Executive Summary

The Groton-Dunstable Regional School District is responsible for preparing the annual operating budget in accordance with School Committee guidance, state policies and guidelines, and the major goals and objectives of the organization. The budget will be certified by a vote of the School Committee vote in March 2026, however this may not be the final budget as funding in both towns is yet to be determined.

Organizational Component

School Committee Members

Lacey McCabe, Chair
Catherine Awa, Vice-Chair
Christina Andriole, Secretary
Rohit Bhasin
Rosanna Casavecchia
An Hee Foley
Fay Raynor

District Administrators

Dr. Geoff Bruno, Superintendent of Schools
Marian Dyer, Assistant Superintendent of Schools
Sherry Kersey, Director of Business and Finance
Jill Greene, Director of Pupil Personnel Services
Luke Callahan, Director of Technology, Information, and Media Relations
Justin Williams, Director of Human Resources
Colin Fredette, Director of Building and Grounds
Megan Mastroianni, Director of Extended Day and Community Services
Melissa Killey, Director of Food Services

Goals and Objectives

The Groton-Dunstable Regional School District has seven overarching goals for 2025-2026 to align with the District Improvement Plan:

Budget Funding:

The Committee will review the state of the current District Budget (FY26) as well as projection for the upcoming fiscal year (FY27). The Committee will look at a minimum the following budget snapshots: a) balanced budget b) level funding and a c) budget that captures what the district needs to support it's students, meet all required standards and accountability goals and support all capital and operational needs. Each budget scenario will be required to include necessary budget additions/cuts along with anticipated impacts of those actions.

Budget Advocacy

The Committee will continue to advocate for the district's fair share of local, federal and state funding. In addition to local communication and collaboration with member Town Boards, the Committee and Administration will actively work with state Senators and Representatives to continue educating government decision makers of the need for funding reform that sends more reliable funding to the school district. This includes, but is not limited to, Chapter 70 funding, advocating for continuing Medicaid reimbursement funding, Special Education Circuit Breaker Funding percentage and Regional Transportation Reimbursement funding.

Review Athletic, Kindergarten, Preschool and Student Activity Fees:

The Committee will be provided data on the current fees being charged and how they compare to the expenses for those programs. Alternative funding scenarios may be provided and discussed as part of a program review that will include expected impacts to programs and offerings of such changes.

5-Year Capital Plan:

The School District received independent facility audits performed in FY25 which yielded the immediate need to plan for building repairs and improvements. The Director of Finance and Operations and the Director of Buildings and Grounds will produce a comprehensive 5-year capital plan that reflects the findings from the facility audits. Additionally, the District needs to indicate a commitment to sustainable practices and identify grants and funding relative to sustainable upgrades and practices as was the commitment made by the School Committee.

Operational Audit Recommendations:

An independent operational audit was performed in FY25, with the official report being delivered in August 2025. The audit reviewed administrative positions, student services and building usage. Recommendations provided in

the report offered some long-term cost savings. It is expected that the FY27 budget will incorporate viable cost saving recommendations and that those actions are communicated clearly to all stakeholders to show our commitment to presenting the most cost-effective budget to the public in the best interest of students.

Excess and Deficiency Fund:

This Committee will discuss the current use of Excess and Deficiency as part of the upcoming budget formulation and confirm future use relative to past School Committee guidance and policy as well as the current lack of level service funding from the community.

Budget Process and Timeline

The district budget is developed collaboratively with input from multiple stakeholders including the Groton-Dunstable Educators Association, the Superintendent's Advisory Council, parents, and community members. The Central Office team, building administrators, curriculum leaders, the finance team, the Budget and Finance sub-committee, and the school committee collaborated efficiently and effectively to develop this budget. The budget timeline is below.

Table 1: Budget Timeline

School Committee meets with towns to discuss Capital/Tech Funding	Ongoing
Budget & Finance Meetings with Town Leadership	Ongoing
Budget Guidance & Priorities Approved by School Committee	September 17
School Committee Adopts FY 2027 Budget Calendar	September 17

Groton Town Meeting (typically last Saturday in April)	TBD
Dunstable Town Meeting (typically second Monday in May)	TBD

FY27 Budget Focus on Preservation of Level Services

The goals of the school committee and administration for the budget year continues to be based on responding to anticipated staff and student needs. Budget reductions in FY24, FY25 and FY26 resulted in personnel reductions across all job classifications. This has led to increased class sizes, reduced class offerings and reduced staff and student support. Existing staff are now tackling not only their own responsibilities, but absorbing some additional duties previously performed by a position that was reduced. In FY26, the district has already reduced 3.0 FTE's by not filling vacancies. These positions are not included in the FY27 proposed budget, thus the budget being presented is below level services to start deliberations. It will be programmatically devastating to experience another fiscal year that could potentially reduce more staff and support services.

Allocation of Human and Fiscal Resources to Achieve Goals and Objectives

The following educational priorities, aligned to district goals, have shaped the creation of this budget:

- Administration will provide feedback on how the personnel budget cuts that took place in the current fiscal year have impacted student learning, health and safety.
- The use of \$300,000 in Excess and Deficiency Funds in order to reduce the assessments to both towns. This is a decrease from \$400,000 appropriated for the current fiscal year, which is a district goal to wean off of using one time revenue sources for operating expenses.
- The School District is committed to educating the town governments and citizens about state funding to the school district (Chapter 70) and how the hold harmless status of Groton-Dunstable has put the financial burden of funding support on the backs of the towns for decades. This is what pushes the need for an operational override now and in the foreseeable future.
- The school district will evaluate district fee collection including Athletic, Kindergarten, Preschool and Student Activity fees. The Director of Finance & Operations will report to the school committee on current processes/procedures and report on collection of fees versus expenditures dependent on fees.
- A comprehensive long-term district capital plan has been drafted using the mechanical, electrical and plumbing (MEP) systems reports received last spring. Additionally, a motivated new Director of Buildings & Grounds has contributed to what repairs and equipment are needed throughout the district. Thus, the

capital requests for FY27 address not only technology leases but building maintenance and purchases. During the last two budget cycles, capital funding focused only on technology needs in order to keep the monetary requests low to concentrate on balancing the operating budget.

- The operational audit that was procured in FY25 provided guidance and suggestions for areas where efficiencies might be garnered. The district has implemented some reductions in FY26. Additionally, the district has responded for the need of certain positions by reducing (swapping) existing positions as to not add to operating costs.
- Maintain and evaluate contracted operations including transportation, food service and custodial contracts for efficiencies to ensure they remain fiscally prudent.

Financial Section

Summary of Revenues and Expenditures for all Funds

The proposed total budget for the Groton-Dunstable Regional School District is \$61,085,099. The proposed FY 2027 budget provides the resources to support and maintain the educational programs of our strong school district.

Table 2: Total Budget

Total Revenue	\$61,228,251.00	
Total Expenditure	\$61,085,099.00	
Revenue By Fund		
General Fund	\$54,187,751.00	88.50%
Grant Funds	\$815,000.00	1.33%
Revolving Funds	\$5,676,000.00	9.27%
Capital Fund	\$549,500.00	0.90%

Significant Financial and Demographic Changes

There are a number of significant cost factors which have influenced the FY27 budget.

The recommended budget is a less than level service budget. The general fund operating budget increased by 6.46% . Cost drivers include total wages increasing 5.42%, employee benefits up 7.92%, health insurance up 8.9%, substitute costs increasing \$200K and increased support for the athletic program. Maintenance costs are increasing by \$145K due to deferred maintenance in prior years. Out of District tuition costs and enrollments continue to increase as well.

It should be noted as well that the transportation costs are higher than average. Typically, excess regional transportation reimbursements from the prior year are used to reduce the assessments to the two Towns. As actual reimbursement received is very close to what is budgeted, there is no surplus to offset assessments. This takes away from the availability of town funds to fund operating expenses.

The total revenue are estimated to be greater than the estimated expenses as Administration is recommending rebuilding positive fund balances in School Choice, Circuit Breaker and Full Day Kindergarten to reduce expenses to the General Fund.

Informational Component

Student Enrollment Trends

The District continues to monitor the enrollment at Groton-Dunstable Regional School District. This year has seen a decrease in enrollment, particularly at the elementary and middle level. Enrollment at the high school continues to slightly decline. The percentage of students from Dunstable and Groton remain fairly equal proportionally to the prior year. This is an important observation as operating, debt and capital assessments are calculated based on a 5-year rolling average of enrollment in each member town. Capital costs specifically for Swallow Union Elementary markedly swings toward Dunstable as the population shifted in FY25 to Dunstable only students.

