout the year to our residents. These clinics provide inoculations, blood pressure screenings, Well Oldster Clinics and dental screening. Fluoride treatment and dental checks of our youngsters in the school system are provided by the Nashoba dental staff.

The Town of Lunenburg participates in the Central Mass. Mosquito Control Project. Mosquito Control monitors the mosquito population in Lunenburg and advises of any potential diseases such as EEE and West Nile Virus. It sprays frequently to control the population during the warmer times of the year. Residents who want to have their property sprayed can do so by emailing to: cmmcp@cmmcp.org, calling (508) 393-3055, completing a service request on their webpage at: <http://www.cmmcp.org> or calling the Board of Health office.

Along with our Nashoba Nursing and Hospice partners, we provide in-home visits to residents recovering from illness and hospice care and counseling to those in need of this service.

Please remember that our Board members volunteer their time and efforts on behalf of you, the citizens of Lunenburg. If you have something that you think we can help you with, we are at your service. Contact the Board of Health office at 582-4146 ext. 430.

Board of Health Members

George Emond, Chairman

Perry Jewell

David Passios

NASHOBA ASSOCIATED BOARDS OF HEALTH

Nashoba Associated Boards of Health continues to serve the local Board of Health in meeting the challenges of environmental and public health needs in Lunenburg. In addition to the day to day public health work conducted for Lunenburg we also provide the following services.

- Maintaining Nashoba's Internet web site to provide information for the public. (See *nashoba.org*)
- Response to health related impacts of beavers through coordination with the local Board of Health in the issuance of the necessary permits.
- Response to state mandated changes in regulations requiring more frequent beach sampling through sample collection, submittal for analysis, and follow-up when results were obtained.

We look forward to continuing our work with Lunenburg's Board of Health. Included in the day-to-day work of Nashoba in 2015 were the follow-ing:

- Through membership in the Association Lunenburg benefited from the services of Nashoba staff including: Registered Sanitarians, Certified Health Officers, Registered Nurses, Nutritionists, Registered Physical & Occupational Therapists, Licensed Social Workers, Certified Home Health Aides, and Registered Dental Hygienists
- Provided health education programs in collaboration with the Lunenburg Council on Aging.
- Collaborated with Montachusett Home Care around elders at risk and other safety issues.
- Reviewed 98 Title 5 state mandated private Septic System Inspections for Lunenburg Board of Health. Received, reviewed, and filed these state mandated (but unfunded) Title 5 inspections. Corresponded with inspectors regarding deficiencies; referred deficient inspections to Lunenburg Board of Health for enforcement action

By the Lunenburg Board of Health's continued participation in the Association you can shape your future local public health programs and share in the benefits of quality service at a reason-able

TOWN OF LUNENBURG

Environmental Health Department

Environmental Information Responses

Lunenburg Office (days).....80

The Nashoba sanitarian is generally scheduled to be available for the public twice a week on Monday and Wednesday mornings at the Lunenburg Board of Health Office. Other meetings occur informally.

This does not reflect the daily calls handled by the three Nashoba secretaries during daily business hours.

Food Service Licenses & Inspections.....49

Nashoba annually mails out and receives application from both restaurants and retail food businesses. Licenses are renewed for existing facilities. Plans are submitted and reviewed prior to initial licensing. Most licensees are inspected at a minimum twice a year. Where deficiencies are found, a re-inspection is scheduled to insure compliance. When a complaint from the public is received an inspection is also conducted. During this inspection health factors of food handlers is also investigated, and where appropriate medical consultation and laboratory testing may be required.

Beach/Camp Inspections..... 23

Camps are inspected at least annually at opening for compliance with State Sanitary Code, Chapter IV, 105 CMR. 430.00. Public swimming beaches are sampled for water quality every week during the summer and more often if a problem is suspected.

Housing & Nuisance Investigations.....38

Nashoba, as agent for the local Board of Health, inspects dwellings for conformance with State Sanitary Code, 105 CMR 410.00, issues orders for correction, and re-inspect for compliance. Similarly, complaints from residents concerning unsanitary conditions or pollution events are investigated.

Septic System Test Applications.....78

Applications from residents proposing to build or upgrade a septic system are accepted, a file created, and testing dates are coordinated with the applicants engineer.

Septic System Lot Tests.....234

Nashoba sanitarian witnesses soil evaluations, deep hole tests, and, usually on a separate date, percolation tests conducted by the applicant's engineer which serve as the basis of the design of the septic system.

Septic System Plan Applications.....78
Detailed plans created by engineers hired by residents proposing to build or upgrade a septic system are received, filed, and routed to the Nashoba sanitarian for review.

Septic System Plan Reviews76
Engineered plans are reviewed according to state code, Title 5, and local Board of Health regulations and review forms are created and sent to engineer for revision. Subsequent re-submittals by the engineer are also reviewed.

Septic System Permit Applications (new lots).....32

Septic System Permit Applications (upgrades)..... 33
Applicants’ approved plan submittals and Board of Health requirements are incorporated into a permit to construct the septic system.

Septic System Construction Inspections.....110
Nashoba Sanitarian is called to construction site at various phases of construction to witness & verify that system is built according to plans.

Septic System Consultations.....19
During all phases of application, design, and construction the Nashoba Sanitarian is called upon or legal details and interpretation

Well Permits.....14

Water Quality/Well Consultations.....14
Private wells are regulated solely by local Board of Health regulations, The Nashoba Sanitarian assist the Board of Health by reviewing well plans, securing well water samples, and interpreting water quality test results.

Rabies Clinics - Animals Immunized9
Nashoba arranges for local clinics with cooperating veterinarians, arranging for dates and location, placing ads in local newspapers, and sending home flyers through local schools.

Nashoba Nursing Service & Hospice

Home Health

Nursing Visits.....590

Nashoba's Certified Home Health Registered Nurses visits provide skilled services to patients in their home under physician's orders. These services include assessment of physical, psychological, and nutritional needs. Skills include teaching/supervision of medications, wound care, ostomy care, IV therapy on a 24 hour basis, catheter care, case management and referral to other services as needed.

Home Health Aide Visits247

Nashoba's Certified Home Care Aides provide assistance with daily activities of daily living including bathing dressing, exercises and meal preparation.

Rehabilitative Therapy Visit.....360

Nashoba Therapists provide skilled physical, occupational, speech, and dietary therapeutic interventions through assessment, treatment and education. Their integration of client, caregiver, and medical outcomes aims at attaining maximum functional dependence.

Medical Social Service Visits.....44

Nashoba Social Workers provide short-term assistance to patients at home for counseling and referral to community resources.

Hospice Volunteer and Spiritual Care Visits.....13

Nashoba's Volunteers and Clergy provide patients with emotional and spiritual support, companionship and guidance.

Community Health Nursing

Nashoba's Community Health Nursing program provides an essential public health service to member communities guided by the American Nurses Association (ANA) 16 Standards Public Nursing Practice.

Our staff serves as a resource to the community, addressing questions and concerns from public on a variety of health and safety issues (immunizations, head lice, chronic disease management, safe drug/sharps disposal etc.) in a variety of ways.

- We conduct regular well-being clinics for health assessment, screenings and education to all, especially the underserved and at-risk populations.
- We report and investigate communicable diseases to formulate and implement community guidelines and strategies that protect the health of individual and the community large (mandated by the Massachusetts Department of Public Health).

- We make well-being visits to assess needs, coordinate appropriate care and services and provide case management as needed (health promotion).
- We provide public health education.
- We address psych-social issues that may impact general health and safety (hoarding).
- We are available to collaborate with all municipal staff to address public health nursing questions, work closely with Councils on Aging to assist elders in the communities; are available for consultation with school nurses caring for children and families. Our nursing staff also works with the Sanitarian for your community, as needed, to address issues of unhealthy living conditions.

Listed below is summary of the activities of the Community Health Nursing program.

Nashoba conducted 12 clinics and those clinics offered your citizens: blood pressure screening, annual sugar and eye screenings, flu shots and an opportunity to consult with the nurse to address questions.

Our staff conducted 85 health promotion/well-being/social worker visits in your communities. We administered 106 flu shots through our annual clinics.

Nashoba reviewed, investigated and reported on the following cases of communicable diseases from your community. Though the daily reporting and investigating work is not always visible, it is vital to protect the public from the spread of disease.

Investigated.....	63
Confirmed.....	32

Communicable Disease Number of Cases

• Anaplasmosis	1
• Campylobacter	1
• Haemophilus Influenzae	2
• Hepatitis C.....	4
• Influenza.....	13
• Lyme Disease.....	6
• Strep B.....	3
• Salmonella.....	1
• Shigellosis	1

Dental Health Department

Examination, Cleaning & Fluoride - Grades K, 2 & 4

Nashoba's Registered Dental Hygienists, operating out of the school nurse's office and records, provide these services to those children whose parents have given written consent.

Students Eligible.....	351
Students Participating.....	185
Referred to Dentist.....	23

Instruction - Grades K, 1 & 5

Nashoba's Registered Dental Hygienists also provide classroom instruction of cleaning and maintaining healthy teeth to all children in these grades.

Number of Programs.....	10

FIRE DEPARTMENT

655 Massachusetts Ave

CHIEF

Patrick A. Sullivan
TEL: (978) 582-4155
FAX: (978) 582-4033

The Firefighters and Emergency Medical Technicians of the Lunenburg Fire Department are dedicated to providing the highest quality, most cost effective fire and emergency medical services to the citizens of the Town of Lunenburg.

In 2015 your Fire Department responded to 1985 calls for service, broken down as follows:

Fires & Hazardous Conditions	483	Emergency Medical	967
Inspections	493	Other	37

Fire Department staffing today is five Career Staff and forty to forty-five On Call Firefighters and Emergency Medical Technicians. The station is staffed 7 days per week from 6:00 a.m. - 6:00 p.m. The career staff man the station Monday through Friday. On Saturday and Sunday the station is manned by two of our On Call Firefighter/EMTs on an hourly “per diem” basis. At night however, all of our personnel respond from home on an “on call” basis. This adds several minutes or more to our response time as personnel must respond to the station, pick up the appropriate equipment and then respond the call.

The addition of the Weekend Day coverage began on July 1, 2015 and has significantly decreased response times during the time the station is manned. This is the first significant change to our staffing in nearly 15 years, even though we have seen an almost 48% increase in our call volume during that same time period. We still rely on our On Call Personnel to be the primary responders 50% of the week.

2015 was our busiest year to date, with a 1.5% overall increase in activity from 2014 and a 5.5% increase in EMS related calls. As our community continues to grow I can only expect the demand for emergency services to grow along with it. While our Call Force continues to do an amazing job, the ever increasing call volume is straining our ability to provide the high level of service townspeople have come to expect. This leads me to continue to call for 24 hour staffing in the station. Funding to maintain 2 Firefighter/EMT’s in the station 24 hours a day, 7 days a week would allow either the first ambulance or first piece of fire apparatus to respond immediately. Not only would this reduce our response times to critical emergencies, it would also reduce the “wear and tear” on our Call Staff. This coverage would in no way reduce the need for our On Call personnel; it would only supplement their response and reduce response times.

Our firefighters continue to train for the myriad of situations which can be encountered even in a town such as ours. Today’s firefighter must be skilled in not only firefighting, but medical care, hazardous materials mitigation and technical rescue. Our EMT’s must continue to stay abreast of the latest treatment protocols and advances in lifesaving skills. Personnel train regularly both here at the station and at classes sponsored by other agencies. While they are compensated for some of the training, the vast majority is done on their own time.

As an example, a new Firefighter/EMT must attend over 340 hours of basic firefighting and Emergency Medical Technician training. Once they are certified, they must complete over 40 hours of continuing education and refresher training every two years, just for their EMT. Operators of Fire Apparatus must complete an additional 65 hours of training in Driver training, pump and aerial operation and hydraulics calculations.

Several of our personnel are members of Regional Technical Rescue units, providing services for Confined Space and Cave in Rescue, as well as Underwater Search and Recovery. They stand ready to respond as needed throughout Northern Worcester County.

2015 continued to be an active year for our Fire Prevention efforts. By law we are required to inspect smoke and carbon monoxide detector installations when a home is sold, as well as all new oil burner and propane gas installations. Any business holding a liquor license is also required to be inspected for fire safety issues. In addition, all new construction projects must have their plans reviewed for proper fire protection, as well as ongoing inspections during the construction process. Personnel also continue to provide fire safety education to not only children in our schools but adults as well.

Other Fire Safety Initiatives undertaken during 2015 include:

- Continuation of a Department of Fire Services Grant in the amount of \$6953. to assist with Fire Safety Education in both the schools and with senior citizens. This grant provides funding for both materials and personnel to bring fire safety education to our most vulnerable populations. Highlights of activity through this grant include:
 - o Educational programs in basic fire safety in Grades K-3, including use of the Regional Fire Safety Trailer.
 - o Educational programs in conjunction with the Council on Aging. These included cooking and heating safety, a CPR Demonstration and ice safety.
- Participation in the Senior Center's "Sand for Seniors" Program. This program provides buckets of walkway sand for senior citizens who were unable to obtain it for themselves in the winter months. In partnership with this program, our Fire Prevention Officer Captain James Ricci delivers the sand to the residents and when possible, inspects their homes for smoke and carbon monoxide detectors. If the resident was lacking detectors, Capt. Ricci would install free detectors obtained through the Senior SAFE Grant.
- The Department also partnered with the American Red Cross to install free smoke detectors in sections of town. Combined with the "Sand of Seniors" program, 93 homes were visited and over 70 smoke and carbon monoxide detectors were installed.
- It should be noted that each year, 50% of fatal fires are found to have nonfunctional or nonexistent smoke detectors.

Several members are also Certified First Aid and CPR Instructors and provide training to both citizens and town employees.

Our department continues to actively pursue grant funding opportunities as they occur, though those opportunities are becoming scarcer.

The new Engine 1, approved in the FY '15 Capital Plan was placed in service in July of 2015 and is providing outstanding service as our primary pumper. It replaced a 1991 model.

Apparatus replacement continues to be a concern. FY'15 saw a significant increase in vehicle maintenance costs, particularly with the older apparatus. The timely replacement of our older apparatus will hopefully decrease some of those costs. Two of our front line units (Engine 4 and Ladder 1) are over 20 years old and showing their age through increasing maintenance costs and "out of service" time. Engine 4 in particular has seen over \$50,000 in repairs over the last 3 years, and has averaged a month per year out of service. The new Engine 1 is handing a higher volume of responses to decrease the wear and tear on Engine 4, hopefully prolonging its lifespan. These units are included the department's 5 Year Capital Plan for replacement in FY '17 and FY '18 respectively and it is hoped that due consideration will be given for their timely replacement.

The high reliability required of front line emergency apparatus becomes increasingly expensive and difficult to maintain as these units reach the end of their life span.

Firefighters Benjamin Boudreau, Charles Colburn, Skyler Kosloski and Tyler Pelkey graduated from the Massachusetts Firefighting Academy's Call/Volunteer Training Program. This intensive 4 month program provides the basic skills firefighters need to operate in today's challenging environments. All newly hired firefighters are required to complete this program within one year of hire. In addition, Firefighter Colburn and Firefighter Carl Gamberdella obtained their certification as Emergency Medical Technicians.

Firefighters Boudreau, Kosloski and Pelkey are also the first members of our "Live-In" Partnership with Mount Wachusett Community College's Fire Science Program. This program allows Fire Science students who are Emergency Medical Technicians to obtain real world experience as firefighters while completing their education. It also provides the department with additional assistance as these members cover some On Call shifts from the station.

In conclusion, I would like to thank the members of the Lunenburg Fire Department for their outstanding commitment to the Town. Their enthusiasm, professionalism and dedication continue to impress me every day. I would also like to thank the other department heads, boards and commissions for their continuing help. Most people do not realize the level of interdepartmental cooperation that occurs in the daily course of town business. My thanks also go out to the citizens of Lunenburg for their ongoing support of public safety. It is that support that allows us to continue providing the services you expect from us.

Roster of the Lunenburg Fire Department- 2015

Patrick A. Sullivan, Chief of Department*

Peter J. Hyatt, Deputy Chief

James Ricci, Captain/EMT
Scott Dillon, Lieutenant/EMT I*
J. Gregory Massak,
Lieutenant/EMT
Rev. Andrew C. Burr, Chaplain

Matthew Benoit, FF/EMT
Richard Bishop, EMT*
Benjamin Boudreau, FF/EMT
Jason Boyle, FF/EMT*
Frank Byrne, FF/EMT
Michael Byrne, FF/EMT
Traci Camelo, EMT
Joseph Cardone, FF/EMT
Charles Colburn, FF/EMT
Matthew Cormier, Firefighter
Timothy Downey, FF/EMT
Gregory Dik, FF/EMT*
Paul A. Duquette, FF/EMT

Lunenburg Police Department 2015 Annual Report *Chief James P. Marino*

Administrative

Chief James P. Marino
Public Safety Coordinator Linda Carrier
Lieutenant Michael Luth

Patrol Supervisors

Sergeant Thomas Gammel
Sergeant Sean Connery
Sergeant Jack Hebert

Detectives

Detective Sergeant Jeffrey Thibodeau
Detective (Vacancy)

Community Outreach

Officer Sean Zrate

Traffic/ K-9

Officer Joshua Tocci

Patrol Officers

Officer Robert Diconza, Officer Joshua Mathieu, Officer Jonathan Broc, Officer Peter Lekaditis,
Officer Brad McNamara, Officer Deven O'Brien

Desk

Officer Lisa Melnicki

Reserve Intermittent Officers

Officer Stan Barney, Officer Donald Letarte, Officer Robert Dacosta, Officer Ben Campbell, Officer Lisa Melnicki, Officer Julie Salas, Officer John Morreale, Officer Jacob Lachance, Dan Minichiello, Chad Stateler, Jonathan May, Todd, Lynch.

Retirements

Officer Paul Gruditz, Officer Linda Carrier

Paul Gruditz retired after 38 years of service as a dedicated Reserve Police Officer. Paul's contributions to the community embodied the principles of commitment and service. We wish Paul the same success and happiness in retirement that he experienced during his time here.

Linda Carrier retired after 32 years as a Reserve Police Officer, and sexual assault investigator. Linda was first employed by the Town in 1981 and in 1982 accepted a position with the police department as the executive assistant to the Chief of Police. In 1984 Linda was appointed as a Reserve Police officer and subsequently certified as a sexual assault investigator. She was later promoted to public safety coordinator, a position she still maintains today. We commend Linda for her ability to command two converging professions within the police department for more than 30 years. It saddens us that we'll no longer find Linda in a police uniform, but we take solace in that we know she's still part of the support staff.

Felicitation

Congratulations to Quinn Smith, Dan Minichiello, and Julie Salas were appointed as full time Police Officers with the Fitchburg Police Department. Quinn has been with us for 3 years as a Reserve Police Officer. Quinn will graduate from the Full time police academy in February of 2016. Julie interned for a short time and was subsequently appointed as a reserve officer in Lunenburg on July 22nd 2014. Dan Minichiello also interned for a short time and was appointed as a reserve officer on May 12, 2015. Both Dan and Julie will be attending the Mass. Police Training Committee Police Academy at Reading In March of 2016. Quinn, Julie, and Dan are well trained, highly motivated individuals. They will be sorely

missed by the Lunenburg Police Department, but we wish them the best of luck with their careers in Law Enforcement.

Animal Control

Animal Control has recently partnered with the Police Department. Kathleen Comeau is and will remain the Director of Animal Control. As a partnership Kathleen will be able to utilize the Police Records management system to enhance her ability to maintain and record animal complaints, lost/missing/abducted and abuse investigations as well as licensing, and kenneling issues. The public is asked to call in any animal control related complaints to the Regional Call Center, Nashoba Valley Regional Dispatch, at (978) 582-4531. The Animal Control Web-Site, lunenburgma.gov. Remember, dogs must be licensed by April 1st annually. Dogs must have a current Rabies vaccination certificate to qualify for licensing. This can be done at the Town Clerk's office in Town Hall, 17 Main Street. Unspayed Female/Unaltered Male \$20 fee. Spayed Female/Altered Male \$5 fee. Late Fee: \$25.

State of the Police Department

The Police Department is in operation 24 hours a day 7 days a week. Two patrol officers are assigned to each shift with support from the Traffic Enforcement/K-9 Officer and the Community Outreach Officer who each work two day shifts and two evening shifts. A Reserve Officer is assigned to the desk on a full time basis from 7:00 a.m. to 3:00 p.m. Monday through Friday. The desk is extended from 3:00 p.m. to 7:00 p.m. during the week on a per-diem basis.

The Police were dispatched to approximately 5600 calls for service and self-initiated another 7800 calls, responded to 278 motor vehicle accidents, investigated 1253 incidents, conducted 4039 motor vehicle stops, wrote 2440 motor vehicle citations, arrested 371 people, summonsed 259, and placed 12 people in protective custody.

In addition to the calls dispatched by the regional call center, the desk officer answered some 7000 phone calls, took approximately 3200 lobby inquiries and complaints, and wrote, roughly, 153 reports in 2015. This year the desk watch officer was responsible for the suicide watch of 146 detainees either taken into custody overnight or during the daytime hours.

In the past five years the police department has realized a 180.1 percent increase in arrests, a 61.9% increase in reportable incidents, incidents that require a follow-up investigation and/ or court complaint, and a 20% increase in motor vehicle accidents. I don't anticipate that these figures are going to decline as the Town continues to grow and the level of traffic in and around Lunenburg increases.

Arrests and Incidents: A Five Year look back

This is a comparison of towns with similar demographics and similar bordering communities as well as a few communities that border Lunenburg:

The workload has once again fueled the request for additional Police Officers... The work load will exceed 23,000 hours this year. With 14 officers, including the Police Chief, staffing deployment would have to be adjusted over 100 times to effectively allocate resources and meet daily needs. The FBI Uniform Crime Report, Table 71 indicates that the average number of police officers in a New England town with a population between 10,000 and 24, 999 should be 1.8 per 1000 inhabitants. We are presently at 1.4 per 1000 inhabitants.

In this comparison Lunenburg has the highest number of arrests and incidents with the lowest number of officer employed. The range is from 17 officers to 22 officers.

Request for staffing is an old story. The Police Department has been asking for a staff increase for over 20 years. Here are some statements taken from previous town reports as far back as 1996:

1996 12 Officers As a result of obtaining a COPS MORE grant from the Federal Government in the amount of 75,000, we were able to hire on additional police officer, bringing our police force up to twelve (12) full time officers.

2004 13 officers: Low staffing levels continue to be an issue for our Police Department. The number of full-time officers is significantly lower than recommended levels for a community our size. As our community grows, and as the communities around grow, so do the number of calls for service.

2005 13 officers: This combination of residential growth, projected growth and an over 100% increase in incidents/calls for service over the past five years has proved to be quite a challenge for our patrol staff. Once again this year, I stress the importance of investing in proper patrol and office staffing to accommodate this increasing demand for police services and administrative office responsibilities. The number of full time officers (12).

2006 13 officers: I continue to work with town officials as part of a concerted effort to address our department's staffing and capital needs in order to keep pace with rapid town and regional population/commercial growth and the resulting increased demands for services made on our department.

2007 13 officers: The department continues to operate understaffed while at the same time we are faced with increased responsibilities within the office as well patrol and investigative calls for service. The police department remains well below the local, state and national recommended staffing levels for a community our size and location.

2008 13 officers: We continue to work with town officials to retain and hopefully increase our staff to handle the increasing calls for service as our economy struggles. We remain cautiously optimistic that national economic stimulus plans will include funding to help local government hire and train more police officers.

2009 13 officers: Low staffing levels within this department continues to be an issue for us. The present number of full-time officers is significantly lower than recommended levels for a community our size.

2010 13 officers: Low staffing levels within this department continues to be an issue for us. The present number of full-time officers is significantly lower than recommended levels for a community our size.

2011 13 officers 14 budgeted: We continue to work with town officials as part of a concerted effort to address our department's staffing and capital needs.

2012 13 officers, 14 budgeted.

2013 13 officers 14 budgeted: Growth has and will continue to bridge the gap between staffing levels and the work load. This issue is cause for concern presently and going forward. The level of service will continue to decay and the police department will eventually be viewed by the community as ineffective. As I stated in this year's budget, "Police services in this Town will never rise to an adequate level without a meaningful infusion of personnel."

2014 14 officers: Staffing issues never seem to go away. The Town has far outgrown its police department. The increased demand for service with inadequate staffing has a direct effect on our ability to decrease overtime, reduces officer initiated activities, and compromises our crime clearance rate.

I repeat again this year: growth will continue to bridge the gap between staffing levels and the workload. Services will never rise to an acceptable level without a meaningful increase in the amount of police officers we employ.

Despite this on-going issue with public safety, the men and women of the Lunenburg Police Department stay committed to their core values:

Courage—*we, the men and women of the Lunenburg Police Department, accept as our primary obligation to be physically, morally, and mentally strong against the challenges we bear as law enforcement officers; always standing firm in the face of danger, confronting threats without apprehension, placing the safety and security of others before our own with honor.*

Integrity—*we possess an uncompromising sense of rectitude with undying respect and concern for humanity while safeguarding the dignity of all people; we are committed to the highest level of moral principles and ethics in our actions and appearance worthy of the public trust; never placing ourselves above the law and always inspiring the confidence of our community whether on or off duty.*

Commitment—we will work together as a team, promoting leadership within the organization, among our peers and throughout the community; we are committed to faithfully meeting the demands of our profession, achieving organizational goals that serve the public, and performing all of our duties to the best of our abilities with dedication and determination; preserving the reputation and morale of the police department; always accepting responsibility for our actions, always consistent, fair and impartial; treating all citizens with dignity and respect, and always concerned with the welfare and quality of life for all people.

Without any consideration of fiscal challenges: the men and women of the Lunenburg Police Department promise to carry out their mission: to provide uncompromised safety and security for all those who reside, visit, or merely pass through our community.

Thank you for allowing me to serve as your Police Chief for another year. I appreciate the support the people of this community have shown the Police Department. I again, humbly ask for your commitment and support to public safety going forward as I move to provide the citizens of Lunenburg with the service they need and deserve.

Respectfully Submitted

Chief James P. Marino

Chief James P. Marino

PLANNING

CAPITAL PLANNING COMMITTEE

Lunenburg's Charter specifically mandates that a Capital Planning Committee prepare a Fiscal Year (FY) Plan and a Capital Improvement Plan. These Plans are to be presented to the Town Manager.

As noted in the past reports, the criterion for any capital request includes Mandates, Safety, Need, Crisis, Cost Effectiveness and Ability to Fund. The Committee has to review each request under these six elements. Not only do they have to determine that the request fits within the criteria, but they have to prioritize the level that meets the criteria. Therefore, not all requests are included in the FY Plans, mostly due to funding. The result of the proposed FY Plans provides the needed service for safety and protection of the public, the upkeep to our schools and the management of government.

At the Annual Town Meeting May 2015, the following items, totaling \$ 1,051,578, were presented in the FY16 Plan.

Capital Planning Committee Recommendation				Funding Source	Cash Outlay	Debt	Total
1	Pavement Management	\$ 250,000.00		Operating Budget			
2	6-Wheel Dump & Sander	\$ 190,000.00		Capital Budget, Debt	\$ 82,282.00	\$ 107,718.00	\$ 190,000.00
3	Backhoe	\$ 120,000.00		Capital Budget, Cash	\$ 120,000.00	\$ -	\$ 120,000.00
4	Police Vehicles, Marked	\$ 96,000.00		Capital Budget, Cash	\$ 96,000.00	\$ -	\$ 96,000.00
5	Drainage Culvert Repair, 2-Phases	\$ 43,728.00		Capital Budget, Cash	\$ 43,728.00	\$ -	\$ 43,728.00
6	Municipal Buildings, Feasibility Study	\$ 28,000.00		Capital Budget, Cash	\$ 28,000.00	\$ -	\$ 28,000.00
7	Intersection Reconfiguration, Plan & Implementation	\$ 40,850.00		Capital Budget, Cash	\$ 40,850.00	\$ -	\$ 40,850.00
8	Technology, Town Departments	\$ 34,000.00		Capital Budget, Cash	\$ 34,000.00	\$ -	\$ 34,000.00
9	DPW, Street Sweeper	\$ 180,000.00		Capital Budget, Debt	\$ 64,950.00	\$ 115,050.00	\$ 180,000.00
10	Police, Speed Sign	\$ 12,000.00		Capital Budget, Cash	\$ 12,000.00	\$ -	\$ 12,000.00
11	Technology, School Department	\$ 30,000.00		Capital Budget, Cash	\$ 30,000.00	\$ -	\$ 30,000.00
12	Replace Gas Burner, Library	\$ 15,000.00		Capital Budget, Cash	\$ 15,000.00	\$ -	\$ 15,000.00
13	HVAC Management System	\$ 12,000.00		Capital Budget Cash	\$ 12,000.00	\$ -	\$ 12,000.00
	Total:	\$ 1,051,578.00			\$ 578,810.00	\$ 222,768.00	\$ 801,578.00
Sources of Funding							
	Prior Year Unspent Capital	\$ 67,284.64					
	Cash Outlay	\$ 511,525.36					
	Borrowing	\$ 222,768.00		\$ 801,578.00			
	Operating Budget, Department of Public Works	\$ 250,000.00		*** funded in Article 15, FY2016 Operating Budget			
		\$ 1,051,578.00					

The Committee meets each year after the Capital Budget is presented to the Town Manager and considers improvement to the methodology of creating the budget. In future preparation the Committee will conduct more meetings on site.

Jamie Toale, Board of Selectmen, Chair
Dennis Mannone Jr., Citizens' Representative, Vice Chair
John Henshaw, Finance Committee, Clerk
Heather Sroka, School Committee Representative
Joanna Bilotta-Simeone, Planning Board Representative

Kerry A. Lafleur, Town Manager – Ex Officio Member

PLANNING BOARD

FY2014-2015

The Planning Board welcomed new members David Prokowiew and Gregory Bittner. Joanna Bilotta-Simeone and Nathan Lockwood departed from the Board after serving a number of years.

Six ANR plans (subdivision of lots for separate building lots) were approved. Approved residential subdivisions were in various stages of completion. The following continued to build: Emerald Place at Lake Whalom, Stone Farm Estates off Massachusetts Avenue, Sequoia Drive off Howard Street, and a nine-lot subdivision at 50 Elmwood Road.

Tri-Town Landing off Youngs Road began construction on Building 4 with anticipation of spring 2016 occupancy. Highfield Village off Northfield Road was in review. Whites Woods Phase III was built to completion.

Whitetail Crossing off Burrage Street received Town acceptance of the roadway interior at May 2015 Town Meeting.

The Board completed site plan reviews for construction of a combined middle/high school, a landscaping facility on Massachusetts Avenue, and a consignment shop on Massachusetts Avenue.

With the assistance of MRPC, a public forum and a walking tour of the Center were held in August; this would assist the Board in its creation of the Village Center District Bylaw. Numerous public workshops were held and the Planning Board and the Historical Commission spent many months working together on the creation of a Village Center District Zoning Bylaw and an Architectural Preservation District General Bylaw, both of which passed at Town Meeting. The creation of the Village Center District is intended to encourage growth that creates a dynamic active environment while retaining the area's existing character. The intent of the Architectural Preservation District Bylaw will be to protect historically and/or architecturally significant buildings.

790-792 Massachusetts Avenue was rezoned from Commercial to Limited Business/Residential. The rezoning of this site (well known as Doc's), placed these two parcels into the surrounding zoning. Also of note was the residents' voting at Town Meeting to designate both Flat Hill Road and Northfield Road as scenic roads.

The Town received approval from the Department of Housing & Community Development for its Housing Production Plan. This plan will aid Lunenburg in guiding housing development and can influence the type, amount, and location of affordable housing.

The meeting room in the Ritter Memorial Building was named in honor of Marion M. Benson for her many years of service to the Town.

Board members served as representatives to the following committees: Joanna Bilotta-Simeone, Capital Planning Committee and Montachusett Regional Planning Commission; Nathan Lockwood, School Building Committee; Damon McQuaid, Building ReUse Committee; Kenneth Chenis, Montachusett Joint Transportation Committee; and Matthew Allison, liaison to the Agricultural Commission.

The Planning Office is located in the Ritter Memorial Building, 960 Massachusetts Avenue and can be reached at 978-582-4147 extension 5. Various forms are available online at <http://lunenburgma.gov/> on the Planning Board's homepage. The Zoning Map, Protective Bylaws for the Town, and the Rules and Regulations Governing the Subdivision of Land are available online.

Joanna L. Bilotta-Simeone, Chair
Nathan J. Lockwood, Vice Chair
Damon McQuaid, Clerk

Kenneth Chenis, Member
Matthew Allison, Member
Adam R. Burney, Land Use Director

ZONING BOARD OF APPEALS

The Zoning Board of Appeals conducted fourteen hearings during calendar year 2015, all for special permits. Thirteen of the requested special permits were granted and one was denied. There were no applications for variances.

The Zoning Board meets on the second and fourth Wednesdays of the month on an "as needed" basis. The members are: Raymond E. Beal, Chairman, Donald F. Bowen, Vice Chairman, James Besarkarski, Alfred Gravelle, Hans Wentrup and associate members, David Blatt, Paul Doherty and Sheila Lumi. Lisa Normandin is the Administrative Assistant to the Zoning Board.

The functions of the Zoning Board of Appeals as required by statutes are as follows:

1. To hear and decide applications for Variances from the Town's Protective Bylaws as authorized in the Bylaws.
2. To hear and decide applications for Special Permits as authorized in the Town's Protective Bylaws.
3. To hear and decide appeals in accordance with Chapter 40A, Section 8 of the Massachusetts General Laws, as amended, from any person aggrieved by reason of his or her inability to obtain a permit or enforcement action from the Administrative Officer or Board in the Town, the Regional Planning Agency, abutting City or Town or other Administrative Official.
4. To act upon application for comprehensive permits in accordance with Massachusetts General Laws, Chapter 40B. The Zoning Board of Appeals reviews requests for comprehensive permits submitted to the Board under Chapter 40B by developers who wish to create affordable housing. These requests can by law, circumvent local zoning ordinances.

The Office of the Zoning Board of Appeals is located in the Ritter Memorial Building, 960 Massachusetts Avenue. If you need any assistance from the Zoning Board of Appeals, please contact Lisa Normandin at 978-582-4146 X 421 during regular business hours. Zoning Board applications (with instructions) are available from the office.

EDUCATION

**Lunenburg Public Schools
2015-2016**

Our Vision: The Lunenburg Public Schools prides itself on excellence. We provide a child-centered environment that challenges all learners to achieve their highest potential. This is accomplished through a partnership with a supportive community.

Our Mission: We prepare our students for life-long learning and responsible community membership.

Our Guiding Beliefs:

- Education is a community partnership.
- Learning is reflective, creative, ongoing, and takes place in all environments.
- A successful school actively engages students and staff.
- All students have talents and can excel.
- Professional growth is fundamental to instructional excellence.
- All students are capable of learning and are entitled to instructional excellence.
- Staff and students are entitled to a safe, healthy and positive learning environment.
- An atmosphere of mutual respect is essential for learning.

Lunenburg School Committee

Chairperson: Gregory Berthiaume, Term Expires: 2016

Vice-Chairperson: Michael Mackin, Term Expires: 2017

Secretary: Wendy Bertrand, Term Expires: 2018

Member: Colleen Shapiro, Term Expires: 2016

Member: Heather Sroka, Term Expires, 2017

Regular Meetings

First Wednesday of each month - 7:00 p.m. at Town Hall - Televised

Third Wednesday of each month - 7:00 p.m. at Thomas C. Passios

Special meetings or changes in meetings are posted at Town Hall

Superintendent's Message

What a joy it has been to participate in the construction of the middle-high school. Every Wednesday after the construction meeting, I had the opportunity to tour the site and building with our project manager and architect. A year ago that meant walking around large concrete pads and steel beams. Now it is walking through a high school classroom wing that will be complete within days including the installation of student lockers in the hallways. As of February 19, 2016, the school building construction is over 80% complete with 70 to 80 workers on site on any given work day. Occupancy Certificate receipt is expected to be on hand late May 2016. Furniture deliveries and the move are scheduled for May and June 2016. The startup of equipment in the building including boilers, roof top units and unit heaters is well underway eliminating the need for the temporary heating equipment. Heating through the fin tube radiation is in place in all of the building. By the end of this month all temporary electrical systems in the building will be removed with permanent lighting and power operational throughout. The elevator installations are complete with the exception of call button and lanterns installation. The installation of interior glass in hollow metal frames is underway with areas "A" and "D" complete as of mid-February 2016.

Exterior Envelope – The installation of window and curtainwall assemblies including vestibule areas are complete and water tight except for one window and two exterior doors. These are left open intentionally for construction material loading. Roof top equipment has been started. During February the equipment will be turned on for the start of air balancing. Exterior masonry veneer installation is complete with the exception of one location which is being used as a loading zone for the 2nd floor. Metal panel installations are expected to be complete in February. Remaining roofing metal trim which follows metal panels should be completed by the end of February 2016.

In Area "A" where High School classrooms are located, installation of casework and millwork is now nearly complete in all spaces. Flooring in most locations is installed except for carpeted areas. Carpet will be installed later this spring. Installation of toilet partitions and accessories is underway. Lab hoods & white boards are the only remaining items in the labs to be installed. For Area "B" where auditorium, music and art classes are located, installation of lighting and ceilings is expected to be complete February 2016. Railing installation at stairs 2 and 3 is scheduled to be complete in February 2016. Final painting and casework installation in administration and second floor classrooms will also be complete in February 2016, except for carpeting. Art and music area will see completion of ceilings, placement of kiln, and flooring installation this month. Auditorium scaffold has been removed. Rigging systems have been powered, house lights are in use. Wall partition installations, drywall, metal railing installation and catwalk access are ongoing.

In Area "C" gym and locker rooms are located along with the boiler and main electrical rooms. Duct drops, sprinkler head placement

and lights into ceiling grid is underway along with the last of the ceiling grid installations in the north vestibule and the alternate PE space. The locker rooms have the ceilings completed, the wall painted and the tile installations along with the plumbing fixture installations underway. In the gym the work in the ceiling is completed, the installation of the paint and acoustical panels along with the gym equipment are now complete. Auditorium bathroom work is underway, with toilet partition and doors being installed during February and March 2016.

Finally, in Area "D", where the middle school classrooms and cafeteria are located, the last of the casework installations will be complete beginning of March 2016. Floor and wall tile installation is underway in the cafeteria along with the installation of the toilet partitions. Kitchen equipment installations are ongoing. Wood door installation is underway in the classroom wing.

