

# **TOWN OF LUNENBURG FISCAL YEAR 2022**

## **FINANCE COMMITTEE REPORT & ANNUAL TOWN MEETING WARRANT**

**Annual Town Meeting  
May 1, 2021- 9:00 A.M.  
Lunenburg Middle/High School Auditorium**

**Annual Town Election  
May 15, 2021  
T.C. Passios Building  
Polls open at 7:00 A.M. and close at 5:00 P.M.**

**PLEASE BRING THIS WARRANT WITH YOU TO TOWN MEETING**

## **Annual Town Meeting COVID-19 Safety Precautions**

The Town developed and wished to provide residents that would like to attend the Annual Town Meeting the comprehensive plan on how voters can safely attend the Annual Town Meeting on Saturday, May 1, 2021. This safety plan includes maintaining social distancing procedures during entry, a seating plan, use of the microphones for voters to ask questions, no voice voting, and social distancing while exiting town meeting.

The Town of Lunenburg recognizes that many of its residents may have received COVID-19 vaccinations and may be considered fully vaccinated but there are many who have not yet been vaccinated. It is our goal to take steps necessary to mitigate risks and follow the current standards and Orders from the State of Massachusetts and guidance from the Centers for Disease Control (CDC) during the Town Meeting; the Executive Order #55 (Revised Order Requiring Face Coverings in Public Places) is still in effect and the CDC is still recommending mask wearing and social distancing in public, even for those vaccinated. The Town appreciates the efforts of all residents to protect the health of our community.

### **Attendance**

- If you are sick- stay home. If you are exhibiting a fever, cough, shortness of breath, chills, muscle pain, headache, sore throat, or new loss of taste or smell - stay home. If you have been exposed to someone with confirmed or suspected COVID-19 or have been told to isolate or quarantine- stay home. A potential exposure means having household contact or having close contact (within 6 feet) with an individual with confirmed or suspected COVID-19 for prolonged periods of time (over 15 minutes) while the person is symptomatic or 48 hours before symptoms developed.
- No hugging or hand shaking should occur.
- Attendees will not be allowed to congregate before, during, or after the town meeting.
- All residents over the age of 5 and staff must wear face coverings or masks in accordance with COVID-19 Order No. 55 and the Department of Public Health's Guidance while inside and while entering and exiting locations of town meeting or otherwise participating in in-person meetings, except where a person is unable to wear a face covering or mask because of a medical or disabling condition.
- Anyone that does not have a face mask will be offered one. Those not wearing face masks will be required to sit in a separate room that has audio and video of the meeting proceedings.

### **Social Distancing Procedures**

#### **Entering and Exiting the MS/HS:**

- Every effort will be made to ensure the orderly arrival and exiting of individuals attending the town meeting in a manner that adheres to social distancing guidelines.
- The Town Moderator will announce how people can safely exit in an orderly fashion to maintain social distancing during their departure. Police officers will be present to assist attendees safely exiting the building maintaining six foot distances.

### **Check-in Procedures:**

- Check-in will begin at 8 AM. All attendees will enter at the main entrance of the Middle/High School. Check-in will be outside the main entry, weather permitting, and if inclement weather requires check-in to be inside, the check-in stations will be placed outside the auditorium in large, open spaced area and social distancing will be enforced during this process.
- The Town Clerk will have tables set up on both sides of the entrance to separate check-in by precinct. Check-in lanes will be separated with pylons and caution tape to ensure attendees checking in maintain their social distance and attendees will be required to be spaced 6 feet apart from one another in the two, single file lines. There will be signage to direct voters with check-in line to get into by precinct and ground markings to indicate 6 foot spacing and police officers will be available to direct people to help maintain social distancing.
- There will be a hand sanitizer station placed ahead of the check-in tables so that attendees have an opportunity to use the hand sanitizer prior to checking in.
- Police Officers will be assigned to assist with the check-in process. One Police Officer will offer masks to anyone in the check-in line without a mask. If the attendee chooses not to wear a mask, the attendee will be directed to the separate room designated for non-masked attendees.
- The Registration Workers checking in attendees will use personal protective equipment including masks, gloves, and face shields. They will supply attendees a copy of the warrant if the attendee did not bring the copy that was mailed to them and a pre-stapled packet of any handouts.
- At the time of check-in, voters will be given their voting card that they will need to keep as they will not be issued a second one.