Table 3: District Enrollment Trends

Enrollment	District	HS	MS	ES	PK
FY27	2253	652	724	805	72
FY26	2300	659	739	825	77
FY25	2305	689	713	828	75
FY24	2351	680	723	854	94
FY23	2315	704	715	827	69
FY22	2271	723	708	803	37
FY21	2334	711	750	815	58
FY20	2378	751	723	846	58
FY19	2393	774	753	803	63
FY18	2382	786	774	758	64
FY17	2426	816	773	781	56
FY16	2522	835	817	817	53

Personnel Resource Changes

The table below will highlight personnel resources changes from FY25 actual to FY26. This represents level services with no recommended additional staff. This incorporates all funding sources including town assessments, state funding, local funding, grants and revolving accounts

Table 4: Personnel Changes FY26-27

	FY 2025	FY 2026	FY 2027
	Actual	Actual	Budget
Central Office	15.1	14.1	14.1

Paraprofessionals (Unit D) – Paraprofessionals, Library Aides, Computer/iLab Specialists

Administrative Assistants – School Admin Asst, Pupil Svc Admin Asst, Guidance Admin Asst

Food Service – Cafeteria Workers (new hires belong to contractor)

Maintenance – Maintenance

Support Staff (Non Union) – Business Office, Technology, Confidential Admin Asst.

Organizational Section

District Overview

Groton-Dunstable Regional School District (GDRSD), which serves the towns of Groton and Dunstable, was established in 1967 and has an enrollment of 2,290 students at six schools, PK-12.

The schools are Groton-Dunstable Regional High School, Marion Stoddart Middle School, Groton-Dunstable Regional Middle School North, Florence Roche Elementary, Swallow Union Elementary Schools, and the Boutwell Early Childhood Center.

Mission Statement

The Groton-Dunstable Regional School District, in cooperation with the parents and the community, is committed to providing the best possible education for each student. It is our responsibility to promote in each child a spirit of inquiry and to instill a self-sustaining desire for continuous growth and service to self, family and community.

Vision Statement

Guiding students to learn today, lead tomorrow, and reach the world.

- Embrace a growth mindset. In our District, talents and abilities develop through effort, purposeful teaching, and persistence. Our students become curious, engaged learners ready to become positive contributors to local and global communities.
- Eliminate inequities for all students. Our students are an active part of the design and delivery of their own education so they become self-directed, creative problem solvers. Our universally designed, tiered instructional model meets the needs of all students, is based on a comprehensive standards-based curriculum and assessed by authentic tasks.
- Broaden the meaning of success. We have an expansive definition of student success that encompasses academic achievement, integrated arts, athletics, as well as social, emotional, and behavioral learning.
- Create environments for innovation. Our schools provide interactive, inclusive environments that enhance student success through design, technology, creative spaces, and collaboration.

Governance Structure

The School Committee's primary responsibility is to establish those purposes, programs, and procedures that will best produce the educational achievement needed by our students. The Committee is charged with accomplishing this while also being responsible for wise management of resources available to the school system. The Committee must fulfill these responsibilities by functioning primarily as a legislative body to formulate and adopt policy, by selecting an executive officer to implement policy, and by evaluating the results. It must carry out its functions openly, while seeking the comments of public, students, and staff in its decision-making processes.

District Administration Organizational Chart

School Committee FY27 Budget Goals

The expectation is that the budget will include and adhere to the following guiding standards:

1. Support student services and district goals while exploring and providing evidence of opportunities for reallocation, reorganization, and increased efficiency.
2. Provide relevant data to support all budget requests.
3. Provide a balance summary and recommendation for any use or transfer of reserve funds when formulating the FY27 budget in accordance with the GDRSC financial policies.
4. Provide budget and capital requests within 5-year operating budget projections to both towns. Extend the projections for one year. Deviating from

projections will require data justification identifying the unforeseen expense incurred creating additional growth beyond projections.

5. For the District's FY27 and Technology expenses:
 - Capital & Technology Budget are not to be included in the District's Operating Budget.
 - A separate District Capital and Technology Budget will be prepared that includes descriptions of projects and other relevant details for any projects funded in FY27.
 - 5-year Capital and Technology Budget projections, based on the approved Capital and Technology plans, should also be included in the FY27 Budget Booklet to enable Groton and Dunstable town residents to review and plan for future capital and technology expenses.
6. Provide a summary of professional and nonprofessional FTE increase/decrease from the FY26 budget to the FY27 budget with data-driven justification for the change.
7. Explore adjusting the 5-year budget projections to include incremental amounts of scheduled uses of Excess & Deficiency Funds to help decrease assessments to member towns over the next five years.
8. Submit applications to the Community Preservation Committees in either town for any FY27 capital expenses that would be considered an eligible project, including projects involving historic buildings and or recreational facilities.
9. Provide adequate funding for maintenance staff, services, and supplies guided by the District's maintenance plan to address the needs of our buildings and grounds.
10. Include OPEB funding in the FY27 budget and in the 5 year projections.
Recommend funding strategies and levels after discussion with municipalities.
11. Seek out grant funding wherever possible.

Budget Policies and Regulations

Regional Agreement Regulations

- A. Tentative Maintenance and Operating Budget: At the opening of each academic year and using, exclusively, the line items and associated definitions described in the Chart of Accounts, as amended, established and maintained by the Massachusetts Department of Elementary and Secondary Education, the Committee shall as promptly as practicable proceed with the preparation of a tentative operating and maintenance budget for the ensuing

fiscal year, including therein provision for any installment of principal or interest to become due in such fiscal year on any bonds, notes or other obligations of the District and any other capital costs to be apportioned to the member towns in such fiscal year. The budget process will adhere to all legal requirements. The proposed budget will be posted on the District website and a copy will be available in each town hall and public library. All necessary postings will occur as will a public hearing.

- B.** Final Maintenance and Operating Budget: Following the public hearing on the tentative budget, the Committee may make any such modifications to its tentative budget as it may deem necessary or desirable and adopt an annual maintenance and operating budget for the ensuing fiscal year not later than forty-five days prior to the earliest date on which the business session of the annual town meeting in any member town meeting is to be held, but in no event, later than March 31, provided that said budget need not be adopted earlier than February 1. Said annual maintenance and operating budget shall include debt and interest and any other capital costs as separate items, and the said Committee shall apportion the amounts necessary to be raised in order to meet the said budget in accordance with the provisions of subsections IV (D) and IV (E). The amounts so apportioned to each member town shall be certified by the District Treasurer to the treasurers of the member towns within thirty days from the date on which the annual maintenance and operating budget is adopted by the Committee, and each town shall call a vote, at the next annual town meeting, whether or not to appropriate the amounts so certified to it. The District budget, as adopted by two-thirds (2/3) of the Committee, shall require the approval of both of the local member municipalities. If a budget is not approved by the member towns, the District shall follow the process to approve a final budget as stated in MGL Chapter 71, Section 16B, as amended.
- C.** Annual Report: The Committee shall submit to each member town no later than November 1 of each year an annual report containing a detailed financial statement for the prior fiscal year, and a statement showing the method by which each member town's proportionate share of the capital and operating costs of the District was computed, together with such additional information relative to the operation of the Regional District Schools as deemed necessary and appropriate by the Committee or as may be requested in writing and submitted to the Committee by the Board of Selectmen from any member town.

- DBE: GDRSD Stabilization Fund
- DBF: Excess & Deficiency Funds (E&D)
- DBG: Budget Adoption Procedures
- DBJ: Budget Transfer Authority

District Account Structure

GDRSD account code structure is set to comply with the Department of Elementary and Secondary Education (DESE) requirements. By establishing a code structure, it makes possible for us to align our revenues and expenditures with the DESE end of year report.

We work with InfiniteVisions software, which allows us to have 17 numbers for our general ledger accounts.

The numbers are set in the following format: XXX.XXXX.XXX.XXXX.X.XX

* A quick way to think about the function is that everything starting with "2" will be instructional. Everything else is non-instructional

Department of Elementary and Secondary Education Chart of Accounts

- See Appendix B for a complete listing of the Department of Elementary and Secondary Education Function codes and their uses.

Budget Development Process

Accounting Practices

The district follows the generally accepted accounting principles (GAAP) for local government authorities put forth by the Governmental Accounting Standards Board (GASB) in article 34. Additionally, the District maintains compliance with requirement from the Department of Elementary and Secondary Education to produce a budget and operations summary annually through the end of year report. The end of year report will verify compliance with required net school spending, and minimum local contributions from each of the District's member communities.

Finally, the District undergoes an extensive audit process annually. The process examines financial operations, payroll, purchasing and financial reporting.

Budget Process and Timeline

The District budget is developed collaboratively with input from multiple stakeholders including the Groton-Dunstable Educators Association, the Superintendent's Advisory Council, parents, and community members. The Central Office team, building administrators, curriculum leaders, the finance team, the Budget and Finance sub-committee, and the school committee collaborated efficiently and effectively to develop this budget. See district budget timeline in **Table 1: Budget Timeline**.