The building project has its own website at our district website www.lunenburgschools.net and Facebook page - Lunenburg Middle/High School Building Project. The District will return to a four school configuration with the opening of the new co-located middle/high school in August, 2016. Each building will have a smaller student population than the current configuration. The Primary School will serve students PK-2. Grades 3-5 will be at Turkey Hill Elementary School. Grades 6-12 will be in the new co-located middle/high school.

The new school was designed to operate as two separate educational programs. The new building has a classroom wing for the middle school and another classroom wing for high school. The 6th grade students will be located on the first floor of the middle school wing. Classrooms for grades 7 and 8 are located on the second floor of the middle school wing. Middle school and high school students will enter the building via separate entrances. Located behind the classroom wings are the cafeteria, gym, auditorium, central offices, health services, and library/media center. There are an appropriate number of art, music, and technology classrooms for both middle and high school programs which are clustered together in the central core of the building near the auditorium. On the second floor above the school offices there are foreign language classrooms. The gymnasium can be divided at center court by a curtain to accommodate two large physical education classes. There is also a weight room and an alternate physical education room with a substantial dance/yoga area, exercise bikes and treadmills. There are two locker rooms for the middle school students and two locker rooms for the high school students. A health education classroom is also located near the gym.

Lauren Drury Basque is the 2015 Superintendent's Award recipient. She is the daughter of Kenneth and Suzanne Basque. At LHS Lauren focused her studies on the sciences including numerous honors and advanced placement courses. She is ranked first in her class. Lauren was honored at the Worcester County Superintendent's Roundtable Scholars' ceremony in January. She selected a quote from Eleanor Roosevelt for that ceremony's program. The quote certainly captures the essence of this remarkable young woman. "The purpose of life is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experience." Ms. Basque personifies our mission for lifelong learning and responsible community membership; constantly learning, growing, achieving and giving. She inspires us with her joy of learning and service to her community.

Lunenburg students continue to excel both in and outside the classroom. Our students continue to perform well on state and national assessments. They distinguish themselves with their various talents. Our athletic teams competed successfully at the district and state levels. Our student musicians performed at Symphony Hall with the Handel and Haydn Society Period Orchestra. School thespians entertained and overwhelmed us with their performances at the fiftieth annual competitive class plays. The marching band captivated us with their half-time show again this fall, and the middle and high school music concerts have been most enjoyable and uplifting. Lunenburg students' work in the visual arts was exhibited locally and at state competitions.

This past year our schools bid farewell to retirees who devoted many years to public service. Retiring this past year were Suzanne Saven, School Psychologist; Mary Ann Weisman, Primary School Special Education Teacher; Kristin Mackay, School Social Worker; Annette Kelly, Cafeteria Monitor; Joanne Deming, THMS Teacher; Marlene Wiita, Paraprofessional; Vivian Butler, Paraprofessional; Sandra Laserte, THMS Physical Education Teacher; Sharon Kimball, LHS Foreign Language Teacher; and Phil McMurray, Guidance Counselor. We appreciate the many contributions of these dedicated and committed professionals and extend our best wishes to them in their retirement.

I am grateful for the large number of positive role models who serve in our community. It is a significant strength for which Lunenburg can be proud. Our children and youth have available to them many caring adults who serve others every day. They share their time and talents for the greater good. Students, parents, community volunteers, elected officials, town personnel, and civic organizations are actively engaged in addressing the challenges we confronted locally and beyond. We are a community of doers and our school curriculum reflects that action-oriented, problem-solving approach. The faculty, staff, and students of the Lunenburg Public Schools share with the community this tradition of promoting service to others.

Respectfully Submitted,
Loxi Jo Calmes, Superintendent of Schools

School Facilities 2015-2016

Construction of the new Middle School/High School continued throughout the year with completion of the building expected by late May 2016. Shawmut Construction Management continues to execute the building project with NV5, having acquired Joslin, Lesser, & Associates, providing owner's project management services. The School Building Committee continues to provide construction and financial oversight. The exterior envelope was completed by the fall of 2015 which allowed for interior finish work to continue throughout the following winter. The project continued on time and budget despite the challenges of substantial snowfall in February 2015. Phase 2, which includes construction of the new greenhouse, removal of asbestos in the high school as well as demolition, construction of two athletic fields, modifying the student parking lot, tennis courts, construction of an outdoor basketball court and remaining site work will commence in June 2016. Phase 2 is expected to be complete by late December 2016.

The FY 16 capital plan approved funding of the district technology plan at \$36,200. The FY 15 capital plan funded \$138,000 for asbestos abatement at Turkey Hill Middle School which had been unable to be completed during the summer of 2014. In July 2015, four classrooms had abatement work (removal of tile ceilings, abatement of spray-on fireproofing and vinyl asbestos tiles) completed and returned to a usable condition for the school year at a cost of \$119,803. Montachusett Contracting Company Inc. completed the work by August 1, 2015. Unexpended funds are expected to be utilized to continue asbestos abatement at Turkey Hill Middle School.

The focus of school maintenance for FY16 continues to be preventative maintenance of heating, ventilation systems and energy conservation measures particularly of the schools that will operate in FY 17. Conversion of existing lighting to LED remains a high priority for Lunenburg Primary School and Turkey Hill Middle School. Preparations for the reorganization of the district in June 2016 were also a focus area throughout the year. Identifying materials that need to move as part of the reorganization and determining the disposition of furniture and equipment that will be surplus once the new school building opens has been ongoing since July 2015. This

will culminate with a contractor move of teaching supplies to the new building in June 2016 and the removal of all non-fixed items from the current high school by the end of June 2016.

During the year, we have continued to fine tune plans for two LED conversion projects using Green Community Funds. The project for Turkey Hill Middle School is to convert all 28 Watt florescent lamps to 18 Watt LED lamps at a cost of \$36,253 with a resultant 6.7 year payback in energy savings. At Lunenburg Primary School, conversion of high bay fixtures in the gym and media center to LED are also planned as well as conversion of 28 Watt fluorescent lamps at a cost of \$44,145 with a 6.4 year pay back.

For the FY 17 Capital Program, the School Department has requested an additional \$145,000 in funding for continued asbestos removal at Turkey Hill as its highest priority. Two unfunded FY 16 requests to replace the Turkey Hill phone system and intercom system at \$22,000 each were priorities 2 and 3. The school department request to fund HVAC upgrades for the district office relocation to Turkey Hill Middle school was withdrawn following a decision to hold district offices at the Passios Elementary School until the town is prepared to have the Passios undergo renovations to become offices for town government.

Respectfully submitted,
John Londa, Director of Facilities and Grounds

Special Services Department
FY15 (data taken from 2014-2015 school year)
Julianna Hanscom, Director of Special Services

From the March 1, 2015 report, there are two hundred and seventy students with disabilities receiving special education or related services in Lunenburg. This represents 17.2% of our total student population of 1,567 students (it was 17.8% last year). The state average from the 2015 school report card is 17.1%. As of March 1, 2015, the total number of students receiving services outside the district was thirty. Of the thirty students, nine are placed in Collaborative Placements, fifteen are in Day Placements and six are in Residential Placements. Additionally, one hundred sixteen students identified with a disability received accommodations via 504 plans in Lunenburg.

This year as a district, our Accountability and Assistance Level is Level 2 with Turkey Hill Middle School listed as Level 2 and Lunenburg High School listed as Level 1 (LHS was Level 2 last year). The state report card lists Students with Disabilities in Lunenburg as “Did Not Meet Target”. The district’s Students with Disabilities progress towards narrowing proficiency gaps [Cumulative Progress and Performance Index (CPI): 1-100] is listed at 46 (it was 50 last year, and 54 the year prior) with the target set for 75. Students with Disabilities participated in MCAS this year with the following rates: English Language Arts = 99% (it was 97% last year), Mathematics = 99% (It was 98% last year), and Science = 100% (It was 96% last year). This data can be found at the DESE website:

<http://profiles.doe.mass.edu/accountability/report/district.aspx?linkid=30&orgcode=01620000&orgtypecode=5&>

Other data collected throughout the year is also important to consider when looking at the whole Special Services Department. DESE requires us to collect data for certain Indicators they are targeting each year. For our Indicators, the following information is available below and also can be found at: http://profiles.doe.mass.edu/gis/sped_map.aspx?orgcode=01620000&

Indicator 1 – Graduation Rate. For the 2013-2014 school year, the state target for Students with Disabilities was 80.0%. Lunenburg’s rate was 66.7% and the overall state rate was 69.1% for Students with Disabilities.

Indicator 2 – Dropout Rate. For the 2013-2014 school year, the state target for Students with Disabilities was 3.3%. Lunenburg rate was 2.2% and the overall state rate was 2.1% for Students with Disabilities.

Indicator 3C – Proficiency Rate for Students with IEPs on MCAS. For the 2014 MCAS, Lunenburg Students with Disabilities CPI ratings were as follows:

Grade 3 – Reading:	Lunenburg = 62.5	State = 62.6
Grade 3 – Mathematics:	Lunenburg = 68.2	State = 66.8
Grade 4 – Reading:	Lunenburg = 66.3	State = 55.9
Grade 4 – Mathematics:	Lunenburg = 64.9	State = 60.1
Grade 5 – ELA:	Lunenburg = 66.7	State = 62.9
Grade 5 – Mathematics:	Lunenburg = 48.9	State = 56.2
Grade 5 – Science:	Lunenburg = 64.1	State = 60.7
Grade 6 – ELA:	Lunenburg = 66.3	State = 63.0
Grade 6 – Mathematics:	Lunenburg = 56.5	State = 54.9
Grade 7 – ELA:	Lunenburg = 63.6	State = 68.0
Grade 7 – Mathematics:	Lunenburg = 53.3	State = 45.5
Grade 8 – ELA:	Lunenburg = 79.3	State = 69.9
Grade 8 – Mathematics:	Lunenburg = 44.3	State = 48.0
Grade 8 – Science:	Lunenburg = 54.5	State = 50.5
Grade 10 – ELA:	Lunenburg = 77.4	State = 86.0
Grade 10 – Mathematics:	Lunenburg = 60.2	State = 70.8
Grade 10 – Science:	Lunenburg = 73.6	State = 70.0

Indicator 4 – Suspension (more than 10 days)/Expulsion for Students with IEPs. For Lunenburg, our rate was only .7%. The state rate was 1.2%. Additionally, Indicator 4B records significant discrepancies with the Suspension/Expulsion rates by race or ethnicity. In 2014, Lunenburg was not found to have any significant discrepancies due to these factors.

Indicator 5 - Educational Environments for Students Aged 6-21 with IEPs. For 2013-2014, the state’s target rates are as follows: for Full Inclusion of students = 60.5%, Partial Inclusion = “not identified”, Substantially Separate Placements = 14.5%, and for Separate Schools/Residential Facilities/Homebound/Hospitals = 5.5%. In Lunenburg, our percentages are as follows: Full Inclusion = 73.8, Partial = 8.9%, Substantially Separate = 6.9% and Separate schools, Residential, etc = 10.5%.

Indicator 6 – Educational Environments for Students Aged 3-5 with IEPs. The 2013-2014 state rates showed the percent of students receiving a majority of their special education and related services in a Full Inclusion early childhood program was 39.0%, in a Partial Inclusion Program was “not identified”, a Substantially Separate Placement (special education class, separate school, or residential facility) was 13.8%, and students not attending an early childhood program but receiving only a related service (e.g. speech, OT, PT) was “not identified”. In Lunenburg, our early childhood Full Inclusion rate was 34.3%, our Partial Inclusion rate was 48.6%, Substantially Separate rate was 2.9%, and Related Services was 14.3%.

Indicator 9 & 10 - Both of these Indicators deal with Disproportionality in Special Education and in Special Education Categories. In Lunenburg, the state determined that there was no disproportionality found in either case.

Indicator 11 – Initial Evaluation Timelines. This indicator measures the % of children with parental consent to evaluate, who were evaluated within the State established timeline. Data is reported for all initial evaluations initiated in October, November, and December of the reporting year. Lunenburg was rated 100% in compliance and the state average for this Indicator was 98.8%.

Indicator 12 – Early Childhood Transition. This indicator measures the % of children referred by Part C, found eligible for special education services, and who have an IEP developed and implemented by their third birthdays. The state target for this indicator is 100% and Lunenburg is noted as “Suppressed”. Data is suppressed if the number of students referred by Part C and found eligible for special education services is fewer than 10. In Lunenburg, only 2 students were referred during 2012-2013 (we have not been reviewed since 2012-2013 for updated data in this area).

Indicator 13 – Secondary Transition. This indicator measures the % of youth with IEPs aged 16 and above with an IEP that includes appropriate measurable postsecondary goals that are annually updated and based upon an age appropriate transition assessment, transition services, including courses of study, that will reasonably enable the student to meet those postsecondary goals, and annual IEP goals related to the student's transition services needs. Lunenburg was rated 100% in compliance and the state average for this Indicator was 99.2% (we have not been reviewed since 2011-2012 for updated data in this area).

Indicator 14 – Post-School Outcomes for Students with IEPs. This indicator measures the % of students with IEPs who exited high school during the 2012-13 school year and self-reported post-school engagement in education or employment one year after leaving high school. Engagement is defined through three measurements:

- Measurement A: Enrolled in higher education within one year of leaving high school.
- Measurement B: Enrolled in higher education or competitively employed within one year of leaving high school.
- Measurement C: Enrolled in higher education, or in some other postsecondary education or training program; or competitively employed, or in some other employment within one year of leaving high school.

Measurements are cumulative with Measurement C reflecting the total number of exiters engaged in a post-secondary activity one year after leaving high school. For the 2013-2014 school year, state targets for the three measurements of Post-School Outcomes are Measurement A: 45%; Measurement B: 80%; and Measurement C: 87%. Lunenburg rates are as follows: Measurement A = 71.4%, Measurement B = 100%, and Measurement C = 100%.

The Parent Advisory Council Supporting All Learners (PACSAL) continues to be an active support group for parents, teachers and administration. All parents and community members can join the group, which currently consists of parents of students receiving Title I services and parents of students with disabilities. Meetings are typically held the first Friday of each month, 11:00AM, at the Thomas C. Passios Building, room 13. The executive board is made up of Chairperson: Kelly Harvey. Several events and presentations were organized by the PACSAL for both parents and teachers in Lunenburg this year. For more information, go to: <https://sites.google.com/a/lunenburgschools.net/special-services/pacsal>.

In conclusion, the Lunenburg Public Schools continues to provide a variety of special needs services to meet the varying needs of our students in the least restrictive environment. We have an experienced, hard working staff that works together with parents to provide these varied services. Our parents are equal partners in our efforts to develop challenging and focused educational programs for children. We remain committed to the Lunenburg Public Schools mission, “We prepare our students for lifelong learning and responsible community membership.” This is a total community effort and we encourage ALL Lunenburg residents to join with us to create positive experiences and futures for our children.

For additional information, please visit our website at: <https://sites.google.com/a/lunenburgschools.net/special-services/>, or contact Julianna Hanscom, Director of Special Services, Special Services Office, 1025 Massachusetts Ave, (978) 582-4100, ext. 305.

Respectfully Submitted,
Julianna Hanscom, Director of Special Services

LUNENBURG PRIMARY SCHOOL 2015-2016

The Lunenburg Primary School is devoted to providing quality early childhood education for students Preschool to 3rd grade. Our students range from three years old to nine years old. Our community is made up of students, parents, teachers and support staff, working together to create an educationally rich and safe learning environment for our children.

The October 1, 2015 student count reported to the department of Elementary and Secondary Education was five hundred and three students. Our Preschool program services thirty-eight three and four year old

students. We have five Kindergarten classes servicing ninety-nine students. Class sizes in our Kindergartens are 20 students. First grade has one hundred and fifteen students with class sizes ranging from 22 - 23. Second grade has one hundred and thirty-three students with class sizes ranging from 26-27 students and the third grade has one hundred and twenty-two students with class sizes ranging from 24-25. We are utilizing all available space in the building to provide a child-centered educational program for all our students.

We constantly strive to find better ways to meet the collective as well as the individual needs of our students. Our Professional Development focused on Teacher Evaluation, Reading, Behavioral Intervention strategies and our new Everyday Math program materials. All of our classroom teachers continued to use Responsive Classroom strategies as part of our Academic/Social/Emotional Learning Curriculum which includes morning meetings, guided discovery, rules and logical consequences and academic choice. Teachers this past year completed curriculum maps and served on committees to revise and improve our ELA Curriculum and our Social Studies Curriculum.

The Primary School is a Title One school and we have continued our tiered instructional system to insure that all students have the services they need to be successful. Common assessments are completed in the fall, winter, and spring for all children in grades K-3 in the areas of reading, writing, and math. These common assessments serve to monitor the effectiveness of teacher instruction and drive individual student instruction. Struggling students are identified quickly and additional resources and instruction are provided to address the areas of concern identified. Tiered instructional services are provided in the area of Language Arts and Math. The tiered instructional model requires that the teachers not only meet the needs of the students who may be struggling with learning but those students who are doing well and need to achieve higher levels of learning. Learning is becoming more personalized and students are being challenged to be confident, independent learners and problem solvers.

Our third graders participated in the Spring 2015 MCAS Assessment in the areas of ELA and Math. We work to make sure that students feel confident and prepared to take this assessment for the first time. All teachers have worked over the last several years to prepare them to be independent confident learners.

MCAS 2015 Grade and Subject	Proficient or Higher		Advanced		Proficient		Needs Improvement		Warning/ Failing		Included	CPI	SGP	Included in SGP
	LP S	STAT E	LPS	STAT E	LPS	STAT E	LPS	STATE	LPS	STAT E				
GRADE 03 - READING	60	60	10	11	50	49	34	32	6	9	125	85.0	N/A	N/A
GRADE 03 - MATH	66	70	21	32	45	39	20	18	14	11	124	81.3	N/A	N/A

Percentage score of students in each category.

In the area of English Language Arts there were 60% who scored in the advanced and proficient range of functioning. (10 % Advanced and 50% Proficient) 34% were in the needs improvement range. 6% were in the warning range. Compared to last year, fewer students in this cohort of students scored in the proficient and advanced ranges of functioning in the area of ELA. In the area of Math, 66% of our 3rd graders scored in the Advanced and Proficient range of functioning (21%-in the advanced range of functioning and 45% in the proficient range of functioning. 20% scored in the needs improvement range of functioning. 14% were in the warning range on the Math Assessment. More information about the MCAS assessment can be found at the DESE website:

http://profiles.doe.mass.edu/mcas/achievement_level.aspx?linkid=32&orgcode=01620010&orgtypecode=6&

Our staff works hard to maintain a school culture which is positive, inclusive, and supportive of each of our members. We have high expectations, insist on respectful behavior, and recognize the importance of building a community where members feel a sense of belonging and responsibility to contribute. Our students have maintained a high level of community engagement and civic learning, which is fostered through service learning projects at each grade level. The Kindergarten students learn about our local food bank and gift mart and sponsor a school wide can and gift drive at Thanksgiving and Christmas. Our 1st graders and Kindergarten classes have supported our local animal shelters by collecting food and toys. Our 2nd grade students have learned about our

local veterans and organized Valentines to go to area Veteran's Hospitals. Third graders are involved with Empty Bowls, an event that raised funds for our local food bank last year.

The Primary School Parent/Teacher Advisory Council meets each month to discuss school issues, review the annual budget for the school and to develop the School Improvement Plan as well as make revisions to the school's handbook.

Members of the Council for the 2015-2016 school year were as follows:

Principal:	Elaine E. Blaisdell
Assistant Principal	Chad Adams
Teachers:	Sherrie Flynn, Justin Sparks, Brian Chartand, MJ Davis
Parents:	Jennifer Begley, Kristen Burns, John Eberly, Amy Perreault
Community Representative:	B.J. Carbone
School Committee Rep:	Heather Sroka

In closing, the faculty and staff of the Primary School are extremely proud of the work they do with young children. We are deeply committed to student learning, our own life-long learning and efforts to improve the craft of teaching. Only through working with parents as partners are we able to accomplish our goals.

Respectfully submitted,
Elaine E. Blaisdell, Principal

TURKEY HILL MIDDLE SCHOOL

2015-2016

Turkey Hill Middle School provides a rigorous academic curriculum as well as strong programs that support students' social and emotional growth. These programs ensure that each child becomes a self-motivated, creative, lifelong learner in a safe, stimulating environment that encourages diversity and open honest communication. The dedicated and accomplished staff of professionals within the school embraces the philosophy of educating the whole child academically, socially, and emotionally. This philosophy is a means by which all students become positive community members that possess the skills to be successful in high school. Turkey Hill Middle School is in its fourth and final year of servicing students in grades four through seven. We look forward to the opportunities a new middle high school will have for students in the community as we move to a co-located state of the art school building in August of 2016.

PERCENT OF STUDENTS SCORING IN THE

6	Math	67%	62%
7	ELA	70%	51%
7	Math	70%	50%

In reviewing the results of the 2015 Spring M.C.A.S. tests, in all tested content areas at all grade levels, we consistently produced scores that are at or above the state average in percentage of students who fall in the advanced and proficient range, in some cases, 19% over the state average. Although we are proud of our students' performance, we continue to analyze data in our monthly results faculty meetings designed to improve our instruction for all students. Our faculty has identified areas of improvement based upon the data and implemented strategies to improve their instructional practices that will help students succeed.

For the third straight year, Turkey Hill Middle School fourth grade teachers continue to utilize and acknowledge the benefits of an interdisciplinary teaming model. This model permits teachers to work together in teams of three in order to provide focused instruction in the areas of reading and mathematics. Our specially designed teaming model allows students to remain with their homeroom teacher for the majority of the day, but designates a reading, writing, and mathematics teacher on each team. Teachers can develop expertise as content area specialists and the administration team provides specific professional development in each focus area for continuous improvement and growth. This form of teaming also allows us to create more common experiences at the grade level through unit planning and shared assessments.

Additionally, teaming helps prepare students for an increased level of expectations in reading, math, and writing when entering the fourth grade, while continuing to be sensitive to the social and emotional needs of this population.

We continue to utilize intervention and power blocks during the school day to meet the needs of each individual student. These blocks of instructional time that have been built into our master schedule allow teachers time to work with students at their own individual skill level. The philosophy is to challenge students who are high academic achievers as well as strengthen skills for students who have identified weaknesses. Teachers are able to work with students in a small group to answer individual questions or provide more individualized support. We design this support model to allow students to feel more confident, thus, perform better in the classroom. We will continue to refine our intervention block times to best meet the needs of our students.

Turkey Hill Middle School continues to offer enrichment blocks for all students. Enrichment classes provide students a block of time in which they receive instruction in the areas of developmental health and guidance. Our Second step developmental guidance program is now consistent in grades four through seven and units focus on healthy decision making, empathy and communication as well bullying prevention to meet the intricate social needs of our middle school students.

Students also receive instruction in physical education, art, library media, and music classes that allows them to explore their strengths and talents. This year, fourth and fifth grade students have been participating in a word processing enrichment class to improve their keyboarding skills. Students also have the opportunity to sign up for and participate in band and chorus during this block. This enrichment block is in addition to the traditional special area classes students receive, and this block offers students additional physical movement throughout the day, additional opportunities for hands on activities and more exposure to the arts, theatre and technology throughout the school day.

We make a positive impact on the students we serve by offering a variety of different programs developed to promote social and emotional growth, self-awareness, and community service. We will continue to utilize responsive classroom and Developmental Design programs to deliver our social emotional curriculum. Students meet with teachers in small groups to teach social responsibility and problem solving, as well as developing empathy and promoting positive self-esteem. Our seventh grade students are participating in themes such as embracing and respecting diversity and grades four and five students were experiencing themes developed through our second step guidance curriculum. We also incorporated an academic choice time for students in grades four and five. This is a time developed for students to explore different interests or experiences or utilize time to complete assignments that required additional time.

We also utilize best practices such as peer mediation and the Big Sibs program to foster and develop positive peer leadership skills and effective peer mentoring. All of the social emotional programs have been developed to allow students to showcase their talents and abilities, grow and improve as individuals, and promote community outreach for the younger generation.

Turkey Hill Middle school continues to provide educational services and support that ensures student success and promotes lifelong learning and responsible community membership. The key components to our success is our talented faculty committed to making a positive impact on students, our parents and community who support our teaching and learning, and most of all, our students who inspire us through their commitment to learning. Together we continue to make the difference in the lives of students.

Respectfully Submitted,
Timothy Santry, Principal

LUNENBURG HIGH SCHOOL 2015-2016

Lunenburg High School has been a hub for academic and social activity in 2015-2016. We have begun transitioning from our current building to the new Lunenburg Middle High School. The transition process is far bigger than just moving from one building to another. With the middle and high school in the same building, there are some challenges, but many opportunities to enhance the educational experiences of our students. A lot of planning and decisions have been made to ensure that we will be moving into a state-of-the-art school which will support 21st century learning. The building process has gone very smoothly and our students and educators are already looking forward to the start of school in August.

As time has gone on, there is much more of a comfort level and stability in our grade 8-12 community. This year, we oriented 116 eighth grade students, four teachers, and six staff members to our building and school culture. With the assistance of 40 student leaders, we successfully transitioned the eighth grade students into the LHS culture by having an eighth grade orientation on the first day of school. We opened the year, as we do every year, with the District Attorney and Assistant District Attorney from Worcester County to discuss responsible Internet use, Facebook, cyber-bullying, Internet safety, drug use, and the power of making good choices with our incoming students and parents.

NEASC ACCREDITATION

Lunenburg High School completed a Five Year Report for the Commission on Public Secondary Schools of the New England Association of Schools and Colleges. In 2010, the Commission recommended that the school receive continued accreditation in the Association. The Commission's decision was based upon review of an evaluation report prepared by a visiting committee in April 2010. The Two Year Progress Report, submitted in January, 2013 received high marks from the Commission reviewing our submission. The Mid-Cycle Progress Report was reviewed and accepted by the Commission. One more Special Progress Report needs to be filed with the Commission in September. It will certify that the building project is complete and LHS will be taken off of "Warning" status and given full accreditation.

SCHOOL/COMMUNITY PARTNERSHIPS

Throughout the year, Lunenburg High School students are involved in a multitude of fundraising and collection endeavors. In the fall, three staff members were involved in a fundraiser to raise money for the Lunenburg Food Pantry. Money was collected during lunch and the staff member who raised the most money, got a pie in the face from a student at the Thanksgiving Academic Achievement Rally. Fun was had by all, and all of the proceeds were donated for the holiday season.

Lunenburg High School received a generous donation in the amount of \$500 from Mr. Mike's Mobil in Lunenburg, MA. The grant is to be used toward STEM initiatives at the high school. We are in the process of purchasing a new robot for our Robotics class.

Hannaford Helps Schools made a donation of \$1,000 last spring, which was earmarked for student activities. In addition, Hannaford donated an additional \$500 from their receipt sales, which will benefit other activities at LHS.

In March, the National Honor Society will be having its annual Blood Drive. Students sixteen and over (and staff members) will be able to participate in the Blood Drive with parent permission.

The Media 2.0 Club has launched the Knightly News, which is an online newspaper. Students report on school activities, post film reviews, write political commentaries, and upload pictures of things going on inside and outside of LHS.

LHS has held evening presentations for parents/guardians on the following topics:

- Planning for High School (grade 8)

- Early College Planning (grades 9-10)
- Post-Secondary Education Planning (grade 11)
- College Application Process (grade 12)
- Financing your Education/Financial Aid (grades 8-12)

LHS hosted 40 college admissions counselors in the school counseling office to visit with LHS students. In addition, we held two “Decision Day” programs with Fitchburg State University and Mount Wachusett Community College.

MCAS RESULTS

We are pleased to announce that Lunenburg High School is now recognized by the Department of Elementary and Secondary Education as a Level 1 school. As a Level 1 school, we are among the highest performing schools in the Commonwealth and shows that we are meeting our gap narrowing goals. This is a tribute to all of the hard work of our students, teachers, and the strong adult influences in our students’ lives.

Lunenburg High School – 2015 MCAS Results (Grade 8)

Subject Test	Advanced/Proficient	State Average (Adv/Pro)
ELA	88%	80%
Math	71%	60%
Science/Technology	58%	42%

Lunenburg High School - 2015 MCAS Results (Grade 10)

Subject Test	Advanced/Proficient	State Average (Adv/Pro)
ELA	98%	91%
Math	89%	78%
Science/Technology	86%	71%

When you combine the percentage bands of the advanced and proficient range, eighth grade students scored 88% on the ELA test. In Mathematics, 71% of eighth grade students scored advanced/proficient. In Science/Technology, 58% of eighth grade students scored advanced/proficient. Curriculum and instruction were a focus for us last year in the area of Science in the eighth grade and scores rose by 20%.

When you combine the percentage bands of the advanced and proficient range, LHS tenth grade students scored 98% on the ELA test. In Mathematics, tenth grade students scored 89% advanced/proficient. In Science/Technology/Engineering, tenth grade students scored 86% advanced/proficient. We are extremely proud of our students and teachers for their continued improvement, and we will work to move all students to the level of proficiency as measured by MCAS and our goal of college and career ready as they move through our curriculum.

We were also very pleased to learn that 32 seniors at Lunenburg High School received the state’s John and Abigail Adams Scholarship this year. The scholarship is available to students whose MCAS performance puts them at the top 25 percent of their district. To be eligible, students must either score Advanced on one exam and Proficient on the other, or Advanced on both the English and Math exams.

HOMEcoming, ATHLETICS AND EXTRACURRICULAR ACTIVITIES

Homecoming was once again a great town-wide celebration, culminating with a beautiful parade complete with floats representing all four high school classes. While the eighth grade did not have a float in the parade, they did participate in the Homecoming celebration. Many of our sports teams qualified for tournament and district play. The LHS Mock trial team has advanced to the regionals this year after going 3-0 in local trials. The Latin club, marching band, jazz band and the math team represented LHS in numerous competitions; the 50th annual Competitive Class Plays delighted the audience, and the school-wide play, *A Date With Judy*, was well received.

The Mr. LHS talent show, a hypnotist (sponsored by the Class of 2018), a Lock-In (sponsored by the Class of 2017), and the Pops and Senior Showcase are scheduled for the spring.

COMMUNITY BUILDING

National Honor Society successfully supported the “Giftmart” drive during the holidays, helping to provide joy to needy children and families in conjunction with local agencies. The World Hunger Task Force will be raising money through Penny Wars this spring. The money will be donated toward the fight against hunger. Also, this winter, one of our eighth grade students participated in Project 351. She spent the day in Boston with hundreds of eighth grade students, giving back to the community.

In October, we brought Survive the Drive, to LHS. Survive the Drive highlighted the dangers that our students (and society face) with distracted driving. There was a big emphasis on the dangers of texting while driving. The presentation was made possible by a donation from North End Subaru. A crashed car was located in the back parking lot of the school. The car was placed at the school by Quality Towing and Recovery. SADD provided the students with information about distracted driving during the course of the week and had students and staff pledge to not text and drive. During an Advisory period, SADD showed the short video, The Last Text.

We have started an Advisory program at LHS. One goal of Advisory is to have students have at least one adult who will get to know him/her over the course of four years. Students were randomly distributed into small grade-level groups who they will stay with during the four year period. Another goal of Advisory is to develop relationships with students of different backgrounds and social groups so that students can get to know each other and develop an appreciation of the diversity that we do have in Lunenburg.

CURRICULUM

The staff at Lunenburg High School focused their professional development activities in 2015-2016 working on curriculum development, curriculum mapping, District-Determined Measures, vertical teaming, and preparing to move into the new building.

Respectfully Submitted,
Brian Spadafino, Principal

Montachusett Regional Vocational Technical School

ANNUAL REPORT 2014 - 2015

1050 Westminster Street
Fitchburg, MA 01420
(978) 345-9200
www.montytech.net

The 2014-2015 school year was my first year as Superintendent-Director of Montachusett Regional Vocational Technical School District, and it seemed to come and go in a minute; I would be remiss if I did not take time to reflect upon the numerous achievements our talented students, faculty and staff accomplished throughout the school year. These awards, recognitions, and distinctions are the result of years of high quality education and vocational-technical training. They are the hallmark of a Monty Tech education, earned by both individuals' and team efforts. While they are, in deed, an honor, they are simply a snapshot of the wonderful experiences happening on a day-to-day basis here at Monty Tech. I am delighted to present the District's 2014-2015 annual report to you, highlighting some of the year's most notable achievements, including:

- A talented team of three Monty Tech Engineering students won the gold medal for Engineering Technology and Design at the SkillsUSA national competitions held in Louisville, KY. Nicolas Wicker of Fitchburg, Leon Gaulin of Winchendon and Devan Kumar, also of Winchendon, led by instructor Dennis Cormier, created a portable game console designed with retro gaming in mind. The team has developed patents on their prize-winning efforts, and continues to expand their business and engineering acumen.
- The Machine Technology program aligned curriculum to MASSMEP (Massachusetts Manufacturing Extension Partnership) standards, and as a result students are now able to earn Level 1 and Level 2 Applied Manufacturing Technology Pathway Certifications. Having these certifications will ensure program graduates stand-out when they enter the workforce upon graduation, as employers are better able to verify technical skills and expertise with this widely accepted training model. Also, our instructors are now able to access the manufacturing curriculum developed through Worcester Polytechnic Institute, adding rigor and relevance to our very popular Machine Technology program.
- The Monty Tech Auto Body/ Collision Repair Department was featured in the April 2015 edition of the New England Automotive Report, applauded for its dedication to excellence. Molly Brodeur, President of the Alliance of Automotive Service Providers, Massachusetts cited the program's innovative technologies, spacious facilities, and specialized equipment as among the best in New England.
- Outpacing more than 1,000 teams across the United States, and competing in three categories: network security, digital forensics, and Cisco networking, a team of six talented students captured first place at the CyberPatriot event, a national high school cyber defense competition, founded by the Air Force Association.
- Students at Montachusett Regional Vocational Technical School continued to demonstrate high academic achievement. In the spring of 2015, Monty Tech's passing rate on the MCAS English Language Arts exam was 100%, Mathematics 98%, and Biology 98%.

We are so proud of the educational programs offered here at Monty Tech, yet we continually strive to improve upon them. Collaborating with area colleges and universities, we are ensuring our curriculum and instruction are rigorous and relevant. Sharing best practices with vocational-technical colleagues from across the state – and nation – we give and take some of the best ideas, with one thing in mind – what is best for our students. And what is best, I believe, is preparing students for both college and career.

We hope you will find this report a comprehensive review of the quality education you have come to know and expect from Montachusett Regional Vocational Technical School. You may notice that each of the eighteen member cities and towns are reflected in this report, and that students performed services in almost every community last year. Providing our students with an opportunity to give back to the communities that support them – and support our school – is a pleasure.

Respectfully submitted,

Sheila M. Harrity, Ed.D.
Superintendent-Director

Our Mission

Every student will graduate from Montachusett Regional Vocational Technical School with the skills, knowledge, and abilities to be a productive and effective member of an ever-changing society.

Our District

Montachusett Regional Vocational Technical School is a four-year career and technical high school serving the member towns of:

Ashburnham
Ashby
Athol
Barre
Fitchburg
Gardner

Harvard
Holden
Hubbardston
Lunenburg
Petersham
Phillipston

Princeton
Royalston
Sterling
Templeton
Westminster
Winchendon

Leadership

The leadership team at Montachusett Regional Vocational Technical School is comprised of ten talented administrators whose varied educational backgrounds, professional experiences, and areas of expertise contribute to the success of the school. Working collaboratively, and under the direction of the Superintendent and Principal, the team has been able to transform the school into one of the most sought-after high schools in North Central Massachusetts.

Sheila M. Harrity, Superintendent-Director
Tom Browne, Principal
Dayana Carlson, Assistant Principal
Tammy Crockett, Business Manager
Francine Duncan, Director of Technology

Christina Favreau, Director of Academic Programs
Jim Hachey, Director of Vocational Programs
Richard Ikonen, Director of Facilities
Katy Whitaker, Development Coordinator
Victoria Zarozinski, Director of Student Support Services

Enrollment

On June 1, 2015, student enrollment at Monty Tech included 1,418 students in grades nine through twelve. Students are represented from every community in the district: Ashburnham (61), Ashby (35), Athol (88), Barre (37), Fitchburg (368), Gardner (146), Harvard (5), Holden (71), Hubbardston (62), Lunenburg (78), Petersham (4), Phillipston (18), Princeton (20), Royalston (18), Sterling (61), Templeton (93), Westminster (81), and Winchendon (146). The remaining 26 students were from out-of-district towns, including Ayer, Clinton, Lancaster, Leominster, Orange, Shirley, Webster and Worcester.

Throughout 2014-2015, Monty Tech offered a variety of opportunities for students, parents, and community members to learn about and visit the school. In October 2014, approximately 1,000 district eighth graders participated in the annual "Tour Day" event. Students toured our twenty vocational-technical areas and learned about the school's challenging academic offerings and exciting athletic and extracurricular programs. Career Awareness Night offered interested students the opportunity to return in the evening with their family members, to further explore the facilities and talk with staff members.

Each year, the Dean of Admissions conducts school visits, student interviews, and accepts applications for admissions. 2014-2015 proved to be an exceptionally busy year for her, as the school received 631 applications for admission. Of those, 575 were from students hoping to enter our incoming freshman class.

The balance of the applications came from students hoping to enter the school as upperclassmen. Because there are only a limited number of students the school can accept each year, 338 freshmen and 3 upperclassmen were admitted.

The Vocational Interest Program (V.I.P.) offers area seventh and eighth grade students the chance to visit Monty Tech after school, and participate in hands-on learning experiences across a variety of vocational/technical areas. The program continued to attract a large number of students during the 2014-2015 school year, serving approximately 600 area students.

Class of 2015 Awards

Members of the Class of 2015 were awarded approximately \$55,000 in scholarships. The Monty Tech Foundation generously provided \$35,000 in scholarships to graduating seniors, ranging in amounts of \$200 to \$2,000. The Foundation also awarded \$6,000 to the Practical Nursing graduates. Once again, local and state organizations, as well as generous individuals, continue to recognize the ability and potential of Monty Tech graduates in the form of financial donations. The School Committee, administration, faculty, and graduates themselves, are grateful for this support.

Articulation Agreements with local colleges also play an important role in helping reduce the cost of higher education. Qualified Monty Tech students are eligible to receive college credits through a number of articulation agreements with public and private colleges across the country. Approximately 54% of the graduating class of 2015 reported plans to enroll at either a 2-year college, 4-year college/university, or a technical/trade school upon graduation. By earning college credits while still in high school, these students will benefit by saving both time and money as they pursue advanced educational programs.