### **Speaking at the Microphone**

- There will be two microphones for voters to use. One in front of the stage on opposite side of the Finance Committee table observing the 6 foot rule and another on the ramp on the left side of the stage. Microphones will be positioned at 5 feet high to minimize any adjustments. If a voter needs the microphone to be adjusted, a public access employee will be available to make the adjustment so the microphone is only touched by one person.
- The aisles that voters will get in line to speak at the microphone will be set up with spaced markings on the floor in 6 feet intervals and two seats on either side of the aisle will be left vacant to allow social distancing.
- After a voter speaks at the microphone, they will be directed to exit to the right of the stage to get back to their seat. This will ensure attendees are not passing each other in the aisles.
- Anyone that knows they will be speaking at the microphone during the meeting are encouraged to sit near the aisle that leads up to the microphone.
- All town officials on the stage and the Finance Committee seated on the floor of the auditorium will have individual microphones.

### **Face Coverings**

- All residents over the age of 5 and staff must wear face coverings or masks in accordance with COVID-19 Order No. 55 and the Department of Public Health's Guidance while inside and while entering and exiting locations of town meeting or otherwise participating in in-person meetings, except where a person is unable to wear a face covering or mask because of a medical or disabling condition.

- Any person that is not wearing a mask will be seated in a separate room that will be for non-masked individuals.

### **Seating**

- Police Officers will be present to usher attendees to permitted seating areas and assist non-masked attendees to the separate room.
- To maintain social distancing, there should be three seats between each person and every other row will be blocked off to allow social distancing between rows.
- If families wish to sit together, they should group their seats keeping in mind there should be 3 seats between them and the next person not within their group.
- All town officials on the stage and on the auditorium floor will be spaced 6 feet apart.
- The front row seats will be left unoccupied, to create a more comfortable distance for microphone users and the Finance Committee members, unless it becomes necessary to use them.
- Guests will be seated to the left lower seating area, facing the stage.

### **Voting**

- There will be no voice votes during the town meeting. When the Town Moderator calls for a vote, all registered voters will vote by raising their hands holding the voting card they received during the check-in process, either in favor or opposed to the motion on the floor for each article.
- It is possible that the Town Clerk will hand out electronic voting devices instead of voting cards. If so, directions will be provided at the meeting.

### **Pre, During and Post Protocols**

- The MS/HS Auditorium has maintained a regular cleaning schedule. The Auditorium will be cleaned prior to the town meeting and will include a focus on high touch surfaces (e.g. bathrooms, microphones, door knobs).
- The restrooms will be cleaned every 30 minutes throughout the town meeting and will focus on high touch areas.
- Attendees will not be allowed to congregate before, during, or after the town meeting.
- There will not be any food or drink for sale and no food or drink, other than water, is allowed in the auditorium.
- Hand sanitizer stations will be set up in advance of the check-in area and at tables as voters enter into the auditorium.
- No hugging or hand shaking should occur.

Presentations during town meeting will be kept as short as possible.

**TOWN OF LUNENBURG  
2021 ANNUAL TOWN ELECTION WARRANT  
May 15, 2021**

Worcester, ss:

To John E. Baker, Constable of the Town of Lunenburg, in the County of Worcester, Greetings:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Lunenburg, qualified to vote in elections and town affairs, to meet in the Thomas C. Passios Building in said Lunenburg on Saturday, the 15<sup>th</sup> day of May next, at 7:00 o'clock in the forenoon, and then and there to act on the following:

\*\*\*\*\*

**POLLS OPEN AT 7:00 A.M. POLLS SHALL BE CLOSED AT 5:00 P.M.**

\*\*\*\*\*

Shall the Town vote to choose by ballot the following officers?