Financial Section

Revenue Sources and Expenditure Categories

This high level overview of the revenue illustrates the budget by fund. We separate our budget into five different funds. The school district has examined all revenue sources and expenses to produce a budget that maximizes all of our revenue not just that from our member districts. In some instances there is a recognition that the district had accumulated balances beyond what would fall in the general guidelines for an appropriate balance and in these instances expenditure has been planned higher than revenue, which will help to bring these balances to be in line with guidelines for appropriate balances

000-General fund: This is the operating budget funded by State Revenue, Assessment and Receipts.

200-Federal and State Grants: These funds support the general fund by picking up salaries, professional development, and supplies costs that would have to be charged to the general fund and assessment if the grants were not present.

300-Competitive Grants: This fund has significant fluctuation and is difficult to budget because from year to year we never know which grants will be available and which we will be awarded. This makes up a very small portion of the budget overall but will aid the district in adding new programs or funding initiatives that are not recurring.

400-Revolving accounts: These accounts are where fees and programs specific revenue are collected and expended. Examples are Athletics, Food Service, and Extended Day

600-Capital/Technology Fund: in previous budget cycles capital and technology expenses were included in the general fund/operating budget. Per the school committee guidance in an effort to make a more transparent budget we have moved these expenses to their fund so that increases and decreases are separate from operating budgets.

Table 5: Total Revenues by Fund

Account	Description	FY2023 Actuals	FY2024 Budget	FY2025 Budget	FY2026 Budget	FY2027 Budget	% Total
000.0000.000.0000.0.00	General Fund	\$45,673,285.28	\$47,910,948.00	\$48,318,085.00	\$50,910,637.00	\$54,187,751.00	88.50%
200.0000.000.0000.0.00	Grants State and Federal	\$673,869.81	\$776,820.00	\$839,924.00	\$798,113.00	\$815,000.00	1.33%
300.0000.000.0000.0.00	Town Gifts	\$684,485.77	\$53,484.00	\$0.00	\$0.00	\$0.00	0.00%
300.0000.000.0000.0.00	Grants Other	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	0.00%
400.0000.000.0000.0.00	Revolving Accounts	\$4,535,316.40	\$4,091,750.00	\$5,038,250.00	\$5,212,000.00	\$5,676,000.00	9.27%
600.0000.000.0000.0.00	Capital	\$766,000.00	\$1,030,538.00	\$382,500.00	\$362,250.00	\$549,500.00	0.90%
Total		\$52,332,957.26	\$53,863,540.00	\$54,578,759.00	\$57,283,000.00	\$61,228,251.00	100.00%

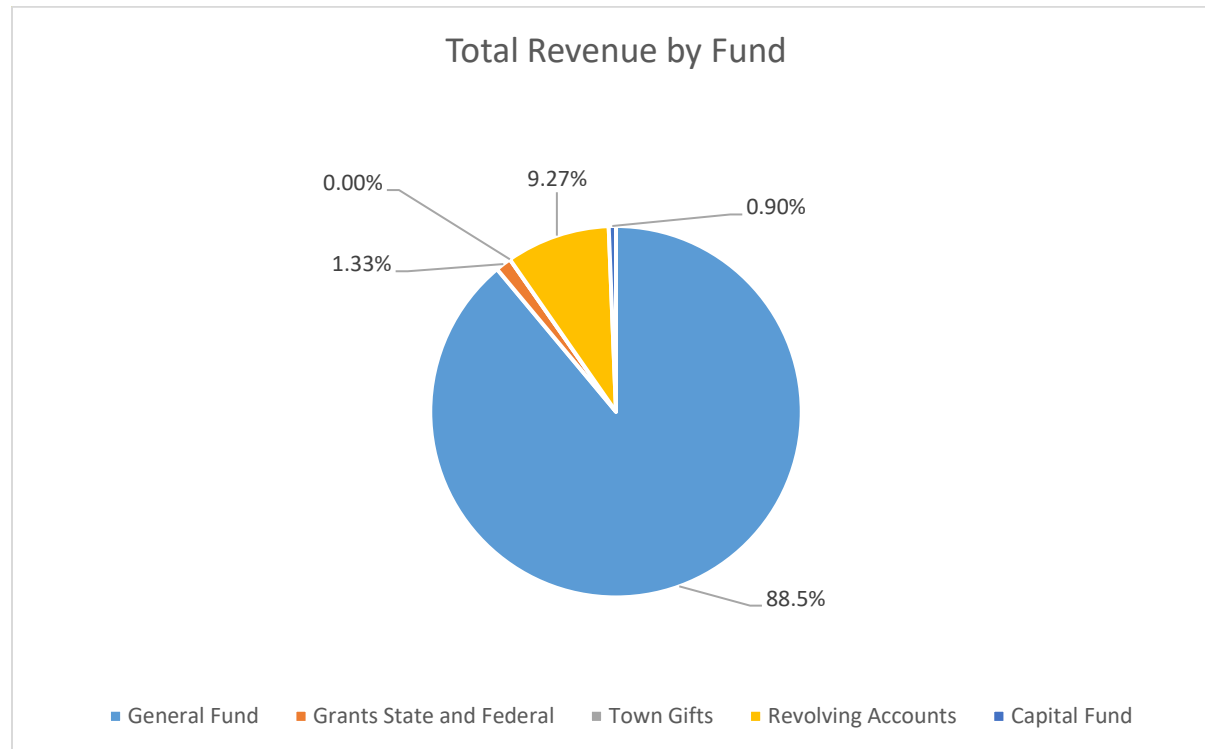

Figure 1: Total Revenue by Fund

Despite the districts best efforts to seek additional revenue streams the majority of our funding comes from the general fund. The general fund is primarily composed of the chapter 70 state education funding and assessment to our member towns. Revolving accounts have recovered from the pandemic reductions we experienced between FY21 to FY23. Universal Free Lunch has substantially increased the Food Service Revolving Fund, while Full Day Kindergarten fees are desired to be phased out, it is unlikely if state funding does not improve.

Table 6: Total Expenditures by Object

Object Code	Description	FY23 Actuals	FY24 Budget	FY25 Budget	FY26 Budget	FY27 Budget	% of Budget
0	District Wide	\$10,233,039.76	\$11,051,869.14	\$11,444,293.00	\$11,197,724.00	\$12,111,247.00	19.83%

Note: Actual Expenditures include Year-End Encumbrances

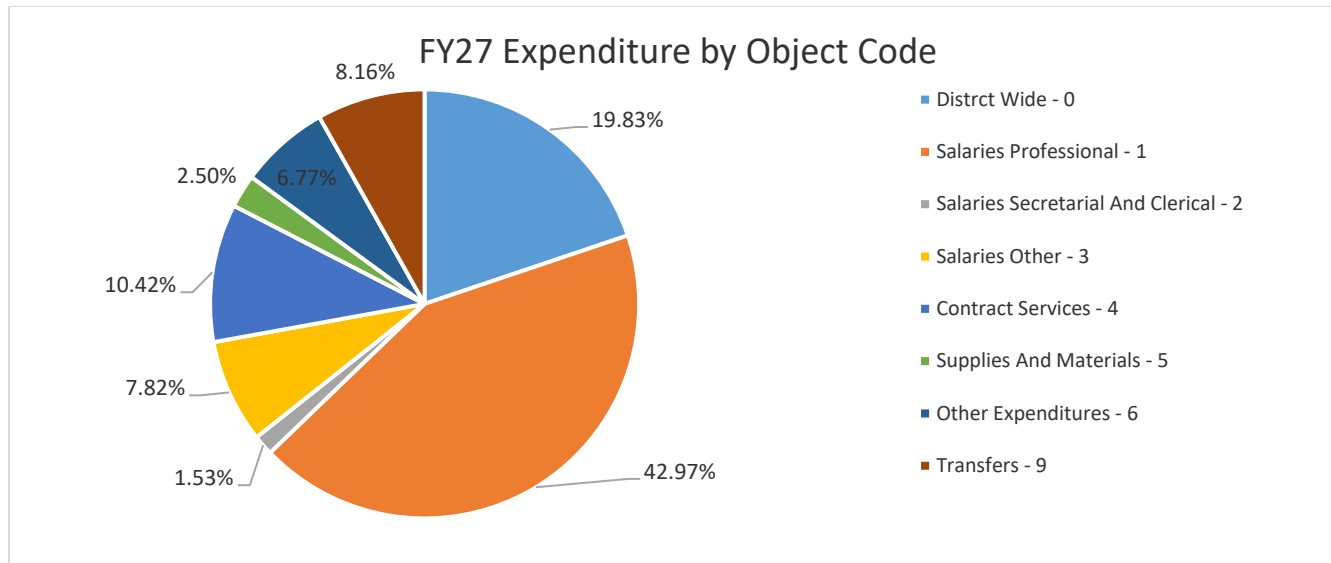

Figure 2: Total Expenditure by Object

When looking at expenditure from all funds organized by object it is very clear that education is a people business. Object 1, 2 and 3 (52.32%) are all related to salaries and make up some of the largest portions of the pie. After the salary object 0 - district wide is the next largest portion which is about 19.83% made up of employee benefits, this is less than last years as a result of the favorable renewal of health insurance.