Financial Report

In an effort to develop a cost-effective budget for the fiscal year 2014-2015, a great deal of effort was put forth by the School Committee, administration, and staff. The final fiscal year 2014-2015 Educational Plan totaled \$25,640,833, which represents a 3.5% increase over the 2013-2014 Educational Plan. The District's FY15 budget, once again, only meets the minimum spending required by Massachusetts General Law Chapter 70.

The District was audited in August 2015 as part of the yearly financial audit by the accounting firm of Melanson, Heath and Co. from Greenfield, MA and a very good report is anticipated.

Grants and Contracts

Monty Tech continues to pursue grant funding on an annual basis. These funds assist in providing many educational and social services to the student population. For fiscal year 2015, state and federal grant sources provided the school with \$866,668. Programs funded by these grants include: Essential Health Services, Social Intervention and Mediation, Improving Teacher Quality, Special Education Services and Program Improvement, Title I Support, Perkins Occupational Education, and Perkins Postsecondary Education. Using these allocation funds, the school was able to purchase a variety of instructional technology, equipment and supplies to enhance the learning experience across both academic and vocational programs.

Academic Achievement

In 2014-2015, students at Montachusett Regional Vocational Technical School continued to demonstrate high academic achievement, earning commendable MCAS scores in English Language Arts, Mathematics and Biology. For Spring 2015, Monty Tech's passing rate on the English Language Arts was 100%, Mathematics 98%, Biology 98%.

The district is particularly proud of the number of students earning Advanced scores, and is pleased to report significant increases in this category. On the English Language Arts exam, students scoring Advanced

increased by 16% from 2014. On the Math exam, we saw a 10% increase in Advanced from 2014, and on the Grade 10 Biology exam, there was a 3% increase in students scoring Advanced.

English Language Arts	2013	2014	2015
Students Tested	352	364	374
Passing	99%	100%	100%
Advanced/ Proficient	95%	95%	96%
Needs Improvement	5%	5%	4%
Failing	1%	0%	0%

Mathematics	2013	2014	2015
Students Tested	352	366	375
Passing	98%	98%	98%
Advanced/Proficient	80%	84%	87%
Needs Improvement	18%	14%	11%
Failing	2%	2%	2%

Biology	2013	2014	2015
Students Tested	398	351	347
Passing	97%	99%	98%
Advanced/ Proficient	73%	74%	77%
Needs Improvement	24%	25%	21%
Failing	3%	1%	2%

The district continues to make progress toward narrowing proficiency gaps. Students in all subgroups have met their progress and performance targets, securing the school's Level 1 Status distinction.

Vocational Projects in the District Communities

Unlike students in traditional, comprehensive high schools, students at Monty Tech are asked to put their education into practice on a daily basis. Students across the twenty different vocational-technical education programs are building homes, reconstructing damaged properties, repairing service vehicles, making walkways more accessible, and performing countless community services.

The 2014-2015 school year was a busy one for our vocational educators, as each trade aimed to provide practical, hands-on learning experiences for our students, while helping to improve each of the eighteen member communities.

Auto Body: Collision Repair Technology: A highlight of the 2014-2015 school year was the addition of new instructor, Michael Forhan, who brings wonderful industry experience and expertise to the popular Auto Body program. The program received an I-CAR Education Foundation Grant, and as a result, sophomores and juniors will receive a Level I I-CAR certification. Students detailed, repaired, and repainted more than eighty automobiles and trucks, including a dump truck for the Winchendon Housing Authority. Six ski chairs were coated for the Johnny Appleseed Trail Association, and trail brackets were painted for Baldwinville Department of Conservation. A state-of-the-art fresh-air system was installed in the spray booth, providing our students with clean air while working in the booth, eliminating the need for respirators. (Total enrollment: 62; 34 males, 28 females)

Automotive Technology: As in past years, the Automotive Technology program continues to service a variety of vehicles for faculty, staff, municipalities, and district residents. 2014-2015 proved to be a very busy year for the program, as more than 400 vehicles were serviced by talented students and instructors. The Automotive Technology program continues to work to align instruction to the 2014 CVTE frameworks, as well as the recently revised NATEF standards. Instructors are pleased to report an increase in student enrollment, and offer congratulations to Senior student, Cody Caley, who placed third at the State SkillsUSA competition. A total of seven students participated in the Co-Op program, applying their technical skills in real work settings. (Total enrollment: 67; 54 males, 13 females)

Business Technology: Students graduating from Monty Tech's Business Technology program may qualify for up to nine college credits, taking advantage of articulation agreements with either Mount Wachusett Community College or New England Institute of Technology. Recognizing the work that these students have done throughout their high school year, college officials have agreed to provide qualified Business Technology students with college credits, at no charge, saving the students time and money as they pursue higher education. During the 2014-2015 school year, four students participated in the school's popular Co-Operative Education Program. Additionally, Business Technology stand-out Rebecca Parker was named SkillsUSA National Voting Delegate, and traveled to Louisville in June 2015. Business Technology students continue to post the daily menu on the Monty Tech website for the Mountain Room, distribute, collect, and maintain the Community Service database for all shops, and run a successful school store, the Gear House, refining their skills in cash handling, customer service, organization, and marketing. (Total enrollment: 66; 15 males, 51 females)

Cabinetmaking: Throughout 2014-2015, Monty Tech's Cabinetmaking instructors and students built and installed custom cabinetry and casework in the Westminster Senior and Community Center, the City of Gardner Mayor's Office, and in each of the school's three house-building projects. At the Westminster Senior Center, the talented Cabinetmaking students were charged with finishing all interior architectural woodworking, and did a beautiful job on that project. More than \$20,000 in materials and five months of labor was devoted to that job, saving the Town of Westminster a substantial amount of money. The students also built a beautiful podium and hepplewhite table, and personally delivered the furniture with historical significance to Governor Baker at the Massachusetts State House. Incorporating antique designs into today's Cabinetmaking curriculum has been challenging and has also provided students with additional career opportunities within the trade. Finally, eleven Cabinetmaking students participated in the school's Co-Op program. (Total enrollment: 70; 51 males, 19 females)

Cosmetology: The Monty Tech Cosmetology program introduced students to a talented new instructor, Lirazol Alie, who brings tremendous industry experience, expertise, and enthusiasm to the popular program. 2014-2015 also brought new educational initiatives, including computer literacy objectives. Programs such as Quizlet, Remind, and Google Classroom were introduced, and have been providing additional avenues for students and instructors to communicate and share ideas. The program accepted twenty-four Freshmen, all first choice students. In addition to serving more than 1,500 clients throughout the 2014-2015 school year, students provided mothers from Head Start in Athol with a complimentary "Day of Beauty" in honor of Mother's Day. Also in line with the program's commitment to community service, a portion of all fees collected from October through March were donated to support Horizons for Homeless. More than half of the graduates from the Cosmetology program reported plans to work in the trade, while the remaining graduates went on to pursue higher education. (Total enrollment: 91, 0 males, 91 females)

Culinary Arts: Students and instructors in the Monty Tech Culinary Arts program are among the busiest in our school. In addition to operating a full-service dining room and bakery, serving more than one hundred patrons daily, culinary students showcase their talents throughout the year at various catering events and trade shows in our sending districts, and at meetings and workshops within the school. Throughout the 2014-2015 school year, Culinary Arts students and staff prepared food for: United Way Day of Caring (150 people), Advisory Dinner/Meetings (Over 600 people), Monty Tech Homecoming Dance (500 people),

Monty Tech Retirees Holiday Buffet (90 people), Women in Technology Event (150 people), Graduation reception (125 people), Department of Elementary and Secondary Education meeting (25 people), four Monty Tech Foundation breakfast meetings, the annual Superintendent's Dinner, and all school committee and subcommittee meetings. Additionally, we participated in the Greater Gardner Chamber of Commerce Chowder & Chili fest, and hosted private events for Gardner AARP, Chairtown Lumber, and Montachusett Home Care. (Total enrollment: 101; 34 males, 67 females)

Dental Assisting: During 2014-2015, the Dental Assisting program introduced twenty-one students to industry experience through externships, while seven students participated in affiliation, and one student earned a co-operative educational placement, working with an area dentist. All sophomore, junior, and senior students attended the Yankee Dental Convention in Boston, and learned about the most current trends and practices in the field. While national passing averages for Dental Assisting National Board (DANB) exams range from 69% - 78%, the Monty Tech dental students earned a 100% passing rate on the Infection Control exam and an outstanding 100% passing rate on the Radiology exam. For the fifth consecutive year, Monty Tech welcomed Community Health Connections, a school-based dental hygiene program, whose goal is to provide dental services to students in need. Through this initiative, more than thirty students were examined by a dentist, had their teeth cleaned, and had sealants or temporary fillings applied as needed. Monty Tech Dental Assisting students were given hands-on, practical experience, as they assisted the staff from CHC during each dental procedure that was performed. (Total enrollment: 57; 5 males, 52 females)

Drafting Technology: The 2014-2015 school year was a busy one for Drafting Technology students and instructors. A total of five students (three Juniors and two Seniors) participated in the school's Co-Operative Education program, and ten students advanced to the SkillsUSA state competitions. Instructors are pleased to report that a majority of the graduating seniors intend to pursue careers in the field of drafting. Like most programs in the school, the Drafting Technology program is committed to community service, and throughout the year worked to provide food and household products for a family in the community. The students and instructors also gathered items to donate for Project Shoebox, which provides personal care items to children in the foster care system, offered design services to the Lunenburg Cemetery Building project, and designed landscape and general layout for Railroad Park in Fitchburg. Students also created countless banners and signage for area community organizations and Monty Tech's graduation, college fair, greenhouse, JROTC, and Drama Club, to name a few. (Total enrollment: 56; 33 males, 23 females)

Early Childhood Education: The Early Childhood Education program began the 2014-2015 school year with a dynamic new instructor, Karla Boudreau. The program received three new Baby Care Parent Simulation dolls, each with car seat detections, as well as temperature detectors. Also, two new cameras were purchased to document students' work for individual professional portfolios. The program participated in the Massachusetts Association for the Education of Young Children's Recognition Dinner, and in preparation for the event, students created thirty games for this recognition dinner. Students and instructors worked to raise critical funds for Lucy's Love Bus, an agency that provides grants for children with cancer who are not covered by health insurance, and contributed to a number of other child-centered causes, including: SkillsUSA Change for Children, Salvation Army Christmas Angel, and the school's National Honor Society food and supplies drive. All of the program's graduating seniors are college bound and report plans to continue in the field of education. (Total enrollment: 62; 2 males, 60 females)

Electrical: The Electrical program continues to be one of the busiest trades in the school. During 2014-2015, students completed more than 90 work orders throughout the building, including wiring the following: a new CNC milling machine in Cabinetmaking, new milling machines in machine shop, new lifts in Auto Technology, a new grinder in HVAC & Property Maintenance, a new smart board in Drafting, a new shear in Welding/ Metal Fabrication, new shapers and chop saws in Cabinetmaking, a new scoreboard in the gym, new office space for both the Vice Principal and the Dean of Admissions, and new charger outlets for calculators in an academic room. Students also rewired the Engineering department's storage room and relocated much of their equipment, and a new Prototrak machine in Machine Technology. In addition to wiring equipment, students performed numerous repairs and installations throughout the school as needed, including lights, outlets, computers, sensors, and CATV jacks. The Electrical program was instrumental in ensuring the school responded to all aspects in the most recent Coordinated Program Review's safety audit, and completed each of the recommended findings in a very timely manner. Students and instructors participated in the two house building projects in 2014-2015, again ensuring their work was done in a timely and efficient manner. The program's instructional space was updated to create a more conducive learning environment. Finally twelve students were awarded co-op positions, and more than half of the graduating senior class entered the workforce upon graduation, continuing into the electrical apprenticeship. (Total enrollment: 92; 76 males, 16 females)

Engineering Technology: The Monty Tech Engineering Technology program continued to enhance their curriculum and instruction by embedding four Project Lead the Way courses into the already rigorous vocational-technical curriculum. Students performed well on the end of course assessments affiliated with the Project Lead the Way coursework, with four students earning college credit in Principles of Engineering, eleven students earning college credit in Introduction to Engineering Design, and six students earning credit in Computer Integrated Manufacturing. These students may apply these credits at colleges and universities across the country. The exploratory program during the 2014-2015 school year yielded positive results for the program, with 12 students selecting Engineering Technology as their first choice and one as second choice. All sixteen seniors graduated, and a majority reported plans to continue their education or continue working in the engineering field. The instructors are pleased with the work done in their instructional space, citing better organization and increased safety. Some of the major improvements included a dropped ceiling, new work benches and stools, insulated front wall and fresh paint and the installation of a second SMART board. The Junior class went on a field trip to EASTEC, in Springfield to see the latest technology in manufacturing technologies and techniques. All Freshmen and Sophomores completed OSHA 10 hour training, and earned an OSHA 10 card. Six Seniors presented capstone projects to sponsors, parents and fellow students, demonstrating individual creativity and a deep understanding of engineering principles. Finally, the Monty Tech Engineering students were top performers at SkillsUSA contests throughout the year. At the district competitions, students earned two gold, two silver, and six bronze medals. At the state competitions, three gold and two bronze medals were captured. And at the national competitions held in Louisville, KY, a talented team of three Monty Tech Engineering students won the gold medal for Engineering Technology and Design. (Total enrollment: 55; 42 males, 13 females)

Graphic Communications: Instructors in Monty Tech's Graphic Communications program are pleased to report that all graduating seniors had plans to attend college, and many expected to pursue advanced degrees in the field. Throughout the 2014-2015 school year, the shop continued to produce large quantities of print projects for district towns and community service organizations, completing more than 300 print projects. Because Graphic Communications provides print and design services at deep discounts to local agencies, instructors report saving these offices more than \$100,000 this school year. Students and instructors also completed numerous in-house jobs, resulting in a savings to the school district of more than \$220,000 from black and white copies, wide format printing, yearbook print and production. Three students were placed in co-op experiences, applying and refining their technical skills in local businesses. The program also received six new iMac computers with CS6 Software, and the computer lab was reconfigured and equipped with new desks and a new SMART board. (Total enrollment: 86; 32 males, 54 females)

Health Occupations: The Health Occupations program at Monty Tech continues to educate a large number of students, providing a rigorous education grounded in current medical knowledge and practice. During the 2014-2015 school year, students and instructors organized a large baby shower, benefiting Battered Womens' Resources, Inc. All items collected through that event were donated to expectant mothers living in the shelter. Students and instructors also participated in Pediatric Day, in conjunction with the school's Early Childhood Education program. The Health Occupations program was awarded a grant of \$42,400, which was used to purchase simulation devices for advanced training and simulated patient scenarios and case studies. Fifteen seniors passed the National Healthcare Association (CCMA) exam, while the program continues to offer students opportunities to earn an array of industry-recognized credentials, including: Occupational Safety and Health Administration (OSHA) 10-hour certification; Cardiopulmonary Resuscitation (CPR) and First Aid Certificate through the American Heart Association; and Certified Nursing Assistant License through the American Red Cross. Finally, Health Occupations students performed quite well throughout the year at various SkillsUSA competitions, earning a silver medal in Medical Assisting and a bronze medal in Freshman Commentary. Two students were also named State Officer Elect and National Voting Delegate, representing the school and program well. Twenty-three of the graduating seniors in 2015 reported plans to enroll in college, and a majority intend to stay close to the medical field. (Total enrollment: 106; 7 males, 99 females)

House Carpentry: Unlike other vocational-technical programs at Monty Tech, a majority of the work done by students and instructors in the House Carpentry program is completed off-campus, completing renovation, building, and repair work for member communities. Last year was no exception, as students and instructors worked together to complete the following projects: a duplex in Fitchburg for Habitat for Humanity, a two-story colonial home in Ashburnham for Montachusett Enterprise Center, Inc. (MEC), and a set of stairs in the school's Plumbing department. Mr. Morrison, the most recent addition to the House Carpentry staff, and Mr. Pearson, a Monty Tech science teacher, completed an Academic/Vocational Integration project, in an effort to further connect academic elements to practical, real-world applications. The result of the unique lesson was twenty-five bluebird houses, handcrafted by each student, and taken home to share with families and friends. (Total enrollment: 57; 40 males, 17 females)

HVAC & Property Maintenance: The 2014-2015 school year saw some changes in the HVAC & Property Maintenance Program. For many years this program had been named Industrial Technology, but when the Department of Elementary and Secondary Education outlined changes in the program's curriculum frameworks in 2014, it seemed an appropriate time to update the name of the program and refine curriculum so that students and graduates will be better prepared to pursue a variety of career pathways in the Building & Property Maintenance and HVAC fields. Combining elements from both programs, the instructors have developed a broad curriculum that continues to engage students and impress area business owners. Throughout the year, students and instructors collaborated with other Monty Tech programs to complete a number of "outside jobs", including: installing sheetrock and vinyl siding on a duplex home for Habitat for Humanity in Fitchburg, installing siding and wood molding products in a single family home in Ashburnham, and installing brackets for the Holden Recreation Department snowmobile trail. The program was proud to have thirteen students (6 seniors and 7 juniors) participate in the school's popular Co-Operative Education program – more students than in any other program at Monty Tech! (Total enrollment: 64; 57 males, 7 females)

Information Technology: As with any school, Information Technology provides key services to the educational community. In addition to the critical in-house Help Desk services offered by the program, students and instructors performed in excess of 400 hours of repair, upgrading, and troubleshooting computer problems for Monty Tech community members. Competing in the Cyber Patriot event, a national high school cyber defense competition, founded by the Air Force Association, Information Technology and Engineering students, led by program instructor Richard Duncan, captured first place at the March competition. A team of twelve Information Technology students participated in the Fitchburg State University Programming Competition, and there our students placed 13th, 24th, and 25th from the 32 teams in attendance. To ensure program graduates are armed with valuable industry-recognized certifications, program instructors offer students the following certification opportunities: TestOut PC Pro certification, IC3 Certification, Cisco IT Essential Course for Computer Repair and Maintenance, and Cisco Introduction to Networking. (100% passing rate for Sophomores). Instructors are proud to report a 98% passing rate for the juniors who took the first test of the CIW Web Foundation certification exams. Two students applied their skills, working with area non-profit agencies, building user-friendly websites for the following: Big Cheese 5K Road Race for the Town of Athol, Community Health Connections website, and Fitchburg East Rotary website. Two talented students, Derick Kay and Ryan Perenzin, earned gold medals at the SkillsUSA District competitions, traveled to the state event and continued their winning streak with another gold medal. The pair earned the right to travel and compete on the national level in June 2015, for the third time in their high school career. (Total enrollment: 61; 60 males, 1 female)

Machine Technology: Machine Technology students and instructors had the opportunity to take part in several field trips throughout 2014-2015, including: MTD in Charlton, NyproMold in Clinton, Rocheleau Tool & Die in Fitchburg, LS Starrett in Athol, and the EASTEC show in Springfield. These field trips provided students with opportunities to see how their education connects to local industry, as well as some of the emerging technologies in the machining field. Students were also fortunate to hear from local experts, including a guest speaker from LS Starrett, who discussed proper band saw blade selection. Perhaps one of the program's greatest accomplishments was aligning curriculum to MASSMEP (Massachusetts Manufacturing Extension Partnership) training efforts. This exciting new relationship will provide our students opportunities to earn level 1 and level 2 machinist certifications, and will grant the instructors access to manufacturing curriculum developed through Worcester Polytechnic Institute. Finally, students successfully completed a number of machining jobs to benefit the school and community offices, which included: plaques for the "Ride of your Life" suicide prevention fundraiser, plaques for the school's space shuttle mission, gifts for various visitors and guests, memorial tile engraving, parts for engineering technology projects, dental base components, for plumbing projects, and parts needed to repair the district's field lawn mowers. (Total enrollment: 60; 57 males, 3 females)

Masonry: The Masonry program introduced a new instructor, Christopher Giardina to the program in 2014-2015. Students and instructors continued to focus on a number of community projects, including: brick steps and tiles for Habitat for Humanity House in Fitchburg; tile and concrete floor for Montachusett Enterprise Center, Inc. (MEC) house in Ashburnham; brick step repairs and concrete floor for Sterling Municipal Light; stone veneer and tile for the Westminster Senior Center; block dug outs for Gardner Little League; stone wall repair for St. Bernard's Elementary School; and, repointed brick for Winchendon Senior Center. When the students weren't busy in our district communities, they were preparing for and competing in the Massachusetts Trowel Trades Association (MTTA) competition, where they earned top recognitions and awards. (Total enrollment: 68; 57 males, 11 females)

Plumbing: The Monty Tech Plumbing program, like other trades throughout the school, is committed to community service. As a result, students and instructors worked throughout the year to complete a duplex house in Fitchburg for Habitat for Humanity and a single-family home in Ashburnham for Montachusett Enterprise Center, Inc. (MEC). Both projects included lessons in high efficiency heating and cooling systems. The students successfully installed gas piping for the homes, as well. A senior student was named Vocational Technical All-Star from the Plumbing, Heating and Cooling Contractors Association of Massachusetts, and as a result, he received tools and a scholarship for continuing his education in the plumbing licensure program. Another stand-out student was recognized by the Central Massachusetts Plumbing & Gas Fitting Inspectors Association, and was also awarded a scholarship to continue his education in the field. Instructors are proud to partner with a number of local companies that have committed to hiring program graduates, and throughout the 2014-2015 school year, the program saw eight students (5 seniors and 3 juniors) earn co-op jobs, where they were challenged to take their technical skills to a new level. On campus, students repaired leaks, cleaned drains, replaced a hot water heater, worked on water coolers, and repaired and maintained the plumbing system throughout the school. The teachers' area within the shop was improved with custom made desks and a counter top, designed and crafted by Monty Tech's Cabinetmaking students. (Total enrollment: 71; 69 males, 2 females)

Welding/Metal Fabrication: Throughout the 2014-2015 school year, the Welding/Metal Fabrication program successfully completed numerous projects on the Monty Tech campus, and more than eighty projects for residents of our community. Some of the more notable community service projects included: fabricating and welding a twenty-one foot tall, multi-section statue for the Fitchburg Art Museum, which is now the focal point to their main entrance; repairing a band cart for Fitchburg High school; fabricating and welding panels for Winchendon Housing Authority's dump truck; fabricating and welding trail marking brackets for the Department of Conservation & Recreation of Winchendon; fabricating and welding stainless steel counter tops and trim at the Westminster Senior Center; and repairing net for Templeton, Narragansett Youth Baseball. In addition, the program benefited from added technology, including a portable fume extractor donated by industry partner Airgas East, and various portable power hand tools donated by Tractor Supply, Inc. The program's hydraulic power shear blades were also rotated and adjusted to specifications. Two juniors and eight seniors participated in the school's popular Co-Operative Education program, applying and refining their technical skills in area businesses. (Total enrollment: 64; 55 males, 9 females)

Student Support Services

During the 2014-2015 school year, Montachusett Regional Vocational Technical School District provided special services to approximately three hundred and fifteen students – measuring progress of over two hundred students on Individual Education Plans (IEPs) and just under one hundred students adhering to individualized Section 504 plans. While the Student Support Services (SSS) Department encompasses special education, the department provides support and is available to all Monty Tech students.

The department includes a full-time nursing staff that administers medications, performs state-mandated health screening exams, and provides, when necessary, health information to the special education team for a student's IEP meeting. The department benefits from a full-time school social worker who participates in departmental meetings and assists students who have needs concerning finances, family issues, homelessness, maternity, health issues, and proper food and clothing. The school is also fortunate to have on staff a full-time psychologist, whose role it is to evaluate all students referred for an initial evaluation or who require a three-year re-evaluation. In addition, we have a full-time speech language pathologist, who is available to assist students with disabilities, assess these students and consult with teachers. Our students also have access to the services of a full-time adjustment counselor and part-time school psychologist. All of these individuals are available for scheduled counseling sessions and mental health emergency treatment, as well as crisis intervention.

The school's Director of Student Support Services oversees the District's Special Education Program, which is reviewed annually in May, in accordance with regulatory requirements. The comprehensive review and evaluation are done in collaboration with the Parent Advisory Council, and the results of the evaluation are used to improve the special education procedures and programs in place at Montachusett Regional Vocational Technical School.

Technology

In 2014-2015 Monty Tech continued the process of improving our network infrastructure to meet future needs. Additional access points were added to our wireless network to broaden connectivity. Internet bandwidth was increased, and multiple carriers were contracted to reduce the possibility of Internet downtime. A back up generator was installed and connected to our network servers to decrease the possibility of unexpected shutdown of vital equipment.

Monty Tech successfully completed two Massachusetts Department of Elementary and Secondary Education initiatives involving technology. Pilot testing for PARCC, an online student assessment program, was conducted in Spring 2015, and state reporting of SIMS (student data) and SCS (student course schedule data) via SIF (Schools Interoperability Framework) commenced in March 2015.

Monty Tech continued the process of enhancing and automating procedures. Teachers began using x2 Aspen's Teacher Recommendations to enter student course requests, and the school improved parent communication by including email addresses as part of our parent/student notification system. The school also initiated improvements to technical support through the automation of computer builds and updates.

Monty Tech began the transition of becoming a Google for Education school by changing our email system to Gmail for staff and students. Three Chromebook mobile labs were purchased late in the school year and will be ready for classroom use in 2015-2016. Monty Tech will plan professional development and support for additional Google apps as they are introduced during 2015-2016, and will consider a Chromebook 1:1 initiative.

SkillsUSA

SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce. Through our association with SkillsUSA, our students develop job skills, leadership and professional skills, as well as provide community service.

The 2014-2015 school year was an extraordinary one for the Monty Tech chapter of SkillsUSA. The students met the challenges of the district competitions, performed well at the state level, and winners advanced to the coveted National Conference in June 2015. Co-advisors Kelsey Moskowitz (English Instructor), Anne Marie Cataldo (Early Childhood Education Instructor), and Brad Pelletier (Special Education Instructor), helped students successfully complete several community service projects, raising money for selected charitable organizations. Highlights of the year include:

- In November, fifteen students, consisting of chapter officers and Leadership Team members, attended a three-day Annual Fall State Leadership Conference, developed leadership skills and performed community service at an area YMCA Day Camp. They also donated nonperishable food items for the local food bank, as well as hats, mittens, and books for underprivileged children.
- The local competition was held in December 2014, and spanned three weeks consisting of a variety of skill and leadership events.

- In March 2015, qualified Monty Tech students traveled to Bay Path Regional Vocational Technical School to compete at the SkillsUSA District Competition. There, Monty Tech students were awarded 44 medals, including: 12 gold, 11 silver and 21 bronze medals. Additionally, Grace Kirrane qualified to run for the State Executive Council.
- Rebecca Parker, a Class of 2015 Business Technology student, and Cassandra Campbell, a Class of 2016 Drafting Technology student, served on the State Advisory Committee to help aid in the planning of the State Conference.
- Twenty-three district medalists and qualifiers, sixteen local leadership and skill-related event contestants, one state officer candidate, and twenty-three voting delegates - a total of 63 students - attended the State Leadership and Skills Conference, held April 30 – May 2, 2015, at Blackstone Valley Vocational Technical School and the Best Western Royal Plaza (Marlboro). Monty Tech finished the competition with fourteen medals. Seven students were awarded gold medals and earned the right to compete at the National Leadership & Skills Conference held in Louisville, Kentucky in late June. Grace Kirrane was elected to the State Executive Council and will serve as a National Voting Delegate in Louisville along with Alyanna Giuliano, Cassandra Campbell, and Rebecca Parker who were also selected to serve.
- Twelve students and five instructors attended the National Leadership & Skills Conference in Louisville, KY. from June 22 – 27, 2015.
- A team of three talented Engineering Technology students received a Gold Medal for their performance at the National Engineering Technology/Design Contest. Working closely with their instructor, Dennis Cormier, Nicolas Wicker (Class of 2015), Leon Gaulin (Class of 2017), and Devan Kumar (Class of 2017) brought home this well-deserved honor.
- Taryne Swan and Cassandra Campbell were also recognized at the National Conference, receiving the President’s Volunteer Service Award, Gold Standard
- Throughout the year, students participated in a number of community service projects, including: a “Change for Children” Campaign; a holiday party and celebration for children in the Fitchburg area; Salvation Army “Christmas Angels” were distributed to collect toys and gifts for underprivileged children; Raffle to benefit Be Like Brit Foundation and The Doug Flutie Jr. Foundation for Autism.

Marine Corps JROTC

The Monty Tech Marine Corps Junior Reserve Officer Training Corps (MCJROTC) had a sensational school year. All program objectives for the 2014-2015 school year were achieved, most notable was the JROTC Cyber Security Team, led by First Sergeant Paul Jornet and Information Technology Instructor Richard Duncan, once again capturing national recognition by placing first in the Air Force Association’s National Cyber Security Competition held in Washington, DC.

The 2014-2015 Corps of Cadets completed over eighty-eight hundred hours (8800+) of community service throughout the district. The corps conducted a major canned food drive, worked side-by-side with the Marine Corps Reserve in a national Toys 4 Tots campaign, and spent four weekends working with the local Salvation Army helping to raise over \$26,000 for needy families. The cadets conducted their annual 10 mile “March-A-Thon” to support NEADS (National Education of Assistance Dogs Services) from Princeton, MA, raising \$25,000 for their Service Dogs for Veterans program.

Sixty Monty Tech cadets attended a leadership camp at the Citadel in Charleston, SC. The camp provided

cadets with individual and team development opportunities, as well as the opportunity to visit many historical sites.

During the summer of 2015, our Cadet Cyber Team was again asked to support a Cyber STEM camp for the National Marine Corps JROTC program. The Cyber Team coordinated the 12-day camp that focused on defending cyber networks from attacks. The camp also offered an introduction to robotics programming using the VEX Robotics System. The camp was attended by 200 students, representing thirty-five states.

The Cyber team along with community financial support and a group of Monty Tech staff volunteers also conducted a week-long Cyber Security camp for 50 middle school students. The camp, which was offered at no cost to the students, focused on computer operating systems, security and cyber ethics. In partnership with Fitchburg State University and Mount Wachusett Community College, the students also had an opportunity to visit both campuses to explore STEM pathways.

The Monty Tech JROTC program received an incredible honor, having been named a Marine Corps Honor School by the Commanding General Marine Corps Training & Education Command. Only ten percent of Marine Corps JROTC programs nationwide receive this recognition. The selection was based on several criteria, including cadet citizenship, the percentage of cadets involved in student government organizations, the number of cadets active in school activities and clubs, the number of community service hours for the unit as a whole and per cadet, the number of organizations assisted by the unit, and scholastic achievements including the number of academic awards and scholarships given to cadets. The units were also measured by participation in public affairs events, drill team competitions, rifle team competitions, physical fitness team competitions, and field trips.

Because of this prestigious status, we are pleased to announce that the Monty Tech JROTC instructors unit will now have the opportunity to make nomination recommendations to the U.S. Naval Academy, U.S. Air Force Academy, and the Military Academy at West Point under the Honor School Category.

Women in Technology

Monty Tech is one of the original members of the North Central Massachusetts Women In Technology Program and the 2014-2015 school year marked the school's 13th year in this innovative school-to-business partnership. The highly successful collaborative program continues to grow with membership including students from six area high schools, introducing female students to well-paying careers in business and technology. Participants spend two days a month working on real-world work projects under the mentorship of company managers at SimplexGrinnell and Tyco Safety Products in Westminster, subsidiaries of Tyco International, a Fortune 500 company.

The program has been so successful in its mission of providing a proven pathway to corporate America, that it was recently recognized as one of the region's premier experience-based educational programs of its kind. Affiliation with the program, and skills acquired through participation, open doors to career opportunities not otherwise available to high school students. Graduates of the program are also equipped with a foundation to better meet the challenges of an ever-changing and demanding work force.

Each year, graduates of the program go on to rewarding and well-paying careers, made possible by this unique experience.

Student Athletics

The Monty Tech athletic program continues to expand in scope and skill each year. More students and teams compete every season. In fact, during the 2014-2015 school year, the Monty Tech Athletic program saw a record number of student athletes participating in competitive sports programs, more than 614 participants! During the fall of 2014, Monty Tech was well-represented by seventeen teams. In the winter months, there were fourteen teams, and wrapping up the year, spring saw another fourteen teams come together at Monty Tech.

In the Fall of 2014, the Monty Tech Varsity Football team finished with a record of 2 – 9, but with a lot of younger players, the coaches expect a rebound in 2015. The JV Football team was 2 – 6 - 1 and the Freshman Football team was 2 – 4. The Varsity Boys Soccer team finished at 11 – 5 – 2 and qualified for the post-season tournament. They finished third in the Colonial Athletic League with a 6 – 4 – 2 record. The JV Boys Soccer team was 7 – 4 – 2. The Varsity Golf team was 4 – 12, and the JV Golf team played in three tournaments getting much valuable experience on the links. The Varsity Field Hockey team was 13 - 3 - 3, qualifying for the Central Mass Tournament for the fifth consecutive year. They lost to Grafton, 1 – 0 in an exciting match. The JV Field Hockey team finished at 5 – 3 – 1. The Boys Cross Country team was 7 - 8 and finished 3rd in the Colonial Athletic League with a 4 – 3 record. The Girls Cross Country team was 6 – 5 overall and 2 – 2 in the Colonial Athletic League, finishing 2nd. The Varsity Girls Volleyball team went 8 – 12. The team hosted its annual Bump-Set-Spike competition, to fight Breast Cancer, in October 2014, and raised over \$3,000. The JV Girls Volleyball team was 18 - 1 and the Freshmen Girls team continued to improve with a 6 – 6 record. The Varsity Girls Soccer team was 11 – 6 – 1 and qualified for the post-season, where they lost to Northbridge 6 – 0. The JV Girls Soccer team finished at 12 – 2 and will send some fine players to the varsity next year.

The Girls Varsity Basketball finished at 7 – 13 on the season, while the Junior Varsity Girls were 12 - 4 and the Freshman Girls finished with a record of 8 – 3. The Varsity Boys Basketball team finished at 14 – 9 and qualified for both the State Vocational Tournament and the Districts. They lost to Worcester Tech in the first round of the Vocational Tournament and beat Ayer in the first game of the Districts before losing to Hopedale in the quarterfinals. The JV Boys Basketball team was 16 – 2, and the Freshman Boys were 2 – 16. The Co-Op Wrestling team, a group of student-athletes from Fitchburg, Oakmont and Murdock, participated in many dual meets and tournaments finishing at 3 – 11. The Co-Op Boys Ice Hockey team, a partnership with Fitchburg High School, finished at 11 – 9 and qualified for the Districts, where they beat Littleton in the first round and lost to Worcester in the semi-finals. The Junior Varsity Ice Hockey team played very well, and is expected to send some talent up to the varsity in 2015-2016. Monty Tech also participated in a Co-op Swim team with Leominster, North Middlesex and Oakmont (in partnership with Fitchburg State University) and had 7 swimmers participating. Indoor Track & Field for both boys and girls participated in the Dual Valley Conference this year, as a guest. Both teams finished with a record of 2 – 3 on the season.

In the spring of 2015, the Monty Tech Varsity Softball team qualified for the Central Mass Tournament for the 22nd consecutive year with an 11 - 9 record. There, they lost a tight match against Maynard 7 - 6. Coach Reid is just 6 wins shy of 600 for his career at Monty Tech. The JV Softball team was 6 – 8. The Varsity Boys Volleyball team was 15 – 8 and 8 – 2 in the Colonial Athletic League. They beat Assabet 3 - 1 in the first round of the State Vocational Tournament before losing to Greater New Bedford Regional Vocational Technical High School 3 – 0 in the finals. The boys also lost to Wachusett 3 – 1 in the District Tournament. The JV Boys Volleyball team played strong all year and finished with a record of 8 – 8. The Varsity Baseball team finished at 5 – 15, while the JV Baseball team was 10 – 4 and the Freshman Baseball team was 3 – 9. Both the Varsity and JV teams played a majority of their home games on the Fitchburg State University and Oakmont fields, while the freshmen played a number of their games at the Westminster Babe Ruth field, as the conditions of our baseball fields were not acceptable due to the very wet spring. The Boys Track & Field team was 6 - 2, finishing 3rd in the Colonial Athletic league, and the Girls Track & Field team was 5 – 3, with a 4th place finish in the Colonial Athletic League. The Varsity Boys Lacrosse team played in 16 games going 7 – 9, missing the playoffs by only one win. The JV Boys Lacrosse was 7 – 4 – 3, and are expecting improved results in the coming years. The Girls Lacrosse team was a Co-Op with North Central

Charter Essential School (Sizer). There were fifteen girls from Monty Tech on the team, and the district hopes to form its own team by 2017. Finally, there were seven total students (2 boys and 5 girls) playing in a Co-Op Tennis program with Fitchburg High School.

Congratulations to the Outstanding Male and Female athletes for 2014-2015, Kyle Morris and Kaitlyn MacAlister.

Postgraduate and Continuing Studies

The Post Graduate and Continuing Studies Program, also known as Monty Tech Nites, continues to update and add courses that emphasize a commitment to excellence by offering affordable, quality, and enjoyable educational experiences. For the fall of 2014, Monty Tech offered 78 in-house classes with 626 registrations. We also offered a number of online course options, with a total of 27 registrations. For the spring 2015 semester, we offered 73 in-house courses with 568 registrations and an additional 47 registrations for online programs.

In March 2015 the postgraduate program successfully graduated our third class of nine Emergency Medical Technicians. The very successful EMT program is pleased to report increased acceptance/ enrollment numbers, as the program accepted a class of 16 students for the 2015-2016 school year.

The Director of the Postgraduate & Continuing Studies Program actively seeks information to develop new (and expand existing) certificate and licensure programs that align with regional workforce needs and employment trends.

Practical Nursing Program

The Practical Nursing Program is designed to prepare graduates to practice safely, ethically and in a caring manner for patients who are experiencing common variations in health status in diverse health care settings. This mission, which is consistent with the philosophy and goals of the Montachusett Regional Vocational Technical School District, accomplishes the following:

- Identifies a strong relationship between academic and vocational preparation
- Stresses the importance of developing critical thinking skills to function safely, effectively, and productively in an ever-changing technical and diverse society
- Supports the maintenance of a positive and caring learning and practice environment

On June 18, 2015, the Monty Tech Practical Nursing Program saw one of its largest graduating classes - forty (40) students - complete the Practical Nursing Program and enter the nursing profession. The class achieved an initial NCLEX pass rate of 88%, and just over 75% of the 2015 graduates are currently working in the North Central area, in various health care settings including long-term care, sub-acute care, clinics, medical offices, and prison health care.