|                             |         |
|-----------------------------|---------|
| MODERATOR                   | 3 YEARS |
| SELECT BOARD MEMBER         | 3 YEARS |
| SEWER COMMISSIONER          | 3 YEARS |
| SEWER COMMISSIONER          | 1 YEAR  |
| BOARD OF HEALTH MEMBER      | 3 YEARS |
| BOARD OF HEALTH MEMBER      | 3 YEARS |
| ASSESSOR                    | 3 YEARS |
| ASSESSOR                    | 1 YEAR  |
| SCHOOL COMMITTEE MEMBER     | 3 YEARS |
| PARK COMMISSIONER           | 3 YEARS |
| PARK COMMISSIONER           | 2 YEARS |
| PARK COMMISSIONER           | 1 YEAR  |
| COMMISSIONER OF TRUST FUNDS | 3 YEARS |
| CEMETERY COMMISSIONER       | 3 YEARS |
| LIBRARY TRUSTEE             | 3 YEARS |
| LIBRARY TRUSTEE             | 3 YEARS |
| LIBRARY TRUSTEE             | 3 YEARS |
| PLANNING BOARD MEMBER       | 5 YEARS |
| HOUSING AUTHORITY           | 5 YEARS |
| HOUSING AUTHORITY           | 3 YEARS |

And you are directed to serve this Warrant by posting attested copies thereof in four or more public places in the Town, seven (7) days at least before the day appointed for said meeting, one of which places shall be at the Town Hall, one at Whalom Variety Store in the Whalom-Bakerville District, one at Powell's, and one at Jaxx Variety and by mailing a copy to each dwelling unit in the Town in which a registered voter resides at least seven (7) days prior to such election.

Hereof, fail not and make due return of this Warrant, with your doings thereon, to the Town Clerk at the time and place aforesaid.

Given under our hands, this 1st day of April in the year two thousand and twenty one.

A True copy attest:

Kathryn M. Herrick, Town Clerk

Thomas A. Alonzo, Chairman

Michael-Ray Jeffreys, Vice-Chairman

Kathryn E. Adams, Clerk

Todd D. Dwyer, Member

James P. Marino, Member

I have this day posted attested copies of the foregoing warrant in four or more public places in the town, including Town Hall, one at the Jaxx Variety, one at the Whalom Variety Store in the Whalom-Bakerville District and one at Powell's Stone and Gravel, all within at least seven days before the meeting and have mailed a copy of same to each dwelling unit in the Town in which a registered voter resides at least seven (7) days prior to such Annual Town Election.

John E. Baker, Constable

## FINANCIAL TERMS

**CAPITAL IMPROVEMENT PROGRAM**- A blueprint for planning a community's capital expenditures that comprises an annual capital budget and a five-year capital program. It coordinates community planning, fiscal capacity and physical development.

**CHERRY SHEET/STATE AID** – Revenue allocated by the Commonwealth to cities, towns, and regional school districts. Estimates of local aid are transmitted to cities, towns, and districts annually by the “Cherry Sheets”. Most Cherry Sheet aid programs are considered general fund revenues and may be spent for any purpose, subject to appropriation.

**DEBT EXCLUSION**- An action taken by a community through a referendum vote to raise the funds necessary to pay debt service costs for a particular project from the property tax levy but outside of the limits under Proposition 2 ½. By approving a debt exclusion, a community calculates its annual levy limit under Proposition 2 ½, then adds the excluded debt service cost. The amount is added to the levy limit for the life of the debt only and may increase the levy above the levy ceiling.

**EXCESS LEVY CAPACITY**- The difference between the levy limit and the amount of real and personal property taxes actually levied in a given year. Annually, the Selectmen must be informed of excess levy capacity at the Tax Rate Hearing and this is submitted to DLS when setting the tax rate.

**FREE CASH** – Remaining, unrestricted funds from operations of the previous fiscal year including unexpended free cash from the previous year, actual receipts in excess of revenue estimates shown on the tax recapitulation sheet, and unspent amounts in budget line-items. Unpaid property taxes and certain deficits reduce the amount that can be certified as free cash. The calculation of free cash is based on the balance sheet as of June 30, which is submitted by the Town Accountant. Free Cash is not available for appropriation until certified by the Director of Accounts.

**LOCAL RECEIPTS**- Locally generated revenues, other than real and personal property taxes. Examples include motor vehicle excise, investment income, meals tax, fees, rentals, and charges. Annual estimates of local receipts are shown on the tax rate recapitulation sheet.

**OVERLAY** – (Allowance for Abatements and Exemptions) An account established annually to fund anticipated property tax abatements, exemptions and uncollected taxes in that year. It need not be funded by the normal appropriation process, but rather is raised on the tax rate recapitulation sheet.