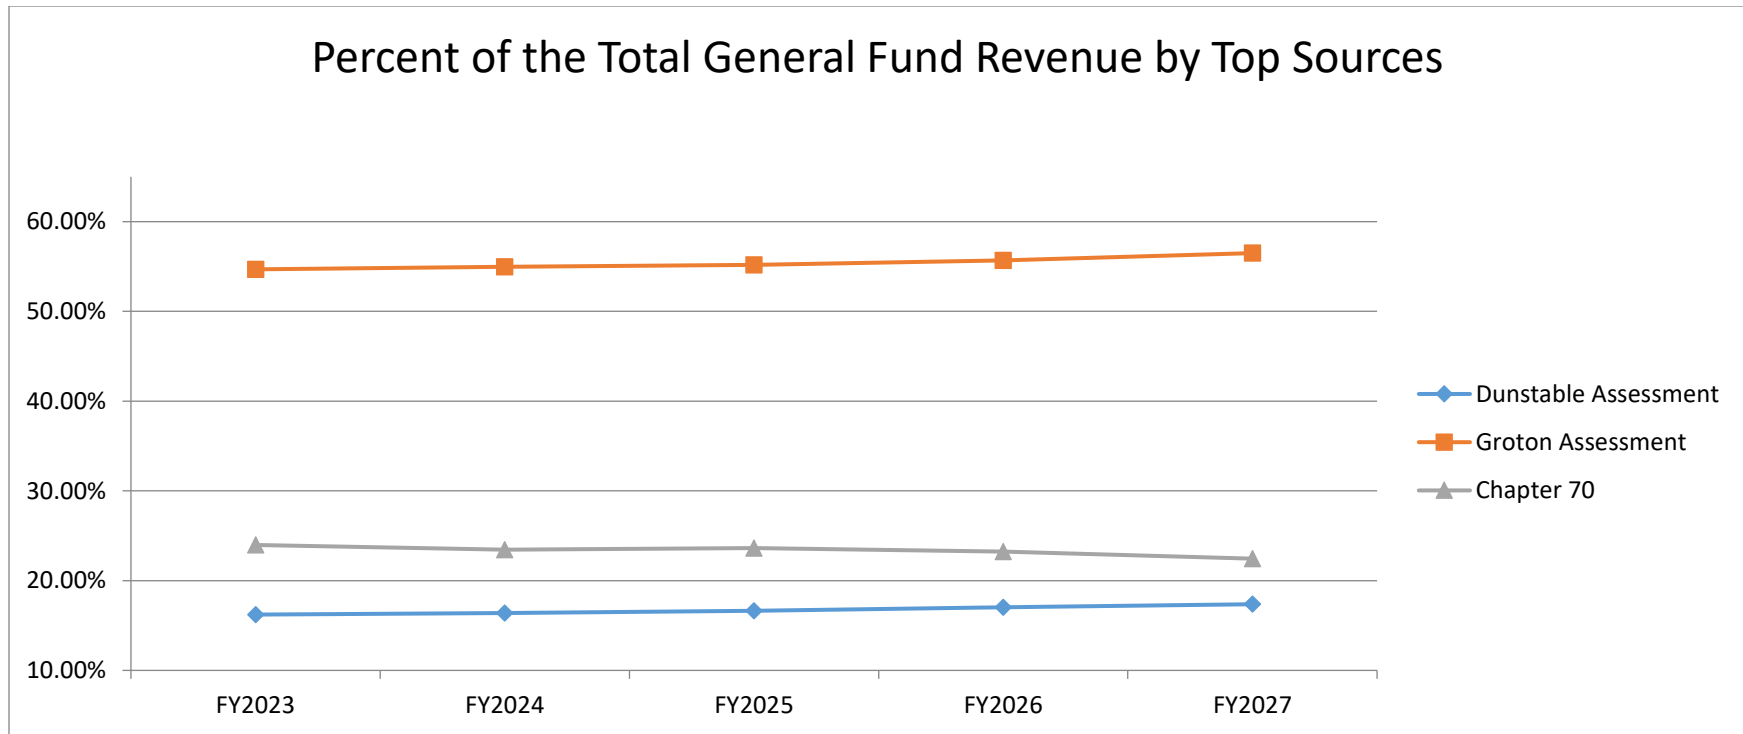

Figure 3: Operating Revenue by Source

The trend in flat state funding remains a reality for Groton-Dunstable. Despite legislative action to attempt to increase the funding for public schools, due to the district being held harmless to reductions in funding, the increases have not effected district state funding. The district was able to increase transportation reimbursement and interest due to projected legislative actions and the economy as a whole to help offset expense increase without further increasing assessments.

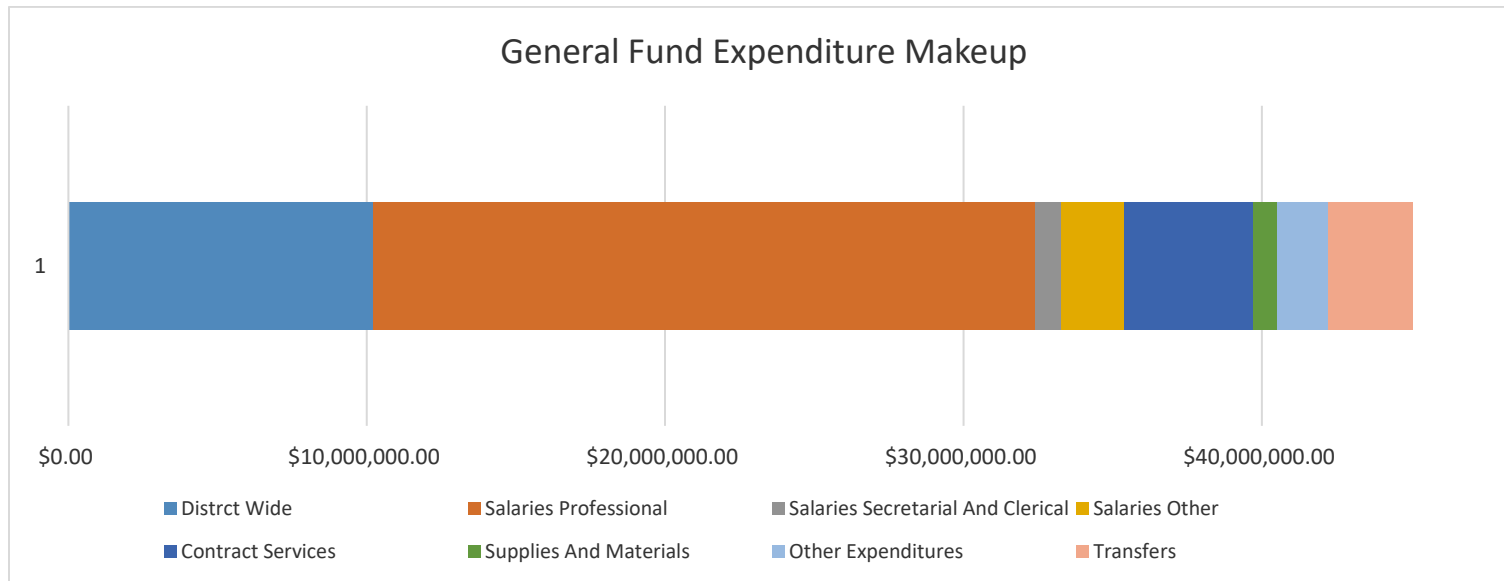

Figure 4: Operating Expenditure by Object

Notable changes and components

0- Health insurance renewal is anticipated to be around 12%, while retiree plans renewed at 5.0% in January. The district debt continues to decrease with total debt being paid off in FY28. Middlesex County Retirement was a 9.15% increase.

1-The 3.0% contractual increase in teaching salaries and a no known retiring staff produced a increase in the costs for professional salaries.

2-The 3.0% contractual increases drove the increase in Clerical and Support Staff.

3- There is an increased utilization of substitute teachers in the district. A younger staff using maternity, paternity, FMLA, etc. have driven the substitute expenses up \$200K.