The Monty Tech Practical Nursing Program continues to develop the "LPN to BSN Bridge" relationship with Fitchburg State University. Both institutions were awarded a grant from the Massachusetts Department of Higher Education, supporting the "Nurse of the Future" initiative. The grant funding will assist veterans hoping to transition from military to civilian healthcare fields, granting academic credits for previous military training and experience in related military specialties.

In January, the program added a technology component called Shadow Health, a virtual patient-centered clinical experience software package. Students were asked to complete assignments at home, and were assessed according to their patient/student interaction and clinical practice interactions. The

added technology proved to be beneficial, allowing the educational program to continue despite the challenging weather and school closings.

Finally, the Monty Tech PN Class of 2015 completed a meaningful community service project, adopting a Monty Tech family in need referred by the school's Student Support Services Department. The nursing students purchased holiday gifts and food for the family, making sure they were consistent with the family requests and needs.

Looking Ahead

While the Montachusett Regional Vocational Technical School District educational community is certainly proud of the achievements of our talented students, faculty, and staff, we continue to have an eye toward the future, always committed to improving our vocational and academic programming, strengthening key partnerships, and maintaining facilities that contribute to student success and achievement. As we look ahead, there are a number of programs and initiatives that we expect will have a positive impact on our school and students for years to come.

Expand partnerships with area businesses: To support the school's popular Business Technology program, specifically addressing the financial elements found within the program's frameworks, school leaders began exploring opportunities to bring banking to Monty Tech students. In collaboration with Workers' Credit Union, school officials are pleased to announce a developing partnership that will result in a full-service branch located on the school's campus, offering students opportunities to develop authentic financial literacy skills and experience while still in high school. Additionally, students studying in the school's Business

Technology program will be trained as bank tellers, effectively preparing them for entry-level jobs in banking institutions across North Central Massachusetts.

Expand partnerships with area colleges and universities: Students in Monty Tech's very busy Health Occupations program may just be getting busier in the coming years. While the program already offered a number of industry-recognized credentials, school leaders began working with college partner, Mount Wachusett Community College, to determine if a college-level Emergency Medical Technician (EMT) training program could be embedded into the senior year of study. We are pleased to announce that this collaboration has resulted in an agreement that will effectively allow seniors to earn 8 college credits, at no charge, and the opportunity to sit for the certification exam in June 2016. By providing additional career pathways in the medical field, and access to college level coursework while still enrolled in high school, school administrators and teachers are confident that program graduates will not only be more qualified for entry level positions, they will be more apt to find an area of interest within the medical field, and continue to refine the technical skills they developed while at Monty Tech.

Expand Access to Instructional Technology: A Monty Tech education is effective because efforts are made to continually access our programming, instructional equipment, and our educational resources. Through this assessment, it has become clear that while so many students have access to technology away from the school, many do not. It is important, then, to arm every student with the tools necessary to succeed not only in the workplace, but in the classroom, as well. The district is pleased to announce a large-scale technology initiative that began in August 2015, when every educator at Monty Tech was provided with a Chromebook and individualized professional development on how to best incorporate this added technology into daily instruction. So many teachers have embraced the concept, and continued to explore learning opportunities that have resulted in classroom instruction that better reflects our 21st Century school. The Monty Tech technology initiative continues, and in August 2016, every student at Monty Tech will also be provided with a Chromebook to support his/her learning, more efficiently communicate with teachers, and to promote collaboration among student peers.

Expand vocational-technical educational opportunities: As you know, Montachusett Regional Vocational Technical School is home to twenty vocational-technical programs, and currently serves over 1,400 students from eighteen cities and towns in North Central Massachusetts. We are so proud of our students and accomplishments, and every year we strive to provide only the best educational programs, both academic and vocational, to each and every student. As we review our student demographic, the regional workforce data, and feedback we have received from students interested in attending our school, we consider the benefits of adding new vocational programs. We are pleased to announce that Monty Tech is in the development stages of bringing a new program – our 21st program – to the school – Animal/Veterinary Science. The new program will respond to much-needed workforce training and community services, and will effectively prepare students to enter both college and career pathways upon graduation. Students and instructors, in collaboration with program partner, Becker College, will effectively learn concepts associated with a high school veterinary assisting program, while running a fully-functioning veterinary clinic, designed to provide care for pets in low-income families. Students will have access to college level coursework, and earn industry-recognized credentials, so that they may either advance to related post-secondary programs, or enter into the workforce to fill the projected 25.32% growth in veterinary technician opportunities through 2022. While this program is only in its development stages, a great deal of work has already been done to assure its success. Student surveys have been collected, collaborative working groups have been established, and industry experts across North Central Massachusetts have been called upon to offer expertise to help ensure the innovative facility is designed with both education and service in mind, and that all equipment and services align with industry standards.

The Monty Tech School Committee

The Montachusett Regional Vocational Technical School District Committee is comprised of twenty-two dedicated individuals, whose expertise proves invaluable in advising the district's operations, policies, and procedures.

Our students continue to benefit from the broad scope of their experiences and varying perspectives, and we are thankful to the following members of the 2014-2015 School Committee for their outstanding service.

BIRTH – 93

DEATHS – 94

MARRIAGES - 28

TOWN MEETING EXCERPTS

Annual Town Meeting May 2, 2015

The Annual Town Meeting was called to order in the Lunenburg High School Auditorium by the Moderator at 9:01 AM a quorum was declared. We pledged allegiance, thanked all elected and appointed officials and volunteers for their service, reviewed rules of parliamentary procedure and then action was taken as follows:

ARTICLE 1. CC To see if the Town will vote **to re re-authorize in accordance with MGL Chapter 44, §53E½ the Ambulance Billing revolving fund.** The purpose of this fund will be to cover the cost associated with compensating third party advanced life support companies and third party billing companies that contract and supply services to the town. Five per cent (5%) of the total revenue generated by ambulance services rendered and 100% of the revenue generated by Advanced Life Support services rendered shall be deposited into said revolving fund. The proceeds of said Revolving Fund shall be expended by the Fire Department without further appropriation for the sole purpose of reimbursing the aforementioned companies for services rendered to the town; expenditures from the revolving fund may not exceed \$60,000 during the fiscal year without the approval of the Board of Selectmen and Finance Committee or take any other action relative thereto.. [Submitted by the Fire Chief] Board of Selectmen Recommends Approval, 5 – 0. Finance Committee Recommends Approval, 5 - 0. **VOTED UNANIMOUS CONSENT**

ARTICLE 2. CC To see if the Town will vote **to re-authorize in accordance with MGL Chapter 44, §53E½ the Timber Rights revolving fund,** such fund to be credited with the proceeds of sale by the Conservation Commission of the rights to harvest timber; funds in the account to be expended for the acquisition of land for conservation purposes and associated costs of such acquisitions, including but not limited to appraisals and payment of accrued taxes; such funds may also be expended for improvements on land already under the custody and control of the Conservation Commission; the Conservation Commission may expend such funds without further appropriation; expenditures from the revolving fund may not exceed \$10,000 during the fiscal year without the approval of the Board of Selectmen and Finance Committee; or take any other action relative thereto. [Submitted by the Conservation Commission] Board of Selectmen Recommends Approval, 5 – 0. Finance Committee Recommends Approval, 5 - 0. **VOTED UNANIMOUS CONSENT**

ARTICLE 3.CC To see if the Town will vote **to re-authorize in accordance with MGL Chapter 44, §53E½, the Custodial Special Detail Revolving Fund,** for the purpose of paying special detail salaries for outside functions. Charges and money received from outside organizations in connection with this program are to be deposited in said revolving fund and expended by the Lunenburg School Committee without further appropriation for the sole purpose of paying personnel for hours worked. Said revolving account expenditures shall not exceed \$25,000 per year without the approval of the Board of Selectmen and Finance Committee; or take any other action relative thereto. [Submitted by the School Committee] Board of Selectmen Recommends Approval, 5 – 0. Finance Committee Recommends Approval, 5 - 0. **VOTED UNANIMOUS CONSENT**

ARTICLE 4.CC To see if the Town will vote **to re-authorize in accordance with MGL Chapter 44, §53E½, the Green Thumb Revolving Fund,** to support the Green Thumb Program at Lunenburg High School. Fees, charges, and money received from sales of items in connection with this program are to be deposited in this Revolving Fund Account and expended for the operation of this program by the Lunenburg School Committee without further appropriation; said revolving account expenditures shall not exceed \$20,000 per year without the approval of the Board of Selectmen and Finance Committee; or take any other action relative thereto. [Submitted by the School Committee] Board of Selectmen Recommends Approval, 5 – 0. Finance Committee Recommends Approval, 5 - 0. **VOTED UNANIMOUS CONSENT**

ARTICLE 5.CC To see if Town will vote **to re-authorize in accordance with MGL Chapter 44, §53E½, the Library Revolving Fund,** to receive funds from library fines and penalties, donations and bequests up to \$12,000, said funds to be expended by the Trustees of Lunenburg Public Library for the purchase of library and information materials and document information and electronic data delivery. Charges expenditures from the revolving fund may not exceed \$12,000 during the fiscal year without the approval of the Board of Selectmen and Finance Committee; or take any other action relative thereto. [Submitted by the Library Director] Board of Selectmen Recommends Approval, 5 – 0. Finance Committee Recommends Approval, 5 - 0. **VOTED UNANIMOUS CONSENT**

ARTICLE 6. CC To see if the will Town vote **to re-authorize in accordance with MGL Chapter 44, §53E½, the Council on Aging\Montachusett Area Regional Transit (MART) Elderly Transportation Revolving Fund;** the operation of said account shall be conducted by the Council on Aging, and the Senior Center Director; funds in this account shall be spent on the dispatch, operation, maintenance and record keeping of the MART vehicles for the elderly

transportation program; all receipts resulting from MART reimbursements shall be credited to this account; said revolving account expenditures shall not exceed \$45,000 per year without the prior approval of the Board of Selectmen and the Finance Committee; or take any other action relative thereto. [Submitted by the Council on Aging] Board of Selectmen Recommends Approval, 5 – 0. Finance Committee Recommends Approval, 5 - 0. **VOTED UNANIMOUS CONSENT**

ARTICLE 7. To see if the Town will vote **to hear and/ or accept the regular written reports of the Town Officers and Committees;** or take any other action relative thereto. [Submitted by Board of Selectmen] Board of Selectmen Recommends Approval, 5 – 0. Finance Committee reports no direct financial impact. ARTICLE 17. To see if the Town will vote **to raise and appropriate or transfer from available funds \$810,317 to operate the Sewer Enterprise Fund for FY2016;** or take any other action relative thereto. (Submitted by the Sewer Commission) Board of Selectmen recommends approval 5-0. Finance Committee recommends approval 5-0. VOTED UNANIMOUSLY to appropriate from Sewer Enterprise revenues the sum of \$732,915.33 and appropriate from Sewer Enterprise retained earnings the sum of \$77,401.80, for a total appropriation of \$810,317.13 to operate the Sewer Enterprise Fund for FY16; and further that \$794,909.88 be included in appropriations from the General Fund for indirect costs and be allocated to the Sewer Enterprise Fund.

ARTICLE 18. To see if the Town will vote **to raise and appropriate or transfer from available funds \$265,000 to operate the Solid Waste Disposal Program Enterprise Fund for FY2016,** or take any other action relative thereto. (Submitted by the Board of Selectmen) Board of Selectmen recommends approval 5-0, finance Committee recommends approval 5-0. VOTED UNANIMOUSLY to appropriate from Solid Waste Disposal Enterprise Revenues \$265,000 to operate the Solid Waste Disposal Program.

ARTICLE 19. To see if the Town will vote **to raise and appropriate or transfer from available funds, \$25,000 to operate the Solid Waste Disposal Program Enterprise Fund for FY2016,** or take any other action relative thereto. (Submitted by the Board of Selectmen) Board of Selectmen recommends approval 5-0, Finance Committee recommends approval 5-0. VOTED UNANIMOUSLY to appropriate from Water Enterprise Revenues \$25,000 to operate the Water Department.

ARTICLE 20. To see if the Town will vote **to raise and appropriate or transfer from available funds \$10,000 in accordance with MGL Chapter 44, Section 53C for the Police Detail Special Fund, for the purposes of paying special detail salaries for off duty details (outside functions) of members of the Police Department.** Charges and money received from outside organizations in connection with this program are to be deposited in said special fund and expended by the Lunenburg Police Department without further appropriation of the sole purpose of paying personnel for hours worked; or take any action relative thereto. (Submitted by Board of Selectmen) Board of Selectmen recommends approval 5-0, Finance Committee recommends approval 5-0. VOTED UNANIMOUSLY to raise and appropriate the sum of \$10,000 in accordance with MGL Chapter 44, Section 53C for the Police Detail Special Fund for the purposes of paying special detail salaries for off duty details of members of the Police Department.

ARTICLE 21. To see if the Town will vote, pursuant to General Laws Chapter 40, Section 5B, to create a **Reserve Capacity Stabilization Fund and further to raise and appropriate from available funds the sum of \$617.10 into the Reserve Capacity Stabilization Fund;** or take any other action relative thereto (Submitted by Sewer Commission) Board of Selectmen recommends approval 5-0, Finance Committee recommends approval 5-0. VOTED UNANIMOUSLY, pursuant to General Laws Chapter 40, Section 5B, to create a Reserve Capacity Stabilization Fund and further to transfer from Sewer Enterprise Retained Earnings, the sum of \$617.10 into the Reserve Capacity Stabilization Fund.

ARTICLE 22. To see is the Town will **vote to establish a revolving loan program under the jurisdiction of the Board of Selectmen for purposes in assisting income qualified town residents to replace or upgrade septic systems or connect to town's sewer system;** and to authorize the Board of Selectmen to enter into an agreement with Montachusett Regional Planning Commission to administer said fund; and to provide funds for such purpose to transfer the funds recorded in Account 2575 of the town accountant's books, which funds represent the repaid monies from a grant program provided by the former Massachusetts Executive Office of Communities and Development (EOCD) for a revolving fund for septic systems upgrades, or to take any other action thereto. (Submitted by the Board of Selectmen) Finance Committee will report at town meeting. Article 22 was PASSED OVER

ARTICLE 23. To see if the Town will **vote to transfer the care, custody and control from the Board of Selectmen for the purpose for which it is currently held to the School Committee for school purposes, the property at 1079 Massachusetts Avenue, Lunenburg,** for the purpose of granting a non-exclusive, perpetual easement to Boston Gas Company to construct, install and maintain gas facilities upon said property shown on a plan entitled “C200 and C210 dated 11/14/14 Conformance Set and As Built of the Gas Line Installation,” which plan is on file with the Town Clerk, on such terms and conditions which the Board of Selectmen/School Committee may determine, or take any action relative thereto. (Submitted by School Committee) Board of Selectmen recommends approval 5-0. Finance Committee reports no direct financial impact. VOTED UNANIMOUSLY

ARTICLE 24. To see if the Town will **vote to transfer the care, custody and control from the Board of Selectmen for the purpose for which it is currently held to the School Committee for school purposes, the property at 1079 Massachusetts Avenue, Lunenburg,** for the purpose of granting a non-exclusive, perpetual easement to UNITIL Corporation, to construct, install and maintain electric facilities upon the portion of said property shown on a plan entitled “C200 dated 11/14/2014 Conformance Set,” which plan is on file with the Town Clerk, on such terms and conditions which the Board of Selectmen/School Committee may determine, or take any action relative thereto. (Submitted by School Committee) Board of Selectmen recommends approval 5-0, finance Committee reports no direct impact. VOTED UNANIMOUSLY

ARTICLE 25. To see if the Town will **vote to appropriate the sum of amount of \$105,975.36, the premium paid to the Town upon the sale of bonds or notes issued for the construction of a new Middle School/High School,** which are subject of a Proposition 2 ½ debt exclusion, to pays costs of the project being financed by such bonds or notes and to reduce the amount authorized to be borrowed for such project, but not yet issued by the town, by the same amount. (Submitted by Town Accountant) Board of Selectmen recommends approval 5-0, Finance Committee recommends approval 5-0. VOTED UNANIMOUSLY to appropriate the sum of \$105,975.36, the premium paid to the Town upon the sale of bonds or notes issued for the construction of a new Middle School/ High School, which are the subject of a Proposition 2 ½ debt exclusion, to pay costs of the project being financed by such bonds or notes and to reduce the amount authorized to be borrowed for such project, under Article 1 of the January 7, 2014 STM, but not yet issued by the Town, by the same amount.

ARTICLE 26. To see if the Town will vote **to amend the General Bylaws of the Town by adding Section XXXII, entitled Architectural Preservation District**, as follows:

Section XXXII ARCHITECTURAL PRESERVATION DISTRICT

Section 1: Purpose

This bylaw is enacted under the Home Rule Amendment of the Massachusetts Constitution for the purposes of:

- (a)** Preserving, restoring and protecting groups of historically and/or architecturally significant buildings and the characteristics of their neighborhoods that are important to the town's architectural, cultural, economic, political and/or social history;

- (b)** Fostering wider public knowledge and appreciation of such neighborhoods and Contributing Properties;

- (c)** Limiting the detrimental effect of alterations (substantial & minor), additions, and demolitions on the character of such Contributing Properties and their neighborhood settings;

- (d)** Reviewing proposed alterations (substantial and minor) including demolition of or to any Contributing Property located within the APD, for appropriateness and compatibility with the existing buildings, setting and neighborhood character; and

- (e)** Facilitating the protection of the APD through a regulatory review.

To achieve these purposes, the Town of Lunenburg may designate APDs to be administered as set forth in this bylaw.

Section 2: Definitions

For the purpose of this bylaw, the terms and words listed below shall have the following meaning:

ADDITION: Any addition to a principal or accessory Contributing Property that is enclosed by walls and which increases the existing gross floor area.

ADMINISTRATIVE REVIEW/DETERMINATION OF APPLICABILITY: Pursuant to Section 7 of this bylaw, a process to review proposed alterations to Contributing Properties and identify the need for Binding Review.

AGGRIEVED PARTY: The owner of the subject property or an owner of real property located within the APD or within three hundred feet of the subject property.

ALTERATION, MINOR: Replacement, modification or material change to existing architectural features on a Contributing Property, which retains the character of the property as determined by the Architectural Preservation District Commission. Examples include, but are not limited to windows, doors, roof material and trim work.

ALTERATION, SUBSTANTIAL: A change to a Contributing Property or part thereof, such as removal, reconstruction, restoration, replication, rehabilitation, addition, or demolition; and/or a change to a site that includes, enlarging or moving a building and other similar activities.

ARCHITECTURAL PRESERVATION DISTRICT ("APD"): An area of historic and /or architectural significance determined by the Town's residents to be worthy of preservation.

BINDING REVIEW: Pursuant to Section 8 of this bylaw, a mandatory process which applies to substantial alterations of contributing properties, including demolition, in the APD.

BUILDING: A combination of materials having a roof, the purpose of which is the shelter of persons, animals, property, or processes, including any other permanent structure.

CERTIFICATE TO ALTER: A document issued by the APDC allowing Alterations pursuant to Section 8 of this bylaw.

CONTRIBUTING PROPERTY: Any building or stone wall within an APD, which is older than 75 years and contributes to the Architectural Preservation District's historical character as determined by the Architectural Preservation District Commission.

DEMOLITION: The act of removing or razing structures or significant parts of structures, or commencing the work of total or substantial destruction with the intent of completing the same.

DEMOLITION BY NEGLECT: Destruction by failure to maintain roof, siding, foundation or any other aspect that requires upkeep, which could ultimately result in the Contributing Property being condemned. These include but are not limited to:

1. Facades which may fall and injure members of the public or property.
2. Deteriorated or inadequate foundation, deteriorated flooring or floor supports, deteriorated walls or other vertical structural supports.
3. Members of ceilings, roofs, ceiling and roof supports or other horizontal members which sag, split or buckle due to deterioration.
4. Deteriorated or ineffective waterproofing of exterior walls, roof, foundations or floors, including broken windows or doors.
5. Improper or insufficient waterproofing or exterior wall covering, including lack of paint or weathering due to lack of paint or other protective covering.
6. Any fault or defect in the Contributing Property caused by alteration or neglect of maintenance, which renders it not properly watertight or structurally unsafe.
7. Fireplaces or chimneys which list, bulge or settle due to deterioration.

DESIGN GUIDELINES: A public document which provides further detail and illustration of the design standards established in Section 9 of this bylaw. Such guidelines, by facilitating the APDC's determination as to whether proposed alterations are appropriate and compatible with the existing Contributing Property's, setting and neighborhood character of the APD, will ensure fair, reasonable and objective preservation practices by the APDC.

DRAFT MAP

Section 3: Designation of Architectural Preservation District (APD)

The APD shall, by Town Meeting vote, encompass the areas shown on the map entitled “Town of Lunenburg, Architectural Preservation District,” and appended to this bylaw. Amendments to the district boundaries may be made only by vote of Town Meeting.

Section 4: Architectural Preservation District Commission (APDC)

The Board of Selectmen shall appoint a **five-member** APDC to oversee the APD pursuant to this bylaw. Initially, two members shall be appointed for one year, two for two years, and one for three years; each successive appointment shall be made for three years. The Board of Selectmen may also appoint up to two alternate members, initially for terms of one, two and three years, and for three-year terms thereafter. If members are absent, unable to act, or recused from voting due to a conflict of interest, the APDC chair may designate one or both of the alternate members to serve in their place. To the extent achievable, the APDC shall be comprised of the following persons: a member of the Lunenburg Historical Commission; a design professional; a craftsperson or building contractor familiar with historic restoration; and two residents of the APD **and one resident at large**. Members and alternates of the APDC shall by reason of experience and/or education have demonstrable knowledge, interest, and ability to effectively carry out the APDC’s responsibilities.

Section 5: APDC Powers and Duties

The APDC shall exercise its powers in reviewing the alteration (substantial or minor) , including demolition of contributing properties within the APD as set forth in this bylaw, and in accordance with the standards described in Section 9. Within 180 days of its establishment, the APDC shall adopt design guidelines to assist the APDC in determining whether the proposal satisfies the standards described in Section 9, as well as to facilitate owner understanding of, and compliance with, those standards. The APDC may also promulgate rules and regulations consistent with the provisions of this bylaw, or set forth such forms and procedures as it deems appropriate for the regulation of its affairs and the conduct of its business, including requirements for the contents and form of applications for certificates, hearing procedures and other matters. In adopting design guidelines and rules and regulations, including any subsequent amendments, the APDC shall first hold a duly posted public hearing advertised at least fourteen (14) days in advance within a newspaper of local circulation.

The APDC shall not adopt or amend any design guidelines or rules and regulations until at least 35 days after the APDC has provided a copy of those proposed guidelines or rules and regulations to the Board of Selectmen.

Section 6: Exemptions

The following are exempt from the requirements of this bylaw:

- a) Routine maintenance of Contributing Properties.
- b) Repairs or improvements which do not require a building permit from the Building Inspector.
- c) Temporary buildings (subject to time and size limits imposed by the APDC).
- d) Interior building alterations.
- e) Exterior building colors.
- f) Installation, removal or replacement of storm windows and storm doors, screen windows and screen doors.
- g) Installation, removal or replacement of gutters, downspouts, window shutters and door shutters.
- h) Structures not defined as Contributing Properties.

Section 7: Administrative Review/Determination of Applicability

Minor alterations such as like for like replacement of architectural features and other minor work (as outlined in the APDC regulations) shall be reviewed through this process to ensure consistency of the property’s character and appropriateness of the proposed materials. The APDC shall make a determination that the proposed work is exempt or that it does not retain the character of the Contributing Property. In the case where the work does not retain the character of the Contributing Property it shall be determined to equate to a substantial alteration and require a binding review per Section 8 of this Bylaw.

Property owners considering substantial alterations to a Contributing Property are strongly encouraged, but not required, to request an Administrative Review from the APDC. This review would focus on directing the applicant toward developing a proposal that would be compliant with the Binding Review Process in Section 8.

Administrative Review does not require a public hearing and can be requested electronically. In providing Administrative Review for a proposed Alteration, the APDC shall make a finding as to whether or not the proposed Alteration is compatible with the standards in Section 9 and the associated design guidelines. The APDC shall provide its finding in writing, as a Negative Determination or a Requirement of Binding Review, and within 45 days of receiving a request for Administrative Review. The Requirement of Binding Review may include recommendations on how the proposed Alteration could be made more consistent with the standards and the design guidelines.

Section 8: Binding Review

The following Alterations require the submittal of an application for binding review by the APDC:

- (a) Demolition of all or a part of a Contributing Property.

(b) **Substantial Alterations to a Contributing Property.**

Applications should include a completed application form and photographs showing existing buildings and site conditions. For substantial alteration, including additions and demolition, applicants should also provide building elevations showing the proposed configuration and building materials; a plan showing the approximate footprint and relationships of buildings to other structures, exterior circulation, and points of entry; and any other plans which may help to demonstrate the proposed building design. Applications can be submitted electronically, but applicants shall also provide one hard copy of the application to the Planning Office. If appropriate, the APDC may waive any or all of the requirements for design submittal and review.

Within forty-five (45) days of the application submittal, a copy of which shall be filed with the Town Clerk, the APDC shall hold a public hearing on the application, said hearing to be noticed by an ad published at least once in a newspaper with local circulation fourteen (14) days or more before the hearing. Following the hearing, the APDC shall determine whether or not the proposed Alteration is consistent with the standards set forth in Section 9 and the associated design guidelines. If the APDC determines by majority vote that the Alteration adheres to the standards and the design guidelines, it shall issue a Certificate to Alter, which may be subject to reasonable conditions that the APDC deems necessary and appropriate. If the APDC does not achieve a majority vote that the Alteration is compatible with the standards and the design guidelines, it shall make a negative determination. The APDC's written determination shall be submitted to the property owner within twenty (20) days of the close of the public hearing, and no later than ninety (90) days after the submittal of an application, unless granted a time extension by the owner. In making its determination, the APDC shall provide a rationale for its action, including a description of how the alteration does or does not meet the standards set forth in Section 9 and the design guidelines. If the APDC denies a Certificate to Alter, it may include non-binding advisory only, recommendations on how the proposed Alterations may be modified to satisfy the APDC. Once the applicant modifies the Alterations in a manner that the APDC finds acceptable, the APDC shall issue a Certificate to Alter. The determinations of the APDC relative to Alterations described in this Section 8, whether positive or negative, shall be binding on the applicant.

Section 9: Design Standards When reviewing an application, the APDC shall consider the following standards, which are intended to guide the property owner in the site development and building design, as well as the APDC in its review of proposed actions as described in Section 8 above:

- (a) **Height and Proportions** – The height, proportions, and relationship of height to width between windows, doors, signs and other architectural elements should be compatible with the architectural style and character of the building or structure.
- (b) **Relation of Structures and Spaces** – The relation of a structure to the open space between it and adjoining structures should be compatible with such relationships in the district.
- (c) **Shape** – The shape of roofs, windows, doors and other design elements should be compatible with the architectural style and character of the building.
- (d) **Scale** – The scale of a structure alteration should be compatible with its architectural design style and character and that of the district.
- (e) **Directional Expression** – Building facades and other architectural design elements should be compatible with those of others in the district with regard to the dominant vertical or horizontal expression or direction related to use and historical or cultural character, as appropriate.
- (f) **Garages and Accessory Buildings** – Garages and accessory buildings shall be sensitively integrated into the overall development, and should not be the predominant design feature when viewed from the street.
- (g) **Materials & Methods of Construction** – Materials used shall be consistent with the appearance and character of the surrounding properties and contribute to historic nature of the area. Construction methods shall meet Building Code requirements and visually resemble historic patterns but may use contemporary technology.

Section 10: Procedures for Issuance and Filing of APDC Determinations: Each Certificate to Alter or negative determination issued by the APDC shall be dated and signed by its chair or such other person designated by the APDC to sign certificates on its behalf. The APDC shall send a written copy of its actions to the property owner and shall file other copies with the office of the Town Clerk and the Building Inspector. The date of issuance of a certificate or negative determination shall be the date of its filing of other said copy with the office of the Town Clerk. If the APDC should fail to submit a written determination within twenty (20) days of closing its public hearing, or within ninety (90) days of the submittal of a Certificate, or within such further time as the applicant may allow in writing, a Certificate to Alter shall be waived in favor of the property owner.

Section 11: Enforcement In addition to the duties previously set forth in this Bylaw, the APDC or the Building Inspector shall issue enforcement orders, with an immediate cease and desist order directing compliance with this Bylaw and shall undertake any other enforcement authorized by law.

Upon request of APDC, and with the approval of the Board of Selectmen, the Town Counsel shall take legal action on behalf of the Town for enforcement of this Bylaw, or any order issued hereunder, in any court of competent jurisdiction.

In the case of demolition, including demolition by neglect, without approval of the APDC no building permit shall be issued with respect to any Contributing Property within the APD that caused a demolition of its building, structure or Contributing Property for a period of up to two (2) years after the date of the violation.

The APDC or its designee may use any and all of the aforementioned enforcement methods to address the contributing factors of demolition by neglect for purposes of preventing a Contributing Property from becoming structurally deficient or economically infeasible to repair.

Section 12: Coordination with Other Town Boards and Bylaws

(a) Except as stated in “(b)” below, the APDC’s authority as established in this bylaw shall not supersede or interfere with the regulatory authority of other local or state boards or APDCs.

(b) By exercise of this bylaw, the APDC assumes the authority of the Lunenburg Historical Commission pursuant to Chapter XVI of these General Bylaws, relative to the proposed demolition (including demolition by neglect) of buildings that are over 75 years of age and located within the APD.

(c) The APDC shall coordinate its review with that of other Town Boards.

(d) The APDC shall be included as an advisory review entity in new construction projects that move through the Planning Board Development Plan Review and/or Special Permit processes.

Section 13: Appeal Procedure

Any aggrieved party may appeal the action of the APDC in accordance with the General Laws.

Section 14: Validity and Separability

The provisions of this bylaw shall be deemed to be separable. If any of its provisions, sections, subsections, sentences or clauses shall be held to be invalid or unconstitutional by any court of competent jurisdiction, the remainder of this bylaw shall continue to be in full force and effect.

Section 15: Appendices

Appendix A: The location and boundaries of the Town of Lunenburg Architectural Preservation District are defined and shown on the Town of Lunenburg Village Center District Map and the Town of Lunenburg Historic District Map, which is a part of this bylaw.” or take any other action relative thereto. (Submitted by the Historical Commission and the Planning Board) **Planning Board recommends approval 5-0, Board of Selectmen recommends approval 5-0, Finance Committee reports no direct financial impact.**

ARTICLE 26. **VOTED (with amendments *italicized*)** to amend the General Bylaws of the Town by adding Section XXXII, entitled Architectural Preservation District, as follows:

Section XXXII ARCHITECTURAL PRESERVATION DISTRICT

Section 1: Purpose

This bylaw is enacted under the Home Rule Amendment of the Massachusetts Constitution for the purposes of:

(a) Preserving, restoring and protecting groups of historically and/or architecturally significant buildings and the characteristics of their neighborhoods that are important to the town’s architectural, cultural, economic, political and/or social history;

(b) Fostering wider public knowledge and appreciation of such neighborhoods and Contributing Properties;

(c) Limiting the detrimental effect of alterations (substantial & minor), additions, and demolitions on the character of such Contributing Properties and their neighborhood settings;

(d) Reviewing proposed alterations (substantial and minor) including demolition of or to any Contributing Property located within the APD, for appropriateness and compatibility with the existing buildings, setting and neighborhood character; and

(e) Facilitating the protection of the APD through a regulatory review.

To achieve these purposes, the Town of Lunenburg may designate APDs to be administered as set forth in this bylaw.

Section 2: Definitions

For the purpose of this bylaw, the terms and words listed below shall have the following meaning:

ADDITION: Any addition to a principal or accessory Contributing Property that is enclosed by walls and which increases the existing gross floor area.

ADMINISTRATIVE REVIEW/DETERMINATION OF APPLICABILITY: Pursuant to Section 7 of this bylaw, a process to review proposed alterations to Contributing Properties and identify the need for Binding Review.

Remove AGGRIEVED PARTY: *The owner of the subject property or an owner of real property located within the APD or within three hundred feet of the subject property.*

ALTERATION, MINOR: Replacement, modification or material change to existing architectural features on a Contributing Property, which retains the character of the property as determined by the Architectural Preservation District Commission. Examples include, but are not limited to windows, doors, roof material and trim work.

ALTERATION, SUBSTANTIAL: A change to a Contributing Property or part thereof, such as removal, reconstruction, restoration, replication, rehabilitation, addition, or demolition; and/or a change to a site that includes, enlarging or moving a building and other similar activities.

ARCHITECTURAL PRESERVATION DISTRICT (“APD”): An area of historic and /or architectural significance determined by the Town’s residents to be worthy of preservation.

BINDING REVIEW: Pursuant to Section 8 of this bylaw, a mandatory process which applies to substantial alterations of contributing properties, including demolition, in the APD.

BUILDING: A combination of materials having a roof, the purpose of which is the shelter of persons, animals, property, or processes, including any other permanent structure.

CERTIFICATE TO ALTER: A document issued by the APDC allowing Alterations pursuant to Section 8 of this bylaw.

CONTRIBUTING PROPERTY: Any building or stone wall within an APD, which is older than 75 years and contributes to the Architectural Preservation District’s historical character as determined by the Architectural Preservation District Commission.

DEMOLITION: The act of removing or razing structures or significant parts of structures, or commencing the work of total or substantial destruction with the intent of completing the same.

DEMOLITION BY NEGLECT: Destruction by failure to maintain roof, siding, foundation or any other aspect that requires upkeep, which could ultimately result in the Contributing Property being condemned. These include but are not limited to:

1. Facades which may fall and injure members of the public or property.
2. Deteriorated or inadequate foundation, deteriorated flooring or floor supports, deteriorated walls or other vertical structural supports.
3. Members of ceilings, roofs, ceiling and roof supports or other horizontal members which sag, split or buckle due to deterioration.
4. Deteriorated or ineffective waterproofing of exterior walls, roof, foundations or floors, including broken windows or doors.
5. Improper or insufficient waterproofing or exterior wall covering, including lack of paint or weathering due to lack of paint or other protective covering.
6. Any fault or defect in the Contributing Property caused by alteration or neglect of maintenance, which renders it not properly watertight or structurally unsafe.
7. Fireplaces or chimneys which list, bulge or settle due to deterioration.

DESIGN GUIDELINES: A public document which provides further detail and illustration of the design standards established in Section 9 of this bylaw. Such guidelines, by facilitating the APDC’s determination as to whether proposed alterations are appropriate and compatible with the existing Contributing Property’s, setting and neighborhood character of the APD, will ensure fair, reasonable and objective preservation practices by the APDC.

ADMINISTRATIVE REVIEW/DETERMINATION OF APPLICABILITY: Pursuant to Section 7 of this bylaw, a process to review proposed alterations to Contributing Properties and identify the need for Binding Review.

Remove AGGRIEVED PARTY: *The owner of the subject property or an owner of real property located within the APD or within three hundred feet of the subject property.*

ALTERATION, MINOR: Replacement, modification or material change to existing architectural features on a Contributing Property, which retains the character of the property as determined by the Architectural Preservation District Commission. Examples include, but are not limited to windows, doors, roof material and trim work.

ALTERATION, SUBSTANTIAL: A change to a Contributing Property or part thereof, such as removal, reconstruction, restoration, replication, rehabilitation, addition, or demolition; and/or a change to a site that includes, enlarging or moving a building and other similar activities.

ARCHITECTURAL PRESERVATION DISTRICT (“APD”): An area of historic and /or architectural significance determined by the Town’s residents to be worthy of preservation.

BINDING REVIEW: Pursuant to Section 8 of this bylaw, a mandatory process which applies to substantial alterations of contributing properties, including demolition, in the APD.

BUILDING: A combination of materials having a roof, the purpose of which is the shelter of persons, animals, property, or processes, including any other permanent structure.

CERTIFICATE TO ALTER: A document issued by the APDC allowing Alterations pursuant to Section 8 of this bylaw.

CONTRIBUTING PROPERTY: Any building or stone wall within an APD, which is older than 75 years and contributes to the Architectural Preservation District’s historical character as determined by the Architectural Preservation District Commission.

DEMOLITION: The act of removing or razing structures or significant parts of structures, or commencing the work of total or substantial destruction with the intent of completing the same.

DEMOLITION BY NEGLECT: Destruction by failure to maintain roof, siding, foundation or any other aspect that requires upkeep, which could ultimately result in the Contributing Property being condemned. These include but are not limited to:

1. Facades which may fall and injure members of the public or property.
2. Deteriorated or inadequate foundation, deteriorated flooring or floor supports, deteriorated walls or other vertical structural supports.
3. Members of ceilings, roofs, ceiling and roof supports or other horizontal members which sag, split or buckle due to deterioration.
4. Deteriorated or ineffective waterproofing of exterior walls, roof, foundations or floors, including broken windows or doors.
5. Improper or insufficient waterproofing or exterior wall covering, including lack of paint or weathering due to lack of paint or other protective covering.
6. Any fault or defect in the Contributing Property caused by alteration or neglect of maintenance, which renders it not properly watertight or structurally unsafe.
7. Fireplaces or chimneys which list, bulge or settle due to deterioration.

DESIGN GUIDELINES: A public document which provides further detail and illustration of the design standards established in Section 9 of this bylaw. Such guidelines, by facilitating the APDC’s determination as to whether proposed alterations are appropriate and compatible with the existing Contributing Property’s, setting and neighborhood character of the APD, will ensure fair, reasonable and objective preservation practices by the APDC.

DRAFT MAP

Section 3: Designation of Architectural Preservation District (APD)

The APD shall, by Town Meeting vote, encompass the areas shown on the map entitled “Town of Lunenburg *Historic District* and the *Lunenburg Village District*,” and appended to this bylaw. Amendments to the district boundaries may be made only by vote of Town Meeting.

Section 4: Architectural Preservation District Commission (APDC)

The Board of Selectmen shall appoint a **five-member** APDC to oversee the APD pursuant to this bylaw. Initially, two members shall be appointed for one year, two for two years, and one for three years; each successive appointment shall be made for three years. The Board of Selectmen may also appoint up to two alternate members, initially for terms of one, two and three years, and for three-year terms thereafter. If members are absent, unable to act, or recused from voting due to a conflict of interest, the APDC chair may designate one or both of the alternate members to serve in their place. To the extent achievable, the APDC shall be comprised of the following persons: a member of the Lunenburg Historical Commission; a design professional; a craftsperson or building contractor familiar with historic restoration; and two residents of the APD **and one resident at large**. Members and alternates of the APDC shall by reason of experience and/or education have demonstrable knowledge, interest, and ability to effectively carry out the APDC’s responsibilities.

