What Vocational Programs Does Monty Tech Offer?

Advanced Manufacturing

Auto Body & Collision Repair

Auto Technology

Business Technology

Cabinetmaking

CAD/Drafting

Cosmetology

Culinary Arts

Dental Assisting

Early Childhood Education

Electrical

Engineering Technology

Graphic Communications

Health Occupations

House Carpentry

HVAC & Property Maintenance

Information Technology

Masonry

Plumbing

Veterinary Science

Welding & Metal Fabrication

Always Mindful of Limiting Expenditures

Once again, Monty Tech continues to demonstrate fiscal awareness and constraint as our school district ranks low in per pupil expenditures when compared to our colleagues at the other vocational and agricultural schools across the Commonwealth.

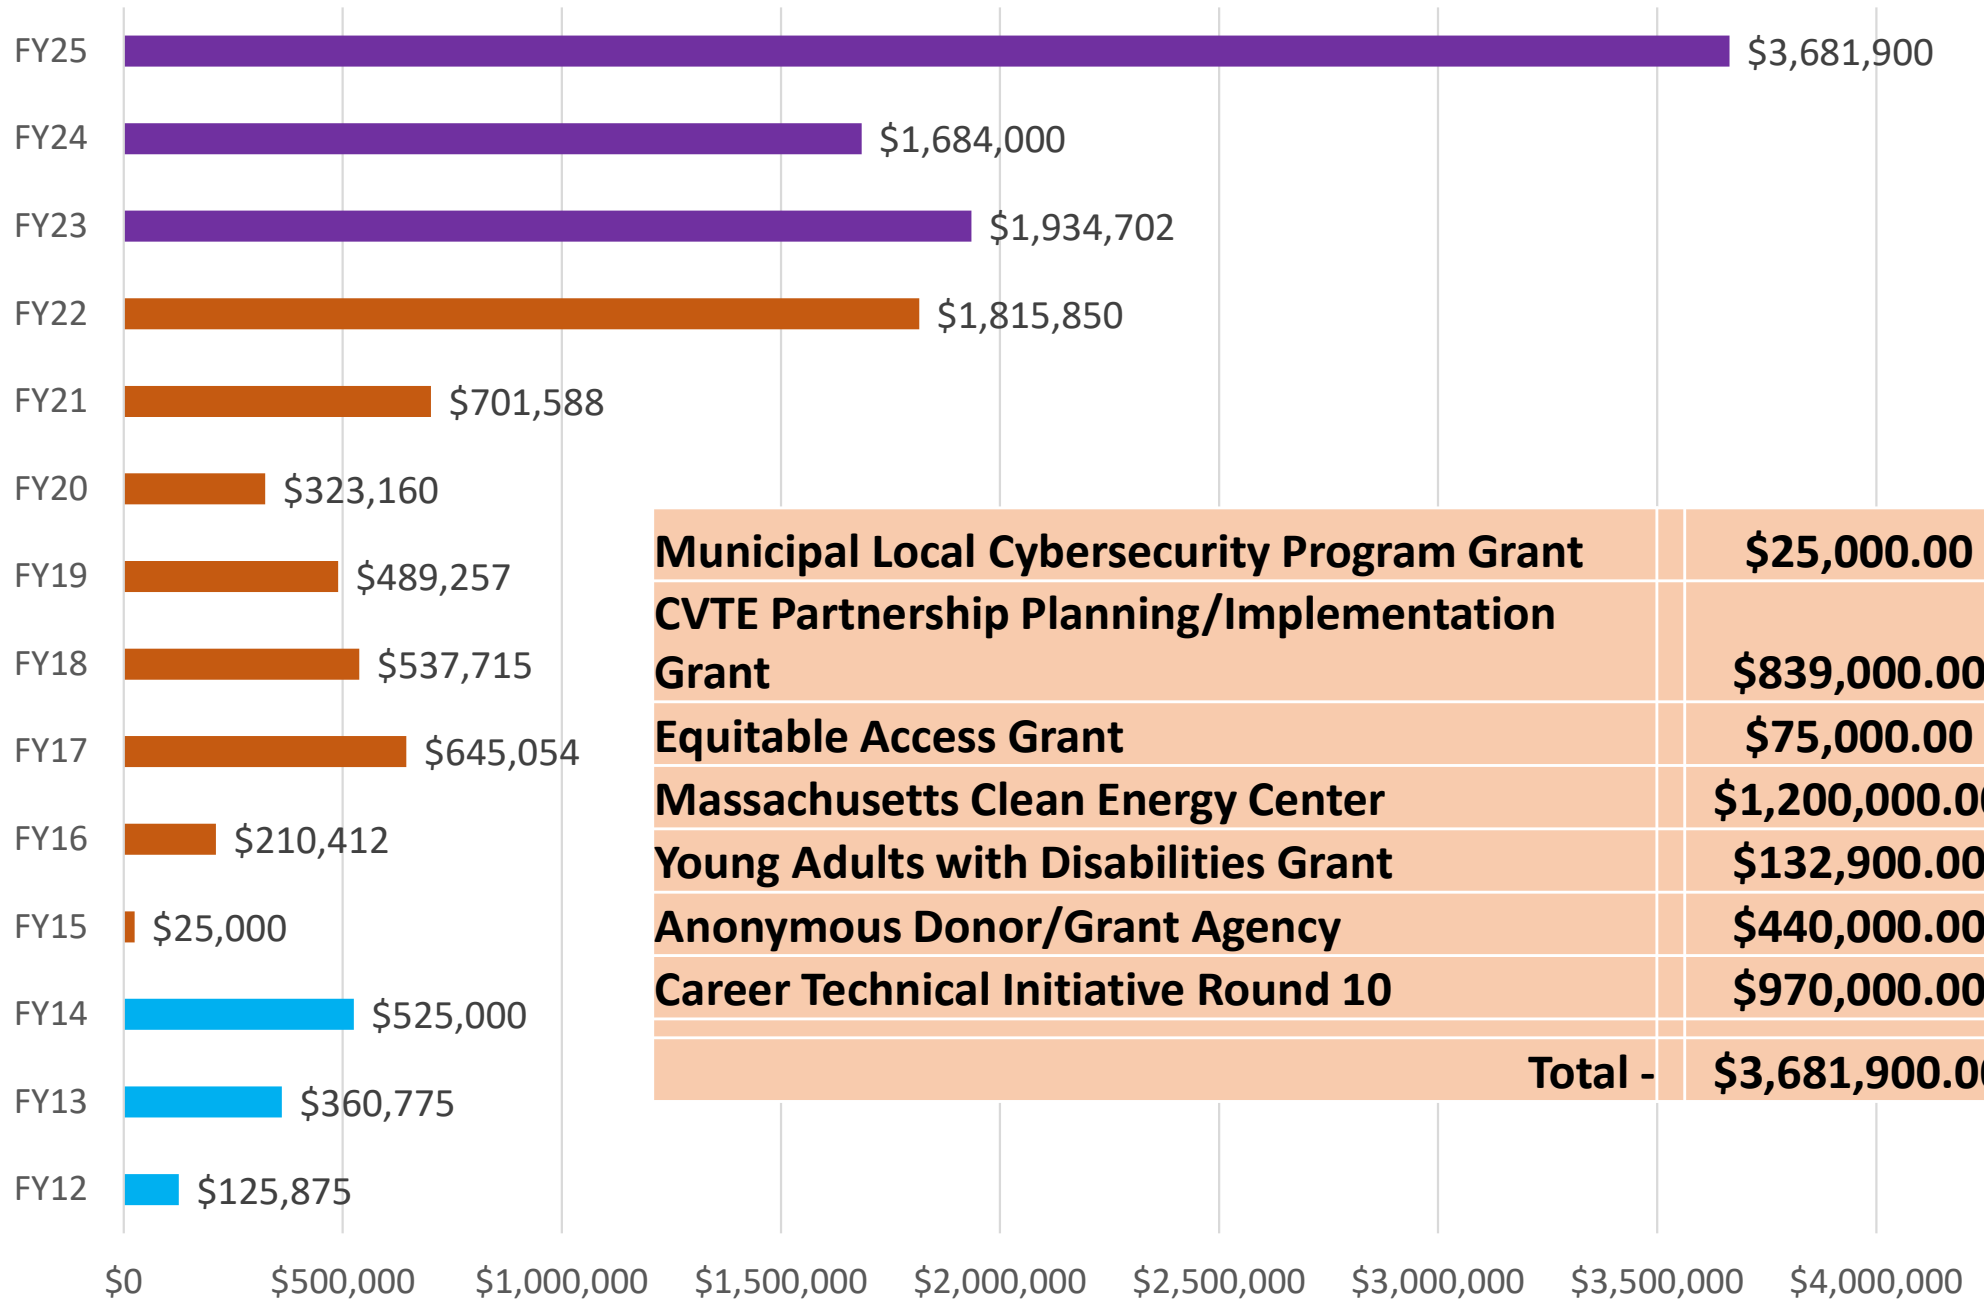

In fact, in FY24, **Monty Tech ranked 24th out of 28 in per pupil expenditures.**

Maintaining a highly regarded reputation for academic and vocational excellence, while ensuring our students learn in state-of-the-art training facilities, with industry-standard resources, while operating on a budget with minimal per pupil spending is made possible by the numerous grants awarded annually.

<u>District</u>	<u>Expenditures Per Pupil (Total Expenditures)</u>
Minuteman Reg. Voc. Tech.	\$37,310
Keefe Reg. Voc. Tech.	\$31,733
Greater Lawrence Reg. Voc. Tech.	\$30,527