4- The cleaning service contract renewed at a LOWER cost than the previous year. There is also one less NECC contract for our ABA programs within the district due to student population. This was partially offset by a new SEL program developed at the middle school.

5- The requests for supplies and materials were kept at basically level funding in order to allocate budget resources to other areas of the budget such as direct services. However, there is a new unfunded mandated literacy program that required \$70K in consumable materials. This will be an ongoing expense.

6-Educational contingency and the OPEB line item remain level funded. Utilities continue to increase especial water expense as the high school will be going to town water in the summer of 2025. Before the PFAS was discovered, the high school had it's own private well. Irrigation is growing as well as we have new grass and athletic fields to maintain.

9-We had an increase in out of district tuitions. We are hopeful that the Circuit Breaker Reimbursement funds continue to be funded at the same level to maintain a revolving account balance that can absorb unforeseen increases.

Table 9: Operating Expenditure by Function Series

DESE Function Account	Description	FY23 Actuals	FY24 Actuals	FY25 Budget w/ transfers	FY26 Budget	FY27 Budget	Percent Change
1000	District Leadership and Administration	\$1,272,721.81	\$1,281,792.88	\$1,355,363.00	\$1,375,195.00	\$1,448,159.00	5.04%

9000	Programs with Other Districts	\$2,257,379.63	\$2,157,755.92	\$2,737,387.00	\$2,658,077.00	\$2,952,872.00	9.98%

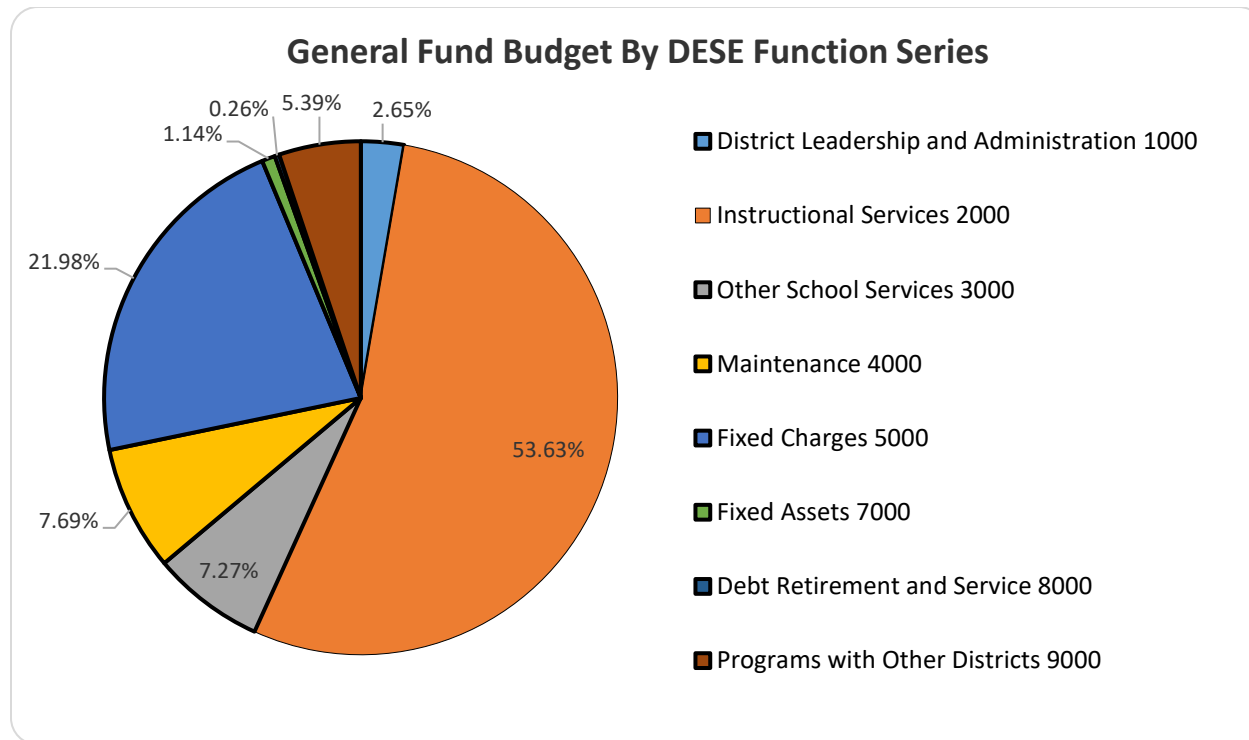

Figure 5: Operating Expenses by Function Series

1000- The 1000 series of accounts is level service.

2000- The percentage is statistically the same from last fiscal year, it incorporates contractual increases but also the personnel reductions that were made due to failed operating overrides in both towns.

3000- Transportation and additional athletic program support are driving the increases in this category.

4000- The school district has increased maintenance spending in FY27. Under new department leadership, building equipment repairs and replacements will occur in response to the MEP reports produced in FY25 and general need to maintain the equipment we have.

5000- Health insurance is estimated at 12% increase, retiree plans renewed at 5.0% in January, Middlesex Retirement increasing at 9.15%. Will be the same percentage increase in fiscal year 2027.

7000- The technology department had one time purchases in FY26. Also, the capital plan includes many “catch-up” repairs and replacements under new leadership with increased capital funding coming from both towns after two (2) years of minimal requests.

8000- The district continues to pay down our debt which is expected to be debt free in FY29.

9000- An increase in out of district tuitions, both tuition costs and number of students going out of district. Circuit Breaker Reimbursement is expected to be higher than FY26 which offsets general fund cost by \$2,000,000.

- 1110- Level Services, Audit expense doubling
- 1210- Level Services, contractual obligations
- 1220- Level Services, contractual obligations
- 1410- Level Services, contractual obligations
- 1420- Level Services, contractual obligations
- 1430- Level Services, FY27 is contact negotiations year
- 1450- Level Services
- 2000- Educational contingency is level funded. It is expended from other accounts in previous years and then replenished in this account during the budget process.
- 2110- Level Services, new unfunded mandated phonics program consumable materials
- 2130- Level Services, contractual obligations
- 2210- Level Services, contractual obligations

- 2250- Level Service
- 2300- Level Services, FY26 has vacancy position savings
- 2305- Level Services, salaries take into account step movement, COLA, retirements, and reassignments.
- 2310- Level Services, ELL and Extended Year Program
- 2315- Level Services, contractual obligations
- 2320- Level Services, contractual obligations and increased need for Therapeutic Services
- 2324- Level Services, tracking Long-Term Subs vs. Substitutes, more need
- 2325- Level Service, FY26 is underbudgeted, FY27 is more accurate to actual need
- 2330- Below Level Service for budgeting. Staffing of Paraprofessionals is examined on a frequent basis and the district adds, reduces and reassigns as necessary to meet student needs. Less prior year grant money was available this year to offset some of these salaries.
- 2340- Level Services, contractual obligations
- 2356- Level Services, tracking CALM training expenses
- 2357- Level Services
- 2410- Level Services, includes phonics materials
- 2420- Level Services, for instructional equipment
- 2415- Level Services for library needs
- 2430- Level Service teaching supply requests
- 2440- Level Services
- 2455- Level Service, All curriculum and software currently being evaluated to determine renewals in FY27.
- 2710- Level Service, contractual obligations
- 2800- Level Service, contractual obligations and Evaluation needs
- 3100- Level Service, interpreter services
- 3200- Level Services, nursing needs, contracted medical services exploding
- 3300- Level Service, FY27 will be a contract renewal year for transportation services
- 3510- Level services, general fund support of athletic program
- 4110- Level Service, contractual obligation to cleaning contractor decrease
- 4120- Level Service, based on heating trends and market

- 4130- Level Service, electricity balancing out, will increase water needs at high school
- 4210- Level Services, increased field and grounds maintenance, playing catch-up
- 4220- Level Services, repair projects in buildings to address MEP report findings
- 4230- Level Services
- 5100- 9.15% increased assessment from Middlesex Retirement
- 5150- Not as many retirements with sick leave and vacation buyouts.
- 5200 & 5250- Expecting a 12% renewal rate for health insurance and retiree insurance renewed at 5.0% in January 2026. Level funding OPEB expense.
- 5300- Level services, copier lease renewed at higher rate.
- 7350- Level service
- 7400- Replacement of maintenance equipment
- 8100- Debt Service Principal - FY28 retirement
- 8200- Debt Service Interest - FY28 retirement
- 9110- School Choice tuitions are level funded
- 9120- Charter School tuitions are level funded.
- 9300 & 9400- Our Out of District Tuitions increasing both rates and number of out of district placements. The District is planning to offset \$2M of expenses with Circuit Breaker Funding (\$500K higher than FY26).