Section 5: APDC Powers and Duties

The APDC shall exercise its powers in reviewing the alteration (substantial or minor), including demolition of contributing properties within the APD as set forth in this bylaw, and in accordance with the standards described in Section 9. Within 180 days of its establishment, the APDC shall adopt design guidelines to assist the APDC in determining whether the proposal satisfies the standards described in Section 9, as well as to facilitate owner understanding of, and compliance with, those standards. The APDC may also promulgate rules and regulations consistent with the provisions of this bylaw, or set forth such forms and procedures as it deems appropriate for the regulation of its affairs and the conduct of its business, including requirements for the contents and form of applications for certificates, hearing procedures and other matters. In adopting

design guidelines and rules and regulations, including any subsequent amendments, the APDC shall first hold a duly posted public hearing advertised at least fourteen (14) days in advance within a newspaper of local circulation. The APDC shall not adopt or amend any design guidelines or rules and regulations until at least 35 days after the APDC has provided a copy of those proposed guidelines or rules and regulations to the Board of Selectmen.

Section 6: Exemptions

The following are exempt from the requirements of this bylaw:

- a) Routine maintenance of Contributing Properties.
- b) Repairs or improvements which do not require a building permit from the Building Inspector.
- c) Temporary buildings (subject to time and size limits imposed by the APDC).
- d) Interior building alterations.
- e) Exterior building colors.
- f) Installation, removal or replacement of storm windows and storm doors, screen windows and screen doors.
- g) Installation, removal or replacement of gutters, downspouts, window shutters and door shutters.
- h) Structures not defined as Contributing Properties.

Section 7: Administrative Review/Determination of Applicability

Minor alterations such as like for like replacement of architectural features and other minor work (as outlined in the APDC regulations) shall be reviewed through this process to ensure consistency of the property's character and appropriateness of the proposed materials. The APDC shall make a determination that the proposed work is exempt or that it does not retain the character of the Contributing Property. In the case where the work does not retain the character of the Contributing Property it shall be determined to equate to a substantial alteration and require a binding review per Section 8 of this Bylaw.

Property owners considering substantial alterations to a Contributing Property are strongly encouraged, but not required, to request an Administrative Review from the APDC. This review would focus on directing the applicant toward developing a proposal that would be compliant with the Binding Review Process in Section 8. Administrative Review does not require a public hearing and can be requested electronically. In providing Administrative Review for a proposed Alteration, the APDC shall make a finding as to whether or not the proposed Alteration is compatible with the standards in Section 9 and the associated design guidelines. The APDC shall provide its finding in writing, as a Negative Determination or a Requirement of Binding Review, and within **45** days of receiving a request for Administrative Review. The Requirement of Binding Review may include recommendations on how the proposed Alteration could be made more consistent with the standards and the design guidelines.

Section 8: Binding Review

The following Alterations require the submittal of an application for binding review by the APDC:

- (a) Demolition of all or a part of a Contributing Property.
- (b) Substantial Alterations to a Contributing Property.

Applications should include a completed application form and photographs showing existing buildings and site conditions. For substantial alteration, including additions and demolition, applicants should also provide building elevations showing the proposed configuration and building materials; a plan showing the approximate footprint and relationships of buildings to other structures, exterior circulation, and points of entry; and any other plans which may help to demonstrate the proposed building design. Applications can be submitted electronically, but applicants shall also provide one hard copy of the application to the Planning Office. If appropriate, the APDC may waive any or all of the requirements for design submittal and review.

Within thirty (**45**) days of the application submittal, a copy of which shall be filed with the Town Clerk, the APDC shall hold a public hearing on the application, said hearing to be noticed by an ad published at least once in a newspaper with local circulation fourteen (14) days or more before the hearing. Following the hearing, the APDC shall determine whether or not the proposed Alteration is consistent with the standards set forth in Section 9 and the associated design guidelines. If the APDC determines by majority vote that the Alteration adheres to the standards and the design guidelines, it shall issue a Certificate to Alter, which may be subject to reasonable conditions that the APDC deems necessary and appropriate. If the APDC does not achieve a majority vote that the Alteration is compatible with the standards and the design guidelines, it shall make a negative determination. The APDC's written determination shall be submitted to the property owner within twenty (20) days of the close of the public hearing, and no later than ninety (90) days after the submittal of an application, unless granted a time extension by the owner. In making its determination, the APDC shall provide a rationale for its action, including a description of how the alteration does or does not meet the standards set forth in Section 9 and the design guidelines. If the APDC denies a Certificate to Alter, it may include non-binding advisory only, recommendations on how the proposed Alterations may be modified to satisfy the APDC. Once the applicant modifies the Alterations in a manner that the APDC finds acceptable, the APDC shall issue a Certificate to Alter. The determinations of the APDC relative to Alterations described in this Section 8, whether positive or negative, shall be binding on the applicant.

Section 9: Design Standards When reviewing an application, the APDC shall consider the following standards, which are intended to guide the property owner in the site development and building design, as well as the APDC in its review of proposed actions as described in Section 8 above:

- (a) **Height and Proportions** – The height, proportions, and relationship of height to width between windows, doors, signs and other architectural elements should be compatible with the architectural style and character of the building or structure.
- (b) **Relation of Structures and Spaces** – The relation of a structure to the open space between it and adjoining structures should be compatible with such relationships in the district.
- (c) **Shape** – The shape of roofs, windows, doors and other design elements should be compatible with the architectural style and character of the building.
- (d) **Scale** – The scale of a structure alteration should be compatible with its architectural design style and character and that of the district.
- (e) **Directional Expression** – Building facades and other architectural design elements should be compatible with those of others in the district with regard to the dominant vertical or horizontal expression or direction related to use and historical or cultural character, as appropriate.
- (f) **Garages and Accessory Buildings** – Garages and accessory buildings shall be sensitively integrated into the overall development, and should not be the predominant design feature when viewed from the street.
- (g) **Materials & Methods of Construction** – Materials used shall be consistent with the appearance and character of the surrounding properties and contribute to historic nature of the area. Construction methods shall meet Building Code requirements and visually resemble historic patterns but may use contemporary technology.

Section 10: Procedures for Issuance and Filing of APDC Determinations: Each Certificate to Alter or negative determination issued by the APDC shall be dated and signed by its chair or such other person designated by the APDC to sign certificates on its behalf. The APDC shall send a written copy of its actions to the property owner and shall file other copies with the office of the Town Clerk and the Building Inspector. The date of issuance of a certificate or negative determination shall be the date of its filing of other said copy with the office of the Town Clerk. If the APDC should fail to submit a written determination within twenty (20) days of closing its public hearing, or within ninety (90) days of the submittal of a Certificate, or within such further time as the applicant may allow in writing, a Certificate to Alter shall be waived in favor of the property owner.

Section 11: Enforcement In addition to the duties previously set forth in this Bylaw, the APDC or the Building Inspector shall issue enforcement orders, with an immediate cease and desist order directing compliance with this Bylaw and shall undertake any other enforcement authorized by law.

Upon request of APDC, and with the approval of the Board of Selectmen, the Town Counsel shall take legal action on behalf of the Town for enforcement of this Bylaw, or any order issued hereunder, in any court of competent jurisdiction.

In the case of demolition, including demolition by neglect, without approval of the APDC no building permit shall be issued with respect to any Contributing Property within the APD that caused a demolition of its building, structure or Contributing Property for a period of up to two (2) years after the date of the violation.

The APDC or its designee may use any and all of the aforementioned enforcement methods to address the contributing factors of demolition by neglect for purposes of preventing a Contributing Property from becoming structurally deficient or economically infeasible to repair.

Section 12: Coordination with Other Town Boards and Bylaws

- (a) Except as stated in “(b)” below, the APDC’s authority as established in this bylaw shall not supersede or interfere with the regulatory authority of other local or state boards or APDCs.
- (b) By exercise of this bylaw, the APDC assumes the authority of the Lunenburg Historical Commission pursuant to Chapter XVI of these General Bylaws, relative to the proposed demolition (including demolition by neglect) of buildings that are over 75 years of age and located within the APD.
- (c) The APDC shall coordinate its review with that of other Town Boards.
- (d) The APDC shall be included as an advisory review entity in new construction projects that move through the Planning Board Development Plan Review and/or Special Permit processes.

Section 13: Appeal Procedure

Any aggrieved party may appeal the action of the APDC in accordance with the General Laws.

Section 14: Validity and Separability

The provisions of this bylaw shall be deemed to be separable. If any of its provisions, sections, subsections, sentences or clauses shall be held to be invalid or unconstitutional by any court of competent jurisdiction, the remainder of this bylaw shall continue to be in full force and effect.

Section 15: Appendices

Appendix A: The location and boundaries of the Town of Lunenburg Architectural Preservation District are defined and shown on the Town of Lunenburg Village Center District Map and the Town of Lunenburg Historic District Map, which is a part of this bylaw.”

ARTICLE 27. To see if the Town will vote **to amend the Zoning Bylaw by adding Section 4.17, Village Center District** as follows:

4.17. VILLAGE CENTER DISTRICT

PREAMBLE

The Lunenburg Town Center region has tremendous importance in symbolizing the unique character and heritage of Lunenburg. As residents engage with the historic buildings and streetscape of this area in the course of their routine daily business, be it school related, recreational, commercial, or even just driving through, the experience greatly reinforces a profound bond with the town’s present community and past heritage.

There is an opportunity to significantly improve the quality of this already poignant civic experience and increase the number of people who will be drawn to share in it by expanding the businesses and other attractions in the area. There is also a key challenge to preserving this critical embodiment of our town. Appropriate new uses or remedies must be found to the increasing number of underutilized buildings located about the town center.

Town planning experience and best practices, as exemplified in the state’s model bylaw for Village Center Districts, demonstrates some key ingredients to sustaining and enriching this type of environment in small towns. One of these is careful stewardship through clear guidelines for development consistent with what the area means to the community. Another is encouraging a level of intensive mixed use development, so that the critical mass of social and economic activity can be reached that will naturally provide the resources and inspiration required to maintain and organically adapt the area landmarks, buildings, and infrastructure without excessive burden on the Town’s public finances.

4.17.1. Purpose

In pursuit of this opportunity and to address this challenge, the Town implements this bylaw and designates this zoning district as Village Center District in order to encourage economic and residential growth that fits the character of the Town. The purposes of the Village Center District are to:

- a. Build upon the historic development patterns in the existing village centers to create attractive, walkable neighborhoods;
- b. Encourage adaptive reuse of abandoned, vacant or underutilized buildings or structures where appropriate;
- c. Allow for a mix of new land uses that are appropriate to both the needs of the community and the scale of surrounding neighborhoods;
- d. Provide incentives to develop larger parcels at higher densities and in a coordinated, planned approach;
- e. Maintain a consistently high level of design quality throughout the district;
- f. Encourage the development of mixed use buildings and campuses that are designed and constructed in a manner that is contextually sensitive to the existing structures and facilities.

4.17.2. Establishment

The Village Center District is hereby established as of 1 January 2016 and consists of the area shown as the Village Center District on Town of Lunenburg Zoning Map on file with the Town/City Clerk and dated 2 May 2015 as may be amended from time to time by Town Meeting.

4.17.3. Definitions

Artist Space: A shop for the creation and/or sale of goods made by a potter, ceramicist, silversmith, jewelry maker, painter, photographer or other fine artist. This space may also serve as a living space for the artist provided there is adequate separation between uses per the governing Building and Health Codes.

Banner: A strip of cloth or other man made fabric on which a sign is painted, silk-screened or printed. The display area shall be defined as the area of one face of the banner. The banner shall not exceed (40) square feet and shall not be displayed for more than fourteen (14) consecutive days.

Bed & Breakfast: Bed and Breakfast, or Bed and Breakfast Establishment provided that:

- a) The dwelling is owner occupied.
- b) The lot conforms to all dimensional requirements of the Zoning Bylaw.
- c) Parking for each room available for rent is provided in the side yard behind the setback line or in the rear yard, but not nearer than ten (10) feet to any property line. One (1) parking place shall be provided for each bedroom.
- d) The outside appearance of the building is not altered from that of a residence, except to comply with the Building Code.

Civic Use: A land use that provides a public, cultural, or institutional benefit to the community. Specific uses may include, but shall not be limited to, government offices, religious institutions, educational institutions, and medical facilities (not including veterinary operations). For the purposes of this bylaw, civic uses shall not include open space as defined below.

Multiple Commercial Use: A combination of commercial uses within a single building or lot. In the case of uses that fall under the Special Permit requirements of Section 4.17.5.b. a Zoning Board of Appeals decision must be rendered on the use prior to the filing for Development Plan Review.

Mixed Use: A combination of commercial and residential uses within a single building or lot. In the case of uses that fall under the Special Permit requirements of Section 4.17.5.b. a Zoning Board of Appeals decision must be rendered on the use prior to the filing for Development Plan Review.

Personal Service: An establishment engaged in the provision of services to the general public which are conducted within the structure. This includes, but is not limited to, barbers, hair salons, massage therapists, chiropractors and nail salons.

Professional Office: An office primarily devoted to professional activities, including, but not limited to, banks, real estate, insurance or other agency offices; an office of an accountant, physician, teacher, dentist, engineer, lawyer, homebuilder, photographer, or other recognized professional for which specific training and/or licensing is required. Drive-thru service shall be limited to banks and shall require a Special Permit.

Open Space: In the context of an application for a Village Center District Special Permit, this term denotes open areas set aside for public use as part of a coordinated site development process. Specific requirements for ownership and maintenance are provided in Section 4.17.9. and shall not include areas covered with impervious surface treatments.

Transparency: The amount of transparent space that occupies a building façade including standard street-level windows and doorway windows.

Restaurant: A place serving food and beverage within a structure or patio, primarily for consumption on the premises. Drive-thru windows shall be prohibited for this use.

Retail: An establishment engaged in displaying and selling goods or merchandise within a building to the general public or to business establishments where the goods or merchandise are not intended for resale. There shall be no outdoor display of goods without the granting of Special Permit from the Board of Appeals.

4.17.4. Authority

The Planning Board shall act as the administering authority for any Development Plan Review procedure associated with this bylaw Section 8.4. The Board of Appeals shall serve as the Special Permit Granting Authority for any use that requires a Special Permit in the district, any use requiring a Special Permit pursuant to Section 4.17.5.

4.17.5. Use Provisions

a. The following uses are allowed by-right subject to any Development Plan Review requirements listed in Section 8.4 and all applicable density and design provisions listed in this bylaw.

- 1) Retail, with maximum 5,000 sq. ft. of floor area
- 2) Professional Office Space
- 3) Personal Service
- 4) Artist space
- 5) Restaurant
- 6) Bed & Breakfast
- 7) Mixed Use containing less than 5,000 sq. ft. per individual proposed use
- 8) Multiple Commercial Use containing less than 5,000 sq. ft. per individual proposed use
- 9) Civic Uses

b. The following uses are allowed only through the granting of a Special Permit by the Board of Appeals pursuant to the procedures outlined in Section 8.3.

- 1) Single and Two-Family Homes
- 2) Multi-Family Homes
- 3) Apartment Complexes
- 4) Movie House/ Theatre (maximum of two screens)
- 5) Liquor Stores
- 6) Outdoor Markets subject to applicable licensing requirements
- 7) Private Club
- 8) Drive Through Use for Banks
- 9) Retail Use greater than 5,000 sq. ft.
- 10) Uses allowed by-right with a floor area greater than 5,000 sq. ft. included in a Multiple Commercial Use or Mixed Use development.

c. Special Permit Approval Criteria – The Zoning Board of Appeals shall act upon all applications after notice and public hearing, and after due consideration may grant such a special permit provided that it finds the proposed use:

- a. Is in harmony with the purpose and intent of the Bylaw and will promote the purposes of the Village Center District.
- b. The use is in harmony with those of the abutting properties and the Village Center District as a whole.
- c. All applicable standards for use, parking, and dimensional requirements are met;
- d. All applicable design standards listed in Section 8 are met.
- e. Where multiple structures are proposed, the site design reflects a thoughtful arrangement of elements that will facilitate the movement of pedestrians between structures through the use of sidewalks, internal walkways, alleys or open space features.
- d. The following uses are prohibited in the Village Center District

- 1) Newly constructed one-story buildings on lots of less than 5 acres.
- 2) Retail operations with more than five thousand (5,000) square feet of gross floor area on any individual floor, except for reuse of buildings existing prior to 1 May 2015.
- 3) Drive through establishments, excluding those expressly allowed by Special Permit.

4.17.6. Dimensional Requirements

a.

Building Type	Mixed Use with Commercial 1 st Floor	Other Mixed-Use or Residential Only
Maximum Floor Area Ratio (FAR) (Gross Floor Area/Lot Size)	2.0	1.5
Minimum Lot Frontage	75 feet	
Maximum Lot Coverage	85%	
Minimum Lot Area	N/A	
Number of Buildings Per Lot	See Section 4.17.9	
Maximum Building Frontage	300 feet	
Minimum Front Setback	5 feet	
Maximum Front Setback w/o street furniture	15 feet	
Minimum Side/Rear Setback abutting a Residential Zone	10 feet	
Minimum Side/Rear Setback in VCD	5 feet	
Interior Setback (Between Buildings on the Same Lot)	10 feet	

- b. Height Limitations for Non-residential and Mixed Use: Building height for mixed use or non-residential use shall not exceed thirty-eight (38) feet and no building shall have more than three (3) stories.

4.17.7. Parking Requirements

Use	Parking Requirement
Retail/Personal Service/Liquor Store	1 parking space per 400 sq. ft. of net floor area, plus 1 space per employee on the largest shift
Professional Office/Civic Uses	1 parking space per 300 sq. ft. of net floor area

Artists Space	1 parking space per 400 sq. ft. of net retail/gallery floor area, plus 2 parking space per dwelling unit
Restaurant/Private Club	1 parking space per 4 seats, plus one for each employee on the largest shift
Bed & Breakfast	1 parking space per accommodation room, plus 2 parking spaces for the primary residence, plus 1 per non-resident employee on the largest shift.
Mixed Use/Multiple Commercial	Parking to be Provided per the Individual Uses
All Residential Uses	2 parking spaces per dwelling unit
Movie House	1 parking space per 4 occupants, plus 1 parking space per 2 employees on the largest shift
Outdoor Market	1 parking space per 500 sq. ft.

As part of a Development Plan approval or Special Permit process within this district, the applicant may request reductions to minimum requirements or alternative methods for meeting the required parking. Available innovative parking strategies include:

a. Shared On-Site Parking

1) Non-competing Uses. In mixed-use developments, applicants may propose a reduction in parking requirements based on an analysis of peak demands for noncompeting uses. Up to 50% of the requirements for the predominant use may be waived by the Planning Board or the Board of Appeals if the applicant can demonstrate that the peak demands for two uses do not overlap. An additional 25% may be waived with the addition of bicycle parking facilities.

b. Off-Site Parking

Separate from, or in conjunction with Shared Parking provisions, an applicant may use off-site parking to satisfy their parking requirements in accordance with the following conditions:

- 1) Off-site parking shall be within one-thousand (1000) feet of the property for which it is being requested.
- 2) Off-site parking spaces provided by a separate private property owner shall be subject to a legally binding agreement that will be presented to the Permit Granting Authority as a condition of either the Development Plan Review or the Special Permit. Where an agreement shall expire within a specified timeline, the applicant or current property owner shall continue to provide evidence to the Zoning Enforcement Agent that the agreement has been extended. The Permit Granting Authority will verify with the Zoning Enforcement Officer that there are no existing parking agreements during the permitting process.

4.17.8. Design Standards

The Design Standards in this section shall be applied to development within the Village Center District where applicable.

a. Occupied Lot Area.

- 1) The total lot devoted to building, parking, outdoor storage and display and other impervious surfaces may occupy up to eighty-five (85%) percent of the total lot area.

b. Buildings

- 1) All buildings shall have a principal façade and entry (with operable doors) facing a street or open space. Buildings may have more than one principal façade and/or entry.
- 2) Building finish materials shall be appropriate to traditional New England architecture.
- 3) Building facades, materials and roof lines shall be reviewed under the permit granting authority to ensure consistency

and compatibility with other structures.

- 4) Blank walls adjacent to streets, alleys or open spaces shall not be permitted. Where windows are not possible or appropriate to the intended use, vertical articulation in the form of raised or recessed surfaces shall be used to break up blank walls.
- 5) New retail buildings shall have one of the following features along the front entrances to pedestrians: awning, marquee, arcade and/ or colonnade.
- 6) Flat roofs that are visible from the street are prohibited unless an appropriate façade is included in the design.
- 7) Larger buildings with multiple non-residential tenants on the first floor shall articulate the façade in a manner that distinguishes the location of these tenants through the use of decorative raised or depressed vertical surfaces, variations of acceptable signage, awnings, marquees, colonnades or arcades.
- 8) Mixed Use buildings shall have no more than twenty five (25%) percent of the first floor dedicated to residential use. Conversion or partial conversion of residential uses existing before 1 May 2015 are exempt from this provision.
- 9) All new utility service connections shall be placed underground.
- 10) Lighting, signage and architectural style shall be consistent with other uses in the District and reviewed under the Permit Granting Authority.

c. Signs

- 1) Primary signs shall be flat against the façade, or mounted projecting from the façade.
- 2) Signs that project from buildings shall have at least ten (10) feet of clearance from the ground level.
- 3) Signs shall be externally lit from the front; lighting shall be provided using a gooseneck fixture. Back lighting of signs shall not be used.
- 4) Neon, flashing signs, moving signs, electric message signs, and roof signs shall not be used, except for barber poles.
- 5) Banners with a specific date of expiration, shall be allowed, after approval by the Zoning Enforcement Officer.
- 6) Signs shall be made of attractive materials consistent with the character of the district. Materials may include wood (painted or natural), stone, copper, brass, galvanized steel, painted canvas or paint/engraved on façade surface.
- 7) Signs may only be incorporated into the skirt of awnings and not on the primary angled surface.
- 8) Each building façade facing a street or parking area is permitted to have signs that equal a maximum square footage of five (5%) percent of the respective façade.
- 9) A building with multiple businesses shall have signs of equal size on the façade, signs shall be either rectangular or oval shaped.
- 10) Free standing signs shall be prohibited except for municipal use, portable and temporary signs.
- 11) Sandwich board signs, flags and other portable signs are permitted only within the property lines, as long as they are properly weighted.
- 12) Window signs, comprising no more than ten (10%) percent of the transparent surface, shall be allowed. Window signs shall not be lighted or animated in any manner, with the exception of the standard lighting fixtures within the building.

d. Site Design

- 1) Interior Streets, Drives, Walkways and Access.
 - a) Site access shall be a single divided way (one way in and one way out) where and when appropriate as determined by the Permit Granting Authority.
 - b) Surfaces shall be pervious when possible and practical.
 - c) Street level frontage shall be devoted to entrances, shop windows or other displays.
 - d) Primary entrances to proposed and existing buildings shall be situated on pedestrian amenities (e.g., sidewalks, plazas or open space) with a minimum width of 10 feet.
 - e) Setbacks shall be consistent with the fabric of the existing street and do not preclude pedestrian access.
- 2) Parking and Loading Area.
 - a) Parking shall be in the rear or side of building(s) and shall not be visible from the street line when possible. Parking will be reviewed by the Permit Granting Authority.
 - b) All loading docks shall be to the rear of the building(s) and shall not be visible from the street. Adequate access for loading and emergency vehicles is maintained on one side of the building.
- 3) Sidewalks.
 - a) Sidewalks shall be provided from the street line, when applicable, and from the parking areas to building(s).
- 4) Landscaping.
 - a) There shall be a minimum of a four (4) foot landscaped area along the street frontage and along the front and side of the principal building(s) and plantings of indigenous materials along the façades of the building(s) and between the building(s) if there is more than one principal building on site.
 - b) Additional landscaping and screening may be required during the Development Plan Review or by the permitting authority.
 - c) Such landscape shall be a type and height that does not interfere with sight lines of drivers.

- d) Natural features shall be retained to the extent possible.
 - e) A landscape plan shall be provided and reviewed.
 - f) Where residential neighborhoods abut commercial, office or mixed use developments, appropriate transitional features shall be used and may include landscaping, open space or parks, or streets with clearly designed pedestrian features.
- 5) Street Furniture.
- a) Light fixtures shall be designed to be of number and height that grants plentiful lighting. Such lighting shall shine downwards as to not affect adjacent properties and be dark sky compliant.
 - b) Lighting must also be placed on the side and rear of the building.
 - c) A Lighting Plan may be required if the Permitting Granting Authority deems the project is of such a scale that the impacts to the neighborhood are adverse; such plan will show where all light fixtures are being proposed within the site, as well as a narrative as to the type of light and height of all fixtures.
 - d) Outdoor tables, benches, and bicycle racks shall be of a style consistent with the principal use(s) of the site.
 - e) The location, number and style of exterior trash receptacles shall be reviewed under Permit Granting Authority.

4.17.9. Village Center District Campus Developments

Developments that contain multiple buildings and uses on a single lot are encouraged as long as they are sensitive to the context of the surrounding area and meet the purposes outlined above. These developments are subject to the provisions of Section 8.4 Development Plan Review of the Protective Bylaw as well as the additional design guidelines outlined in Section 4.17.8. of this Bylaw and below.

- a. Additional Design Standards: In addition to those design standards listed in Section 4.17.8. of this bylaw, applications for a Village Center District Campus shall also meet the following standards:

1) Buildings

- i. Newly constructed building façades for non-residential first floor uses shall have a transparency of at least *twenty* (20%) percent and no more than sixty (60%) percent for all facades that, wholly or partially, address street frontage, sidewalks, or other public space.
- ii. Buildings in Village Center District Campus Developments shall meet the following criteria:
 - a) No more than ten (10%) percent of the first floor of newly constructed buildings shall be occupied by residential use.
 - b) No more than sixty (60%) percent of the total gross floor area of the development shall be occupied by residential use.

2) Signs

- i. Freestanding directory signs may be permitted as part of a Village Center District Campus application where several non-residential operations are accessed through a common vehicular entrance. Such freestanding signs shall not exceed eight (8) feet in height, six (6) feet in width and each tenant shall be allowed a maximum of four and a half (4.5) square feet to display the company or agency name.

3) Site Design

- i. Buildings shall be arranged in a manner that optimizes the ability of residents and consumers to access public spaces and pedestrian amenities.
 - (ii) Buildings shall be oriented toward each other in a way that minimizes conflicts between pedestrians and automobiles.
 - (iii) Open space provided pursuant to Section 4.17.9.b. of this bylaw shall be designed as a public gathering place. Arcades, courtyards, parks, greens or other common areas shall be located in a manner that connects buildings to each other and to public sidewalks without interruption from parking areas or automobile travel lanes to the greatest practicable extent.
 - (iv) Features that may be used to create open space areas acceptable to the Planning Board or the Board of Appeals may include, without limitation, fixed benches, fixed tables, fountains, pathways, bikeways, bicycle racks, period lighting, shade trees, perennial gardens, picnic areas, and/or trash receptacles.

4.17.10 Severability

If any provision of this bylaw is held invalid by a court of competent jurisdiction, the remainder of the bylaw shall not be affected thereby, or take any other action relative thereto (Submitted by the Planning Board) **Board of Selectmen recommends approval 5-0, Planning Board recommends approval 5-0, Finance Committee reports no direct financial impact..**

VOTED (2/3rds DECLARED) (with amendments *italicized*) that the Town vote to amend the Zoning Bylaw by adding Section 4.17, Village Center District as follows:

4.17. VILLAGE CENTER DISTRICT

PREAMBLE

The Lunenburg Town Center region has tremendous importance in symbolizing the unique character and heritage of Lunenburg. As residents engage with the historic buildings and streetscape of this area in the course of their routine daily business, be it school related, recreational, commercial, or even just driving through, the experience greatly reinforces a profound bond with the town's present community and past heritage.

There is an opportunity to significantly improve the quality of this already poignant civic experience and increase the number of people who will be drawn to share in it by expanding the businesses and other attractions in the area. There is also a key challenge to preserving this critical embodiment of our town. Appropriate new uses or remedies must be found to the increasing number of underutilized buildings located about the town center.

Town planning experience and best practices, as exemplified in the state's model bylaw for Village Center Districts, demonstrates some key ingredients to sustaining and enriching this type of environment in small towns. One of these is careful stewardship through clear guidelines for development consistent with what the area means to the community. Another is encouraging a level of intensive mixed use development, so that the critical mass of social and economic activity can be reached that will naturally provide the resources and inspiration required to maintain and organically adapt the area landmarks, buildings, and infrastructure without excessive burden on the Town's public finances.

4.17.1. Purpose

In pursuit of this opportunity and to address this challenge, the Town implements this bylaw and designates this zoning district as Village Center District in order to encourage economic and residential growth that fits the character of the Town.

The purposes of the Village Center District are to:

- a. Build upon the historic development patterns in the existing village centers to create attractive, walkable neighborhoods;
- b. Encourage adaptive reuse of abandoned, vacant or underutilized buildings or structures where appropriate;
- c. Allow for a mix of new land uses that are appropriate to both the needs of the community and the scale of surrounding neighborhoods;
- d. Provide incentives to develop larger parcels at higher densities and in a coordinated, planned approach;
- e. Maintain a consistently high level of design quality throughout the district;
- f. Encourage the development of mixed use buildings and campuses that are designed and constructed in a manner that is contextually sensitive to the existing structures and facilities.

4.17.2. Establishment

The Village Center District is hereby established as of 1 January 2016 and consists of the area shown as the Village Center District on Town of Lunenburg Zoning Map on file with the Town/City Clerk and dated 2 May 2015 as may be amended from time to time by Town Meeting.

4.17.3. Definitions

Artist Space: A shop for the creation and/or sale of goods made by a potter, ceramicist, silversmith, jewelry maker, painter, photographer or other fine artist. This space may also serve as a living space for the artist provided there is adequate separation between uses per the governing Building and Health Codes.

Banner: A strip of cloth or other man made fabric on which a sign is painted, silk-screened or printed. The display area shall be defined as the area of one face of the banner. The banner shall not exceed (40) square feet and shall not be displayed for more than fourteen (14) consecutive days.

Bed & Breakfast: Bed and Breakfast, or Bed and Breakfast Establishment provided that:

- a) The dwelling is owner occupied.

- b) The lot conforms to all dimensional requirements of the Zoning Bylaw.
- c) Parking for each room available for rent is provided in the side yard behind the setback line or in the rear yard, but not nearer than ten (10) feet to any property line. One (1) parking place shall be provided for each bedroom.
- d) The outside appearance of the building is not altered from that of a residence, except to comply with the Building Code.

Civic Use: A land use that provides a public, cultural, or institutional benefit to the community. Specific uses may include, but shall not be limited to, government offices, religious institutions, educational institutions, and medical facilities (not including veterinary operations). For the purposes of this bylaw, civic uses shall not include open space as defined below.

Multiple Commercial Use: A combination of commercial uses within a single building or lot. In the case of uses that fall under the Special Permit requirements of Section 4.17.5.b. a Zoning Board of Appeals decision must be rendered on the use prior to the filing for Development Plan Review.

Mixed Use: A combination of commercial and residential uses within a single building or lot. In the case of uses that fall under the Special Permit requirements of Section 4.17.5.b. a Zoning Board of Appeals decision must be rendered on the use prior to the filing for Development Plan Review.

Personal Service: An establishment engaged in the provision of services to the general public which are conducted within the structure. This includes, but is not limited to, barbers, hair salons, massage therapists, chiropractors and nail salons.

Professional Office: An office primarily devoted to professional activities, including, but not limited to, banks, real estate, insurance or other agency offices; an office of an accountant, physician, teacher, dentist, engineer, lawyer, homebuilder, photographer, or other recognized professional for which specific training and/or licensing is required. Drive-thru service shall be limited to banks and shall require a Special Permit.

Open Space: In the context of an application for a Village Center District Special Permit, this term denotes open areas set aside for public use as part of a coordinated site development process. Specific requirements for ownership and maintenance are provided in Section 4.17.9. and shall not include areas covered with impervious surface treatments.

Transparency: The amount of transparent space that occupies a building façade including standard street-level windows and doorway windows.

Restaurant: A place serving food and beverage within a structure or patio, primarily for consumption on the premises. Drive-thru windows shall be prohibited for this use.

Retail: An establishment engaged in displaying and selling goods or merchandise within a building to the general public or to business establishments where the goods or merchandise are not intended for resale. There shall be no outdoor display of goods without the granting of Special Permit from the Board of Appeals.

4.17.4. Authority

The Planning Board shall act as the administering authority for any Development Plan Review procedure associated with this bylaw Section 8.4. The Board of Appeals shall serve as the Special Permit Granting Authority for any use that requires a Special Permit in the district, any use requiring a Special Permit pursuant to Section 4.17.5.

4.17.5. Use Provisions

a. The following uses are allowed by-right subject to any Development Plan Review requirements listed in Section 8.4 and all applicable density and design provisions listed in this bylaw.

- 1) Retail, with maximum 5,000 sq. ft. of floor area
- 2) Professional Office Space
- 3) Personal Service
- 4) Artist space
- 5) Restaurant
- 6) Bed & Breakfast
- 7) Mixed Use containing less than 5,000 sq. ft. per individual proposed use
- 8) Multiple Commercial Use containing less than 5,000 sq. ft. per individual proposed use
- 9) Civic Uses

b. The following uses are allowed only through the granting of a Special Permit by the Board of Appeals pursuant to the procedures outlined in Section 8.3.

- 1) Single and Two-Family Homes
- 2) Multi-Family Homes
- 3) Apartment Complexes
- 4) Movie House/ Theatre (maximum of two screens)
- 5) Liquor Stores
- 6) Outdoor Markets subject to applicable licensing requirements
- 7) Private Club
- 8) Drive Through Use for Banks
- 9) Retail Use greater than 5,000 sq. ft.
- 10) Uses allowed by-right with a floor area greater than 5,000 sq. ft. included in a Multiple Commercial Use or Mixed Use development.

c. Special Permit Approval Criteria – The Zoning Board of Appeals shall act upon all applications after notice and public hearing, and after due consideration may grant such a special permit provided that it finds the proposed use:

- a. Is in harmony with the purpose and intent of the Bylaw and will promote the purposes of the Village Center District.
- b. The use is in harmony with those of the abutting properties and the Village Center District as a whole.
- c. All applicable standards for use, parking, and dimensional requirements are met;
- d. All applicable design standards listed in Section 8 are met.
- e. Where multiple structures are proposed, the site design reflects a thoughtful arrangement of elements that will facilitate the movement of pedestrians between structures through the use of sidewalks, internal walkways, alleys or open space features.

d. The following uses are prohibited in the Village Center District

- 1) Newly constructed one-story buildings on lots of less than 5 acres.
- 2) Retail operations with more than five thousand (5,000) square feet of gross floor area on any individual floor, except for reuse of buildings existing prior to 1 May 2015.
- 3) Drive through establishments, excluding those expressly allowed by Special Permit.

4.17.6. Dimensional Requirements

a.

Building Type	Mixed Use with Commercial 1 st Floor	Other Mixed-Use or Residential Only
Maximum Floor Area Ratio (FAR) (Gross Floor Area/Lot Size)	2.0	1.5
Minimum Lot Frontage	75 feet	
Maximum Lot Coverage	85%	
Minimum Lot Area	N/A	
Number of Buildings Per Lot	See Section 4.17.9	
Maximum Building Frontage	300 feet	

Minimum Front Setback	5 feet
Maximum Front Setback w/o street furniture	15 feet
Minimum Side/Rear Setback abutting a Residential Zone	10 feet
Minimum Side/Rear Setback in VCD	5 feet
Interior Setback (Between Buildings on the Same Lot)	10 feet

b. Height Limitations for Non-residential and Mixed Use: Building height for mixed use or non-residential use shall not exceed thirty-eight (38) feet and no building shall have more than three (3) stories.

4.17.7. Parking Requirements

Use	Parking Requirement
Retail/Personal Service/Liquor Store	1 parking space per 400 sq. ft. of net floor area, plus 1 space per employee on the largest shift
Professional Office/Civic Uses	1 parking space per 300 sq. ft. of net floor area
Artists Space	1 parking space per 400 sq. ft. of net retail/gallery floor area, plus 2 parking space per dwelling unit
Restaurant/Private Club	1 parking space per 4 seats, plus one for each employee on the largest shift
Bed & Breakfast	1 parking space per accommodation room, plus 2 parking spaces for the primary residence, plus 1 per non-resident employee on the largest shift.
Mixed Use/Multiple Commercial	Parking to be Provided per the Individual Uses
All Residential Uses	2 parking spaces per dwelling unit
Movie House	1 parking space per 4 occupants, plus 1 parking space per 2 employees on the largest shift
Outdoor Market	1 parking space per 500 sq. ft.

As part of a Development Plan approval or Special Permit process within this district, the applicant may request reductions to minimum requirements or alternative methods for meeting the required parking. Available innovative parking strategies include:

a. Shared On-Site Parking

1) Non-competing Uses. In mixed-use developments, applicants may propose a reduction in parking requirements based on an analysis of peak demands for noncompeting uses. Up to 50% of the requirements for the predominant use may be waived by the Planning Board or the Board of Appeals if the applicant can demonstrate that the peak demands for two uses do not overlap. An additional 25% may be waived with the addition of bicycle parking facilities.

b. Off-Site Parking

Separate from, or in conjunction with Shared Parking provisions, an applicant may use off-site parking to satisfy their parking requirements in accordance with the following conditions:

1) Off-site parking shall be within one-thousand (1000) feet of the property for which it is being requested.

2) Off-site parking spaces provided by a separate private property owner shall be subject to a legally binding agreement that will be presented to the Permit Granting Authority as a condition of either the Development Plan Review or the Special Permit. Where an agreement shall expire within a specified timeline, the applicant or current property owner shall continue to provide evidence to the Zoning Enforcement Agent that the agreement has been extended. The Permit Granting Authority will verify with the Zoning Enforcement Officer that there are no existing parking agreements during the permitting process.

4.17.8. Design Standards

The Design Standards in this section shall be applied to development within the Village Center District where applicable.

a. Occupied Lot Area.

