## Assistant Town Manager

- Current Assistant Town Manager/HR Director position created in 2019
  - Splitting the combined position has been discussed informally for several years
  - Performs mostly HR-related tasks
  - Procurement
  - Many HR-related initiatives on going: implementing vacation accrual system, standing up Sick Leave Bank, implementing annual climate survey, improvement of the employee experience
- Preliminary Budget Request of \$60,000 to fund the position beginning January 1, 2027
- Restructuring of Current Staffing
  - Recognizing the current challenges, the difficult decision was made to restructure staff in the Town Manager's Office in order to fund this position on July 1<sup>st</sup>.
  - Specifically, the position of Communications and IT Director has been eliminated. The elimination of this position will be a service decrease as the level of our external communications will be diminished. There will also be an operation impact to Departmental staff as it relates to the management of their webpages, IT, and graphic needs.
- Due to the reconfiguration, the net increase to the Town in FY27 is \$60,000.

# Finance Committee Reserve Fund– \$185,000

- Under state statute, the Town can establish a reserve funds to provide for extraordinary or unforeseen expenditures. Transfers out of a reserve require a majority vote of the Finance Committee.
- Per DLS, “during difficult economic periods, a higher reserve can meet the expectation of more frequent transfer requests from departments that struggle with lean budgets. During periods of revenue growth when departments are given more spending latitude, the likelihood of fewer requests justifies a lower reserve balance.”
- Reserve Transfers:
  - FY25: \$158,149.30
  - FY24: \$239,573.73
  - FY22: \$20,000.00