Update of Annual Grant Awards

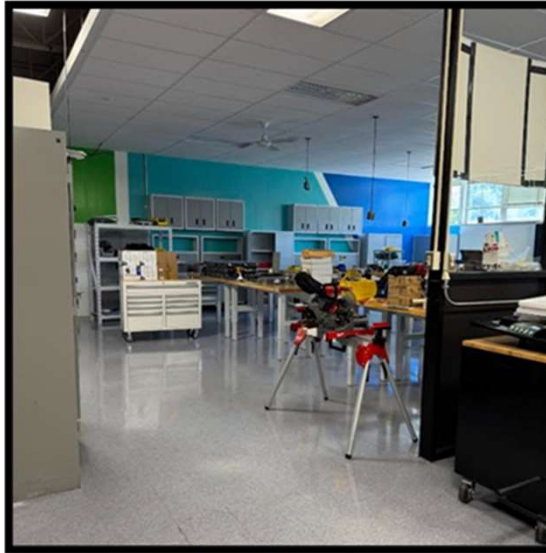

Using Grants for New Equipment & Renovations

Cosmetology Furnishings

Engineering Renovations

New Culinary Appliances & Pizza Oven

Auto Body Spray Booth

New Rooftop Units

Heavy Equipment Simulators

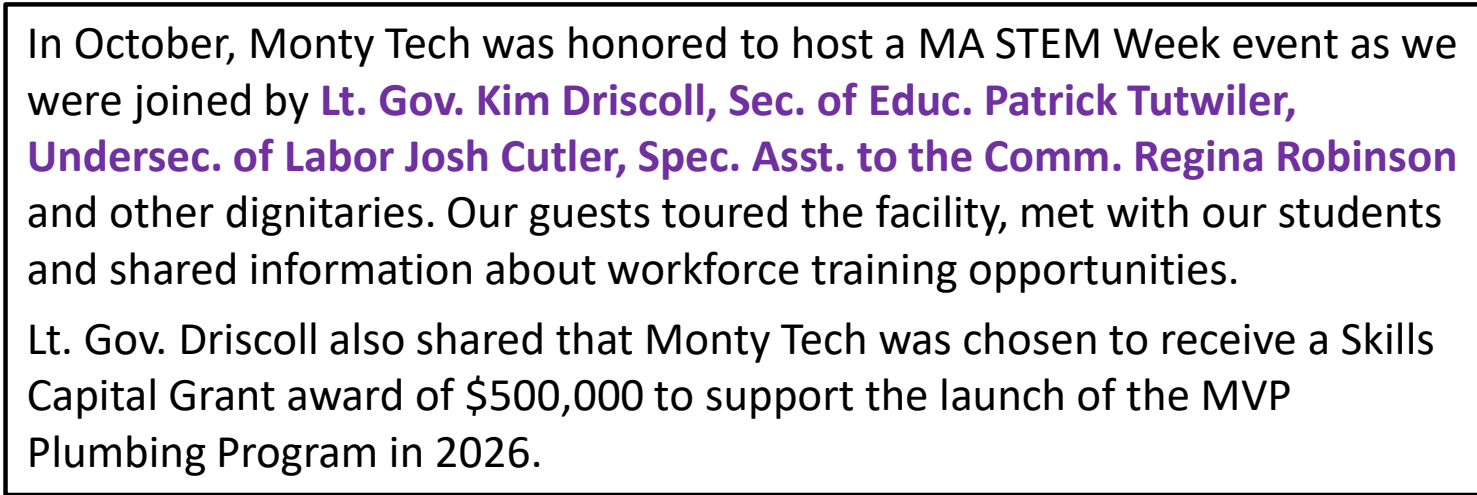

Last spring, after 18 months of renovations to a former warehouse in Fitchburg, Monty Tech was thrilled to be joined by numerous state and local officials, fellow educators and industry partners as the newest workforce training center, MVP Academy, held its grand opening. The facility will now host secondary-level training for high school students and adult education classes including Career Technical Initiative courses in Electrical, House Carpentry and – starting this fall – Plumbing.

In October, Monty Tech was honored to host a MA STEM Week event as we were joined by **Lt. Gov. Kim Driscoll, Sec. of Educ. Patrick Tutwiler, Undersec. of Labor Josh Cutler, Spec. Asst. to the Comm. Regina Robinson** and other dignitaries. Our guests toured the facility, met with our students and shared information about workforce training opportunities.

Lt. Gov. Driscoll also shared that Monty Tech was chosen to receive a Skills Capital Grant award of \$500,000 to support the launch of the MVP Plumbing Program in 2026.

The N. Central MA Chamber of Commerce selected Monty Tech's **MVP Academy** to serve as the final stop for its annual Regional Manufacturing Tour for state and local officials. In addition, in January, Monty Tech was awarded the **Community Enhancement Award**. The award ***“is awarded to organizations and initiatives that have contributed significantly to the development and strengthening of our region through major construction projects, infrastructure improvements, economic development efforts, or impactful community programs.”***

Addressing an Overdue Renovation