1) The total lot devoted to building, parking, outdoor storage and display and other impervious surfaces may occupy up to eighty-five (85%) percent of the total lot area.

b. Buildings

- 1) All buildings shall have a principal façade and entry (with operable doors) facing a street or open space. Buildings may have more than one principal façade and/or entry.
- 2) Building finish materials shall be appropriate to traditional New England architecture.
- 3) Building facades, materials and roof lines shall be reviewed under the permit granting authority to ensure consistency and compatibility with other structures.
- 4) Blank walls adjacent to streets, alleys or open spaces shall not be permitted. Where windows are not possible or appropriate to the intended use, vertical articulation in the form of raised or recessed surfaces shall be used to break up blank walls.
- 5) New retail buildings shall have one of the following features along the front entrances to pedestrians: awning, marquee, arcade and/ or colonnade.
- 6) Flat roofs that are visible from the street are prohibited unless an appropriate façade is included in the design.
- 7) Larger buildings with multiple non-residential tenants on the first floor shall articulate the façade in a manner that distinguishes the location of these tenants through the use of decorative raised or depressed vertical surfaces, variations of acceptable signage, awnings, marquees, colonnades or arcades.
- 8) Mixed Use buildings shall have no more than twenty five (25%) percent of the first floor dedicated to residential use. Conversion or partial conversion of residential uses existing before 1 May 2015 are exempt from this provision.
- 9) All new utility service connections shall be placed underground.
- 10) Lighting, signage and architectural style shall be consistent with other uses in the District and reviewed under the Permit Granting Authority.

c. Signs

- 1) Primary signs shall be flat against the façade, or mounted projecting from the façade.
- 2) Signs that project from buildings shall have at least ten (10) feet of clearance from the ground level.
- 3) Signs shall be externally lit from the front; lighting shall be provided using a gooseneck fixture. Back lighting of signs shall not be used.
- 4) Neon, flashing signs, moving signs, electric message signs, and roof signs shall not be used, except for barber poles.
- 5) Banners with a specific date of expiration, shall be allowed, after approval by the Zoning Enforcement Officer.
- 6) Signs shall be made of attractive materials consistent with the character of the district. Materials may include wood (painted or natural), stone, copper, brass, galvanized steel, painted canvas or paint/engraved on façade surface.
- 7) Signs may only be incorporated into the skirt of awnings and not on the primary angled surface.

8) Each building façade facing a street or parking area is permitted to have signs that equal a maximum square footage of five (5%) percent of the respective façade.

Removed 9) A building with multiple businesses shall have signs of equal size on the façade, signs shall be either rectangular or oval shaped.

Removed 10) Free standing signs shall be prohibited except for municipal use, portable and temporary signs.

Renumbered 9) Sandwich board signs, flags and other portable signs are permitted only within the property lines, as long as they are properly weighted.

Renumbered 10) Window signs, comprising no more than ten (10%) percent of the transparent surface, shall be allowed. Window signs shall not be lighted or animated in any manner, with the exception of the standard lighting fixtures within the building.

d. Site Design

1) Interior Streets, Drives, Walkways and Access.

- a) Site access shall be a single divided way (one way in and one way out) where and when appropriate as determined by the Permit Granting Authority.
- b) Surfaces shall be pervious when possible and practical.
- c) Street level frontage shall be devoted to entrances, shop windows or other displays.
- d) Primary entrances to proposed and existing buildings shall be situated on pedestrian amenities (e.g., sidewalks, plazas or open space) with a minimum width of 10 feet.
- e) Setbacks shall be consistent with the fabric of the existing street and do not preclude pedestrian access.

2) Parking and Loading Area.

- a) Parking shall be in the rear or side of building(s) and shall not be visible from the street line when possible. Parking will be reviewed by the Permit Granting Authority.
- b) All loading docks shall be to the rear of the building(s) and shall not be visible from the street. Adequate access for loading and emergency vehicles is maintained on one side of the building.

3) Sidewalks.

- a) Sidewalks shall be provided from the street line, when applicable, and from the parking areas to building(s).

4) Landscaping.

- a) There shall be a minimum of a four (4) foot landscaped area along the street frontage and along the front and side of the principal building(s) and plantings of indigenous materials along the façades of the building(s) and between the building(s) if there is more than one principal building on site.
- b) Additional landscaping and screening may be required during the Development Plan Review or by the permitting authority.
- c) Such landscape shall be a type and height that does not interfere with sight lines of drivers.
- d) Natural features shall be retained to the extent possible.
- e) A landscape plan shall be provided and reviewed.
- f) Where residential neighborhoods abut commercial, office or mixed use developments, appropriate transitional features shall be used and may include landscaping, open space or parks, or streets with clearly designed pedestrian features.

5) Street Furniture.

- a) Light fixtures shall be designed to be of number and height that grants plentiful lighting. Such lighting shall shine downwards as to not affect adjacent properties and be dark sky compliant.
- b) Lighting must also be placed on the side and rear of the building.
- c) A Lighting Plan may be required if the Permitting Granting Authority deems the project is of such a scale that the impacts to the neighborhood are adverse; such plan will show where all light fixtures are being proposed within the site, as well as a narrative as to the type of light and height of all fixtures.
- d) Outdoor tables, benches, and bicycle racks shall be of a style consistent with the principal use(s) of the site.
- e) The location, number and style of exterior trash receptacles shall be reviewed under Permit Granting Authority.

4.17.9. Village Center District Campus Developments

Developments that contain multiple buildings and uses on a single lot are encouraged as long as they are sensitive to the context of the surrounding area and meet the purposes outlined above. These developments are subject to the provisions of Section 8.4 Development Plan Review of the Protective Bylaw as well as the additional design guidelines outlined in Section 4.17.8. of this Bylaw and below.

- a. Additional Design Standards: In addition to those design standards listed in Section 4.17.8. of this bylaw, applications for a Village Center District Campus shall also meet the following standards:

1) Buildings

- i. Newly constructed building façades for non-residential first floor uses shall have a transparency of at least **twenty (20%) percent** and no more than sixty (60%) percent for all facades that, wholly or partially, address street frontage, sidewalks, or other public space.
- ii. Buildings in Village Center District Campus Developments shall meet the following criteria:
 - a) No more than ten (10%) percent of the first floor of newly constructed buildings shall be occupied by residential use.
 - b) No more than sixty (60%) percent of the total gross floor area of the development shall be occupied by residential use.

2) Signs

- i. Freestanding directory signs may be permitted as part of a Village Center District Campus application where several non-residential operations are accessed through a common vehicular entrance. Such freestanding signs shall not exceed eight (8) feet in height, six (6) feet in width and each tenant shall be allowed a maximum of four and a half (4.5) square feet to display the company or agency name.

3) Site Design

- i. Buildings shall be arranged in a manner that optimizes the ability of residents and consumers to access public spaces and pedestrian amenities.
- (ii) Buildings shall be oriented toward each other in a way that minimizes conflicts between pedestrians and automobiles.
- (iii) Open space provided pursuant to Section 4.17.9.b. of this bylaw shall be designed as a public gathering place. Arcades, courtyards, parks, greens or other common areas shall be located in a manner that connects buildings to each other and to public sidewalks without interruption from parking areas or automobile travel lanes to the greatest practicable extent.
- (iv) Features that may be used to create open space areas acceptable to the Planning Board or the Board of Appeals may include, without limitation, fixed benches, fixed tables, fountains, pathways, bikeways, bicycle racks, period lighting, shade trees, perennial gardens, picnic areas, and/or trash receptacles.

4.17.10 Severability

If any provision of this bylaw is held invalid by a court of competent jurisdiction, the remainder of the bylaw shall not be affected thereby.

ARTICLE 28. To see if the Town will vote **to amend the Zoning Bylaw by adding to Section 3.1, a new subsection 3.1.o, “Village Center District”.** [Submitted by the Planning Board] Board of Selectmen recommend approval, 5-0. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 29. To see if the Town will vote **to amend the Zoning Bylaw by deleting the words “May 3, 2008” in Section 3.2.1 and replacing with the words “May 2, 2015.”.** [Submitted by the Planning Board] Board of Selectmen recommends approval 5 – 0. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 30. To see if the Town will vote **to amend the Zoning Bylaw, Section 4.16, “Registered Marijuana Dispensaries” to correct the numbering sequence by renumbering “4.16.9.1” as “4.16.7.1”; “4.16.9.2” as “4.16.7.2”; and “4.16.10” and “4.16.8.”.** [Submitted the Planning Board]. Board of Selectmen recommends approval, 5 – 0. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 31. To see if the Town will vote to amend the Zoning Bylaw by adding to Section 5.2, “Setbacks and Yards,” a new Subsection 5.2.5.1.e, “Village Center District,” as printed in the warrant. [Submitted the Planning Board]. Board of Selectmen recommends approval, 5 – 0. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 32. To see if the Town will vote to amend the Zoning Bylaw by amending Section 8.4, Development Plan Review Subsection 8.4.2.1.a, to add after ”Retail Commercial District, “ the words “and Village Center District.” [Submitted the Planning Board]. Board of Selectmen recommends approval, 5 – 0. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 33. To see if the Town will vote to amend the Zoning Map to show the new delineation of the Village Center District of the Town. [Submitted the Planning Board]. Board of Selectmen recommends approval, 5 – 0. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 34. To see if the Town will vote to designate Flat Hill Road in its entirety as a scenic road under MGL Chapter 40, Section 15C. [Submitted the Planning Board]. Board of Selectmen recommends approval, 5 – 0. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 35. To see if the Town will vote to designate Northfield Road in its entirety as a scenic road under MGL Chapter 40, Section 15C. [Submitted the Planning Board]. Board of Selectmen recommends approval, 5 – 0. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 36. To see if the Town will vote to accept White Tail Crossing as a public way. [Submitted the Planning Board]. Board of Selectmen recommend approval. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 37. To see if the Town will vote to approve a zoning change from “Commercial” to “Limited Business/ Residential” land described as parcels currently designated Parcel 8 on Assessor’s Map 59, and Parcel 9 on Assessor’s Map 59. [Submitted the Planning Board]. Board of Selectmen recommends approval, 3 – 2. Finance Committee reports no direct financial impact. **VOTED 2/3rds DECLARED**

ARTICLE 38. To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow \$300,000 for the purpose of financing the design, bidding, permitting and construction, including the acquisition of land or interests in land relating thereto, a sewer collection system as described in the Comprehensive Wastewater Management Plan, prepared by Wright- Pierce (Town’s Engineering Consultants) dated March 2010, including without limitation, all costs thereof as defined in Section 1 of Chapter 29C of the General Laws, in the area of Pleasant View Avenue with connection to the sewer pipe on Graham Street; and to fund this appropriation, to authorize the Town Treasurer with the approval of the Board of Selectmen to borrow up to \$300,000; and further to issue bonds and notes therefor under Chapter 44, and/ or Chapter 29C of the General Laws; and further that the Town Treasurer with the approval of the Board of Selectmen is authorized to borrow all or a portion of said amount from the Water Pollution Abatement Trust established pursuant to said Chapter 29C and in connection therewith the Town Treasurer, the Board of Selectmen and/ or the Sewer Commission is authorized to enter into a financing agreement and/ or security agreement with the Trust and otherwise to contract with the Trust and the department of Environmental Protection with respect to such financing and for any federal or state aid available for the project or for the financing thereof and to take any and all other action including without limitation the acquisition of land or interests therein by purchase or taking by eminent domain pursuant to General Laws Chapter 79, deemed necessary or advisable for such purposes; that such bonds or notes shall be general obligations of the Town, provided, however, that it is the intent of the Town that the principal and interest on such bonds or notes shall be paid, without further appropriation by the Town to the extent permitted by law, from fund received by the Town through betterment and/ or privilege fees imposed on abutters who benefit from the project. [Submitted by the Sewer Commission]. Board of Selectmen recommends approval, 5 – 0. Finance Committee recommends approval, 5 – 0. **VOTED UNANIMOUSLY** to borrow the sum of \$300,000 for the purpose of financing the design, bidding, permitting and construction, including the acquisition of land or interests in land relating thereto, a sewer collection system as described in the Comprehensive Wastewater Management Plan, prepared by Wright- Pierce (Town’s Engineering Consultants) dated March 2010, including without limitation, all costs thereof as defined in Section 1 of Chapter 29C of the General Laws, in the area of Pleasant View Avenue with connection to the sewer pipe on Graham Street; and to fund this appropriation, to authorize the Town Treasurer with the approval of the Board of Selectmen to borrow

up to \$300,000; and further to issue bonds and notes therefor under Chapter 44, and/ or Chapter 29C of the General Laws; and further that the Town Treasurer with the approval of the Board of Selectmen is authorized to borrow all or a portion of said amount from the Water Pollution Abatement Trust established pursuant to said Chapter 29C and in connection therewith the Town Treasurer, the Board of Selectmen and/ or the Sewer Commission is authorized to enter into a financing agreement and/ or security agreement with the Trust and otherwise to contract with the Trust and the department of Environmental Protection with respect to such financing and for any federal or state aid available for the project or for the financing thereof and to take any and all other action including without limitation the acquisition of land or interests therein by purchase or taking by eminent domain pursuant to General Laws Chapter 79, deemed necessary or advisable for such purposes; that such bonds or notes shall be general obligations of the Town, provided, however, that it is the intent of the Town that the principal and interest on such bonds or notes shall be paid, without further appropriation by the Town to the extent permitted by law, from fund received by the Town through betterment and/ or privilege fees imposed on abutters who benefit from the project. [Submitted by the Sewer Commission] Board of Selectmen recommends approval, 5 – 0. Finance Committee recommends approval, 5 – 0. VOTED UNANIMOUSLY to borrow the sum of \$300,000 for the purpose of financing the design, bidding, permitting and construction, including the acquisition of land or interests in land relating thereto, a sewer collection system as described in the Comprehensive Wastewater Management Plan, prepared by Wright- Pierce (Town's Engineering Consultants) dated March 2010, including without limitation, all costs thereof as defined in Section 1 of Chapter 29C of the General Laws, in the area of Pleasant View Avenue with connection to the sewer pipe on Graham Street; and to fund this appropriation, to authorize the Town Treasurer with the approval of the Board of Selectmen to borrow up to \$300,000; and further to issue bonds and notes therefor under Chapter 44, and/ or Chapter 29C of the General Laws; and further that the Town Treasurer with the approval of the Board of Selectmen is authorized to borrow all or a portion of said amount from the Water Pollution Abatement Trust established pursuant to said Chapter 29C and in connection therewith the Town Treasurer, the Board of Selectmen and/ or the Sewer Commission is authorized to enter into a financing agreement and/ or security agreement with the Trust and otherwise to contract with the Trust and the department of Environmental Protection with respect to such financing and for any federal or state aid available for the project or for the financing thereof and to take any and all other action including without limitation the acquisition of land or interests therein by purchase or taking by eminent domain pursuant to General Laws Chapter 79, deemed necessary or advisable for such purposes; that such bonds or notes shall be general obligations of the Town, provided, however, that it is the intent of the Town that the principal and interest on such bonds or notes shall be paid, without further appropriation by the Town to the extent permitted by law, from fund received by the Town through betterment and/ or privilege fees imposed on abutters who benefit from the project.

ARTICLE 39. To see if the Town will **vote to authorize the enactment of a bylaw regulating the use of vehicles on Whalom Lake.**

Table of Contents

Section 1. Purpose and Scope

Section 2. Definitions

Section 3. Operation of Snow Vehicles and All-Terrain Vehicles

Section 4. Operation of Motor Vehicles prohibited

Section 5. Public Access Only

Section 6. Penalties

Section 1. Purpose and Scope

The Purpose and scope of this bylaw is to protect the safety of the public to prevent the destruction of aquatic life, waterfowl and other wildlife, the decay of water quality and damage to abutting private and public lands by the inappropriate use of motor vehicles, recreation vehicles or snow vehicles on the waters or frozen waters of Whalom Lake; to promote voluntary compliance with all applicable laws relating to the operation of motor vehicles and when necessary to deter noncompliance through fines and penalties.

Section 2. Definitions

- a) Motor Vehicle: any motor vehicle as defined in M.G.L. Chapter 90, § 1.

- a) All-terrain vehicle: means a motorized recreational vehicle designed or modified for travel on three or four low pressure tires and having a seat designed to be straddled by the operator and handlebars for steering control, and recreational vehicle or off-highway vehicle as defined in CMA 323, § 3.02 and governed by M.G.L.Chapter 90B.
- b) Snow vehicle: a motor vehicle designed to travel over ice or snow, having a curb weight of not more than 453 kilograms or 21000 pounds, driven by track or tracks in contact with the snow or ice and steered by a ski or skis in contact with the snow or ice as defined in CMA 323, § 302 and governed by M.G.L. Chapter 90B.
- c) Operation: (1) to ride in or on and control the operation of, or to maintain, suffer, supervise, or permit the operation of, or to push a snow vehicle or a recreational vehicle, or, (2) In the case of a motor vehicle, any person who makes use of any mechanical or electrical agency, which alone or in sequence will set in motion the motive power of the vehicle, whether or not the engine is not running; or (3) any person who utilizes any combination of actions that would set the vehicle in motion.
- d) Public Access: shall mean the public access located in the City of Leominster or any other place where Whalom Lake can be accessed by the public.
- e) Law Enforcement Officer: any police officer, constable or other officer authorized to make arrests or serve process provided he is in uniform or displays his/her badge of office.
- f) Board: Town of Lunenburg, Board of Selectmen

Section 3. Operation of Snow Vehicles and All-Terrain Vehicles

- A. No person, or group of persons shall operate, or cause to be operated on the waters or frozen waters of Whalom Lake, any snow vehicles that are not in compliance with Massachusetts CMR 323 § 2.01 to 3.09 & MGL c. 90 § 21 to 35.
- B. When the Town of Lunenburg or any other agency or state agency duly authorized by law has posted the waters or frozen waters of Whalom Lake to prohibit access for or use of snow vehicles or all-terrain vehicles, no person, or group of persons shall operate any snow vehicle or all-terrain vehicle upon such waters or frozen waters. In the absence of such a posting, persons utilizing water or the frozen water of Whalom Lake do so at their own risk and the Town of Lunenburg assumes no responsibility either implied or expressed for the safety of any person who voluntarily assumes a known and obvious risk inherent in such activities. No person shall operate a snow vehicle or all-terrain vehicle upon any frozen waters of Whalom Lake under any circumstance unless a minimum of five inches of solid ice cover is present. The operator shall determine the thickness of the ice, and assumes all responsibility in undertaking an activity with an inherent and known risk.

Section 4. Operation of Motor Vehicles Prohibited

- A. No person, group of persons or organizations shall operate, or cause to be operated, any motor vehicle, as defined in MGL c. 90 § 1 on the waters or frozen waters of Whalom Lake.

Section 5. Public Access Only

- B. No Snow Vehicle or All-terrain vehicle shall enter upon Whalom Lake except by public access or by written permission by the landowner.

Section 6. Penalties

This bylaw may be enforced through any lawful means in law or in equity including, but not limited, to, enforcement by criminal complaint or fines pursuant to G.L. D.40 § 21D, by the Board of Selectman, the Town Manager or their duly authorized agents, or any police officer. Whether enforced through criminal or civil process, the fine for a violation of this bylaw shall be three hundred dollars (\$300.) for each offense. Board of Selectmen to make recommendation at ATM, Finance Committee reports no direct financial impact.

Motion made and seconded on Article 39 – Point of Order made regarding a quorum being present. The meeting recessed for ten minutes and then a count was made – no quorum – meeting dissolved at 3:23PM

ARTICLE 40. To see if the Town will vote **to enact a bylaw that restricts the public consumption of Marijuana or Tetrahydrocannabinol.** The bylaw shall consist of two sections:

Section 1: No person shall ingest or otherwise use or consume marijuana or tetrahydrocannabinol, (as defined in G.L. c.94C§ 1, as amended) other than a qualified patient with a valid medical certification of a debilitating condition, all as defined under state law, while in or upon a street, sidewalk, public way, footway, or pathway, passageway, stairs, bridge, park, playground, beach, recreation area, boat landing, public building, schoolhouse, school grounds, cemetery, parking lot, or any area owned by or under the control of the town; or in or upon any bus or other passenger conveyance operated by a common carrier; or in any town owned vehicle; or in any place accessible to the public. No person, including a qualifying patient with a valid medical certification of a debilitating condition, as defined under state law, shall smoke marijuana or tetrahydrocannabinol in any public place set forth herein.

Section 2: This bylaw may be enforced through any lawful means in law or in equity including, but not limited to, enforcement by criminal complaint of fines pursuant to G.L. c.40 § 21D, by the Board of Selectmen, the Town Manager, or their duly authorized agents or any police officer. The fine for a violation of this bylaw shall be three hundred dollars (\$300) for each offense. Any penalty imposed under this bylaw shall be in addition to any civil penalty imposed under G.L. c. 94C, § 32L. (Submitted by Police Chief) Board of Selectmen recommendation at ATM, Finance Committee reports no direct financial impact.

ARTICLE 41. To see if the Town would vote **to enact a bylaw authorizing the Board of Selectmen to license suitable persons to carry on the business of pawnbrokers, buyers and sellers, or dealers in metal, as provided by M.G.L. c.140** as amended. .

Amendments

Article I. Buyers and Sellers of Goods and Electronics

Section I. Licensing Authority and Requirements

Subsection A.

The Board of Selectmen may license suitable persons to be pawnbrokers or buyers of goods pursuant to law. Licenses shall expire on the last day of December annually no matter when obtained during the preceding year. Such licenses shall not be valid to protect the holders thereof in a building or place other than that designated in the

license, unless consent to removal is granted by the Board of Selectmen. Applications for new licenses under the rule may be filed at any time with the Board of Selectmen. Applications for the reissue of licenses already existing should be filed at least 30 days before the expiration of such licenses. Persons whose licenses have expired and have not been reissued will be liable to prosecution if carrying on business for which the license is required. Every person so licensed shall, at the time of receiving such license, file a bond as provided by M.G.L. c. 140 § 77 as amended.

Subsection B.

Persons who engage in or carry on the business of lending money on mortgages, deposits or pledges of wearing apparel, jewelry, ornaments, household goods or other personal property, or of purchasing such property on condition of selling the same back again at a stipulated price, when the property so mortgaged, pledged or purchased is deposited with the lender, must be licensed as pawnbrokers. This provision, however, does not apply to loans made on stocks, bonds, notes or other written or printed evidence of ownership of property or of indebtedness to the holder or owner of such securities. (M.G.L. c. 140, § 70 – 85)

Section II. Interest Rates

- A. Licensed pawnbrokers may charge interest at the rate of 3% per month, and in no event may they charge more than the rate allowed by the Massachusetts Commissioner of Banks.
- B. No such pawnbrokers shall charge or receive any greater rate of interest, and interest shall be determined on the precise sum advanced by the lender.
- C. No pawnbroker shall make or receive any extra charge or fee for storage, care or safekeeping of any goods, articles or things pawned with him. (M.G.L. c. 140, § 78)
- D.

Section III. Police may enter and inspect premises and records

Any officer of the Lunenburg Police may at any time enter upon any premises used by a licensed pawnbroker or buyer for the purposes of his or her business, ascertain how he or she conducts his or her business and examine all articles taken in pawn or bought, or kept or stored in or upon said premises and all books and inventories shall be exhibited to any above name whenever a demand shall be made for such exhibition. (M.G.L. c. 140, §74) (Penalty for refusal, M.G.L. c. 140, § 74)

Section IV. Numbering of pawned articles

Every licensed pawnbroker or buyer shall at the time of making any loan, attach a number to the article taken in pawn or bought and shall make entry of such number in the book provided for in Section V. of this article. **Section V. Maintenance of records; contents; photo identification**

- A. Every licensed pawnbroker or buyer shall keep a book of style and size in which shall be legibly written in ink in the English language at the time of making each loan, an account and description, including all distinguishing marks and numbers and serial numbers of the goods, articles or things pledged or pawned, the amount of money loaned or paid thereon, the day and hour when it was pawned, the rate of interest to be paid on such loan and the number of such article as same. No entry made in said book shall be erased, obliterated or defaced. Electronic record keeping by the pawnbroker or buyer is acceptable as long as the records meet all the bylaw requirements.
- B. Every pawnbroker or buyer shall photograph any person pawning or pledging articles and keep such photographs with said books as part of his or her records. (M.G.L. c. 140, § 79).
- C. For all transactions, every pawnbroker or buyer shall also require positive identification and shall record the type of identification presented and record the date of birth from any person pawning, pledging or selling any article. Positive identification shall mean any picture identification card issued by a governmental agency.
- D.

Section VI. Pledge cards; contents; retention

Each pledger shall be required by the pawnbroker to sign his/her name and age and address on a card. In the event that the pledger is unable to write, the pawnbroker shall fill in the name, age and address on such card, together with a notation stating that the pledger was unable to do so. Such card shall be retained seven years in an alphabetical index file by the licensed pawnbrokers.

Section VII. Copy of required record to pledger

Every pawnbroker or buyer shall at the time of making such loan deliver to the person who pawns or pledges any goods, articles or things, a memorandum or note signed by him, containing the substance of the entry required to be made in his book by the provisions of Section V. and no charge shall be made or required by any pawnbroker or buyer for any such entry, memorandum or note. (M.G.L. c. 140, § 80)

Section VIII. Daily report to police

Subsection A. Every licensed pawnbroker or buyer shall make out and deliver a report of transactions to the Lunenburg Police Chief or his designee every day before the hour of 10:00 a.m., a legible and correct list containing an accurate description, including all distinguishable marks, numbers and serial numbers of all articles taken in pawn or bought during the preceding business day, the respective numbers of such articles as provided by Section IV of this bylaw, the amount loaned or paid thereon and the time when such articles were pawned or bought. This report can be done electronically, via the Internet, or faxed to the Lunenburg Police Chief or his designee. If during the preceding day no articles have been taken in by such pawnbroker or buyer, he or she is required to report affirmatively. This report can be done both electronically via the Internet and by fax.

Subsection B. If any goods or articles pawned or pledged and in the possession of a pawnbroker or buyer are subsequently determined to be stolen property by a member of the Lunenburg Police Department or the Massachusetts State Police, or if the rightful owner identifies property in the possession of a pawnbroker or buyer and the property so identified is confirmed to be stolen goods by a member of the Lunenburg Police Department or Massachusetts State Police, said property shall be returned to the rightful owner at no cost to such owner.

Section IX. Posting Requirements

Subsection A. Every licensed pawnbroker or buyer shall post in a conspicuous place in his or her shop or office a copy of the statutes, ordinances and police regulations relating to pawnbrokers/buyers, to be furnished by the Lunenburg Police Department's Police Chief or designee, and shall put in some suitable and conspicuous place in his shop a sign having his/her name and occupation legibly inscribed thereon in large lettering.

Subsection B. No pawnbroker or buyer shall place or maintain any signs or devices upon or in connection with his or her licensed premises indicating or tending to indicate that any form of business is conducted therein which he or she is not legally authorized to pursue.

Section X. Hours of Operation

Pawnbroker or buyer may have his/her shop open for transactions between sunrise and 10:00 p.m. in the evening of any weekday and weekend. Under no circumstances can a pawnbroker or buyer operate after the hour of 10:00 p.m. to sunrise.

Section XI. Disposition of pledged articles

Subsection A. Articles deposited in pawn with a licensed pawnbroker shall unless redeemed, be retained by him/her on the premises occupied by him/her for their business for at least four months after the date of deposit.

Subsection B. After the expiration of the applicable period of time he/she may sell the article by public auction, apply the proceeds thereof in satisfaction of the debt or demand and the expense of the notice and sale and pay any surplus to the person entitled thereto on demand.

Subsection C. No such sale of any article which is not of a perishable nature shall be made unless not less than 10 days prior to the sale a written notice of the intended sale shall have been sent by registered mail to the person entitled to the payment of any surplus as aforesaid, addressed to his residence as appearing in the records of such pawnbrokers. Proof of registered mail shall be kept on file for one year after the date of sale.

Subsection D. No article taken in pawn by such pawnbroker or buyer shall be disposed of otherwise than as above provided, any agreement or contract between the parties thereto to the contrary notwithstanding.

Subsection E. Articles of personal apparel shall not be deemed to be of a perishable nature within the meaning of this section. (M.G.L. c. 140, § 71)

Section XII. Prohibitions

Subsection A. No pawnbroker or buyer shall make a loan, directly or indirectly, to a person under the age of 18, knowing or having reason to believe him or her to be such.

Subsection B. No pawnbroker or buyer shall loan money secured by deposit or pledge of a firearm, rifle, shotgun or machine gun. (M.G.L. c. 140, § 131B)

Subsection C. No pawnbroker or buyer shall hold a license to sell, rent, or lease a firearm, rifle, shotgun, or machine gun.

Section XIII. Complaints, Disciplinary Action; Hearing

Subsection A. Complaints concerning licensed pawnbrokers or buyers shall be investigated by the Lunenburg Police Department under the direction of the Chief of Police. The Chief of Police or his designee will provide a disciplinary request to the Board of Selectmen for actionable complaints lodged against licensees.

Subsection B. In the event the Chief of Police determines that disciplinary action should be instituted against a licensed pawnbroker or buyer, the Chief of Police shall cause to be served upon the licensed pawnbroker or buyer notice as to the time, date and place of hearing and of the charge with a statement of the reasons for the proposed disciplinary action. Hearings shall be conducted in accordance with law.

Section XIV. Suspension or Revocation of License

The Board of Selectmen may suspend or revoke licenses provided for by this article for any cause which the Board of Selectmen deems sufficient. Offenses which may result in the suspension or revocation of a pawnbroker's or buyer's license include but are not limited to the following:

- a) A violation of any section of this article.
- b) A violation of any provision of any statute or applicable law.

Article II. Sale, Exchange or Purchase of Metals

Section I. Findings

The Town of Lunenburg finds that there is a cognizable risk for stolen metals to end up in the possession of even legitimate businesses which trade in metals, including precious metals. Certain criminals bring stolen metals, including precious metals to dealers in jewelry and scrap metal. The victims of theft have only small hope of recovering their property unless the people and entities who receive scrap metals and jewelry are regulated in a manner which identifies both the metal received by the dealers and the persons who deliver the metal to these dealers. There is an Internet alert system used by the Lunenburg Police Department which reports stolen metals. Monitoring transactions within the town and identifying both the metals and the persons selling or delivering these metals will serve both to deter theft and to enable the Lunenburg Police Department to trace and recover stolen property and return it to the rightful owners.

Section II. Definitions

As used in Article II, the following terms shall have the meanings indicated:

ARTICLE: Any metal which is subject to Article II and is exchanged, sold, collected, bartered or received by a person dealing in metals.

CHIEF OF POLICE: The Chief of the Lunenburg Police Department or his designee.

EXCHANGE: Receiving, purchasing, selling or bartering metals, including precious metals and industrial scrap metals.

METAL: A chemical element that is malleable, opaque and ductile, usually solid, which has a characteristic luster, is a good conductor of heat and electricity, and can be melted or fused, hammered into thin sheets, or drawn into wires, e.g., copper, aluminum, gold, silver or iron or other metals.

PRECIOUS METAL(S): Any metal which is considered valuable, such as silver, gold, platinum and copper without regard to the form or amount of such precious metal.

BOARD: Board of Selectmen

Section III. License Required

- a) No person shall collect, deal in, exchange, buy, or keep a shop or place for the exchange, purchase, sale or barter of metals, including precious metals and industrial metals, in any building or place within the limits of the town without having a license issued by the Board of Selectman. The license requirement and the other requirements of this Article II shall not apply to commercial haulers having valid, current United States Department of Transportation stickers affixed to their vehicles.
- b) Board of Selectmen may for a fee set by said board and based upon an application devised by said board, license suitable persons to be dealers in and keepers of shops or locations for the purchase, sale or barter of precious metals at such places within the town as may be designated in such license. The Board of Selectmen may place reasonable conditions on such licenses which shall be inscribed on the face of the license. A license shall be limited to a specific address stated thereon. Subject to the notice and appeal provisions contained in Section IX (E), (2), (3) of this Article II, the Board of Selectmen may deny a license to any person who in the exercise of his reasonable discretion is unsuitable.
- c) All metal dealer licenses shall expire annually on the last day in December. The license holders shall be responsible for submitting an application for license renewal with the license fee to the Board of Selectmen at least 30 days prior to the last day in December. Upon receipt of an application for renewal, the Board shall consider the performance of the licensee during the previous year and shall determine whether the licensee had been found in violation of this Article II and other ordinances and regulations of the town applicable to metal dealers.
- d) The Board of Selectmen may promulgate reasonable regulations not inconsistent with this Article II which shall be binding upon all licensees. No regulation shall take effect until the expiration of 30 days from the date the regulation(s) is delivered or mailed to the person(s) then licensed. The Board of Selectmen shall deliver a complete set of regulations and any amendments thereto to the Town Clerk. The Town Clerk shall maintain the complete set of all regulations in a book available to the public.
- e) The obligation to obtain a license as required by this section will take effect 45 days after it is finally enacted.

Section IV. Transactions with Minors

No licensee shall, directly or indirectly, exchange any metals with a person under the age of 18.

Section V. Waiting Period

No article exchanged, purchased or received shall be sold, or altered in appearance, form or substance until a period of at least twenty-one (21) days have elapsed from the date of its purchase or receipt. All articles exchanged, purchased or received must be made available to the Lunenburg Police Department upon request within 24 hours of such request, and the Police Department may investigate to determine if any article is or may be stolen property. This waiting period does not apply to scrap metal yards which are exempt from any waiting period.

Section VI. Daily Report

Every licensee shall electronically create and send to the Police Chief or his designee on a form, in the manner and at the time prescribed by the Police Chief or his designee, a legible complete list containing an accurate description of all metal articles received by the licensee during the previous 24 hours. The description must include: the type of metal, the size and/or quantity, whether the article is or may be a precious metal, if applicable; whether the article is typically used by or associated with a male or female, the wording of any engraving, whether the article has any gems or precious stones, any identifying number and every other identifiable trait.

Section VII. Recordkeeping Requirements

A. Every licensee shall, at the time of making any exchange or receipt of any article, assign and attach a number to each article received and shall make entry of such number in the book described in Subsection B.

B. Every licensee shall keep a book in which shall be legibly written in ink, in the English language, at the time the licensee receives any article, the following information:

1) An account and description, including all distinguishing or identifying marks and numbers of every article received by the licensee.

2) The amount of money, if any, paid for the article.

3) The date and hour when it was received.

4) The name, age, permanent address and telephone number of the person from who purchased or received.

5) A copy of the document used to identify the person giving the article to the licensee.

C. Every licensee shall require positive identification from any person selling or exchanging any article. The licensee shall copy and record the type of identification presented and the date of birth from any person giving or exchanging any article. Positive identification means only a government-issued document with the person's name and photograph. The licensee shall photograph any person exchanging any article(s). A copy of the identification and the photograph shall be kept with the book required by this section as part of his records.

D. No entry made in the book required by this section shall be erased, obliterated or defaced in any manner whatsoever. The book shall at all times be open for the inspection by the Police Chief or any police officer. The licensee shall keep and maintain all the records required by this Article II for a period of three years from the date of the last entry in any book.

Section VIII. Posting of Name, Occupation and License; Inspections

Every licensee shall post in some suitable and conspicuous place where he or she receives or exchanges articles, a sign having his/ her full legal name, and his/her business name, if different, and his/her occupation legibly described thereon in large letters. The current license shall also be so posted. The location where transactions occur, the store or shop and all articles exchanged and or kept therein or received therein and the book and documents required by this Article II, may at all times be examined by the Police Chief or any police officer at their request.

Section IX. Violations and Penalties

A. Whoever not having a valid license as required by this Article II, exchanges, collects, deals in or barter metals in any place or manner other than that designated in his license, or after notice to him that his license has been revoked, or whoever violates this Article II or any rule, regulation or restriction contained in his license, or any regulation promulgated by the Town of Lunenburg shall be subject to the fines and sanctions described in this section. Each day of such violation shall constitute a separate offense.

B. The fine for breach of the duty imposed by this Article II is three hundred dollars (\$300). Each day on which the person continues in violation shall be considered as a separate violation.

C. This Article II may at the discretion of the Chief of Police be enforced by civil process or by noncriminal disposition as provided in M.G.L. c. 40, § 21D. The Chief of Police or any Lunenburg police officer may issue tickets to enforce this Article II. If enforced civilly by ticket each day on which a violation exists shall be deemed to be a separate offense and the violator shall be subject to the following fines:

1) First violation: \$150.

2) Second violation: \$200.

3) Third violation: \$300.

4) Fourth and each subsequent violation: \$300.

D. In addition to the penalties set forth above, the enforcing authority may seek an injunction from an appropriate court to restrain any violation of this Article II, any regulation promulgated by the Town of Lunenburg or any condition inscribed on a license.

E. The Board of Selectmen may terminate any license or refuse to renew any license for violation of this Article II, a regulation promulgated by the Town of Lunenburg or any condition inscribed on the license. The Board of Selectmen shall use the procedure described in this section.

1) Notice of violation. Whenever it comes to the attention of the Board of Selectmen that a violation of this Article II, a regulation promulgated by the Town of Lunenburg or a condition inscribed on a license, the Board shall by written notice, deliver personally or send by certified mail to the licensee notifying him of the violation and order the person to cease and desist. Depending on the severity of the violation as determined by him, the Board of Selectmen may terminate the license. The Board shall also provide notice described herein if it denies an application for a license stating the reasons therefor.

2) Contents of notice. The written notice to the licensee shall contain a description of the violation(s) and the date(s) of occurrence and a citation to the section of the ordinance, regulation or license condition which the licensee is alleged to have violated. The notice will, if applicable, describe what the licensee must do to comply, whether the Board of Selectmen intends to terminate the license and the effective date of the termination which shall afford the licensee at least seven days to file an appeal of the proposed termination with the Board. In the case of denial of a license, the notice shall state the reasons for the denial.

3) Appeal. Upon receipt of a notice of license termination, or denial, the licensee may, within seven days of receipt of the notice, file a written appeal by delivery or certified mail to the Board of Selectmen's office during the hours of 8:30 a.m. to 4:30 p.m. on days when Town Hall is open for business. When the Board of Selectmen receives an appeal, they shall appoint a neutral hearing officer who will take testimony from any persons with knowledge of the facts including any police officer and the appellant. The appellant may be represented by counsel and any person so testifying will be subject to cross examination. The proceedings will be governed by the rules of evidence applicable to an informal administrative hearing. The hearing officer will assure that an appropriate record, including any documents submitted, is made and kept. The decision of the hearing officer will be written and final.

F. The Board of Selectmen, subject to the process described in this section, may refuse to renew any license. The Board shall not issue a license to any person convicted of a felony.