**RESERVE FUND** - This fund is used by the Finance Committee to provide for extraordinary or unforeseen expenditures. The total amount appropriated in any one year may not exceed 5% of the tax levy. No direct drafts against this fund can be made, but transfers from the fund can be authorized by the Finance Committee.

**RETAINED EARNINGS**- An equity account reflecting the accumulated earnings of an enterprise fund, which may be used to fund capital improvements, reimburse the general fund for prior year subsidies, reduce user charges, or provide for enterprise revenue deficits (operating losses).

**STABILIZATION FUND** – A fund designed to accumulate amounts for capital and other future spending purposes, although it may be appropriated for any lawful purpose. Communities may establish one or more stabilization funds for different purposes and may appropriate any amounts into them. A two-thirds vote of town meeting is required to establish, amend the purpose of, or appropriate money from a stabilization fund. A majority vote of town meeting is required to appropriate money into a stabilization fund.

## DEFINITIONS OF RECOMMENDATIONS UNDER EACH ARTICLE

**RECOMMEND APPROVAL:** The board voted to recommend passage by Town Meeting.

**NOT RECOMMENDED:** The board voted to not recommend passage by Town Meeting.

**NO RECOMMENDATION:** The board voted to make no specific recommendation to Town Meeting.

**NO DIRECT FINANCIAL IMPACT:** The Finance Committee votes this article does not have a financial impact.

**DEFERRED:** A recommendation will be announced by this board when the article is considered at Town Meeting.

## FINANCE COMMITTEE REPORT

### Fiscal Year 2022

Over the course of the last fifteen months Lunenburg's town government, like nearly every other organization in the world, has adjusted and adapted to a seemingly endless stream of changes brought on by the global pandemic. While the health and safety of all Lunenburg citizens and our employees have remained paramount, day-to-day town services have (mostly) continued, if under modified conditions. So too has the process of planning and budgeting.

Annual Town meeting is an important event for community members to come together and vote on warrant articles that directly impact how we manage and resource our town. The town budget articles are core elements and the capstone of a months-long process. Throughout the year the Town Manager and Department Heads carefully review expenses and have thoughtful conversations about how to best serve the town. While developing the budget they consider funding, contracts, and mandates, as well as what the community wants and needs to thrive. The Town Manager finalized and presented her proposed FY2022 budget to the Select Board and Finance Committee in early February. Department Heads each presented their budgets over several Finance Committee meetings, this year all done safely through the magic of Zoom video teleconference calls. Concurrently the Superintendent of Schools and School Committee developed the Lunenburg School District budget, culminating in a public hearing and approval vote on March 17<sup>th</sup>. The Finance Committee conducted a public hearing and voted its recommendation on the enclosed budget on March 25<sup>th</sup>.

While the FY2022 budget was developed in anticipation of a post-pandemic environment, the effects of the pandemic are likely to reverberate with respect to revenues, available funds, and expenditures through the coming fiscal year. Fortunately, Lunenburg has fared reasonably-well financially thus far. Our projections and visibility are clearer than they were at both the Annual and Special Town Meetings during Calendar Year 2020. The Finance Committee is optimistic of the town's ability to meet the prioritized needs of each department throughout the coming year, while still taking a conservative stance on revenue projections, funding for reserve accounts, and heavily scrutinizing all spending increases.

Factors affecting this outlook include:

#### COVID-19 related Grant Funding:

- \$753,293 in remaining available Cares Act funds, expiring in December 2021
- \$588,834 in available ESSER II funding, expiring in September 2023
- Unknown new/additional funding from state and federal legislation such as the American Rescue Plan Act that was approved in March.

#### Revenue:

- Relatively flat local aid funding, 0.17% increase in the governor's budget
- Local receipts have held up well, exceeding FY20 collections by 15.75% thus far

#### One time savings:

- 75% of Monty Tech's ESSER II funds have been applied to assessments, \$40,758 for Lunenburg
- Health Insurance Savings of \$369,334, including a full month "premium holiday"

This year's budget process has evolved into an exercise in cautious appropriation. Substantial funds available this year, likely won't be in the next. How can we best meet the demonstrated needs of our departments while ensuring stability in the future?