Capital Plan

The district continues to pull capital costs that were reported in the general fund in the past out so that the true operational growth would be more obvious and alternative funding of capital could be utilized. The current year is summarized in the first table and the future capital projects are listed below.

Table 41: Capital Plan 2023-2027

Account	Description	FY23 Actual	FY24 Budget	FY25 Budget	FY26 Budget	FY27 Budget

Table 42: Capital Plan 2028-2032

[illegible]

Debt Obligations

Table 43: Debt Projected through 2028

Debt Assessment	Actual	Actual	Actual	Actual	Estimated
	FY24	FY25	FY26	FY27	FY28
Groton	\$465,796	\$445,156	\$110,389	\$108,143	\$104,547
Dunstable	\$130,148	\$128,696	\$36,424	\$33,945	\$32,816
Total Debt Assessment	\$595,944	\$573,852	\$146,813	\$142,088	\$137,363

The district anticipates seeing declining debt obligations the middle school loans approaching being totally paid off. The estimates here do not include an amount for the building a new Florence Roche Elementary School as the Town of Groton is planning to bond that debt on the town side.

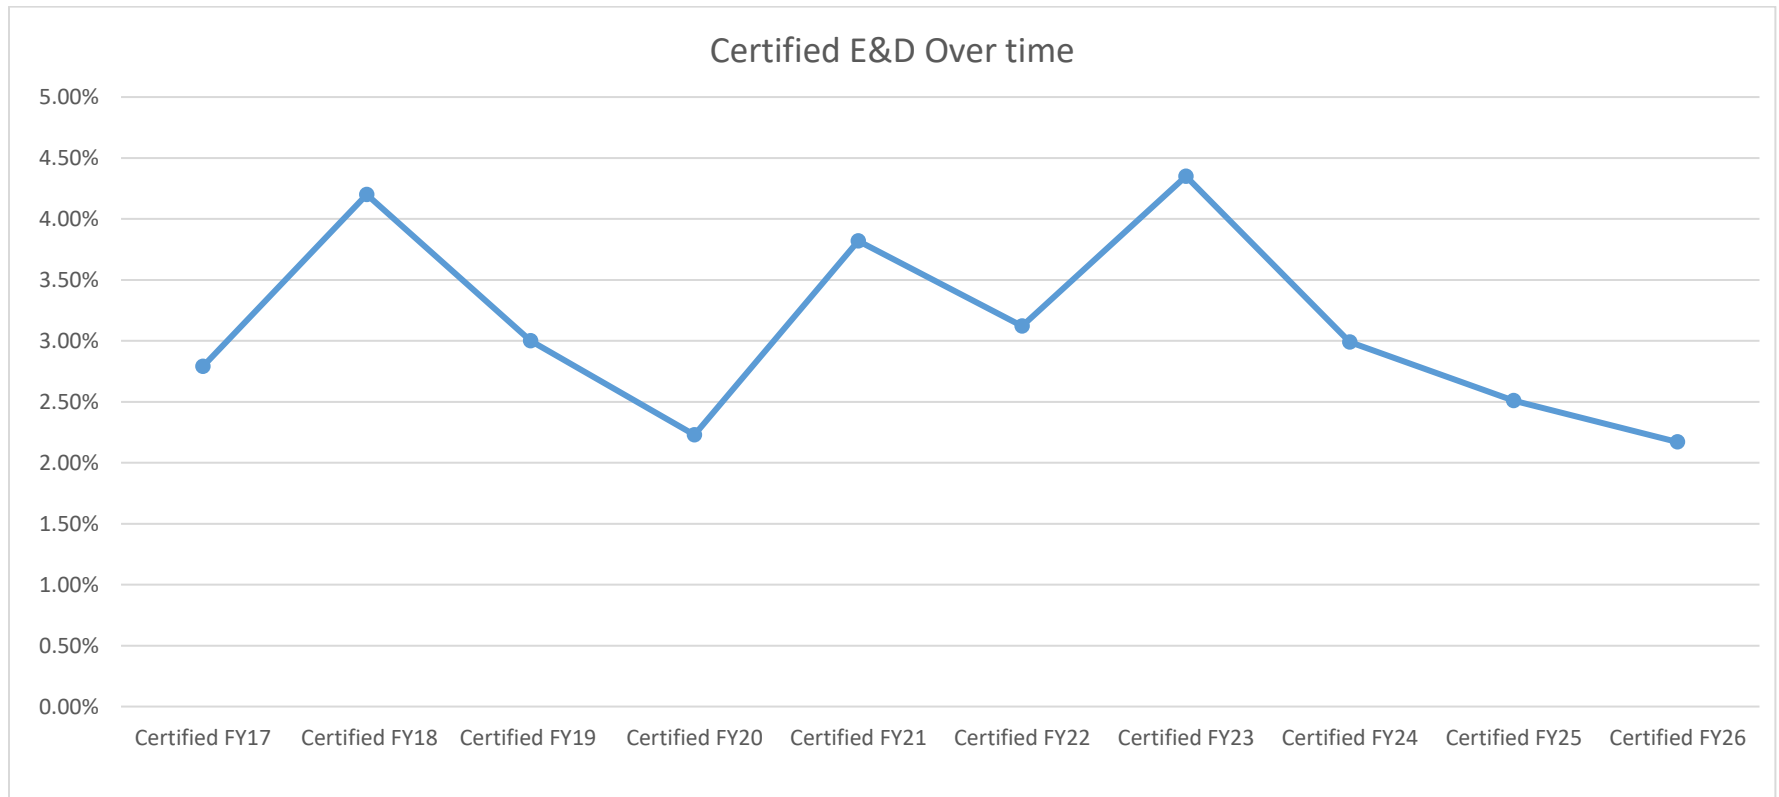

Excess and Deficiency

Figure 6: Certified E&D Over Time

The district has worked hard to get back toward a healthy level of E&D. The district instituted a policy that aims to maintain a 4% balance in E&D as well as a 1% balance in capital stabilization account.

In FY24, the School Committee voted budget guidance that stated to gradually reduce the use of E&D to balance the operating budget over three (3) fiscal years. Difficult fiscal times will dictate a reduction over five (5) years at \$100,000 per year. The proposed budget for FY27 suggests using \$300,000 to lower Town Assessments.

Town Assessments

Appendix B: Revenue & Expenditure Chart of Accounts

Chart of Accounts - Criteria for Financial Reporting

This section describes the general requirements for reporting revenue and expenditure data from school committee appropriation, municipal spending in support of schools, revolving and special funds and state and federal grants and contracts. Each school district shall report the following revenues and expenditures as required in the annual End-of-Year Financial Report in accordance with M.G.L. c.72, s.3.

Last updated as of June 2018

Revenue Classification

General fund receipts:

- Regional school district assessments received from member cities and towns and excess and deficiency funds applied to a given year's budget;
- Tuition receipts, transportation fees, earnings on investments, rental fees, medical care and assistance, e-rate receipts, and other general fund revenue;
- The cash value of all non-revenue receipts.

State aid receipts:

- Chapter 70 (school aid), Chapter 70B(construction aid through MSBA)
- Pupil transportation, charter reimbursement and facilities aid, circuit breaker and foundation reserve
- State and federal grant receipts:
 - State grants or contracts received from the Department or any other state agency.
 - Federal grants or contracts received from the Department, from other state agencies or from any other federal government source

Revolving and special fund receipts:

- School lunch receipts, including state and federal reimbursements
- Athletic and other student body receipts for admission for school events
- Tuition receipts for school choice or other receipts for adult education, community school programs, out of district tuitions or summer school.
- Other local receipts as permitted by law, such as culinary arts programs, insurance reimbursements, lost schoolbooks or costs of industrial arts supplies, self-supporting recreation and park services or rental of school facilities.
- Private receipts shall include all non-governmental grants or gifts.

Expenditures - Functional Classification

This section specifies the criteria for reporting functional categories of expenditures and gives the specific items that should be reported under these categories. Reporting of municipal expenditures must also comply with reporting instructions entitled: "Reporting by Municipal Agencies".