On April 4, 2025, officials from the Massachusetts Interscholastic Athletic Association visited Monty Tech to inspect the condition of our track regarding hosting meets. The conclusion of that inspection was that our track had significant structural concerns, and it was deemed unusable. This meant we were no longer able to hold events, so all meets in the spring were held at away facilities. As we considered repairs, we noted that the surrounding bleachers (used for competitions and graduation) are the original bleachers from 50+ years ago. The only conclusion was that a full renovation of our athletic complex – bleachers, track and field (football, lacrosse, soccer, etc.) – was necessary. The source of our funding will be a tax-exempt municipal lease.

Monty Tech New Lottery-Based Admissions Process

What do we look at for Admission?

Application

All students who complete an application are entered into the Admissions Lottery.

Attendance

We only look at UNEXCUSED absences for Grade 7 as well as Grade 8 attendance through January 15th.

Students with fewer than 27 unexcused absences receive a second ticket into the lottery.

Steps to Apply to Monty Tech

- All application materials must be completed by March 1st in order to be considered for the first round of acceptances.
- Applications received after March 1st will be placed on their town's waitlist based on date of application
- You will receive a letter in the mail letting you know we have received your application
- All applicants will receive an Admissions Decision Letter early-mid April informing them if they have been accepted or placed on the waitlist
- Each city/town receives a certain number of seats (town quota) based on school age population
- If an accepted student declines their offer of admission, the space is offered to the next student on the waitlist from that city/town

Communities	School Attending Children (SAC)	Community SAC/Total SAC	360
Ashburnham	1,015	4.09%	15