To that end, since the savings in health insurance will likely be a one-time windfall, we need to plan for these costs to be reintroduced in the FY2023 budget. For this reason, the Town Manager has proposed that we create and fund a Health Insurance Stabilization Account for future health insurance costs. This temporary fluctuation in the budget can be offset with these funds without impacting the trajectory of the operating budget in FY2023 and will further fiscal sustainability.

Other notable budget discussions:

- The largest part of the town budget is the school budget. It is 56.8% of the town's omnibus budget, at \$22,566,826 (including Monty Tech assessment). Fortunately, due mainly to the savings in health insurance and sustaining COVID19-related grant funding, this year's 2.5% budget increase meets the Superintendent's recommended needs assessment. While this is good news, it is tempered by the short-term nature of the above-mentioned health insurance savings and grant funding. Further, state aid remains relatively flat, a consequence in-part of the Student Opportunity Act which shifted priorities to lower-income communities. Without restoration of meaningful increases in Chapter 70 funding, the school budget will be constrained by the tax levy in future years.
- The target budgets for the Police and Fire Departments were an exception to budgets that reflected maintaining existing staffing levels. In 2018 the Police and Fire Chiefs developed long term staffing plans. These plans were created to address the staffing needs of these public safety departments that over the years have not kept up with the growth of the town and translated to additional service calls for our public safety departments. Since 2018 we have adhered to the Five Year Staffing Plan for the Fire Department that adds one additional Full Time Career Firefighter each year until FY2023 and the Ten Year Staffing Plan for the Police Department that adds one additional Full Time Patrol Officer each year until FY2028. The FY2022 preliminary budget proposes an additional Patrol Officer and an additional Career Firefighter to continue to follow these staffing plans. The Finance Committee also noted anticipated costs in future years due to unfunded mandates related to the police reform act.
- The FY22 Capital Plan will be funded with free cash, unexpended capital, and tax revenues. The FY22 Capital Plan recommendation at this time is to fund 15 out of the 19 prioritized capital project requests totaling \$1,597,825. The Town Manager's budget recommends transferring \$250,000 from free cash into the special purpose stabilization account, which was created to fund large vehicle and equipment purchases and lessen the dependence on tax revenues in future years.
- Revenues from property taxes includes a conservative estimate for New Growth, \$280,590, which is consistent with trends of the past few years.
- This year's DPW budget includes an additional facilities staff member and part-time, seasonal help for cemetery maintenance and upkeep. This budget also resumes the practice of annual \$50,000 increases for pavement management.
- Some of our departments fund regular, ongoing expenses with donations and grants. Those funding sources are not guaranteed but the services they fund are vital.

Looming decisions about town buildings have also captured the attention of the Finance Committee during this budget season. Lunenburg's debt ratio has been repeatedly noted by financial advisors as a negative factor in our otherwise very good credit rating. There will be a significant reduction in debt service as we pay off the Public Safety Building and Primary School loans in 2024. However, it is likely we will need to take on more debt to cover future needs. Currently the town is analyzing a T.C. Passios building restoration project, which is considered in articles in this warrant. We will likely need to renovate or replace Turkey Hill Elementary School in the late 2020's or early 2030's. There are no easy answers for debt management. While potential new-debt may fit into the town's current financial policy, any predictions are tenuous due to yet-unknown costs and unpredictable interest rates.

The Finance Committee thanks the Town Manager and all Department Heads for their exemplary service to the citizens of Lunenburg. They continually demonstrate genuine care for our community and are stalwart leaders in shaping the quality of our lives every day.

## CAPTIAL PLANNING COMMITTEE REPORT

### Fiscal Year 2022 Capital Plan

The Capital Planning Committee began the capital planning process for Fiscal Year 2022 in September 2020. The Capital Planning documents were sent to departments in October and the Capital Planning Committee met with the departments throughout November and December to review all the capital project requests as a group. There were a total of 23 capital requests and the Committee prioritized 19 of those projects totaling \$2,294,825. The Committee presented the prioritized list to the Town Manager in January as required by the Town Charter and the Town Manager is recommending funding 15 of the prioritized projects totaling \$1,597,825.

