Why Staff?

- Training Time for Call Members
 - 4-5 Months for Recruit School
 - 3-4 Months Basic EMT Training
 - 4-6 Months- Driver/Operator Training
- Avg. 18-24 Months to train a new Member
 - Often gone or less available in 5 years

2019 BUDGET

Why Staff?

- Recruitment and Retention of Call Personnel
 - 2006-2016- Retained 24 members; Lost 52
 - 2016-2017- 5 Call Members hired as FT FF's in other Communities; 1 Joined Armed Forces
 - Not as many potential candidates living in Town
 - Availability/Time Commitment

T

Why Staff?

- **Per Diem Limitations**
 - **Available Trained Staff**
 - Currently 15 FF's to cover 84 hrs/week
 - Down from 22 to cover 72 hrs/week-2016
 - **Guaranteed Coverage Issues**
 - How do you fill vacancies?
 - **Hours worked issues**
 - FF's who average over 20 hrs/week may qualify for benefits

Advanced Life Support Considerations

- Ambulance currently operates at the Advanced EMT Level of Care
- Full Paramedic Level of Care provided by outside agencies
- Encountering less availability by outside services

Potential Increased Revenue

Potential Revenue	Amount
• Retained 3 rd Party ALS Costs	• \$57,534
• Increased ALS Availability & Billing for Services Rendered	• \$36,214
• Potential service to other communities	• \$37,124
• Total ESTIMATED Increased Revenue	• \$131, 084

2019 BUDGET

Possible Savings in Budget

- Reduction in Duty Officer Coverage
 - \$10,400
 - Supervisor on Duty 24/7
- Elimination of “On Call” EMS Stipends
 - \$26,000
 - 24/7 coverage would remove need for “Hard Call” Stipends
- Possible Savings- \$36,400

AFG Grant

- Federal Grant has been applied for to replace Ladder 1
- Grant applied for in amount of \$935,000
- If awarded and accepted, the Town would be responsible for 10% of total

2019 BUDGET

Impact of Budget as Recommended

- Status quo operationally
- Continued extended response times 6pm-6am 5 nights/week
- Continued challenge for recruitment/retention of Call Members
- Potential Coverage challenges.
- Ambulance/Emergency supply reserves falling short, as requests for service and costs continue to increase; continued drain from replacement firefighting equipment to support EMS supplies.