NEW	Code	Function Name	Description	Object Codes
Administration				
	1110	School Committee	Record School Committee expenditures by object. For the City/Town, record only those expenditures that support the school committee as an office (e.g. salaries, travel expenses, legal expenses, and office expenses).	Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	1210	Superintendent	Record Superintendent's Office expenditures by object. <i>This should correspond to EPIMS job code 1200.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	1220	Assistant Superintendents	Record Assistant Superintendent expenditures by object. <i>This should correspond to EPIMS job code 1201. Do not record Assistant Superintendent for Business and Finance in this function. Reserve for Business and Finance Office (1410).</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	1230	Other District-Wide Administration	Record Other Districtwide Administration expenditures by object, including, but not limited to, Assistant to Superintendent, Grants Manager, or Director of Planning. <i>This should correspond to EPIMS job code 1205. Note: some positions coded as 1205 may also belong in EOYR function 1420, "Human Resources and Benefits."</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	1410	Business and Finance	Record expenditures for Business and Finance including salaries and expenses. <i>This should correspond to EPIMS job code 1202.</i> For City/Town record expenditures as defined in 603 CMR 10.04(1)(a) for Business and Finance Services allocated according to the method agreed upon by the municipality and school committee. The method used to record these costs must be used consistently each year and may only be changed upon the approval of the Commissioner of Elementary and Secondary Education. Only those expenditures that support the school committee as an office (e.g. salaries, travel expenses, legal expenses and office expenses).	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	1420	Human Resources and Benefits	Record expenditures for Human Resources and Employee Benefits Administration. <i>This should correspond to EPIMS job code 1208.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	1430	Legal Service for School Committee	Record expenditures for legal services for the School Committee (e.g. costs of School Committee representation for collective bargaining and other litigation).	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	1435	Legal Settlements	Record expenditures for legal settlements (e.g. costs representing settlements of litigation actions, including opposition legal fees, if part of a settlement).	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
FY19	1450	Administrative Technology—Districtwide	Report all technology costs related to running the district, including computers, printers, copiers, and software (data systems, MIS). <i>Report software systems related to curriculum, lesson planning and assessment in the 2000 series. Report all others here (e.g., systems related to grades, parent notification, attendance, and finance and operations).</i>	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
Instruction Instructional activities involving the teaching of students, supervising of staff, developing and utilizing curriculum materials and related services. Instructional services directly attributable to schools must be reported on a school basis, while district-wide services, such as supervisory may be reported on a district-wide basis.				

NEW	Code	Function Name	Description	Object Codes
Instructional Leadership Managers responsible for delivery of student instructional programs at the school and district level.				
FY18	2110	Curriculum Directors (Supervisory)	Record expenditures for Curriculum Directors (2110) and Department Heads by program (e.g. Regular Day) and object (e.g. Professional Salaries). Include salaries and expenses of managers responsible for delivery of student instructional programs at all levels (district and school), and serve in a supervisory capacity. <i>This should correspond to EPIMS job codes 1211 through 1223, 1312 and 1320.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
FY18	2120	Department Heads (Non-Supervisory)	Record expenditures for Curriculum Directors (2110) and Department Heads by program (e.g. Regular Day) and object (e.g. Professional Salaries). Include salaries and expenses of managers responsible for delivery of student instructional programs at all levels (district and school), and do not serve in a supervisory capacity. <i>This should correspond to EPIMS job codes 1211 through 1223, 1312 and 1320.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
FY19	2130	Instructional Technology Leadership and Training	Report staff costs for technology leadership and training to integrate technology devices and applications into the curriculum. Includes the cost of the director of technology and instructional technology integration specialists. <i>This function should correspond to EPIMS job codes 1201, 1224, and 2330.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	2210	School Leadership	Record expenditures, salaries, and expenses for School Leadership (2210) personnel including principal and school office staff. <i>This should correspond to EPIMS job codes 1305 and 1310.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
FY19	2250	Administrative Technology and Support—Schools	All administrative technology costs related to running the district's schools (e.g. principal's office), including computers, printers, copiers, and software. Includes replacement supplies (e.g. projector bulbs, power cords, toner, etc.). Expenditures for items over \$5,000 per unit must be reported as a capital (7000) expense.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
Teachers				

NEW	Code	Function Name	Description	Object Codes
FY18	2305	Teachers, Classroom	Record expenditures for salaries of certified teachers, including all in-service days. Include all stipends paid to teachers that relate to providing instruction. <i>Stipends related to non-teaching functions (e.g. athletics coaches, club advisors) should not be included here. This should correspond with EPIMS job codes 2305-2310.</i>	Professional Salaries (01)
Other Teaching Services				
	2320	Medical/Therapeutic Services	Record expenditures for Medical/Therapeutic Services (2320) provided by licensed practitioners, including BCBA, OT, PT, Speech and Vision. <i>Record amounts paid to an Educational Collaborative for therapeutic services provided to district students that ARE NOT enrolled in Collaborative programs. These costs should not be reported as tuition. This should correspond with EPIMS job codes 3326, 3327, 3411, 3421, 3431, 3441, 3451, and 3461.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04)
FY18	2324	Substitutes, Long-Term	Record expenditures for long-term substitutes who cover extended absences or vacant positions. Include permanent substitutes if they are certified. <i>This should correspond to EPIMS job code 2325.</i>	Professional Salaries (01) Other Salaries (03) Contracted Services (04)
FY18	2325	Substitute Teachers, Short-Term	Record expenditures for short-term substitutes who cover short-term absences related to any reason, including allowing teachers to participate in professional development activities.	Other Salaries (03) Contracted Services (04)

NEW	Code	Function Name	Description	Object Codes
	2330	Paraprofessionals	Record expenditures for non-clerical paraprofessional and Instructional assistants (2330) hired to assist teachers/specialists in the preparation of instructional materials or classroom instruction (includes American Sign Language Specialists). <i>This should correspond to EPIMS job codes 3323 and 4100.</i>	Other Salaries (03) Contracted Services (04)
	2340	Librarians/Media Center Directors	Record expenditures for salary of Librarians and Media Center Directors (2340). <i>This should correspond to EPIMS job codes 1220 and 3330.</i> For the City/Town, record expenditures for library services where there is an agreement between the school committee and the municipality for specific services to be provided to students. This must be entered into Schedule 3.	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03)
FY19	2345	Distance Learning and Online Coursework	Costs related to enrolling students in technology-based distance education coursework.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
Professional Development				
	2351	Professional Development Leadership	Record expenditures for the salary and expenses of a Director of Professional Development (2351). <i>This should correspond to EPIMS job code 1225. If the district pro-rates an employee's time across more than one job in EPIMS, their salary reported in the EOYR should be likewise pro-rated.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
FY18	2352	Instructional Coaches	Report expenditures for the salary and expenses of staff whose primary function is to provide instructional coaching to teachers. <i>This should correspond to EPIMS job code 2330.</i>	Professional Salaries (01) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
FY18	2354	Stipends for teachers providing instructional coaching	Report expenditures for stipends paid to teachers who act as instructional coaches, master teachers, mentor teachers, or who otherwise deliver in-district professional development, in addition to their primary instructional responsibilities.	Professional Salaries (01)
FY18	2356	Costs for instructional staff to attend professional development	Report expenditures for teachers and instructional support staff (e.g. paraprofessionals) to participate in professional development, both inside and outside the district, including stipends, reimbursements to take courses, registration fees, membership fees, and cost of publications.	Professional Salaries (01) Other Salaries (03) Supplies and Materials (05) Other Expenses (06)
FY18	2358	Outside professional development providers for instructional staff	Report expenditures for vendors who provide professional development to instructional staff. PD provided to non-instructional staff should be reported as “contracted services” in the function where that staff’s salary is reported.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
Instructional Materials, Equipment and Technology				
FY19	2410	Textbooks	Include consumable workbooks, physical materials, and accessories, such as visual media and software provided as an integrated package as well as printed manuals used to support direct instructional activities.	Supplies and Materials (05)
	2415	Other Instructional Materials (Libraries)	Record expenditures for Other Instruction Materials (2415) including books and other materials excluding textbooks, for use in school libraries or classroom libraries. INCLUDE CITY OR TOWN COST WHERE THERE IS AN AGREEMENT TO PROVIDE SERVICES ON LINE 3514.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	2420	Instructional Equipment	Record expenditures for Instructional Equipment (2420) including vocational equipment and science lab equipment irrespective of unit cost.	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	2430	General Classroom Supplies	Record expenditures for general supplies (2430) including paper, pens, crayons, chalk, paint, toner, calculators, etc.	Supplies and Materials (05)

NEW	Code	Function Name	Description	Object Codes
	2440	Other Instructional Services	Record expenditures for Other Instructional Services (2440) including field trips. <i>This should correspond to EPIMS job code 3340.</i>	Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
FY19	2451	Instructional Hardware—Student and Staff Devices (Computers)	Costs for computers and devices (e.g. tablets, Chromebooks, etc.) used by students and instructional staff. Can include 1-to-1 devices and computer labs.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
FY19	2453	Instructional Hardware—All Other	Costs for all other instructional hardware (e.g. peripherals, projection technology, etc.) used in the classroom, computer labs, or library/media center. Include lease/purchase of printers and networked copiers used to create instructional materials, including copier and copier leases of less than \$5,000.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
FY19	2455	Instructional Software and Other Instructional Materials	Costs for licenses, learning management systems, subscriptions, e-books, physical software copies, etc. Any purchase that includes physical textbooks/media should be reported in 2410 Textbooks. This function includes only those textbook purchases that are entirely electronic.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
Guidance, Counseling and Testing				