Below is the FY 2022 Capital Plan being recommended for approval at the Annual Town Meeting:

| TM         | CPC        |            |                 |                                                   |                | FY2022           |
|------------|------------|------------|-----------------|---------------------------------------------------|----------------|------------------|

(Submitted by the Town Manager)

FINANCE COMMITTEE RECOMMENDATION: Deferred

BOARD OF SELECTMEN RECOMMENDATION: Deferred

**ARTICLE 20.** To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for landscape design and engineering to create a passive recreation/open space area at the property known as the old Primary School, 30 School Street, shown on Assessor's Map 071, Lot 076, including all incidental and related costs, including but not limited to site evaluation, engineering and final design services; or take any other action relative thereto. (Submitted by the Select Board)

FINANCE COMMITTEE RECOMMENDATION: Deferred

BOARD OF SELECTMEN RECOMMENDATION: Recommend Approval

**ARTICLE 21.** To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$66,500.00 as a 10% local match towards the purchase of an Agricultural Preservation Restriction (APR) on approximately 109 acres of farmland at the corner of Chase Road and Northfield Road, a.k.a. "Pierce's Christmas Tree Farm," which property is further described in deeds recorded in the Northern Worcester County Registry of Deeds at Book 8848, Page 318, Book 5330, Page 236, Book 2826, Page 15, Book 2826, Page 13, and Book 8488, Page 318, also identified in the Assessor's records as Map 33, Parcel 6, and Map 38, Parcels 17 and 24.2, owned by Daniel R. Pierce and Kathleen M. Pierce, such APR being valued at \$665,000.00, with the Commonwealth of

Massachusetts APR program paying \$598,500.00 towards the same; and, further, to meet such appropriation by the Town, to accept gifts, bequests and grants from individuals, groups and/or corporations; and to authorize the Select Board to enter into an APR on the aforesaid property, with the Commonwealth of Massachusetts, to be held in common with the Town; or take any other action relative thereto. (Submitted by the Select Board)

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval (4-2-1)

BOARD OF SELECTMEN RECOMMENDATION: Recommend Approval

**ARTICLE 22.** To see if the Town will vote to rescind the sum of \$750,000.00, being the borrowing authorization from Article 11 of the May 5, 2012 Annual Town Meeting to conduct a Feasibility Study at the Lunenburg High School; or take any other action relative thereto. (Submitted by the Finance Director)

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval

BOARD OF SELECTMEN RECOMMENDATION: Recommend Approval

**ARTICLE 23.** To see if the Town will vote to rescind the sum of \$4,868,846.21 being the remaining borrowing authorization from Article 1 of the January 7, 2014 Special Town Meeting for construction of a new Lunenburg Middle/High School; or take any other action relative thereto. (Submitted by the Finance Director)

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval

BOARD OF SELECTMEN RECOMMENDATION: Recommend Approval

**ARTICLE 24.** To see if the Town will vote to amend the General Bylaws, Chapter 113, entitled "Architectural Preservation District," Section 13, entitled "Appeal procedure," by adding the following new sentence to the end thereof:

As an alternative but not necessarily as a substitute for such an appeal, with respect to any building or property owned by the Town of Lunenburg, a party aggrieved by the APDC's denial of a certificate to alter the same may, after a period no earlier than three (3) months and no later than twelve (12) months after said action, petition any Annual or Special Town Meeting to, by majority vote, override the same, if deemed to be in the public interest.

or take any other action relative thereto. (Submitted by the Select Board)

FINANCE COMMITTEE RECOMMENDATION: No Direct Financial Impact

BOARD OF SELECTMEN RECOMMENDATION: Recommend Approval (4-0-1)

**ARTICLE 25.** To see if the Town will vote to hear an interim report from the TCP Building Design Committee and/or from representative(s) from the design firm; or take any other action relative thereto (Submitted by the TCP Building Design Committee)

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval

BOARD OF SELECTMEN RECOMMENDATION: Recommend Approval

**ARTICLE 26.** To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the design and engineering to consolidate Town offices, school uses, and community space at the building and/or land known as the TC Passios, located at 1079 Massachusetts Avenue, shown on Assessor's Map 060, Lot 055, and any and all incidental and related costs, including but not limited to site evaluation, engineering, and final design services, thereby allowing the Town to consider alternative uses for said Town offices, school uses, and community space that may include demolition of the existing building; or take any other action relative thereto. (Submitted by the TCP Building Design Committee)