Section X. License and Administration Fees

- 1) Second Hand Buyer of Goods and Electronics Annually \$250.00
- 2) Second Buyer of Metal and Precious Metals Annually \$250.00
- 3) Pawnbroker License Annually \$100.00

Amendments

(Submitted by Police Chief) Board of Selectmen recommends approval. Finance Committee reports no direct financial impact.

ARTICLE 42. To see if the Town will vote **to enact a bylaw to restrict Sexual Offender Residency and create Sex Offender Safety Zones**

Table of Contents

Section 1 Findings and Intent
Section 2 Definitions
Section 3 Sex Offender Residence Prohibition
Section 4 Evidentiary Matters; Measurements
Section 5 Notice to Move
Section 6 Exceptions
Section 7 Forfeiture of Exception
Section 8 Penalties
Section 9 Safety Zone
Section 10 Maps and List of Safety Zones
Section 11 Severability

Section 1. Findings and Intent

- A. It is the intent of this bylaw to serve and to protect the Town's compelling interest to promote, protect and improve the health, safety and welfare of the citizens of the Town by creating areas around locations where children, or the elderly regularly congregate in concentrated numbers wherein certain sex offenders are prohibited from loitering and establishing temporary or permanent residence.

- A. After careful consideration, the Town finds that this bylaw is the most narrowly tailored means of limiting, to the fullest extent possible, the opportunity for certain sex offenders to approach or otherwise come in contact with children or the elderly in places where children or the elderly would naturally congregate, and that the protection of the health and safety of our children and elderly is a compelling governmental interest.
- B. By the enactment of this or any other bylaw, the Town understands that it cannot remove the threat posed to or guarantee the safety of children or the elderly or assure the public that sex offenders will comply with the mandates of this bylaw. This legislation is intended to create a civil, non-punitive regulatory scheme in order to protect children and the elderly to the extent possible under the circumstances and not as a punitive measure of any kind.
- C. Certain sex offenders pose a clear threat to the children and the elderly residing or visiting in the community. Because certain sex offenders are more likely than any other type of offender to reoffend by another sexual offense, the Town desires to impose safety precautions in furtherance of the goal of protecting the children and elderly. The purpose of this bylaw is to reduce the potential risk of harm to children and the elderly in the community by limiting the ability of certain classified levels of sex offenders to be in contact with unsuspecting children and the elderly in locations that are primarily designed for use by or are primarily used by children and the elderly, the grounds of a public or private school for children, a center of facility that provides day care or children's services, a park, other public recreational facility, elderly housing facilities or the Senior Citizen's Center. The Town desires to add location restrictions to such offenders to the extent state law is silent.

Section 2. Definitions

- 1) "Camp Bus Stop" Any area designated by a private/public youth camp as a camp bus stop which has been designated in a list maintained by the Town and available to the public.
- 2) "Day Care Center" means an establishment, whether public or private, which provides care for children and is registered with and licensed pursuant to the laws of the Commonwealth of Massachusetts by the Department of Early Education and Care.
- 3) "Elder" or "Elderly" means a person or persons over 60 years of age. "Elderly Housing Facility" or "Senior Citizens Center" or "Over 55 Community" means any building or buildings which provide a group residence for the elderly or a location where the elderly gather and/or reside that is located within the Town of Lunenburg, Massachusetts.
- 4) "Establishing a Residence" means to set up or bring into being a dwelling place or an abode where a person sleeps, which may include more than one location, and may be mobile or transitory, or by means of purchasing real property or entering into a lease or rental agreement for real property.
- 5) "Loitering" means to remain for more than fifteen (15) minutes within a five hundred (500) foot distance of the location in question.
- 6) "Park" means active and passive public land designated for recreational or athletic use by the Town of Lunenburg, Massachusetts and located within the Town of Lunenburg Massachusetts.
- 7) "Permanent Residence" means a place where a person lives, abides, lodges, or resides for five (5) or more consecutive days or fourteen (14) or more days in the aggregate during any calendar year.
- 8) "Recreational Facility" means a playground, a forest preserve, conservation area, jogging trail or running track, hiking or biking trail, beach, water park, swimming pool, wading pool, soccer field, baseball field, football field, basketball court or hockey rink, whether publicly or privately owned, to which the public has a right of access as an invitee and which is located within the Town of Lunenburg, Massachusetts.
- 9) "School" means any public or private educational facility that provides services to children in grades Kindergarten - 12, or any one or more of such grades.
- 10) "School Bus Stop" means any area designated by the public school district or by a private or parochial school within the Town of Lunenburg, Massachusetts as a school bus stop, which school bus stop has been designated in a list maintained by the Town and available to the public.
- 11) "Sex Offender" and "Sex offense" shall have the same meaning for purposes of this bylaw as provided for in G.L. c. 6, § 178C.
- 12) "Sex Offense Involving a Child" shall have the same meaning for purposes of this bylaw as provided for in G.L. c. 6, § 178C.
- 13) "Temporary Residence" means a place where a person lives, abides, lodges or resides for a period of less than five (5) consecutive days or fourteen (14) days in the aggregate during any calendar year.

Section 3. Sex Offender Residence Prohibition

It is unlawful for any sex offender who has been finally classified as a Level 2 or 3 offender pursuant to the guidelines of the Sex Offender Registry Board, for as long as so classified, to establish a permanent residence or temporary residence in the Town of Lunenburg, Massachusetts within one thousand (1,000) feet of the property on

which any public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior citizens center, or licensed day-care center is located.

Section 4. Evidentiary Matters; Measurements

For purposes of determining the minimum distance requirement, the separation shall be measured by following a straight line from the outer property line of the permanent residence to the nearest outer property line of any public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior citizens center, or licensed day-care center.

Section 5. Notice to Move

Any sex offender who has been finally classified as a Level 2 or 3 offender pursuant to the guidelines of the Sex Offender Registry Board, for as long as so classified, who establishes a permanent residence or temporary residence in the Town of Lunenburg, Massachusetts within one thousand (1,000) feet of any public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior citizens center, or licensed day-care center shall be in violation of this bylaw and shall, within thirty (30) days of receipt of written notice of the sex offender's noncompliance with this bylaw, move from said location to a new location, but said location may not be within one thousand (1,000) feet of any public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior citizens center, or licensed day-care center within the Town of Lunenburg, Massachusetts. Furthermore it shall be a separate violation each day that a sex offender shall move from one location in the Town of Lunenburg to another that is within one thousand (1,000) feet of any public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior citizens center, or licensed day-care center.

Section 6. Exceptions

A sex offender residing within 1,000 feet of any public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 communities, senior citizens center, or licensed day-care center does not commit a violation of this bylaw if any of the following apply:

- 1) The person established the permanent residence and reported and registered the residence, as required by the Sex Offender Registry Law and any applicable regulations of the Massachusetts Sex Offender Registry Board, prior to the effective date of this bylaw, and:
 - a) Permanent residence was established by purchasing the real property where the residence is established, as long as the registered sex offender continues to reside in and does not move to another restricted location in Lunenburg different from the permanent residence established prior to the effective date of this bylaw;
 - b) Permanent residence was established through a valid, fixed-term, written and/or oral lease or rental agreement, executed prior to the effective date of this bylaw, as long as the registered sex offender continues to reside within and does not move to another restricted location in Lunenburg different from the permanent residence established prior to the effective date of this bylaw; or
 - c) Permanent residence was established through a written and/or oral lease or rental agreement at the will of the landlord, as long as the registered sex offender continues to reside within and does not move to another restricted location in Lunenburg different from the permanent residence established prior to the effective date of this bylaw.
- 2) The person was a minor when the relevant crime was committed and was not convicted as an adult.
- 3) The person is a minor.
- 4) The public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior citizens center, or licensed day-care center was established after such person established the permanent residence and reported and registered the residence pursuant to the Sex Offender Registry Law and any applicable regulations of the Massachusetts Sex Offender Registry Board.
- 5) The person is required to serve a sentence at a jail, prison, juvenile facility, or other correctional institution or facility located within the aforementioned 1,000 foot area.
- 6) The person is admitted to and/or subject to an order of commitment at a public or private facility for the care and treatment of mentally ill persons pursuant to G.L. c. 123 located within the aforementioned 1,000 foot area.
- 7) The person is a mentally ill person subject to guardianship pursuant to order or supervision of the Probate and Family Court or a mentally retarded person subject to guardianship pursuant to G.L. c. 201 §6A, residing with his or her guardian or residing within a group residence that is professionally staffed and supervised 24 hours a day and located within the aforementioned 1,000 foot area.

Section 7. Forfeiture of Exception

If, either after the effective date of this bylaw or after a new public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior

citizens center, or licensed day-care center opens, an indictment or conviction of another sex offense is issued by a court against a Level 2 or 3 Sex Offender otherwise enjoying an exception under this bylaw, he or she shall immediately forfeit that exception and be required to comply with this bylaw.

Section 8. Penalties

- 1) Criminal Complaint. Violation of the residency provisions of this bylaw may be enforced by criminal complaint filed by any police officer of the Town of Lunenburg, Massachusetts. Each day a violation exists shall constitute a separate violation. The fine for each violation upon conviction shall be three hundred dollars (\$300).
- 2) Noncriminal Disposition. In addition to enforcement by criminal complaint, violation of the residency provisions of this bylaw may be enforced through any lawful means in law or in equity by any police officer of the Town of Lunenburg including, but not limited to, enforcement by non-criminal disposition pursuant to G.L. c. 40, § 21D. Each day a violation exists shall constitute a separate violation. The penalties for noncriminal disposition shall be as follows:
 - a) First offense: Notification to offender that he/she has thirty (30) days to move.
 - b) Subsequent offense: noncriminal fine of three hundred dollars (\$300), enforceable by a police officer, and written notification to the property owner, if other than the offender, the offender's landlord, parole officer and/or probation officer, and the Commonwealth's Sex Offender Registry Board that the sex offender has violated a town bylaw.

Section 9. Safety Zone

A. Prohibitions

A sex offender who has been finally classified as a Level 2 or 3 offender pursuant to the guidelines of the Sex Offender Registry Board, and for as long as so classified, is prohibited from entering upon the premises of a school or day-care center unless previously authorized specifically in writing by the school administration or day-care center owner.

A sex offender who has been finally classified as a Level 2 or 3 offender pursuant to the guidelines of the Sex Offender Registry Board, and for as long as so classified, is prohibited from entering upon the premises of an elderly housing facility, over 55 Community or Senior Citizens Center, unless previously authorized in writing by the on-site manager of the elderly housing facility, over 55 Community or Senior Citizen Center.

A sex offender who has been finally classified as a Level 2 or 3 offender pursuant to the guidelines of the Sex Offender Registry Board, and for as long as so classified, is prohibited from entering upon the premises of a park or any recreational facility. A sex offender who has been finally classified as a Level 2 or 3 offender pursuant to the guidelines of the Sex Offender Registry Board, and for as long as so classified, after having received notice from the Lunenburg Police Department that he/she is loitering by having remained for more than fifteen (15) minutes within five hundred (500) feet of a public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior citizens center, or licensed day-care center, is prohibited from continuing to so loiter. For purposes of determining the minimum distance separation under this section, the distance shall be measured by following a straight line from the registered sex offender to the outer property line of the public or private school, park, playground, beach, biking/hiking trail, other recreational facility, elderly housing facility, over 55 community, senior citizens center, or licensed day-care center.

A sex offender who has been finally classified as a Level 2 or 3 offender pursuant to the guidelines of the Sex Offender Registry Board, and for as long as so classified after having received notice from the Lunenburg Police Department that he/she is loitering by having remained for more than fifteen (15) minutes within five hundred (500) feet of a school and/or camp bus stop which has been designated in a list maintained by the Town and available to the public is prohibited from continuing to so loiter; provided, however, that this prohibition shall not apply on days when the schools and/or camps within the Town of Lunenburg are not in session.

A. Exceptions

- 1) The prohibitions defined in this bylaw shall not be construed or enforced so as to prohibit a sex offender from exercising his or her right to vote in any federal, state or municipal election, conducting town and/or police business or from attending any religious service.
- 2) The prohibitions defined in this bylaw do not apply to a sex offender's place of residence when such residence is accepted under this bylaw.

B. Penalties

- 1) Criminal Complaint. Violation of the safety zone provisions of this bylaw may be enforced by criminal complaint filed by any police officer of the Town of Lunenburg. Each day a violation exists shall constitute a separate violation. The fine for each violation, upon conviction, shall be three hundred dollars (\$300).

2) Noncriminal Disposition. In addition to enforcement by criminal complaint, violation of the safety zone provisions of this bylaw may be enforced through any lawful means in law or in equity by any police officer of the Town of Lunenburg including, but not limited to, enforcement by non-criminal disposition pursuant to G.L. c. 40, § 21D. Each day a violation exists shall constitute a separate violation. The penalties for noncriminal disposition shall be as follows:

- a) First offense: noncriminal fine of one hundred and fifty dollars (\$150), enforceable by a Lunenburg police officer.
- b) Subsequent offense: noncriminal fine of three hundred dollars (\$300), enforceable by a Lunenburg police officer, and written notification to the offender's parole officer and/or probation officer, and the Commonwealth's Sex Offender Registry Board that the sex offender has violated a Town Bylaw.

Section 10. Maps and List of Safety Zones

One or more maps depicting the prohibited residency restriction areas defined by this bylaw and depicting the safety zone areas defined by this bylaw shall be created by the Town and maintained by the Lunenburg Police Department. A written list describing the prohibited areas defined by this bylaw, including school and/or camp bus stops, shall be created by the Town and maintained by the Lunenburg Police Department. As to school and/or camps bus stops, the list shall govern over the maps. The list, maps and a copy of this bylaw shall be available to the public at the Lunenburg Police Department, the Lunenburg Town Clerk's office and on the Town of Lunenburg's website. The Town shall review the list and maps annually for changes.

Section 11. Severability

If any portion of this bylaw is deemed by a court of competent jurisdiction to be unconstitutional or otherwise invalid or unenforceable, such judgment shall not impair or invalidate or render unenforceable the remaining portions of this bylaw. (Submitted by Police Chief) Board of Selectmen to make recommendation at ATM, Finance Committee reports no direct financial impact.

ARTICLE 43. To see if the Town will vote to rescind the sum of \$284,263.59, the remaining borrowing authorization, from Article 2 of the 11/6/2001 STM for engineering and construction of sewers. Meeting Dissolved at 3:23 PM – Last Article acted on was Article 38.

SPECIAL TOWN MEETING November 16, 2015

The Special Town Meeting was called to order at 7:00 P.M. in the Lunenburg High School Auditorium by Moderator Timothy Murphy. A quorum was declared and it was noted that the notice of meeting was properly served. We pledged allegiance to the Flag of the United States of America followed by a moment of silence for the passing of Senator Mary L. Padula who served as Lunenburg's Treasurer, Tax Collector and Town Clerk for 30 years, State Senator for 8 years and finished her public service as a member of Governor Weld's cabinet as DHCD Secretary. The Moderator advised of the many committee vacancies available for anyone interested in serving, went over the rules governing actions at the meeting and at 7:08 PM action was taken on Article 1.

ARTICLE 1. To see if the Town will vote **to raise and appropriate or transfer from available funds, a sum of money to fund the first year of the FY'15, FY'16 and FY'17 Lunenburg Professional Firefighters PFFM, Local 4358A Collective Bargaining Agreement dated July 1, 2014 – June 30, 2017**, or take any action relative thereto. (Submitted By Town Manager) Board of Selectmen and Finance Committee will recommend at Town Meeting. (No contract settlement at the time of printing). **ARTICLE 1 WAS PASSED OVER.**

ARTICLE 2. To see if the Town will vote **to raise and appropriate, or transfer from available funds, a sum of money for payment of prior year expenses**; or take any other action relative thereto. (Submitted by Town Accountant) Board of Selectmen and Finance Committee recommend passing over this article. **ARTICLE 2 WAS PASSED OVER**

ARTICLE 3. To see if the Town will vote **to appropriate and transfer from available funds, all sums of money necessary to amend the amounts voted for the Town's FY2016 Budget, under Article 15 of the May 2, 2015 Annual Town Meeting**, or take any other action relative thereto. (Submitted by Town Manager) Board of Selectmen and Finance Committee recommend approval. **VOTED UNANIMOUSLY** to raise and appropriate the sum of \$87,110. as follows: transfer to Line 13, Reserve Fund, the sum of \$39,116; transfer to Line 75, Veterans' Benefits, the sum of \$50,000; and transfer from Line 80, Monty Tech Assessment, the sum of \$2,006.

ARTICLE 4. To see if the Town will vote **to rescind the sum of \$284,263.59, the remaining borrowing authorization, from Article 2 of the 11/06/2001 STM for engineering and construction of sewers**; or take any other action relative thereto. (Submitted by Town Accountant) Board of Selectmen and Finance Committee recommend approval. **VOTED UNANIMOUSLY** to rescind the sum of \$284,263.59.

ARTICLE 5. To see if the Town will vote **to rescind the sum of \$28,708, the remaining borrowing authorization, from Article 4 of the 05/07/2005 STM for engineering and construction of sewers**; or take any other action relative thereto. (Submitted by Town Accountant) Board of Selectmen and Finance Committee recommend approval. **VOTED UNANIMOUSLY** to rescind the sum of \$28,708.

ARTICLE 6. To see if the Town will vote **to rescind the sum of \$125,000, the remaining borrowing authorization, from Article 5 of the 10/01/2002 STM for the renovation of the Turkey Hill Middle School heating system**; or take any other action relative thereto. (Submitted by Town Accountant) Board of Selectmen and Finance Committee recommend approval. **VOTED UNANIMOUSLY** to rescind the amount of \$125,000.

ARTICLE 7. To see if the Town will vote **to rescind the sum of \$56,550, the remaining borrowing authorization, from Article 4 of the 05/03/2003 STM for the construction and/or renovations of the heating system at the Thomas Passios Elementary School**; or take any other action relative thereto. (Submitted by Town Accountant) Board of Selectmen and Finance Committee recommend approval. **VOTED UNANIMOUSLY** to rescind the amount of \$56,550.

ARTICLE 8. To see if the Town will vote **to authorize the enactment of a bylaw regulating the use of vehicles on Whalom Lake.**

Table of Contents

- Section 1. Purpose and Scope
- Section 2. Definitions
- Section 3. Operation of Snow Vehicles and All-Terrain Vehicles
- Section 4. Operation of Motor Vehicles prohibited
- Section 5. Access
- Section 6. Penalties

Section 1. Purpose and Scope

The purpose and scope of this bylaw is to protect the safety of the public, to prevent the destruction of aquatic life, waterfowl or other wildlife, the decay of water quality and damage to abutting private and public lands by the inappropriate use of motor vehicles, recreation vehicles or snow vehicles on the waters or frozen waters of Whalom Lake; to promote voluntary compliance with all applicable laws relating to the operation of motor vehicles and when necessary to deter noncompliance through fines and penalties.

Section 2. Definitions

- a) **Motor Vehicle:** any motor vehicle as defined in M.G.L Chapter 90, § 1.
- b) **All-terrain vehicle:** means a motorized recreational vehicle designed or modified for travel on four low pressure tires and having a seat designed to be straddled by the operator and handlebars for steering control, and recreational vehicle or off-highway vehicle as defined in CMR 323, § 3.02 and governed by M.G.L Chapter 90B.
- c) **Snow vehicle:** a motor vehicle designed to travel over ice or snow, having a curb weight of not more than 453 kilograms or 1000 pounds, driven by track or tracks in contact with the snow or ice and steered by a ski or skis in contact with the snow or ice as defined in CMR 323, § 302 and governed by M.G.L Chapter 90B.
- d) **Operation:** to ride in or on and control the operation of, or to maintain, suffer, supervise, or permit the operation of, or to push a snow vehicle or an all-terrain vehicle, or in the case of a motor vehicle, any person who makes use of any mechanical or electrical agency, which alone or in sequence will set in motion the motive power of the vehicle, or if the engine is not running, any person who utilizes any combination of actions that would set the vehicle in motion.
- e) **Public Access:** shall mean the public access located in the City of Leominster or any other place where Whalom Lake can be accessed by the public.
- f) **Law Enforcement Officer:** any police officer, constable or other officer authorized to make arrests or serve process provided he is in uniform or displays his/her badge of office.
- g) **Board:** Town of Lunenburg, Board of Selectmen

Section 3. Operation of Snow Vehicles and All-Terrain Vehicles

- A. No person, or group of persons shall operate, or cause to be operated on the waters or frozen waters of Whalom Lake, any snow vehicles that are not in compliance with Massachusetts CMR 323 § 2.01 to 3.09 & M.G.L. c. 90 § 21 to 35.
- B. When the Town of Lunenburg or any other agency or state agency duly authorized by law has posted the waters or frozen waters of Whalom Lake to prohibit access for or use of snow vehicles or all-terrain vehicles, no person, or group of persons shall operate any snow vehicle or all-terrain vehicle upon such waters or frozen waters. In the absence of such a posting, persons utilizing water or the frozen water of Whalom Lake do so at their own risk and the Town of Lunenburg assumes no responsibility either implied or expressed for the safety of any person who voluntarily assumes a known and obvious risk inherent in such activities. No person shall operate a snow vehicle or all-terrain vehicle upon any frozen waters of Whalom Lake under any circumstance unless a minimum of five inches of solid ice cover is present. The operator shall determine the thickness of the ice and assumes all responsibility in undertaking an activity with an inherent and known risk.

Section 4. Operation of Motor Vehicles Prohibited

- A. No person, group of persons or organizations shall operate, or cause to be operated, any motor vehicle as defined in M.G.L. c. 90 § 1 on the waters or frozen waters of Whalom Lake.

Section 5. Access

- B. No snow vehicle or all-terrain vehicle shall enter upon Whalom Lake except by public access or by written permission by the landowner.

Section 6. Penalties

This bylaw may be enforced through any lawful means in law or in equity including, but not limited to, enforcement by criminal complaint pursuant to G.L. c.40 § 21D, by the Board of Selectmen, the Town Manager, or their duly authorized agents, or any police officer. The fine for a violation of this bylaw shall be three hundred dollars (\$300.) for each offense. (Submitted by Police Chief) Board of Selectmen recommends approval. Finance Committee reports no direct financial impact. **VOTED with amendment to Section 3.B adding the words "In the absence of such a posting," to the beginning of the second sentence.**

ARTICLE 9. To see if the Town will vote to enact a bylaw that restricts the public consumption of Marijuana or Tetrahydrocannabinol. The bylaw shall consist of two sections:

Section 1: No person shall ingest or otherwise use or consume marijuana or tetrahydrocannabinol, (as defined in G.L. c.94C § 1, as amended) other than a qualified patient with a valid medical certification of a debilitating condition, all as defined under state law, while in or upon a street, sidewalk, public way, footway, or pathway, passageway, stairs, bridge, park, playground, beach, recreation area, boat landing, public building, schoolhouse, school grounds, cemetery, parking lot, or any area owned by or under the control of the town; or in or upon any bus or other passenger conveyance operated by a common carrier; or in any town owned vehicle; or in any place accessible to the public. No person, including a qualifying patient with a valid

medical certification of a debilitating condition, all as defined under state law, while in or upon a street, sidewalk, public way, footway, or pathway, passageway, stairs, bridge, park, playground, beach, recreation area, boat landing, public building, schoolhouse, school grounds, cemetery, parking lot, or any area owned by or under the control of the town; or in or upon any bus or other passenger conveyance operated by a common carrier; or in any town owned vehicle; or in any place accessible to the public. No person, including a qualifying patient with a valid medical certification of a debilitating condition, as defined under state law, shall smoke marijuana or tetrahydrocannabinol in any public place set forth herein.

Section 2: This bylaw may be enforced through any lawful means in law or in equity including, but not limited to, enforcement by criminal complaint of fines pursuant to G.L. c.40 § 21D, by the Board of Selectmen, the Town Manager, or their duly authorized agents or any police officer. The fine for a violation of this bylaw shall be three hundred dollars (\$300) for each offense. Any penalty imposed under this bylaw shall be in addition to any civil penalty imposed under G.L. c. 94C, § 32L. (Submitted by Police Chief) Board of Selectmen recommends approval. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY**

ARTICLE 10. To see if the Town would vote to enact a bylaw authorizing the Board of Selectmen to license suitable persons to carry on the business of pawnbrokers, buyers and sellers, or dealers in metal, as provided by M.G.L. c.140 as amended.

Amendments

Article I. Buyers and Sellers of Goods and Electronics

Section I. Licensing Authority and Requirements

Subsection A.

The Board of Selectmen may license suitable persons to be pawnbrokers or buyers of goods pursuant to law. Licenses shall expire on the last day of December annually no matter when obtained during the preceding year. Such licenses shall not be valid to protect the holders thereof in a building or place other than that designated in the license, unless consent to removal is granted by the Board of Selectmen. Applications for new licenses under the rule may be filed at any time with the Board of Selectmen. Applications for the reissue of licenses already existing should be filed at least 30 days before the expiration of such licenses. Persons whose licenses have expired and have not been reissued will be liable to prosecution if carrying on business for which the license is required. Every person so licensed shall, at the time of receiving such license, file a bond as provided by M.G.L. c. 140 § 77 as amended.

Subsection B.

Persons who engage in or carry on the business of lending money on mortgages, deposits or pledges of wearing apparel, jewelry, ornaments, household goods or other personal property, or of purchasing such property on condition of selling the same back again at a stipulated price, when the property so mortgaged, pledged or purchased is deposited with the lender, must be licensed as pawnbrokers. This provision, however, does not apply to loans made on stocks, bonds, notes or other written or printed evidence of ownership of property or of indebtedness to the holder or owner of such securities. (M.G.L. c. 140, § 70 – 85)

Section II. Interest Rates

- A. Licensed pawnbrokers may charge interest at the rate of 3% per month, and in no event may they charge more than the rate allowed by the Massachusetts Commissioner of Banks.
- B. No such pawnbrokers shall charge or receive any greater rate of interest, and interest shall be determined on the precise sum advanced by the lender.
- C. No pawnbroker shall make or receive any extra charge or fee for storage, care or safekeeping of any goods, articles or things pawned with him. (M.G.L. c. 140, § 78)

Section III. Police may enter and inspect premises and records

Any officer of the Lunenburg Police may at any time enter upon any premises used by a licensed pawnbroker or buyer for the purposes of his or her business, ascertain how he or she conducts his or her business and examine all articles taken in pawn or bought, or kept or stored in or upon said premises and all books and inventories shall be exhibited to any above name whenever a demand shall be made for such exhibition. (M.G.L. c. 140, §74) (Penalty for refusal, M.G.L. c. 140, §74)

Section IV. Numbering of pawned articles

Every licensed pawnbroker or buyer shall at the time of making any loan, attach a number to the article taken in pawn or bought and shall make entry of such number in the book provided for in Section V. of this article.

Section V. Maintenance of records; contents; photo identification

- A. Every licensed pawnbroker or buyer shall keep a book of style and size in which shall be legibly written in ink in the English language at the time of making each loan, an account and description, including all distinguishing marks and numbers and serial numbers of the goods, articles or things pledged or pawned, the amount of money loaned or paid thereon, the day and hour when it was pawned, the rate of interest to be paid on such loan and the number of such article as same. No entry made in said book shall be erased, obliterated or defaced. Electronic record keeping by the pawnbroker or buyer is acceptable as long as the records meet all the bylaw requirements.
- B. Every pawnbroker or buyer shall photograph any person pawning or pledging articles and keep such photographs with said books as part of his or her records. (M.G.L. c. 140, § 79).
- C. For all transactions, every pawnbroker or buyer shall also require positive identification and shall record the type of identification presented and record the date of birth from any person pawning, pledging or selling any article. Positive identification shall mean any picture identification card issued by a governmental agency.

Section VI. Pledge cards; contents; retention

Each pledger shall be required by the pawnbroker to sign his/her name and age and address on a card. In the event that the pledger is unable to write, the pawnbroker shall fill in the name, age and address on such card, together with a notation stating that the pledger was unable to do so. Such card shall be retained seven years in an alphabetical index file by the licensed pawnbrokers.

Section VII. Copy of required record to pledger

Every pawnbroker or buyer shall at the time of making such loan deliver to the person who pawns or pledges any goods, articles or things, a memorandum or note signed by him, containing the substance of the entry required to be made in his book by the provisions of Section V. and no charge shall be made or required by any pawnbroker or buyer for any such entry, memorandum or note. (M.G.L. c. 140, § 80)

Section VIII. Daily report to police

Subsection A. Every licensed pawnbroker or buyer shall make out and deliver a report of transactions to the Lunenburg Police Chief or his designee every day before the hour of 10:00 a.m., a legible and correct list containing an accurate description, including all distinguishable marks, numbers and serial numbers of all articles taken in pawn or bought during the preceding business day, the respective numbers of such articles as provided by Section IV. of this bylaw, the amount loaned or paid thereon and the time when such articles were pawned or bought. This report can be done electronically, via the Internet, or faxed to the Lunenburg Police Chief or his designee. If during the preceding day no articles have been taken in by such pawnbroker or buyer, he or she is required to report affirmatively. This report can be done both electronically via the Internet and by fax.

Subsection B. If any goods or articles pawned or pledged and in the possession of a pawnbroker or buyer are subsequently determined to be stolen property by a member of the Lunenburg Police Department or the Massachusetts State Police, or if the rightful owner identifies property in the possession of a pawnbroker or buyer and the property so identified is confirmed to be stolen goods by a member of the Lunenburg Police Department or Massachusetts State Police, said property shall be returned to the rightful owner at no cost to such owner.

Section IX. Posting Requirements

Subsection A. Every licensed pawnbroker or buyer shall post in a conspicuous place in his or her shop or office a copy of the statutes, ordinances and police regulations relating to pawnbrokers/buyers, to be furnished by the Lunenburg Police Department's Police Chief or designee, and shall put in some suitable and conspicuous place in his shop a sign having his/her name and occupation legibly inscribed thereon in large lettering.

Subsection B. No pawnbroker or buyer shall place or maintain any signs or devices upon or in connection with his or her licensed premises indicating or tending to indicate that any form of business is conducted therein which he or she is not legally authorized to pursue.

Section X. Hours of Operation

Pawnbroker or buyer may have his/her shop open for transactions between sunrise and 10:00 p.m. in the evening of any weekday and weekend. Under no circumstances can a pawnbroker or buyer operate after the hour of 10:00 p.m. to sunrise.

Section XI. Disposition of pledged articles

Subsection A. Articles deposited in pawn with a licensed pawnbroker shall unless redeemed, be retained by him/her on the premises occupied by him/her for their business for at least four months after the date of deposit.

Subsection B. After the expiration of the applicable period of time he/she may sell the article by public auction, apply the proceeds thereof in satisfaction of the debt or demand and the expense of the notice and sale and pay any surplus to the person entitled thereto on demand.

Subsection C. No such sale of any article which is not of a perishable nature shall be made unless not less than 10 days prior to the sale a written notice of the intended sale shall have been sent by registered mail to the person entitled to the payment of any surplus as aforesaid, addressed to his residence as appearing in the records of such pawnbrokers. Proof of registered mail shall be kept on file for one year after the date of sale.

Subsection D. No article taken in pawn by such pawnbroker or buyer shall be disposed of otherwise than as above provided, any agreement or contract between the parties thereto to the contrary notwithstanding.

Subsection E. Articles of personal apparel shall not be deemed to be of a perishable nature within the meaning of this section. (M.G.L. c. 140, § 71)

Section XII. Prohibitions

Subsection A. No pawnbroker or buyer shall make a loan, directly or indirectly, to a person under the age of 18, knowing or having reason to believe him or her to be such.

Subsection B. No pawnbroker or buyer shall loan money secured by deposit or pledge of a firearm, rifle, shotgun or machine gun. (M.G.L. c. 140, § 131B)

Subsection C. No pawnbroker or buyer shall hold a license to sell, rent, or lease a firearm, rifle, shotgun, or machine gun.

Section XIII. Complaints, Disciplinary Action; Hearing

Subsection A. Complaints concerning licensed pawnbrokers or buyers shall be investigated by the Lunenburg Police Department under the direction of the Chief of Police. The Chief of Police or his designee will provide a disciplinary request to the Board of Selectmen for actionable complaints lodged against licensees.

Subsection B. In the event the Chief of Police determines that disciplinary action should be instituted against a licensed pawnbroker or buyer, the Chief of Police shall cause to be served upon the licensed pawnbroker or buyer notice as to the time, date and place of hearing and of the charge with a statement of the reasons for the proposed disciplinary action. Hearings shall be conducted in accordance with law.

Section XIV. Suspension or Revocation of License

The Board of Selectmen may suspend or revoke licenses provided for by this article for any cause which the Board of Selectmen deems sufficient. Offenses which may result in the suspension or revocation of a pawnbroker's or buyer's license include but are not limited to the following:

- a) A violation of any section of this article.
- b) A violation of any provision of any statute or applicable law.

Article II. Sale, Exchange or Purchase of Metals

Section I. Findings

The Town of Lunenburg finds that there is a cognizable risk for stolen metals to end up in the possession of even legitimate businesses which trade in metals, including precious metals. Certain criminals bring stolen metals, including precious metals to dealers in jewelry and scrap metal. The victims of theft have only small hope of recovering their property unless the people and entities who receive scrap metals and jewelry are regulated in a manner which identifies both the metal received by the dealers and the persons who deliver the metal to these dealers. There is an Internet alert system used by the Lunenburg Police Department which reports stolen metals. Monitoring transactions within the town and identifying both the metals and the persons selling or delivering these metals will serve both to deter theft and to enable the Lunenburg Police Department to trace and recover stolen property and return it to the rightful owners.

Section II. Definitions

As used in Article II, the following terms shall have the meanings indicated:

ARTICLE: Any metal which is subject to Article II and is exchanged, sold, collected, bartered or received by a person dealing in metals.

CHIEF OF POLICE: The Chief of the Lunenburg Police Department or his designee.

EXCHANGE: Receiving, purchasing, selling or bartering metals, including precious metals and industrial scrap metals.

METAL: A chemical element that is malleable, opaque and ductile, usually solid, which has a characteristic luster, is a good conductor of heat and electricity, and can be melted or fused, hammered into thin sheets, or drawn into wires, e.g., copper, aluminum, gold, silver or iron or other metals.

PRECIOUS METAL(S): Any metal which is considered valuable, such as silver, gold, platinum and copper without regard to the form or amount of such precious metal.

BOARD: Board of Selectmen

Section III. License Required

- a) No person shall collect, deal in, exchange, buy, or keep a shop or place for the exchange, purchase, sale or barter of metals, including precious metals and industrial metals, in any building or place within the limits of the town without having a license issued by the Board of Selectman. The license requirement and the other requirements of this Article II shall not apply to commercial haulers having valid, current United States Department of Transportation stickers affixed to their vehicles.
- b) Board of Selectmen may for a fee set by said board and based upon an application devised by said board, license suitable persons to be dealers in and keepers of shops or locations for the purchase, sale or barter of precious metals at such places within the town as may be designated in such license. The Board of Selectmen may place reasonable conditions on such licenses which shall be inscribed on the face of the license. A license shall be limited to a specific address stated thereon. Subject to the notice and appeal provisions contained in Section IX (E),(2),(3) of this Article II, the Board of Selectmen may deny a license to any person who in the exercise of his reasonable discretion is unsuitable.
- c) All metal dealer licenses shall expire annually on the last day in December. The license holders shall be responsible for submitting an application for license renewal with the license fee to the Board of Selectmen at least 30 days prior to the last day in December. Upon receipt of an application for renewal, the Board shall consider the performance of the licensee during the previous year and shall determine whether the licensee had been found in violation of this Article II and other ordinances and regulations of the town applicable to metal dealers.
- d) The Board of Selectmen may promulgate reasonable regulations not inconsistent with this Article II which shall be binding upon all licensees. No regulation shall take effect until the expiration of 30 days from the date the regulation(s) is delivered or mailed to the person(s) then licensed. The Board of Selectmen shall deliver a complete set of regulations and any amendments thereto to the Town Clerk. The Town Clerk shall maintain the complete set of all regulations in a book available to the public.
- e) The obligation to obtain a license as required by this section will take effect 45 days after it is finally enacted.

Section IV. Transactions with Minors

No licensee shall, directly or indirectly, exchange any metals with a person under the age of 18.

Section V. Waiting Period

No article exchanged, purchased or received shall be sold, or altered in appearance, form or substance until a period of at least twenty-one (21) days have elapsed from the date of its purchase or receipt. All articles exchanged, purchased or received must be made available to the Lunenburg Police Department upon request within 24 hours of such request, and the Police Department may investigate to determine if any article is or may be stolen property. This waiting period does not apply to scrap metal yards which are exempt from any waiting period.

Section VI. Daily Report

Every licensee shall electronically create and send to the Police Chief or his designee on a form, in the manner and at the time prescribed by the Police Chief or his designee, a legible complete list containing an accurate description of all metal articles received by the licensee during the previous 24 hours. The description must include: the type of metal, the size and/or quantity, whether the article is or may be a precious metal, if applicable; whether the article is typically used by or associated with a male or female, the wording of any engraving, whether the article has any gems or precious stones, any identifying number and every other identifiable trait.

Section VII. Recordkeeping Requirements

- A. Every licensee shall, at the time of making any exchange or receipt of any article, assign and attach a number to each article received and shall make entry of such number in the book described in Subsection B.
- B. Every licensee shall keep a book in which shall be legibly written in ink, in the English language, at the time the licensee receives any article, the following information:
 - 1) An account and description, including all distinguishing or identifying marks and numbers of every article received by the licensee.
 - 2) The amount of money, if any, paid for the article.
 - 3) The date and hour when it was received.
 - 4) The name, age, permanent address and telephone number of the person from who purchased or received.
 - 5) A copy of the document used to identify the person giving the article to the licensee.
- C. Every licensee shall require positive identification from any person selling or exchanging any article. The licensee shall copy and record the type of identification presented and the date of birth from any person giving or exchanging any article. Positive identification means only a government-issued document with the person's name and photograph. The licensee shall photograph any person exchanging any article(s). A copy of the identification and the photograph shall be kept with the book required by this section as part of his records.
- D. No entry made in the book required by this section shall be erased, obliterated or defaced in any manner whatsoever. The book shall at all times be open for the inspection by the Police Chief or any police officer. The licensee shall keep and maintain all the records required by this Article II for a period of three years from the date of the last entry in any book.

