Superintendent of Schools Proposed FY21 Budget for the Lunenburg Public Schools

The Budget Process

AUGUST & SEPTEMBER

District Leadership Team worked to develop the Strategy for Continuous Improvement, and align School Improvement Plan goals, administrator and teacher evaluation goals to the Strategy objectives.

OCTOBER

Instructional Leadership Team began to develop a 5-year staffing plan that would support student needs and execute the Strategy for Continuous Improvement. Department leaders and building administrators developed FY21 budget requests focused on highest impact on teaching and learning and alignment with Strategy objectives. Superintendent presented trends in population/student needs data at the Symposium Oct 29, 2019.

NOVEMBER

Budgets were submitted to the Superintendent. Individual meetings were held with each department head and building administrator to review budget line requests. Leadership Teams continued to refine the 5-year staffing plan.

DECEMBER

The 5-Year Staffing Plan was finalized and submitted to the Town Manager and will be incorporated into the 5-year financial forecast to be presented in January. The Year-1 positions are part of this presentation.

JANUARY

The Leadership Team prioritizes the Year-1 positions and identifies those deemed most critical.

As the Town of Lunenburg continues to see growth and demographic changes, level service budgets will not allow the district to continue to perform at or above the state in terms of student achievement and growth. We need to invest in the operational budget of the schools to ensure that we can continue to meet our students' needs.

FY21 Budget Impacts

Health Insurance: Budget include a six and a half percent (6.5%) increase on current enrollment

Bargaining Unit Contracts: Teachers, custodians, paraprofessionals, and food service expire on June 30, 2020.

Non-bargaining Unit Contracts: Employees on individual contracts are up for contract renewal on June 30, 2020.

There is a salary reserve budgeted for these pending negotiations in the proposed budget.

Budget Revenues

- Federal & State Grants: Allocations announced in late July; the district is expecting level funding.
- Circuit Breaker: Will not have a figure until end of FY20; expecting level service of funding.
- Chapter 70 Funding: At the time of this document, the Governor has not released his FY21 Budget. We are expecting the Town's amount by the end of January.