NEW	Code	Function Name	Description	Object Codes
	2710	Guidance and Adjustment Counselors	Record salaries and other related expenses of the Director of Guidance, Guidance Counselors, and School Adjustment Counselors (2710). <i>This should correspond to EPIMS job codes 3328, 3329, 3350, and 3353.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	2720	Testing and Assessment	Record expenditures for the salary, materials and expenses used for testing and assessing students (2720). <i>This should correspond to EPIMS job code 3325.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	2800	Psychological Services	Record expenditures for the salaries and expenses for psychological evaluation, counseling, and other services provided by a licensed mental health professional. Includes school psychologist, social workers, psychometrists and assistants. <i>This should correspond to EPIMS job codes 3360, 3361, 3370 and 3371.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
Pupil Services				
	3100	Attendance and Parent Liaison Services	Record expenditures for Attendance & Parent Liaison Services (3100). Include the salary and expenses for truancy officers (investigatory services) and parent information centers (e.g. Professional Salaries 01). <i>This should correspond to EPIMS job code 3332.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	3200	Medical/Health Services	Record expenditures for Medical/Health Services (3200) including, but not limited to, school physicians, school nurses, and school medical supplies. <i>This should correspond to EPIMS job codes 1226, 5010, 5015, 5020, and 5021.</i> For the City/Town, Record expenditures for Health Services (3200) where there is an agreement between the school committee and the municipality for specific services to be provided to students.	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	3300	Transportation Services	Record by major program area and by object, expenditures for Pupil Transportation Services (3300) for pupils transported to and from school regardless of distance. Only record expenditures for Transportation Services to and from school once daily. Expenditures may include: • Salaries, student transportation supervisors, dispatchers, school bus drivers, and school bus maintenance personnel • Salaries or the prorated share of salaries, clerical and support staff • Fuel, lubrication, tires, and school bus maintenance • Contracted services • Insurance premiums for student transportation services • School bus monitors In Regular Day (Col. 1), record expenditures for racial imbalance and day care transportation. Record expenditures for homeless transportation. In Special Education (Col. 2), record Special Education transportation expenditures to and from approved Chapter 766 private schools. DO NOT record expenditures for transporting nonpublic pupils in this section. DO NOT record as expenditures for pupil transportation: field trips, athletic trips, shuttle trips between schools, etc. [603 CMR 10.08]. <i>Transportation costs by program must reconcile with costs and students reported on Schedule 7.</i>	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	3400	Food Services	Record expenditures for Food Services (3400), including • Salaries, school lunch supervisors, food preparers, kitchen personnel, and aides • Food and supplies • Salaries or the prorated share of salaries, clerical and support staff • Contracted services • Dues and subscriptions • Travel expenses for staff In Schedule 1, only record expenditures from appropriated funds. Reported the cost of writing off uncollected debt in Other Expenses (06). In Schedule 1.C.2., report expenditures from other sources (e.g. over the counter receipts, federal or state reimbursements, or other revolving fund expenditures, etc.).	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	3510	Athletics	Record only the expenditures from appropriated funds used to support Athletics (3510), including: • Salaries, coaches, trainers, and assistants in intramural and interscholastic sports • Contracted services • Transportation services for students to and from athletic events • Athletic rental services • Uniforms • Athletic supplies and materials • Dues and subscriptions • Travel expenses for staff In Schedule 1.C.2., report expenditures of revenues from other sources (e.g. over the counter receipts, gate receipts, etc.).	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	3520	Other Student Activities	Record only the expenditures from appropriated funds used to support Other Student Activities (3520), including: • Salaries, musical directors, drama coaches, and other extra-curricular personnel • Salaries or the prorated share of salaries, clerical and support staff • Printing • Dues and subscriptions • Supplies and materials • Transportation services for students to and from activities • Travel expenses for staff In Schedule 1.C.2., report expenditures of revenues from other sources (e.g. ticket sales, over the counter receipts, etc.) that are deposited in the Student Activity Agency account.	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	3600	School Security	Record expenditures for School Security (3600) including salaries and expenses for school police, hall monitors, and security personnel. <i>This should correspond to EPIMS job code 3331.</i> For the City/Town, record expenditures for School Security Services where there is an agreement between the school committee and the municipality for specific services to be provided.	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
Operations and Maintenance Housekeeping activities relating to the physical plant and maintenance activities for grounds, buildings and equipment. Expenditures classified as a 4000 expenditure <i>must not exceed</i> the per project dollar limit for extraordinary maintenance or for non-instructional equipment.				

NEW	Code	Function Name	Description	Object Codes
	4110	Custodial Services	Record expenditures for Custodial Services (4110) including salaries and expenses of custodians, janitors, and truck drivers.	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	4120	Heating of Buildings	Record expenditures for Heating of Buildings (4120) including the cost of coal, fuel oil, gas, steam, and wood as well as the cost of contracted services.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)
	4130	Utility Services	Record expenditures for Utility Services (4130) including the cost of water, trash disposal, sewage, hazardous waste disposal, electricity, telephone service, and non-heating fuels.	Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

NEW	Code	Function Name	Description	Object Codes
	4210	Maintenance of Grounds	Record expenditures for Maintenance of Grounds (4210) including the cost of salaries and expenses of groundskeepers, equipment operators, and aides.	Professional Salaries (01) Clerical Salaries (02) Other Salaries (03) Contracted Services (04) Supplies and Materials (05) Other Expenses (06)

Expenditures relating to principal for other equipment and maintenance costs should be reported in the appropriate cost categories (e.g. fixed assets).</i>	<i>No objects</i>
	8600	Debt Service/Educ and Other (8400, 8600)	Only report in the school committee appropriation if you are reporting for a regional school district. Municipal districts report in city/town expenditures. Record annual expenditures related to Long Term Debt Service/Other Equipment and Maintenance Costs (8600), including the annual Interest on bonds and loans used to finance the purchase of non-instructional equipment, and to pay for capital maintenance projects in excess of one hundred thousand dollars (\$100,000). <i>Principal costs should be reported in the appropriate 7000 series</i>	<i>No objects</i>
Programs with Other School Districts Transfers of payments to other school districts or to non-public schools for services provided to students residing in the sending city or town.				
	9100	Tuition to Mass. Schools	Record, by major program area, tuition payments to other Massachusetts school districts (9100), including tuition or transfer payments to other public school districts in Massachusetts for resident students.	<i>No objects</i>

NEW	Code	Function Name	Description	Object Codes
	9110	Tuition for School Choice	School Choice Tuition (9110) is treated as an expenditure. School Committee - Regional School Districts Only Tuition payments to choice or charter schools by a regional school district are calculated by DESE and sent to DOR, and deducted from its Chapter 70 payment. These amounts are populated on the EOYR. Note that both choice and charter tuition are current-year calculations which means that monthly charges through the first eleven months are estimates. In some cases choice receiving districts have been paid more through May than their final annual amount turns out to be. In this case DOR will recoup the overpayment by adding it to the choice assessment in the June distribution. Accountants/auditors should do a ledger adjustment to reflect this adjustment. City/Town Tuition payments to choice or charter schools by a sending school district are deducted from its Chapter 70 payment.	<i>No objects</i>

NEW	Code	Function Name	Description	Object Codes
	9120	Tuition to Commonwealth Charter Schools	Tuition to Commonwealth (9120) and Horace Mann Charter Schools (9125) are treated as expenditures. School Committee - Regional School Districts Only Tuition payments to choice or charter schools by a regional school district are calculated by DESE and sent to DOR, and deducted from its Chapter 70 payment. These amounts are populated on the EOYR. Note that both choice and charter tuition are current-year calculations which means that monthly charges through the first eleven months are estimates. In some cases choice receiving districts have been paid more through May than their final annual amount turns out to be. In this case DOR will recoup the overpayment by adding it to the choice assessment in the June distribution. Accountants/auditors should do a ledger adjustment to reflect this adjustment. City/Town Tuition payments to choice or charter schools by a sending school district are deducted from its Chapter 70 payment.	<i>No objects</i>

NEW	Code	Function Name	Description	Object Codes
	9125	Tuition to Horace Mann Charter Schools	Tuition to Commonwealth (9120) and Horace Mann Charter Schools (9125) are treated as expenditures. School Committee - Regional School Districts Only Tuition payments to choice or charter schools by a regional school district are calculated by DESE and sent to DOR, and deducted from its Chapter 70 payment. These amounts are populated on the EOYR. Note that both choice and charter tuition are current-year calculations which means that monthly charges through the first eleven months are estimates.