Section VIII. Posting of Name, Occupation and License; Inspections

Every licensee shall post in some suitable and conspicuous place where he or she receives or exchanges articles, a sign having his/ her full legal name, and his/her business name, if different, and his/her occupation legibly described thereon in large letters. The current license shall also be so posted. The location where transactions occur, the store or shop and all articles exchanged and or kept therein or received therein and the book and documents required by this Article II, may at all times be examined by the Police Chief or any police officer at their request.

Section IX. Violations and Penalties

- A. Whoever not having a valid license as required by this Article II, exchanges, collects, deals in or barter metals in any place or manner other than that designated in his license, or after notice to him that his license has been revoked, or whoever violates this Article II or any rule, regulation or restriction contained in his license, or any regulation promulgated by the Town of Lunenburg shall be subject to the fines and sanctions described in this section. Each day of such violation shall constitute a separate offense.
- B. The fine for breach of the duty imposed by this Article II is three hundred dollars (\$300). Each day on which the person continues in violation shall be considered as a separate violation.
- C. This Article II may at the discretion of the Chief of Police be enforced by civil process or by noncriminal disposition as provided in M.G.L. c. 40, § 21D. The Chief of Police or any Lunenburg police officer may issue tickets to enforce this Article II. If enforced civilly by ticket each day on which a violation exists shall be deemed to be a separate offense and the violator shall be subject to the following fines:

1) First violation: \$150.

2) Second violation: \$200.

3) Third violation: \$300.

4) Fourth and each subsequent violation: \$300.

D. In addition to the penalties set forth above, the enforcing authority may seek an injunction from an appropriate court to restrain any violation of this Article II, any regulation promulgated by the Town of Lunenburg or any condition inscribed on a license.

E. The Board of Selectmen may terminate any license or refuse to renew any license for violation of this Article II, a regulation promulgated by the Town of Lunenburg or any condition inscribed on the license. The Board of Selectmen shall use the procedure described in this section.

1) Notice of violation. Whenever it comes to the attention of the Board of Selectmen that a violation of this Article II, a regulation promulgated by the Town of Lunenburg or a condition inscribed on a license, the Board shall by written notice, deliver personally or send by certified mail to the licensee notifying him of the violation and order the person to cease and desist. Depending on the severity of the violation as determined by him, the Board of Selectmen may terminate the license. The Board shall also provide notice described herein if it denies an application for a license stating the reasons therefor.

2) Contents of notice. The written notice to the licensee shall contain a description of the violation(s) and the date(s) of occurrence and a citation to the section of the ordinance, regulation or license condition which the licensee is alleged to have violated. The notice will, if applicable, describe what the licensee must do to comply, whether the Board of Selectmen intends to terminate the license and the effective date of the termination which shall afford the licensee at least seven days to file an appeal of the proposed termination with the Board. In the case of denial of a license, the notice shall state the reasons for the denial.

3) Appeal. Upon receipt of a notice of license termination, or denial, the licensee may, within seven days of receipt of the notice, file a written appeal by delivery or certified mail to the Board of Selectmen's office during the hours of 8:30 a.m. to 4:30 p.m. on days when Town Hall is open for business. When the Board of Selectmen receives an appeal, they shall appoint a neutral hearing officer who will take testimony from any persons with knowledge of the facts including any police officer and the appellant. The appellant may be represented by counsel and any person so testifying will be subject to cross examination. The proceedings will be governed by the rules of evidence applicable to an informal administrative hearing. The hearing officer will assure that an appropriate record, including any documents submitted, is made and kept. The decision of the hearing officer will be written and final.

F. The Board of Selectmen, subject to the process described in this section, may refuse to renew any license. The Board shall not issue a license to any person convicted of a felony.

Section X. License and Administration Fees

1) Second Hand Buyer of Goods and Electronics Annually \$250.00

2) Second Buyer of Metal and Precious Metals Annually \$250.00

3) Pawnbroker License Annually \$100.00

Amendments

(Submitted by Police Chief) Board of Selectmen recommends approval. Finance Committee reports no direct financial impact. **VOTED UNANIMOUSLY** with amendment to Article II, Section III (e) adding "it is finally enacted" to read: e) The obligation to obtain a license as required by this section will take effect 45 days after it is finally enacted by bylaw is approved by the Attorney General.

ARTICLE 11. To see if the Town will vote to add the below bolded wording to Article XXIX Agricultural Commission,

Section 1. Said Commission, once appointed shall develop a work plan to guide its activities. Such activities may include, but are limited to the following; encouraging the continued pursuit of agriculture in Lunenburg; promoting agricultural-based economic opportunities in Town; mediating, advocating, educating and/or negotiating on farming issues; working for the preservation of prime agricultural lands; **to oversee, operate or run a Farmers' Market;** and pursuing all initiatives appropriate to retaining farming in Lunenburg, or take any action thereto.

(Submitted by the Board of Selectmen) Board of Selectmen and Finance Committee recommend approval. **VOTED UNANIMOUSLY** to add the words "to oversee, operate or run a Farmers' Market;" to Article XXIX Agricultural Commission, Section 1, at the end of the second sentence before the words "and pursuing all initiatives appropriate to retaining farming in Lunenburg.

ARTICLE 12. To see if the Town will **vote to authorize the Board of Selectmen to enter into alternative energy power purchase and/or net metering credit purchase agreements, including solar and wind energy and related net electricity metering credits, for terms of more than three years, on such terms and conditions as the Board of Selectmen deem in the best interest of the Town;** and to authorize the Board of Selectmen to take all actions necessary to administer and implement such agreements; or take any other action relative thereto. (Submitted by Board of Selectmen/Town Manager)
Board of Selectmen and Finance Committee recommend approval. **VOTED**

ARTICLE 13. To see if the Town will vote **to delete Article XV, Salary Administration Plan, of General Bylaws and replace with a new Article XV, Salary Administration Plan, as printed below,** or take any other action relative thereto. (Submitted by Personnel Committee)

PREAMBLE

This by-law establishes a Salary Administration Plan, hereinafter called the “Plan”, which classifies several positions of town services into groups, establishes salary schedules, establishes so called “fringe” benefits, or “indirect pay” provisions, such as holidays and vacations with pay, sick leave, and the like, and establishes a Personnel Committee to administer the Plan, as hereinafter provided, and to represent the interest of both taxpayers and town employees.

SECTION 1. THE PERSONNEL COMMITTEE

There is hereby established a Personnel Committee consisting of five members, each residing in the Town of Lunenburg, to be appointed by the Selectmen and Town Manager, and each member shall serve for a term of three years; provided, however, that of the members originally appointed, one shall serve a term of one year, two for a term of two years, and two for a term of three years, as designated by the Selectmen and Town Manager. However, nothing herein shall be deemed to prohibit the chairman of the Personnel Committee from designating a member of said committee to serve ex officio as representative of said Committee on a study committee of the Town Meeting, nor shall such service affect the tenure of said member of the Personnel Committee. If any member of the Personnel Committee shall resign or otherwise vacate the office before the expiration of their term, the successor shall be appointed by the Selectmen and Town Manager, at their discretion, to serve for the balance of the unexpired term.

A Town employee may serve as an ex officio member of the Personnel Committee and may be called upon from time to time to provide information requested by the Personnel Committee so that the Personnel Committee can make well informed decisions and proposals.

Said Committee shall elect its own chairman and vice-chairman by September 15th of each year; and in the absence or incapacity of the chairman, the vice-chairman shall act as chairman. The Committee shall keep a record of its official proceedings and actions, may establish its own rule of procedure and may, subject to appropriation therefore, retain such

clerical and other assistance, and make such other expenditures as may be necessary to the performance of its duties. Three members shall constitute a quorum for the transaction of the business of the committee, and the affirmative vote of three members shall be necessary to any official act of the Committee.

The Personnel Committee is hereby authorized to administer the provisions of this by-law, except for such duties as may be specifically assigned by statute or by-law to other Town officers, boards or committees. Appeals for decisions of the Personnel Committee may be taken to the Town at the next Annual or Special Town Meeting.

The Personnel Committee may from time to time issue, amend, or revoke Administrative Orders for the purpose of giving effect to the provisions of this by-law, and for the purpose of giving effect to the provisions of such other by-laws and votes of the Town, pertaining to personnel administration, as said Committee may be responsible for administering and/or enforcing. Each such order shall be numbered in sequence, and said Committee shall maintain in the Town Office a file for all such orders issued, said file to be open to public inspection.

Except as otherwise provided by law, the Committee shall have access to all facts, figures, records and other information relating to the personnel of Town departments other than the School Department, and the same shall be furnished forthwith by any such department whenever so requested by the Personnel Committee, in such a form as said Committee may require.

In the event that the Personnel Committee does not have enough members to conduct business, the Town Manager shall have the authority to administer the Salary Administration Plan.

SECTION 2. CLASSIFICATION AND SALARY SCHEDULE

The positions of all officers except those part-time administrative positions required by statute, and employees in the service of the Town, whether probationary, full-time, part-time, hourly, seasonal, intermittent, and any others, other than those positions filled by popular election, all contractual employees, all police officers under the rank of Police Chief, and those under the direction and control of the School Committee, are hereby classified by titles in the groups listed in Schedule A, entitled "Classification and Salary Schedule", as set forth in this by-law.

SECTION 3. TITLE OF POSITIONS

No person shall be appointed, employed or paid as an employee in any position subject to the provision of the Salary Administration Plan under any title other than those of the Classification and Salary Schedule, or under any title other than that of the job the duties of which are actually performed. The job title in the Classification and Salary Schedule of the Plan shall be the official title for all purposes having to do with the position and shall be used to designate the position in all payrolls, budget estimates and official reports, and in every other connection involving personnel and fiscal processes.

SECTION 4. NEW OR CHANGED POSITIONS

The Personnel Committee tentatively may add new job title and descriptions to this Plan, establishing grades with minimum and maximum wage or salary brackets for the same, and reclassifying existing jobs, revising the description and the minimum and maximum wage and salary brackets therefore, and such addition or reclassification to be effective only for the period from the date of such action by the Personnel Committee to the date of any vote with respect thereto adopted at a subsequent Town Meeting but in no case later than the next Annual Town Meeting unless such later date as may be specified by such vote. Any increase in wages or salaries under this section shall be effective only if funds are available for the purpose, and approved by the Finance Committee and Board of Selectmen.

SECTION 5. RECLASSIFICATION OF EMPLOYEES

No employee shall be reclassified to a job in another group, either higher or lower, until the Personnel Committee shall have determined that such a reclassification will be consistent with the provisions of the Salary Administration Plan.

SECTION 6. JOB DESCRIPTIONS AND INTERPRETATIONS

The Personnel Committee shall maintain written job descriptions of the jobs or positions in the Plan, describing the essential functions, requirements and duties. The descriptions shall not be interpreted as either complete or restrictive and employees shall continue to perform any duties assigned by an employee's supervisor.

Every three (3) years, the Personnel committee shall review the wage and salary schedules of all positions in the Plan, and be in a position to recommend to the Board of Selectmen any action deemed desirable to maintain a fair and equitable pay level.

SECTION 7. SALARY SCHEDULE

The Classification and Salary Schedule of the Salary Administration Plan, set forth in Schedule A of this by-law, shall consist of the maximum and minimum salaries and step-rate salaries for the groups and positions in the Classification and Salary Schedule. The salary range of a group shall be the salary range for all positions classified in such group.

Irrespective of the period of time for which pay rates may be shown in the Salary Schedule, all employees shall continue to be paid on an hourly, weekly, monthly, or other basis, as at present, unless otherwise authorized by the Personnel Committee or by amendment of the Salary Administration Plan.

SECTION 8. SALARY RATES ABOVE MAXIMUM

Any salary rate which is above the maximum rate for a job, as established by Salary Administration Plan, shall be deemed to be a personal rate, and apply only to the incumbent. When such incumbent leaves the employ of the Town or is transferred to another job with a higher maximum rate than their personal rate or higher maximum rates are established, the personal rate shall disappear. No other employee assigned to or hired for such job shall advance beyond the maximum of the job.

SECTION 9. LAYOFF PROCEDURE – RECALL PROCEDURE

Layoff Procedure – If the Town decides to lay off employees, it shall determine from which classification(s) or job function(s) layoffs shall be made. Layoffs shall then be made based on seniority within the classification.

“Seniority” shall be the length of an employee’s continuous service measured from the employee’s most recent appointment date; provided an employee’s seniority may be reduced for periods of unpaid leave, unless otherwise prohibited by law.

If two or more employees in the same classification have the same seniority, the employee who has the shorter term of continuous employment with the Town shall be laid off. If there are two or more employees in the same classification with the same seniority and the same term of continuous employment with the Town, a part-time employee shall be laid off before a full-time employee. If there are still two or more employees in the same classification, the Town Manager shall determine which employee shall be laid off.

An employee that is scheduled to be laid off shall have the right to bump other employees in lower classifications with less seniority, provided that the Town Manager, in his/her sole discretion, but with consultation of the Department Head, shall make a determination that the employee retained is qualified and able to perform the duties of the lower classification, subject to disability discrimination laws.

Employees who have been laid off from employment are responsible for keeping the Town advised of their current address for the purpose of potential recall from layoff.

Recall Policy – If the town conducts a recall from layoff, recall shall be offered in reverse order of layoff by classification provided the laid off employee is qualified and able to perform the duties of the classification to which the employee is being offered recall, subject to disability discrimination laws.

Employees shall only be eligible for recall from layoff under the terms of this policy for one (1) year from the date of the employee’s layoff.

Any employee who is recalled from layoff under the terms of this policy shall retain his/her seniority, less the period of layoff.

The Town will notify an employee of a recall opportunity by certified letter (or other verifiable method of delivery) to the employee’s last known address. An employee who has been offered an opportunity to be recalled from layoff must advise the Town of his/her intention to accept recall within five (5) working days.

SECTION 10. TRANSFERS AND PROMOTIONS

(a) When an employee is promoted to a job with a higher rate range, or rate of pay, he/she shall enter it at the minimum of the job rate range or at their own rate, whichever is the higher, but in no event at a rate in excess of the maximum for such job. He/she may also receive at the time one or more step rate increases, provided the maximum for the job is not exceeded, if the Department Head recommends that qualification and performance warrant it, and the Personnel Committee approves. If the Department Head should feel that there should be a trial period before recommending the promotional step rate increase or increases, on recommendation of the Department Head, the Personnel Committee may approve any such deferred promotional increase at the conclusion of the trial period.

(b) If an employee is transferred to a job with a lower rate range, or rate of pay, he/she shall enter it at their own rate or at the maximum rate for the job, whichever is the lower.

SECTION 11. NEW PERSONNEL

(a) The hiring rate shall be the minimum of the rate range of the job for which the new employee is hired, unless otherwise authorized by the Personnel Committee. Department Heads shall notify the Personnel Committee of the hiring of all new personnel. This notification shall be done in writing via the New Hire Personnel Form.

(b) Effective July 1, 2015, for new regular full-time, and new regular part-time personnel for whose position there is a rate range, eligibility for a step increase will depend on the employee's date of hire. If hired between January 1st and June 30th, the employee is not eligible for a step increase until July 1st of the following calendar year. If hired between July 1st and December 31st, the employee is eligible for their first step increase on the upcoming July 1st.

SECTION 12. GRIEVANCE PROCEDURE

Any employee who believes that they have received inequitable treatment is encouraged to discuss the grievance initially with their supervisor within 10 working days of the occurrence or knowledge of the event. If the employee is not comfortable discussing the matter with their direct supervisor, or if the matter is not settled, the employee should submit the said grievance to their Department Head. The Department Head shall meet with the employee and will respond in writing to the employee within 14 days of the meeting.

If the grievance is not resolved by the decision of the Department Head, the employee may file an appeal in writing with the Town Manager within 10 days of receipt of the decision. The Town Manager will meet with the employee within a reasonable time after receipt of the appeal and will respond in writing to the employee's grievance within 30 days after meeting with the employee.

SECTION 13. DEPARTMENT BUDGETS

Each Department Head shall include in the annual budget request, a pay adjustment section to provide funds for anticipated pay adjustments during the ensuing year, expenditures to be made therefrom only in accordance with the Salary Administration Plan with approval of the Personnel Committee.

SECTION 14. SEVERABILITY PROVISION

In the event any provision of this by-law or application thereof shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this by-law.

SECTION 15. CIVIL SERVICE

Nothing in this by-law of Salary Administration Plan shall be construed to conflict with Chapter 31 (Civil Service) of the General Laws.

SECTION 16. HOURS OF WORK

The schedule of hours to be worked shall be determined by the appropriate Department Head.

For positions entitled to overtime pay at one and one-half (1 1/2) times the regular rate for work actually performed in excess of forty (40) hours within a work week, the words "work actually performed" shall be construed to include all duly paid time off, including but not limited to holidays, sick leave, vacation, personal days and bereavement leave, and such leave shall be included in the computation of forty (40) hours.

Unauthorized leave or leave for which the employee is not entitled to compensation shall not be included in such computation.

- I. Industrial Trades and Service Occupations
 - A. Work Week 40 hours in 5 days.
 - B. One and one-half (1 1/2) times the regular rate will be paid for work actually performed in excess of forty (40) hours within a work week.
- II. Office Occupations
 - A. Work Week - Forty (40) hours in five days and may be reduced administratively to 36 hours in four or five days.
 - B. One and one-half (1 1/2) times the regular rate will be paid for work actually performed in excess of forty (40) hours within a work week.
- III. Public Safety Occupations
 - A. Fire Department - The hours of the Fire Department shall be determined by the Chief with the approval of the Personnel Committee provided, however, that all hours worked by any member of the Fire Department will be paid for at the regular rate then in force.
- IV. Administrative and Professional Occupations
 - A. Persons employed in these positions are not governed by hours of the positions under their supervision or control. Generally, such positions shall be for at least forty (40) hours per week when full-time and not entitled to overtime.

Notwithstanding anything in the foregoing paragraphs, the appropriate department head may, instead of paying the overtime rate, provide that the employee take compensatory time off at a rate of 1 1/2 times the hours worked that qualify for overtime pay. Compensatory time must be taken within 60 days.

SECTION 17. PAID VACATIONS

All persons employed regularly by the Town full-time or part-time for a minimum of twenty (20) hours per week shall receive paid vacations according to the following schedule. Any persons working between 20 and 40 hours per week shall receive paid vacations, but it will be prorated accordingly. The part-time compensation formula shall be used to determine the prorated part-time employee's vacation day (See Section 28).

After Completion of:	Hours of Paid Vacation (Based on 40 hour week)
10 Months	80
1 Year	80
5 Years	120

Earned vacation time up to and including 80 hours must be used in the year granted. No unused portion of this allowance shall be carried forward into a subsequent vacation year, nor shall any monetary compensation be given for such unused portion. Earned vacation time in excess of 80 hours should be used in the year granted, and no portion of such excess shall be carried forward into a subsequent year. If departmental scheduling or other serious extenuating circumstances preclude the use of all such excess in the year granted, the employee shall receive compensation equivalent to such unused portion in a lump sum payable on the last payroll warrant in June, in addition to their regular salary; provided, however, that such payment must be approved by the Department Head and written authorization signed by the Personnel Committee in advance of such payment.

Employment Termination. An employee whose employment ends, whether voluntary resignation, retirement or involuntary termination, shall receive compensation equivalent to earned vacation allowance, provided he/she has been in the continuous service of the Town for 10 months, as follows:

- (a) All currently available, unused vacation allowance up to a maximum of 200 hours; and (b) One twelfth (1/12) of the vacation allowance which would otherwise have been credited on the next succeeding July 1, for each full month worked since the preceding July 1.

The vacation year shall begin July 1. The assignment of vacation leave shall be arranged by the Department Head for such time or times as best serve the public interest, provided, however, that each employee shall be entitled to use at least 40 hours of their vacation accrual during the period between June 1 and September 15 if desired, based on seniority.

No vacation time may be used in advance of the July 1 date on which it would normally be credited; except that where such advance served the needs both of the employee and of the Town, it may be requested by the Department Head and authorized in writing by the Town Manager. In no case shall any such advanced vacation exceed the number of days for which the employee would be entitled to compensation, were he/she to terminate their services in good standing on the first day of such vacation, in accordance with the provisions of paragraph 5, subparagraph (b), of this section.

SECTION 18. PAID HOLIDAYS

The Town of Lunenburg shall observe the following holidays:

New Year's Day	Columbus Day
Martin Luther King Day	Veterans' Day

Washington's Birthday
Patriots Day
Memorial Day
Independence Day
Labor Day

Thanksgiving Day
The Day after Thanksgiving
The Day before Christmas
Christmas Day

It is the intent of this section that no employee, employed full-time or part-time for a minimum of twenty (20) hours, shall lose pay by the observance of any of the listed holidays; provided, however, that part-time employees shall receive holiday benefits only for holidays falling within their regularly scheduled work week; and provided further that, except as specifically provided elsewhere in this section, no employee, full-time or part-time, shall receive, in any week in which a holiday occurs, compensation in excess of his or her normal week's pay as a result of the payment of compensation for such holiday. To these ends, this section shall be administered as follows:

Full-Time Employees (36-40 hours): The employee is entitled to each of the scheduled holidays or the equivalent time off with pay, based on the hourly rate of the employee for the number of hours normally worked on the day of the week on which the holiday falls, or for the number of hours normally worked on the day of the week given as equivalent time off, as the case may be.

Part-Time Employees (minimum 20 hours): The employee is entitled to compensation for those holidays falling within his or her usual work schedule only, as follows:

- a. The number of hours normally scheduled for the day of week on which the holiday falls; or
- b. The number of hours normally scheduled for each week, divided by the number of days normally scheduled to work in each week, whichever is applicable.

Holiday time will be given on the holiday if possible. If not, where applicable, equivalent time off with pay will be granted. However, if according to the needs of the Department, holiday time or equivalent time off cannot be granted, the employee shall receive payment at one and one-half times the regular hourly rate for all hours worked on the holiday, in addition to his or her holiday pay. Whenever a holiday falls on Sunday, it will be observed on the Monday following. Whenever a holiday falls on Saturday or on a full-time employee's day off, holiday time will be scheduled by the Department Head or the employee will receive a Floating Holiday. The Floating Holiday is equal to eight (8) hours for employees who regularly work 40 hours per week, and will be prorated according to the Part-time compensation formula for those who work less than 40 hours. Holiday time will not be cumulative and must be taken within either three (3) weeks before or three (3) weeks following the specified holiday.

SECTION 19. SICK LEAVE

All persons employed, full-time or part-time who have completed the six (6) months probationary period by July 1 of any year, shall be entitled to sick leave of ninety-six (96) hours, to be credited on July 1. The part-time compensation formula shall be used to determine the employee's prorated sick pay (See Section 28).

New employees having completed the six (6) months probationary period shall be credited as of the end of said six (6) months, with sick leave in the amount of eight (8) hours for each full month intervening between the six months anniversary date and the next July 1, up to the maximum of ninety-six (96) hours. Use of such leave must be occasioned by sickness or injury of the employee or their immediate family member.

Unused sick leave shall be cumulative up to a maximum of 1,200 hours, and shall be carried forward on July 1 of each year, to be added to the sick leave credited as of July 1. Sick leave may be donated to another employee who has exhausted their accumulated sick leave at the discretion of the Town Manager.

When an employee finds it necessary to be absent because of accident or illness, he/she shall report the fact to their immediate supervisor as soon as possible either in person or by agent. Sick leave will not be granted unless such report is made. For the protection of the Town, the Department Head or supervisor may require the presentation of a doctor's certificate in connection with a claim for sick leave that exceeds, or is equal to 24 hours (or three missed days of work), and may, if it is deemed advisable, send a doctor or nurse to investigate any absence alleged to be caused by illness. Any employee who refuses to submit to a doctor's examination shall not be entitled to sick leave.

An employee who retires in good standing shall receive compensation based on a percentage of his/her accumulated unused sick leave, up to a maximum of 480 hours, as follows: 5 years continuous service 10%; 15 years continuous service 50%; 25

years continuous service 75%. In the event of an employee's death, the above benefit will be paid to his/her beneficiary. This retirement benefit will not be available to any employee hired after June 30, 2010.

Sick Time can be used for any of the following reasons:

- Care for the employee's own physical or mental illness, injury or medical condition that requires home care or rest, professional medical diagnosis or care, or preventative medical care;
- Care for the employee's child, spouse, parent or parent of a spouse, who is suffering from a physical or mental illness, injury, or medical condition that requires home care, professional medical diagnosis or care, or preventive medical care;
- Attend the employee's routine medical appointment or a routine medical appointment for the employee's child, spouse, parent, or parent of spouse.

SECTION 20. PERSONAL LEAVE

All persons employed, full time or part time who have completed six (6) months probationary period by July 1 of any year, shall be entitled to personal leave of twenty-four (24) hours, to become available on July 1 for use during the ensuing fiscal year. The part-time compensation formula shall be used to determine the employee's prorated personal hours (See Section 26).

New employees having completed the six (6) months probationary period shall be credited as of the end of said six (6) months, with eight (8) personal hours for use during the period between said six (6) months anniversary and the end of the then current fiscal year; provided, however, that the said six (6) months probationary period must have been completed by May 1 of that year.

Employees who do not use any sick leave within a three month (3) month period (calculated quarterly), will be entitled to eight (8) additional personal hours for each such quarter; said personal hours are to be used in the same fiscal year in which they are earned. Personal leave shall be scheduled with the approval of the Department Head. Personal leave shall not be cumulative.

SECTION 21. FAMILY AND MEDICAL LEAVE

The Town agrees to abide by the provisions of the 1993 Family and Medical Leave Act (FMLA). All eligible employees are entitled to up to twelve (12) weeks of unpaid leave for certain family and medical reasons in a one (1) year period. Employees are eligible for FMLA if they have worked for the Town for at least one (1) year and at least for one thousand two hundred and fifty (1,250) hours over the previous twelve (12) months.

Unpaid FMLA leave must be granted for any of the following reasons:

- To care for the employee's child after birth, or placement for adoption or foster care
- To care for the employee's spouse, son, daughter, or parent, who has a serious health condition
- For a serious health condition that makes the employee unable to perform the employee's job

In accordance with the past practice, the Town allows, at the option of the employee, the use of paid leave time during the FMLA absence including accumulated Sick Leave, Vacation Leave, and Personal Leave. The Town requires all employees applying for an FMLA leave to notify their Department Head, in writing, thirty (30) days prior to the leave, if possible.

SECTION 22. BEREAVEMENT LEAVE

In the event of death in an employee's family (wife, husband, mother (in-law), father (in-law), child, grandparents, brother, or sister) up to and including three days off duty may be granted, with pay, not to be charged against sick leave. Any time above the three days is to be charged against sick leave.

SECTION 23. MILITARY LEAVE

Town employees with a minimum of six consecutive month's employment with the Town who serve in the State or Federal military training forces under orders shall be allowed full pay for not more than one normal working week and shall be granted a military leave of absence for the period of their required service with said forces.

Military leave of absence with pay shall be granted to employees of the Town on occasion of their appearance before local draft boards or draft appeal boards, or for physical examinations ordered by said boards; but no such leave shall be granted for a period of more than one day without the approval of the Personnel Committee. Such leave shall be deemed to be a military leave of absence.

A military leave of absence without pay shall be granted to any Town Officer or employee called to active duty with the State or Federal Armed Forces for purposes other than the routine annual tour of duty for training purposes.

As used herein, the phrases “military training forces” or “armed forces” shall mean the United States Air Force, the United States Army, the United States Navy, the United States Marine Corps, the United States Coast Guard, the Massachusetts National Guard, the Massachusetts Air National Guard, the Massachusetts State Guard, and any and all components thereof.

SECTION 24. JURY DUTY

All persons permanently employed, whether full time or part time for a minimum of twenty (20) hours per week, called for jury duty shall be paid by the Town, an amount equal to the difference between the compensation paid for a normal working period and the amount paid by the court, excluding allowance for travel, and this will be certified by the Town Clerk or Treasurer upon presentation of the check for monies received for Jury Duty.

SECTION 25. LONGEVITY PAY

After reaching ten (10) years of employment, and thereafter, each employee permanently employed, whether full or part time, shall receive an annual bonus equal to 2% of their annual salary, and is payable in the first pay period after July 1st. At 15 years of continuous service – 2.5% of their annual salary, and at 20 years of continuous service – 3% of their annual salary.

SECTION 26. TRAVEL REIMBURSEMENT

Travel reimbursement shall be by signed voucher at a rate established by the IRS when using the employee’s own car, plus tolls and parking fees.

SECTION 27. DISCIPLINE POLICY

Items which constitute grounds for disciplinary action against an employee include: chronic absenteeism or tardiness, insubordination or refusal to work, infraction of work and safety rules, threat of physical violence against fellow employees, use of profane language to a supervisor or fellow employee, or offenses of comparable gravity or severity.

Upon determination by the Department Head that disciplinary action is warranted, the following guidelines shall be implemented for all employees that have successfully completed a six (6) month probationary period:

STEP 1. 1st Offense - Written warning.

STEP 2. 2nd Offense - A formal written reprimand notifying the employee of a one day suspension and that one further offense shall result in a three day suspension without pay.

STEP 3. 3rd Offense - Employee will receive an immediate three day suspension without pay and a written notification that any further offense shall be grounds for dismissal.

STEP 4. 4th Offense - Immediate dismissal of the employee.

Depending on the particular circumstances, one or more of the above steps may be skipped. The offense for which disciplinary action is taken may be any combination of the items described above. For example, offense number one could be tardiness, offense number two could be absenteeism, and offense number three could be refusal to work or insubordination. If an employee goes twenty-four (24) months without a further offense, the first offense beyond twenty-four (24) months shall be disciplined at the level of step one.

The following infractions are grounds for the immediate dismissal of an employee for just cause by the Department Head. Just cause may include, but shall not be limited to, the following:

- Willful neglect or non-performance of one or more assigned duties;
- Demonstrated incompetence in the performance of one or more assigned duties;
- Behavior that seriously interferes with the normal operation of the municipality, the department, or any member of the workforce;
- Insubordination, which shall mean a refusal to carry out a direct order;
- Dishonesty in the performance of assigned duties;
- Chronic absenteeism or tardiness without reasonable excuse;
- Unauthorized possession or use of alcohol or an unprescribed controlled substance during any period of assigned work;
- Municipal theft.

SECTION 28. DEFINITIONS

The following terms used in the Salary Administration Plan shall be defined as set forth herein:

Full-Time Employee shall mean any person who spends an amount of time between thirty-six (36) and forty (40) hours of permanently scheduled work per week in the service of the Town.

Hourly Employee shall mean any employee of the Town who by virtue of their classified position is compensated at an hourly rate for services rendered. Hourly employees are not eligible for benefits (i.e. vacation, sick-time, insurance, etc.).

Intermittent Employee shall mean any person who works less than twenty (20) hours per week on a regular basis. Intermittent employees are not eligible for benefits (i.e. vacation, sick-time, insurance, etc.) and work less than one thousand forty (1,040) hours per year in the service of the Town.

Part Time Compensation Formula shall be determined by dividing the compensation or time off by 40 and then multiplying by the number of hours the employee works per week. For example, a 40 hour per week employee is eligible for 120 hours of vacation. If another employee with the same tenure works 36 hours, the formula is as follows: $120 / 40 = 3$. Then multiply 3×36 hours = 108 hours.

Part-Time Employee shall mean any person who spends less than thirty-six (36) hours but twenty (20) hours or more of permanently scheduled work per week in the service of the Town.

Probationary Period shall mean the initial six (6) month period of employment with the Town.

Seasonal Employee shall mean any employee, part or full-time who spends no more than six (6) months or one hundred eighty (180) days whichever is less per year, in the service of the Town. Seasonal employees are not eligible for benefits (i.e. vacation, sick-time, insurance, etc.).

Employees hired between January 1st and June 30th are not eligible for a step increase until the following calendar year on July 1st.

Step 1 is defined as the first 0 months up to 18 months of employment (depending on the individual's date of hire).

Employees receive a step increase each year until they reach 10 years of employment, at which time they are eligible for a Longevity Bonus.

(Submitted by Personnel Committee) Board of Selectmen and Finance Committee recommends approval with amendments to be presented at Town Meeting. **VOTED with amendment to replace all references in Section 1, first paragraph of Town Manager to Town Moderator.**

ARTICLE 14. To see if the Town will vote **to raise and appropriate or transfer from available funds, a sum of money to the Stabilization Fund;** or take any other action relative thereto. (Submitted by Town Manager) Board of Selectmen recommends approval of \$6,623.00. Finance Committee recommends approval. **VOTED UNANIMOUSLY** to raise \$7,136.00.

ARTICLE 15. To see if the Town will vote to adopt a Non-Binding Resolution opposing the Northeast Energy Direct Project as printed below; or take any other action relative thereto. (Submitted by Board of Selectmen/ Town Manager) Board of Selectmen recommends approval. Finance committee reports no direct financial impact.

Non-Binding Resolution Opposing the Northeast Energy Direct Project

WHEREAS, Kinder Morgan has proposed a new 36" high pressure gas pipeline through Massachusetts and New Hampshire, as part of a Northeast Energy Direct Project hereinafter called "the Project"; and

WHEREAS, the Project also proposes a new 12" high pressure (1460 psi) natural gas pipeline, which it calls the "Fitchburg Lateral", to be installed, not in Fitchburg, but in Lunenburg, Townsend, and Mason NH; and

WHEREAS, Lunenburg is already crossed by a Kinder Morgan pipeline hereinafter called the "South Lunenburg Lateral", which runs from Lancaster to the proposed southern terminus of the Fitchburg Lateral; and

WHEREAS, the South Lunenburg Lateral has already caused financial damage to Lunenburg citizens; and

WHEREAS, the completion of the Project appears to create a connection between the proposed Fitchburg Lateral and the South Lunenburg Lateral; and

WHEREAS, said connection could provide Kinder Morgan the opportunity to provide gas service to Worcester through Lunenburg including a possible future addition of a compressor station in Lunenburg, or other re-adaptation and re-use of the South Lunenburg Lateral; and

WHEREAS, Kinder Morgan has been silent about its plans to create such a connection, despite its proposing a metering station in Lunenburg at the Southern terminus of the proposed Fitchburg Lateral in its Resource Report 1 filed with the Federal Energy Regulatory Commission; and

WHEREAS, the currently proposed pipeline route was chosen in a private, closed process so that there has been no chance for open, public discussion or debate of alternate routing possibilities and tradeoffs; and

WHEREAS, Kinder Morgan identified properties in Lunenburg that it intends the Fitchburg Lateral to cross but declined to provide the town of Lunenburg with detailed and current information on the exact route it is proposing; and

WHEREAS, landowners are being asked to permit surveying on their property or to sign agreements to forfeit some of their property rights; and

WHEREAS, federal eminent domain powers may be used to forcibly take pipeline easements from unwilling landowners; and

WHEREAS, a high-pressure gas pipeline, by its nature, carries the potential for leak, rupture or devastating explosion causing untold damage to property and lives; and

WHEREAS, said pipeline goes against current Massachusetts commitments to renewable energies and combating global climate change; and

WHEREAS, our energy challenges are better addressed through investment in energy conservation measures as well as green and renewable energy solutions; and

WHEREAS, Lunenburg and our neighboring communities have adopted comprehensive master plans, zoning bylaws, wetlands bylaws and other land use controls to provide for the orderly development of our communities and the conservation and protection of our communities for future generations to come, as good stewards of the land should; and

WHEREAS, the elimination of environmental threats to our forests and streams from improvident developments is the fundamental purpose for the adoption of our land use controls and master plans; and

WHEREAS, Lunenburg and our neighboring communities have publicly and privately set aside large tracts of land and restricted their development for conservation and open space purposes as part of their master plans;

NOW, THEREFORE, be it RESOLVED that the Town of Lunenburg does hereby declare that it:

STANDS IN OPPOSITION to Kinder Morgan's proposed Energy Direct Project and to the Fitchburg Lateral; and

STANDS IN OPPOSITION to any effort to locate the proposed Fitchburg Lateral within Lunenburg's borders; and

FURTHER COMMITS to participate in and provide comments to any meetings held under the Federal Energy Regulatory Commission (FERC) review process with regard to the proposed Fitchburg Lateral to oppose Kinder Morgan's application; and

BE IT FURTHER RESOLVED that the Town of Lunenburg does hereby call upon its state and federal legislators and Executive branch officers to enact legislation and take any such other actions as are necessary to oppose such energy projects that go against our commitment to public safety, our environment, our economic well-being and our sense of community.

FY 2016 ELECTED OFFICIALS

MODERATOR

2018 Timothy W. Murphy

SELECTMEN

2016 James E. Toale**
 2016 Robert J. Ebersole
 2017 Thomas A. Alonzo
 2017 Phyllis M. Luck
 2018 Paula J. Bertram

BOARD OF HEALTH

2016 James J. Auge
 2017 Perry R. Jewell
 2017 Paul J. Fortin
 2018 David M. Passios
 2018 George L. Emond, Jr.**

BOARD OF ASSESSORS

2016 Matthew J. Papini, Sr.
 2017 Louis J. Franco**
 2018 Richard J. Letarte

SEWER COMMISSION

2016 Carl A. Luck**
 2016 Michael J. Nault
 2016 Susan M. Bunish
 2017 John D. Reynolds
 2017 Troy A. Daniels

TOWN CLERK

2016 Kathryn M. Herrick

CONSTABLE

2016 John E. Baker

SCHOOL COMMITTEE

2016 Gregory D. Berthiaume**
 2016 Colleen M. Shapiro
 2017 Michael J. Mackin
 2017 Heather A. Sroka
 2018 Wendy L. Bertrand

PARK COMMISSIONERS

2016 Paul F. Scheipers
 2016 Dennis A. Mannone
 2017 Robert Robuccio**

TRUST FUND COMMISSIONERS

2016 Jean E. Storrs
 2017 Karen M. Ullo
 2018 Michael D. Gale**

CEMETERY COMMISSIONERS

2016 Lance D. May**
 2017 G. Stephen Schaff
 2018 Lorraine Mendoza

LIBRARY TRUSTEES

2016 Richard N. Mailloux**
 2016 Kiirja K. Paananen
 2016 Donna G. Saiia
 2017 Susan A. Visser
 2017 Harry M. Kubetz
 2018 Lars H. Widstrand
 2018 Gare F. Thompson

PLANNING BOARD

2016 David Prokowiew
 2017 Gregory P. Bittner
 2018 Damon J. McQuaid**
 2019 Kenneth J. Chenis
 2020 Matthew A. Allison

HOUSING AUTHORITY

2016 Amaryllis Leet
 2018 Deborah A. H. Christen
 2019 Caroline S. Fortin
 2020 Paul J. Doherty

Appointed By Governor:

2011 Elizabeth A. Murphy**