Holden	3,309	13.35%	48
Hubbardston	521	2.10%	8
Lunenburg	1,610	6.49%	23
Petersham	116	0.47%	2
Phillipston	209	0.84%	3
Princeton	509	2.05%	7
Royalston	126	0.51%	2
Sterling	1,032	4.16%	15
Templeton	1,060	4.28%	15
Westminster	1,227	4.95%	18
Winchendon	1,463	5.90%	21
Total:	24,795	100.00%	360

Like all regional vocational school districts, based on the new DESE requirements, Monty Tech will be accepting students via a lottery process. All applicants will have up to two opportunities to have their name entered in the lottery. Names will be drawn electronically for all 18 communities, and students will be accepted based on the selection order. Town quotas will remain in place based on percentage of school attending children. There will be an additional full lottery to fill unused seats in towns. With applications due on March 1st, this year's lottery will occur on

Celebrating Our Regional Employer Partnerships

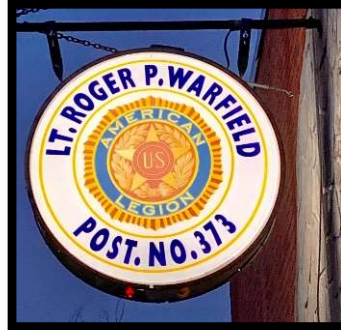

Monty Tech continues to benefit from the wonderful support of our regional industry partners, as our student placements in co-operative education learning opportunities is on another record-breaking pace. After shattering the annual record for placing our juniors and seniors with employers in 2024-25, we are currently on another record-breaking pace. We are so thankful for the efforts of our vocational instructors, local employers and, especially, Kim Curry, our Co-op Coordinator.

Students Participating in the Cooperative Education Program

Supporting Our Cities & Towns

Examples of Monty Tech Community Projects 2025-2026

- Auto Body/Collision Repair repaired water leaks in a cruiser for the Petersham Police Department.
- CAD/Drafting & Design designed an addition for the Phillipston Animal Control facility.
- Electrical installed the wiring for an HVAC Mini-Split and HVAC & Prop. Maintenance installed the ductless heating system for the Baldwinville American Legion.
- Culinary Arts provided baked goods to the Salvation Army. They also provided food for the Westminster Senior Center holiday party.
- Masonry students did brick restoration in Winchendon as well as the instillation of patio pavers at the Clark Memorial building.
- Graphic Communications printed yearbooks for Ruggles Lane in Barre.
- Electrical and Plumbing have been helping to renovate the Raymond School in Royalston
- JROTC provided support for the Blacksmith Festival and the Friends of Veterans 5K in Fitchburg, and Heroes Live Forever in Westminster.

With MVP Academy opening last April, our construction programs have been freed up, and we are open to potential renovation partnerships. Please feel free to reach out Brian Williams, our Director of Vocational Programs (Williams.brian@montytech.net) if you think that there is a local project that would not only provide our students with a learning opportunity but also support your community needs.

Supporting Our Communities and Families in Need

Monty Tech HOLIDAY BASKETS HELP US SHARE THE GIFT OF FOOD!

Every contribution, big or small, makes a difference.
Thank you for helping us keep this tradition alive and bringing joy to our community.
Donate today and be the reason a family celebrates together this holiday season!

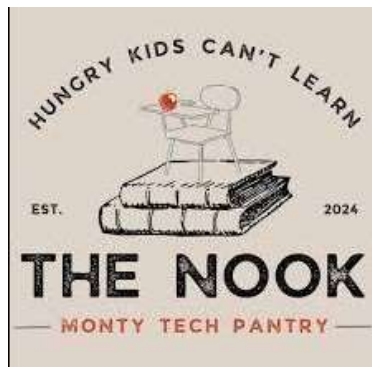

HERE'S HOW YOU CAN HELP MAKE THE HOLIDAYS BRIGHTER-

- **Basket Builder - \$50**
Sponsors one family's complete holiday meal.
- **Gratitude Givers - \$250**
Provides a sweet treat for every family, with sponsor recognition.
- **Sharing the Season - \$100**
Provides traditional fixins for families.
- **Holiday Hero - \$500**
Ensures all 50 families receive their vegetables, with sponsor recognition.