FINANCE COMMITTEE RECOMMENDATION: Deferred  
BOARD OF SELECTMEN RECOMMENDATION: Deferred

**ARTICLE 27.** To see if the Town will vote to amend Chapter 70 of the Town's General Bylaws, entitled "Salary Administration Plan," Schedule A, as follows: the position of Assistant to the Sewer Business Manager be added and assigned to Grade 8; the position of Intermittent Heavy Equipment Operator be added and assigned to Grade 9; the position of Reserve Officer be added and assigned to Grade 10; the position of Network Administrator be added and assigned to Grade 13; or take any other action relative thereto. (Submitted by the Personnel Committee)

FINANCE COMMITTEE RECOMMENDATION: Recommend Approval  
BOARD OF SELECTMEN RECOMMENDATION: Recommend Approval

**ARTICLE 28.** To see if the Town will vote to amend the Code of Lunenburg, Section 250-4.1, which is a Section of the Protective Bylaw entitled "Permitted and prohibited uses," Subsection H(5), as depicted below, with additions underlined and deletions stricken-through; or take any other action relative thereto. (Submitted by the Planning Board)

250-4.1H(5) Two-Family Dwelling: A residential structure designed to house a single-family unit from lowest level to roof, with a private outside entrance, but not necessarily occupying a private lot, and sharing a common wall with adjoining dwelling units. Two-family dwellings shall have 1.5 times the lot size required in the Zoning District in which they are located.

FINANCE COMMITTEE RECOMMENDATION: No Direct Financial Impact  
BOARD OF SELECTMEN RECOMMENDATION: Recommend Approval

**ARTICLE 29.** To see if the Town will vote to amend the Code of Lunenburg, Section 250-6.1, which is a Section of the Protective Bylaw entitled "Off-street parking and loading areas," by deleting the entirety of the existing text and substituting the following therefor as depicted below, with additions underlined and deletions stricken-through; or take any other action relative thereto. (Submitted by the Planning Board)

250-6.1: Off-street Parking and Loading Areas: Parking shall be provided per the chart below unless otherwise provided for in the Code of Lunenburg. When the computation of required parking spaces results in a fractional space, any fraction over one-half shall require one (1) space.

| Use Categories                                                                                                                          | Parking Calculation                                                                                                                                                                                                                 |

\* Parking calculations shall not include spaces within a garage.

~~§ 250-6.1 Off-street parking and loading areas.~~

~~[Amended 5-7-2016 ATM by Art. 39]~~

~~Unless otherwise provided in this bylaw, off-street parking and loading spaces shall be required as follows:~~

- A. ~~Dwellings: two parking spaces for each dwelling unit.~~
- B. ~~Place of assembly, including a funeral home: one parking space for each three seats therein or one space for each 60 inches of bleachers or benches.~~
- C. ~~Schools: one parking space for each classroom or office, plus one parking space for each three seats in the auditorium thereof.~~
- D. ~~Hotels, motels and other places providing overnight accommodations: one parking space for each room accommodation therein and adequate spaces for delivery vehicles.~~
- E. ~~Restaurants: one parking space for each table or booth and one parking space for every two counter seats and adequate spaces for delivery vehicles.~~
- F. ~~Other service and retail establishments: parking areas, exclusive of driveways, shall be in a minimum ratio of three square feet of ground area to one square foot of gross floor area, exclusive of storage areas and adequate loading spaces.~~
- G. ~~Office and all other permitted nonresidential structures, except agricultural: one space for each 1,000 square feet of gross floor area and loading space for all deliveries and shipping; however, the minimum parking area shall be in a minimum ratio of one square foot of ground area for each three square feet of floor area.~~
- H. ~~Child care facilities: one parking space for each 10 children in attendance plus one parking space for each person engaged on site in the business of the facility at any one time.~~
- I. ~~For uses not specified above, the number of required spaces will be determined by the Building Commissioner based on accepted planning standards, as contained in the latest edition of Time-Saver Standards for Site Planning, Joseph DeChiara and Lee E. Koppleman, McGraw Hill, New York City, 1984, or similar source and a reference for handicapped parking as outlined in Chapter 205, Streets and Sidewalks, § 205-11.~~

