	5.5% increase	\$1,105,489
	Grand Total	\$21,295,599
Projected gap from Town Manager’s Budget		\$600,736
		Reduction of (9) FTEs

Adjustments for health insurance (an increase of 5%) and bus transportation costs still unknown

Priorities for Determining Cuts

- Provide a quality free public education
- Preserve student access to a well-rounded educational program
- Allocate resources to meet students needs
- Lower class size
- Inflict the least negative impact on students
- Allocate resources in alignment with the District Strategic Plan goals and School Committee goal to allocate resources for the greatest impact on teaching and learning