For years, the Holiday Dinner Basket Committee has brought warmth and cheer to 50 families each Thanksgiving and Christmas. Our mission is simple: to provide a complete holiday meal so families can gather, celebrate, and create cherished memories together. From shopping and packaging to delivering baskets, Monty Tech teachers and staff work hard to make this tradition possible. But with rising food costs, we need your support now more than ever.

LEARN MORE

Sometimes, a little extra help goes a long way.
That's why The Nook, our on-campus pantry, is here for you!

NO QUESTIONS, NO JUDGEMENT—JUST SUPPORT

**WE'VE GOT
YOUR BACK!**

We're fully stocked with non-perishable food, toiletries,
school supplies, household items, and more –
all free and available to Monty Tech students and their families.

Visit The Nook today and take what you need

PLEASE REACH OUT TO YOUR GUIDANCE

Foundation Budget per Pupil															21,648
English learner foundation budget as % total foundation budget															0.3%
Low-income foundation budget as % total foundation budget															8.7%

Total foundation enrollment (column 14) does not include incremental costs above the base. The pupils are already counted in column 14.

Total foundation enrollment assigns pupils in pre-kindergarten and half-time kindergarten an enrollment count of .5.

Special education in-district enrollment is an assumed percentage, representing 3.97 percent of K-12 non-vocational enrollment and 4.97 percent of vocational enrollment.

Special education tuitioned-out enrollment is also an assumed percentage, representing 1 percent of non-vocational K-12 enrollment.

Low-income enrollment is based on: (1) participation in Supplemental Nutrition Assistance Program (SNAP), the Transitional Assistance for Families with Dependent Children (TAFDC), MassHealth (Medicaid), or foster care; (2) homeless designation through the McKinney-Vento Homeless Education Assistance program; or (3) verification as low income through a supplemental data collection process.

Low-income and English learner foundation budget increments are based on the number of students attending school in the district or district residents who attend charter schools.

The low-income percentage is the ratio of the low-income enrollment to:

the total students attending school in the district and the total resident students attending charter schools.

FY27 House 2 – Chapter 70

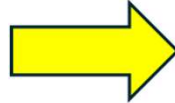

FY27 Chapter 70 is \$7,603,623,093, a \$242 million increase (3.3%) over FY26

The Chapter 70 formula includes three parameters that are to be specified in each year's general appropriations. In House 2, these are specified as:

- Total state target local contribution = 59%
- Effort reduction = 100%
- Minimum aid = \$75 per pupil

Districts are held harmless to the previous year's level of aid

271 districts receive minimum aid increases of \$75 per pupil in FY27

832 Montachusett

Aid Calculation FY27

Chapter 70 aid	18,762,805	18,872,680	109,875	0.59%
Required net school spending (NSS)	30,990,414	31,796,495	806,081	2.60%
Target aid share	53.42%	52.30%		
C70 % of foundation	60.54%	59.51%		
Required NSS % of foundation	100.00%	100.26%		

Determining each municipality's target local share starts with the local share of statewide foundation

Property and income percentages are applied uniformly across all cities and towns to determine the **combined effort yield** from property and income.

FY27 Chapter 70 Determination of City & Town Total Required Contribution

Municipal Revenue Growth Factors (MRGF) are calculated annually by the Department of Revenue. MRGFs quantify the most recent annual % change in each municipality's local revenues, such as the annual increase in the Proposition 2½ levy limit, that should be available for schools

162 Lunenburg

Effort Goal

1) 2024 equalized valuation	2,375,083,100
2) Uniform property percentage	0.3309%
3) Local effort from property wealth	7,859,951
4) 2023 income	603,503,000
5) Uniform income percentage	1.5897%
6) Local effort from income	9,593,667
7) Combined effort yield (3 + 6)	17,453,617
8) FY27 Foundation budget	25,340,750
9) Maximum local contribution (82.5% * 8)	20,906,119
10) Target local contribution (lesser of 7 or 9)	17,453,617
11) Target local share (10 as % of 8)	68.88%
12) Target aid share (100% minus 11)	31.12%