FINANCE COMMITTEE RECOMMENDATION: No Direct Financial Impact

BOARD OF SELECTMEN RECOMMENDATION: Deferred

**ARTICLE 30.** To see if the Town will vote to amend the sewer service area map by adding the remaining acreage for parcel known as 5 Chestnut Street to the Lunenburg sewer service area and sewer service zone (known as parcel id 059-0032-00); or take any other action relative thereto. (Submitted by Citizen's Petition)

FINANCE COMMITTEE RECOMMENDATION: No Direct Financial Impact

BOARD OF SELECTMEN RECOMMENDATION: Deferred

**ARTICLE 31.** To see if the Town will vote to approve a non-binding referendum requesting that the Lunenburg Conservation Commission (LCC) restrict fire arm hunting on Town Conservation properties to Hunting Hills ONLY, and further to prohibit the possession of fire arms on all Town Conservation property except Hunting Hill, and then, ONLY as allowed by State Hunting regulations, as has been required in the LCC Land Use Regulations from 2011 thru 2021, or take any other action relative thereto. (Submitted by Citizen's Petition)

FINANCE COMMITTEE RECOMMENDATION: No Direct Financial Impact

BOARD OF SELECTMEN RECOMMENDATION: Deferred

And you are directed to serve this Warrant by posting attested copies thereof in four or more public places in the Town, fourteen (14) days at least before the day appointed for said meeting, one of which places shall be the Town Hall, one at Whalom Variety Store in the Whalom-Bakerville District, one at Powell's and one at Jaxx Country Variety, and by mailing a copy to each dwelling unit in the Town in which a registered voter resides at least fourteen (14) days prior to such meeting.

Hereof, fail not and make due return of this Warrant, with your doings thereon, to the Town Clerk at the time and place aforesaid.

Given under our hands this 30th day of March in the year Two Thousand and Twenty One,

A true copy, Attest:  
Kathryn M. Herrick, Town Clerk

# Stormwater Pollution Prevention Guide

## FOR HOMEOWNERS

*The U.S. Environmental Protection Agency estimates that contaminants in stormwater runoff cause over half of the pollution in our nation's waterways.*

Stormwater pollution begins when rain or snowmelt washes over pavement and other impervious surfaces, picks up contaminants, and flows down stormdrains to the waterways we rely on for drinking and recreation.

Common pollutants include antifreeze, detergents, fertilizers, gasoline, household chemicals, motor oil, paints, pesticides, pet waste, road salt, solvents, and yard waste

### HELP KEEP OUR WATERWAYS CLEAN!

Please check the back of this page for tips on preventing stormwater pollution.  
*It's easier than you think!*

**Stormwater pollution** is the toxic mix of bacteria, chemicals, metals, nutrients and other contaminants that washes over pavement and other impervious surfaces and flows down stormdrains to the waterways we rely on for drinking and recreation.

**Let's work together to keep our waterways clean.**

## Green Grass and Clear Water

Many of us value having nice lawns and enjoy the time we spend working on them. However, some lawn care practices can create water quality problems. Plants need nutrients to grow, but excess nutrients, including the nitrogen and phosphorus found in fertilizers, can run off our properties when it rains and cause problems in local waterbodies. Too many nutrients in our water can trigger algal blooms that cloud water and rob it of oxygen.

Here are some easy practices for creating and maintaining a truly healthy lawn that looks great and is safer for the environment!

- Test your soil! Only apply fertilizer when necessary.
- Apply fertilizer sparingly and ensure proper fertilizer application rates.
- Apply fertilizers in the spring and early fall when grass is vigorously growing.
- Select fertilizers with low or no phosphorus unless a soil test indicates otherwise.
- Apply organic fertilizers if possible.
- Choose slow release fertilizers when possible.
- Try not to apply fertilizers near waterbodies.
- Don't overwater. Typically, 1-inch of water per week applied over 1 or 2 days is enough.
- Mow grass no shorter than 3" high.
- Cut grass often enough so you never remove more than 1/3 of the blade at a time.
- Leave the clippings after mowing so they can return nutrients to the soil.

Using these water-quality friendly lawn care and fertilizer recommendations is a small change that can make a big difference.
